

A warm welcome from the TAS P&F to all our parents, teachers and students. We look forward to getting to know you and working closely together during the school year to support our vibrant and energetic TAS community.

The 2017 school year looks to be very exciting as we welcome our new principal, Mr. Paul Sjogren alongside new and current members of the TAS faculty and administration. The school has also embraced many new students and families to the TAS community.

The TAS P&F plays a vital role in supporting and strengthening the TAS community and reinforcing the partnership between home and school. Every parent and/or carer belongs to the TAS P&F and has an important role to play. The P&F meets monthly during the school year, alternating between the Kewarra Beach and White Rock campuses.

The P&F is an Incorporated Association and Registered Charity whose aim is to support the school in all its endeavours. In practice, this means a myriad of service activities and fundraising. We are committed to ensuring that every dollar raised is spent on our children.

All funds raised are invested directly into the school in a tangible and sustained manner. Some examples of our projects include the funding of school equipment such as completion of the Playground at White Rock Junior, the purchase of two 3D printers, two sets of Bee Bots (early years programming) and Sphero Robots for the Junior School, the Robotics and Coding Clubs.

At Kewarra Beach, plans include assisting with the new undercover area, purchase of a 3-d Printer, as well as a review of the current playgrounds and student areas. In addition, we plan to install a Shade Cover for the White Rock Junior playground. At the end of each year, the P&F publishes a full list of projects and equipment that we have contributed to.

We actively support our Round Square Students in their fundraising efforts, the World Challenge Students and also donate food and other consumables to a number of local charities each year including Meals on Wheels, Street Level Youth Care, and the Salvation Army.

Our major annual community and fundraising event is the Coconut Carnival, which returns to White Rock in October 2017. If you have a business and would like to be involved in the Coconut Carnival, sponsorship or donations are a great way to promote your company within the school as well as the wider community.

We look forward to getting to know you through our activities and at our monthly P&F meetings. Volunteering together helps make the TAS community an even better place for our children.

If you would like some more information or are able to assist in any way, please contact us by email at president@taspandf.com or call me on 0439 339 041.

Kind Regards
Trish Merchant
President
