DISCOVER THE TAS DIFFERENCE

Trinity Anglican School, a member of the highly-regarded network of Anglican schools, is well-known throughout Queensland for graduating outstanding young men and women. The school caters for students from Kindergarten to Year 12 at White Rock, and Kindergarten to Year 6 at Kewarra Beach.

We asked our Senior Academic team what they believe the TAS Difference to be.

PAUL SJOGREN
PRINCIPAL

Focus on Students Meeting and Exceeding their Academic Potential

The school's core belief is that every student can succeed academically with the right support and environment and reach their academic potential. Our educators are always monitoring improvement in learning, including the use of data and feedback, and identifying where both learning and teaching can be improved.

MARGARET KENNEDY
DEPUTY PRINCIPAL

Relationship-based Pastoral Care and Student Wellbeing with a Christian Values Framework

All students are members of a House, allowing strong links between students of different year levels and leading to a less stratified student body. The school culture is based on Christian values and has an ongoing, strong relationship with Anglican churches within the Cairns region.

Enhanced Junior School Programs

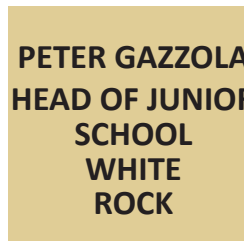

All Junior year levels have lessons each week in Japanese, Visual Art, Music and Physical Education and all students participate in a structured swimming program throughout the year. There is also a variety of activities available for extension and enrichment, such as OptiMINDS, Chess, Robotics and Programming, along with a wide range of music and sporting opportunities.

Balancing 21st Century Skills with Traditional Values

When they leave school. TAS graduates are very well prepared in areas such as teamwork and collaboration, critical thinking, problem solving, global awareness and communication skills. Studies in areas such as robotics and coding are balanced with a strong focus on literacy and numeracy.

Small Class Sizes

TAS features small class sizes of just 22 from Preparatory to Year 6 and 25 in Years 7 to 12, which give students more time, guidance and personalised feedback from their teachers.

"Students who graduate from Trinity Anglican School make lifelong friends and become part of the Australian Anglican school family, recognised as the best school sector in Australia, producing leaders of yesteryear, today and of the future."

Principal, Paul Sjogren
