White Rock Junior
Term 3, 2018

ACADEMIC EXTENSION

JUNIOR ROCO CLUB (Robotics and Coding) - Beginners

Wednesday 7.30am - 8.15am Room 7 Mrs Claire Milligan \$25/Term

Through the use of physical robotic toys, digital apps, and interactive experiences, Junior ROCO Club will inspire tomorrow's creators. Students in Years 3 to 5 will have the opportunity to consolidate and extend their coding skills using programs including Scratch 2 and our Sphero robots.

JUNIOR ROCO CLUB (Robotics and Coding) - Intermediate

Wednesday 7.30am - 8.15am Room 7 Mrs Claire Milligan \$25/Term

Continuing on from the Junior ROCO Club (Beginners), Intermediate Junior ROCO Club allows students to further extend their understanding of code and its application through the use of the Sphero robotic toys and a variety of applications. Year 5 and 6 students will design and create code to direct the Sphero while connecting, communicating, collaborating, problem solving, testing, failing, and iterating, all key characteristics of 21st century learners.

CODING AND ROBOTICS

Thursday 3.30pm - 4.30pm Room 12 Ms Michelle Breen \$25/term

Aimed at Years 5 and 6, this activity is about developing a team to compete in the FIRST Lego League Tournament later in the year. The sessions introduce real world engineering challenges by building robots using LEGO MINDSTORMS technology to complete a series of tasks on a thematic playing surface. Students apply real-world math, coding and science concepts, research challenges facing today's scientists and learn critical thinking, team-building and presentation skills. (Numbers are limited.)

DRONES

**Wednesday 3.30pm - 4.30pm Room 12 Ms Michelle Breen \$40/Term
Miss Kim Greaves / Mr Peter Gazzola**

Have you ever wanted to fly a plane? Fancy yourself as a pilot? Here's the answer – become an AP!! What's an AP? An Avionics Piolet!! Sound Cool? Come and learn to fly and code a PARROT MAMBO Drone. The eight week course for Year 5 and 6 will cover safety aspects, use of the controller, coding and flying skills.

CHESS CLUB

Tuesday 3.20pm - 4.20pm Room 14

Mr David Long / Ms Gry Sloan

Mrs Kylie Chambers

Mrs Yeshim Grace

\$140/year

TAS Chess Coaching provides a highly beneficial program that will provide opportunities to improve and develop the skills and strategies of chess for students in Years 3 to 6. The groups are differentiated and students will benefit, both socially and intellectually, from our comprehensive training program that guides them on their way to mastery.

GIRLS CHESS CLUB

Thursday 1.25pm - 1.55pm Room 14

Ms Kylie Chambers

FREE

Mr David Long

Girls Chess Club offers an opportunity for girls in Years 3 to 6 to play in an environment where they feel comfortable to accept the challenges offered by playing chess. They listen to music, share home-baked goodies, friendship and play chess. There has been a steady rise in the participation and performance of girls at Interschool Competitions.

MATHEMATICAL OLYMPIAD

Tuesday 11.00am - 11.25am Room 21

Mr Terry Reid

FREE

Mathematical Olympiad is an extension Mathematics class for Years 5 and 6 where the focus is on Creative Problem Solving strategies. Each week, the students will be given a selection of problems and introduced to various strategies to broaden their mathematical intuition and develop their insight. This is achieved by providing opportunities to experience the fun, satisfaction, pleasure and thrill of discovery that is associated with creative problem solving.

FRENCH CLUB

Wednesday 3.30pm - 4.30pm Room 19

Ms Margot

Lodzinska-Detourbet

\$10/Week

Bonjour! The French Club is designed for students from Prep to Year 6, to help them become more familiar with the French language and culture while having fun. The content is organised in essential themes, so students can more easily memorise the basics of the French language. Come and have fun with us!

ROUND SQUARE COMMITTEE

Tuesday 10.50am - 11.25am Room 16

Ms Claire Milligan

FREE

Miss Kim Greaves

Elected student representatives from Years 3 to 6 attend regular, student-led meeting to plan, coordinate and facilitate activities aligned with the Round Square IDEALS of Internationalism, Democracy, Environmentalism, Adventure, Leadership and Service. These activities may include taking part in Round Square Service trips, offering practical support and raising awareness for local and global charities and developing skills in democratic leadership.

ENRICHMENT AND SPORTING ACTIVITIES

ROCK BAND

Year 6 -

Monday 11.00am - 11.25am Room K18 Mr John Grace FREE

Year 5 -

Wednesday 11.00am - 11.25am Room K18 Mr John Grace FREE

Year 4 -

Thursday 1.25pm - 1.55pm Room K18 Mr John Grace FREE

Year 2 and 3 -

Friday 1.25pm - 1.55pm Room K18 Mr John Grace FREE

Rock Band is an activity open to students who are learning a rock band instrument with Mr Grace at school. Students are taught instruments and parts during the lessons and come together once a week with students of similar ages to form a rock band, working toward performances at the Rock Under The Stars concert, Coconut Carnival and Red Square events.

BEGINNER UKULELE CLUB

Tuesday 11.00am - 11.25am Music Room Mrs Anna Long FREE

The Beginner Ukulele Club provides students with the opportunity to learn to play an instrument whilst singing and making music together. The students learn how to hold, play chords and strum. It is open to new students starting at the very beginning, and students who were in this group the previous year, before moving on to the Senior Ukulele Group.

CONTINUING / ADVANCING UKULELE CLUB (BYO Ukulele)

Wednesday 11.00am - 11.25am Music Room Mrs Anna Long FREE

The Senior Ukulele Club introduces students to more chords and varied song styles as well as some of the advancing technical skills involved in playing ukulele. Suitable for students in Years 3 to 6.

WRJ STRINGS

Friday 8.30am - 9.00am WRS Music Room Mrs Sue Stitt FREE

When students have completed the introductory stages of learning a string instrument they are welcome to join this ensemble.

P-2 CHOIR

Wednesday 8.00am - 8.30am Music Room Mrs Anna Long FREE

Students can join choir as part of the co-curricular program from as early as their Prep year. The P-2 Choir sings for a half hour each week and learns enjoyable repertoire the members can perform. This is a lovely and fun session, where the children participate in singing games, learn actions to songs and learn to sing in parts.

3-6 CHOIR

Thursday 8.15am - 9.00am Music Room Mrs Sue Stitt FREE
Mrs Anna Long

The WRJ 3-6 Choir is open to all students in Years 3 to 6. The choir sings each week and learns enjoyable and more complex repertoire to perform in concerts and at the Cairns Eisteddfod. Each year, the WRJ Choir and the equivalent KBJ Choir combine to perform at the Coconut Carnival and end of year school events.

MIDDLE SCHOOL ORCHESTRA

Friday 7.45am - 8.30am WRS Music Room Mrs Sue Stitt FREE

This ensemble was introduced in 2017 and extends the talents of the best of White Rock Junior Instrumentalists by allowing them to play in an orchestra with students from Years 7 and 8.

MIDDLE SCHOOL CONCERT BAND

Friday 11.00am - 11.25am WRS Music Room Mrs Sue Stitt FREE

This group is open to wind/brass and percussion players and allows them to experience playing in their first ensemble. The Ensemble is conducted by our visiting brass tutor Mr Nathan Wiltshire. Individual instrumental and vocal lessons are available and the application form is at reception or on the website.

YOUNG PERFORMERS CLUB

Tuesday 7.45am - 8.30am WRJ Music Room Mrs Anna Long FREE

The TAS Performers Club is for students from Years 4 to 6 who have a passion for performing. It is an opportunity for students to prepare individually or collaboratively on a performance for a school community event or audience. The students may rehearse pieces on their own instruments, voice or be creative using equipment in the Music room.

TAS YOUNG ENGINEERS' CLUB

Thursday 1.25pm - 1.55pm Room 8

Mrs Dee Wells

FREE

Mrs Sherrin Osmond

The Young Engineers' Club is open to students from Years 1 to 3. Each week, students will be presented with a problem which will require them to create a possible solution. In small groups, student will be asked to design, build, test and re-design a solution to the challenge. Young Engineers' Club provides students with an environment to build critical thinking, perseverance and team building skills. Young Engineers runs Week 2 to Week 8 inclusive each term.

LUNCHTIME SPORT

Varies throughout the term

Mr Mark Sage

FREE

Lunch time sport is a fun way to introduce beginners and junior players in Years 3 to 6 to various types of sporting activities. These sessions will help students learn the basics of the game in a fun and safe environment, while developing fundamental motor skills and teaching students to work as part of a team.

JOGGING WITH JILL

Wednesday 3.30pm - 4.30pm MPH

Miss Jill Boltz

\$5/week

Jogging with Jill sessions include a variety of running activities to develop aerobic capacity and endurance. Jill Boltz is a two-time Olympian, a former champion of middle to long distance running whose passion is to inspire people to get moving....and moving fast!

P-2 HOCKEY COACHING

Thursday 7.30am - 8.15am MPH

Mr Ron Tippet

FREE

This session is created for students in P-2 to come and enjoy learning hockey.

ENVIRONMENTAL COMMITTEE

Tuesday 1.25pm - 1.55pm Room 11

Mrs Liane Thomas

FREE

The Environmental Committee includes a class representative from each Year 3 to 6 class. The dedicated group raises awareness throughout the school of sustainability issues and champions love of the environment and action, to protect and nurture it, for future generations. The students are already involved with promoting the composting of fruit and vegetable matter, 'planet friendly lunches', reducing power consumption and recycling paper, batteries, toothpaste products (terracycle) and cartridges. The major aspirational project for 2018 is to create a vegetable garden. TAS, through recognition of its environmentalism, is a Reef Guardian School.

DIGITAL ART CLUB

Monday 11.00am - 11.25am Art Room Ms Wendy Ashburton FREE

Junior students, Prep to Year 2, are welcome to come and try their hands at various crafts such as sewing, key chains, jewellery and greeting cards and as many craft projects as we can fit in.

CRAFT CLUB

Tuesday 1.25pm - 1.55pm Room 19 Mrs Roxy Hillier \$10/term

Junior students, Prep to Year 2, are welcome to come and try their hands at various crafts such as sewing, key chains, jewellery and greeting cards and as many craft projects as we can fit in.

KINGS KIDS CLUB

Tuesday 1.30pm - 1.55pm Room 2 Mrs Liz Whitehead FREE

Students enjoy Bible stories, songs and activities.

CRAFT CLUB

Wednesday 1.25pm - 1.55pm Room 19 Mrs Roxy Hillier \$10/term

Junior students Years 3 to 6 are welcome to come and try their hands at various crafts such as sewing, key chains, jewellery, greeting cards and as many craft projects as we can fit in.

Please contact White Rock Junior Reception
to register for all co-curricular programs.
