

# TRINITAS

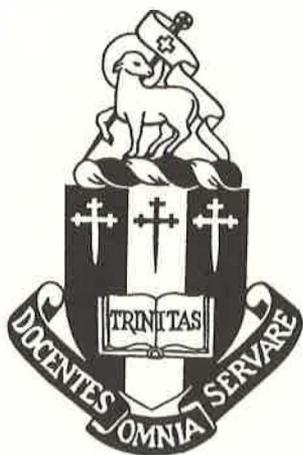

1993

**TRINITY ANGLICAN SCHOOL**  
**Cairns Queensland**

## COAT-OF-ARMS

The Heraldic description is as follows:

Vert, a pale Or, in chief three crosses-crosslet fitchy all countercharged and in base an open book inscribed with the word Trinitas proper.

Crest: On a wreath of the colours a Paschal Lamb proper.

Motto: Docentes omnia servare - Teach them to observe all things.

### NOTES:

The Paschal Lamb and the Crosses symbolise our association with the Diocese of North Queensland. Both are dominant features in the Diocesan coat-of-arms.

The Open Book symbolises the word of God and wisdom.

The Paschal Lamb symbolises sacrifice.

You will note the artist has a triadic theme running through the design to represent the Trinity - God the Father, God the Son and God the Holy Spirit.

The Most Reverend T.T. Read, C.B.E., former Archbishop of Adelaide and one of Australia's foremost authorities on heraldry, has written to the Bishop about our coat-of-arms as follows: "I think the Arms are excellent and can see nothing about them contrary to the laws of heraldry."

## EDITORIAL

Preparing TRINITAS for publication each year is a task I dread before it begins but enjoy immensely once it is underway. The sense of joy in the preparation process develops as I pore over the hundreds of photos taken each year and recall the myriad of wonderful events that have taken place this and every year. The wish to include as many of these as possible becomes a driving force in editing because although words are necessary, they are by no means sufficient to tell the School and wider community who we are and what we do - as the saying goes "A picture paints a thousand words".

Another observation I seem to make each year as I scan from Day 1 of Term 1 to the final day of Term 4 is the contrast of activities that takes place at a school. Some things, especially the academic programme, are long-lasting: they provide much of the structure and routine that schools need to create stability and to build subject-specific knowledge in the minds of pupils. Yet, so many other events are "one of a kind": the performing and visual arts festivals, sporting carnivals, Parents' and Friends' and Old Scholars' functions, and many others, which although requiring so much preparation, occupy a relatively brief period of time. In a School the size of Trinity Anglican School, so many things happen each year that there is always a risk of omitting something special or important and I hope each year to avoid such a disappointment.

The format of this year's TRINITAS is somewhat similar to last year's edition. The first ten pages cover whole school activities; pages 11-43, are from the White Rock Secondary Campus; pages 46-72, the White Rock Junior School; pages 73-88, the Marlin Coast Campus. The centre page collage assembles a multitude of faces and activities that represent the richness and complexity of life at Trinity Anglican School's three campuses in 1993.

A number of staff members have given considerable assistance in preparing TRINITAS. I would like to thank Fr Peter Laurence, Mr John Cooley and Mrs Barbara Jones, who have been the major helpers. Thanks are also due to all academic and clerical staff who put so much time and effort into our school magazine.

I hope you enjoy reading TRINITAS and remembering the many things that have made 1993 a happy and successful year.

**Mrs Carmel Ross**  
**Human Resources Director**

# NEW PRINCIPAL FOR TAS

TRINITY  
ANGLICAN  
SCHOOL

*On the occasion of the Anglican Primate's recent visit to Trinity Anglican School - (l-r) Fr Peter Laurence (Principal-Designate), Bishop John Lewis (Chairman of School Council), Archbishop Keith Rayner (Primate), Bishop Ian Stuart (Principal).*

After ten years of outstanding service, Bishop Ian Stuart will relinquish the Principalship of TAS at the end of this year. He will take up the new full-time position of Bishop Administrator in the Diocese. Commenting on his appointment Bishop Stuart said, "the responsibilities of the position draw together my three major areas of professional interest and expertise:- administration, pastoral care and education. I will be able to apply my particular qualifications, skills and experience in these areas in a much broader context than is possible while I am responsible for the day-to-day management of a school."

Father Peter Laurence has been appointed as the new Principal. Father Laurence is well known in the TAS community as the Foundation Head of the Marlin Coast Campus. Prior to his move to Cairns, Father Laurence spent eight years at Somerset College on the Gold Coast, where he served as Chaplain and Housemaster.

After receiving his primary and secondary education at Anglican Schools in Sydney, Father Laurence went to the University of Sydney, from which he graduated with a Bachelor's Degree in Economics and Diploma of Education. He commenced his teaching career in Sydney, before moving to Queensland.

Father Laurence studied Theology at St Francis' College in Brisbane, gaining a Bachelor of Arts degree in Religious Studies from the University of Queensland. He is currently pursuing further studies in the form of a Master's Degree in Educational Administration. Father Laurence and his wife Margaret have two children, Sarah and Rebecca, who will both be students at TAS next year. As a parent of the school, Father Laurence believes that a TAS education provides 'that little bit more'. "We offer excellence in a caring environment, where each student is encouraged to strive for his or her personal best. Excellence is not just a goal at TAS. It's a reality," says Father Laurence.

Acknowledging the need to keep abreast of educational developments across the nation and beyond, Father Laurence is a member of the Australian College of Education and the Australian Council for Educational Administration.

Throughout this semester Father Laurence is carrying out the duties of Principal whilst Bishop Stuart is on leave from the School. This arrangement will bring about a smooth transition of Principalship at the end of the year. Father Laurence concluded, "The times ahead are both challenging and exciting for independent schools. I look forward to leading TAS through the final decade of the Twentieth Century, building on the solid foundations of the School's first decade."

# FROM THE PRINCIPAL

*"The old order changeth, yielding place to new,  
And God fulfils Himself in many ways,  
... and that which I have done  
May He within Himself make pure!"*

*Alfred, Lord Tennyson (1809-1892)*

## INTRODUCTION

Tennyson's epic poem "Morte d'Arthur", in which he recounts the death of King Arthur, is a particular favourite of mine from school days. I have found myself recalling the lines which I have quoted above as I write this my tenth and final report as Principal of Trinity Anglican School. Inevitably, at this time, I am experiencing a range of feelings and emotions - admiration, gratitude, appreciation, affection, disappointment, pleasure, excitement and thanksgiving are all present in varying degrees.

First, there is admiration for the faith, dedication and hard work of Bishop John Lewis and his Council who have never faltered in their determination to translate their vision for the establishment of this School into a reality. The encouragement and personal support which I have received from them have meant a great deal to me. The School community is also indebted to them.

Then, there is enormous gratitude for the privilege of leading this School during these ten formative years. I have welcomed the opportunities and the challenges of overseeing a community which has grown from a struggling, dispirited school of some 140 students, uncertain of its direction in 1983, to the successful and well regarded institution of 1,000 students, on two campuses, which is Trinity Anglican School today - firmly founded, well resourced and with clear policies to achieve its mission of providing an education with the twin emphases of Christian formation and academic excellence.

There is also appreciation for a number of very special, talented and dedicated men and women on the staff, not only in the early pioneering years but throughout my Principalship - people like Norm Brosseau, June Chan, Ainsley Haldane, Carmel Ross, Warren Tidmarsh, Wayne Van Den Bos, Betty Veivers and Linda White. They and many others have worked with me loyally and as part of a team giving their all for the benefit of our students. Industrial awards and school politics have had little place in their professional approach. It saddens me that in recent years the teaching profession has become increasingly self-centred rather than student-centred! It is now much more difficult than it used to be to staff our schools with able teachers who have a sense of vocation. I have been most fortunate over the years to have had around me dedicated people in key positions.

There is a great deal of affection for the overwhelming majority of the 2,000 students whose care I have had during my time as TAS. What a wholesome, co-operative, cheerful and good humoured group of boys and girls they have been! They have a decency and sincerity which I have not always found in their counterparts in other schools in which I have worked.

I am grateful for the support and friendship which I have received from so many parents over the years. That support and friendship has been demonstrated not only personally but in many public ways including work on the Council, P & F projects, committees, working bees and so on. The Coconut Carnival is a good example of parents, staff and students working together for the benefit of the School.

While referring to parents, I must comment on a myth abroad in the Cairns community that TAS is a school for the privileged few. This is nonsense. Our parent body comprises a broad socio-economic mix with the majority being normal, hard-working people who are making significant financial sacrifices to send their children here because they believe in what we are doing and want to give them the best possible start in life.

There is a tinge of disappointment and frustration too. Disappointment that a small minority of the school community - parents, staff and students - and some in the wider Church community have been unable or unwilling to understand and grasp the Council's and my vision for the School. They have not given the commitment, loyalty and support which an Independent school must have if it is to be a great school. There is far more to this than simply paying fees. This small minority have occasionally undermined our achievements and thwarted our efforts by preferring to deal in misinformation and rumour rather than seeking the truth. They have yet to comprehend that it is our Christian foundation, our traditions, our sense of community and our insistence on high standards of personal behaviour and discipline which distinguish us. Until these are each affirmed and supported by all the stakeholders, the full potential of TAS will not be realised.

There is much pleasure and satisfaction that I am passing on the torch to Father Peter Laurence. Father Peter has outstanding professional and personal qualities and is a man of faith, vision and energy. He is without doubt the right person to lead the School at this time and you are very fortunate to have him. May he receive in full measure your commitment, loyalty and support.

There is a sense of excitement and anticipation as I move on to new challenges as the Bishop Administrator in the Diocese. This position draws together my three major areas of professional interest and expertise - administration, pastoral care and education. I will be able to apply my particular qualifications, skills and expertise in these areas in a much broader context than is possible while I am responsible for the day-to-day management of the largest school in the Diocese. I am looking forward immensely to these new opportunities.

Finally, there is thanksgiving: to my wife Megan and our three children for the loving support which they have given me; they have willingly and unselfishly shared with me the sorrows and the joys, the hardships and the pleasures of the last ten years. And I thank God for enabling and upholding my ministry in this place. With Tennyson's Arthur I pray, "that which I have done may He within Himself make pure!" May God continue to bless Trinity Anglican School in the years ahead!

In the report which follows, I have attempted to provide a comprehensive record of the experiences and activities which have shaped the lives of our students during 1993. I gratefully acknowledge the assistance which I have received from the three Heads of Campus in compiling this material.

## ENROLMENT

Our total enrolment was 961. This compares with 149 in 1983, 215 in 1984, 357 in 1985, 460 in 1986, 520 in 1987, 600 in 1988, 700 in 1989, 740 in 1990, 865 in 1991 and 920 in 1992. Next year's total enrolment on both campuses will be around 1000.

## ACADEMIC ACHIEVEMENT

We were delighted with the results of our 1992 Year 12 students. Six students, or just under 10%, achieved an OP (Overall Position) Band 1 (ie in the top 2% of the State) and 30% of our students received OP Bands 2 - 6 compared with 17% across the State. Furthermore, 80% of our students received their first round tertiary offer of their choice. These final results were superior to those of any other school in the region.

## RELIGION AND WORSHIP

On Tuesday September 7, the School had the honour of hosting a Liturgical Reception for the Primate of the Anglican Church of Australia, the Most Reverend Keith Rayner, AO. After the Service, the Archbishop joined the clergy and lay leaders from the parishes for Dinner in the Library.

Our Christian Education programme, including the Year 11 Community Service and Year 12 Buddy scheme continues to expand and develop. The Chaplain, Father Ainsley Haldane's efforts have resulted in a programme which is relevant to the needs of young people in the 1990's and well accepted by them. Increasingly, we find other schools in the Diocese seeking our advice and assistance in this critical area.

Students on all campuses participate in weekly worship and the Sunday Services at both campuses, in association with local parishes, continue to grow.

This year Father Haldane prepared and presented 29 candidates to me for Confirmation at a Service at St John's Cairns on Sunday October 24. Those Confirmed were:

Sherilyn Barnes, Kylie Bean, Melanie Birkbeck, Melissa Botha, Merrin Botha, Xenia Brasch, Matthew Byrne, Emily Cain, Belinda Chappell, Adam Dean, Mrs Margaret Dean, Barbara Ellis, Sarah Haldane, Felicity Hubbucks, Alexander Jenkins, Kylie Maher, Sarah Male, Andrina Penfold, Conor Simpson, Kathryn Simpson, Abigail Stanbridge, Alison Stevens, Phoebe Stuart, Elizabeth Swanwick, Sharon Taylor, Sarah Wallen, Benjamin Woodward, Elisabeth Wynn, Caroline Yates.

We celebrated Trinity Sunday, our Feast of Title with an Open Day to which members of the School and wider communities were invited. Activities included classroom displays, a thanksgiving service and picnic lunch.

## STUDENT LEADERS

On Tuesday February 23, Bishop Lewis commissioned the following student leaders for their work: School Captains - Brett Slattery and Marguerite Rossi. Sports Captains - Scott Symonds and Emma Lander. Prefects - Luke Anthony, Jane Broadley, Gabrielle Ernst, Geoff Francis, Maureen Gamble, Sarah Norman, Rudd Rankine and Jason Subloo.

On Monday May 17, I commissioned six additional Prefects: Andrew Curnock, Zadek Freeman, Renee Hoffmann, Kellie Lazarus, Kate Maconachie and Michael Woodward.

We are very grateful for the leadership and assistance which these young men and women have given to the School community.

## STAFF

We wish Father Haldane well as he takes up a new position in South East Queensland and thank him for his contribution to the School as Chaplain during the last two years. We also farewell the following staff: Mrs Bronwyn Crowther, Mr Peter Dickinson, Mr Tony Doyle, Mr Mark Reppel, Mrs Julie Retallick, Mrs Catherine Taifalos and Mrs Anne Watt. We thank them for their efforts.

## WHITE ROCK SECONDARY CAMPUS

### STUDENT ACHIEVEMENTS

In the Australian Mathematics Competition, Andrew Blake (Year 8) was awarded one of the prestigious Westpac Prizes in the Junior Section of the competition. Daniel Webb (Year 9) also won a Special Achievement Award. Many other students did very well with the School achieving 67 distinctions and 167 credits which represent nearly half the student population that sat the paper.

The QMTA Mathematical Problem Solving Competition resulted in three students, Alun Coppack (Year 9), Richard Pound (Year 9) and Linsey Mutch (Year 11) all achieving Honourable Mentions.

In the Australian Science Competition, four students, Alun Coppack, Richard Pound and Daniel Webb (Year 9) and Grant Turner (Year 11) performed in the top 1% of the State, while many other students achieved results in the top 10% of the State.

The Australian Schools English Competition again produced some outstanding results with the following students placed in the top 1% of the State.

Year 9 Janie Busby, Richard Pound, Daniel Webb.

Year 10 Lisa Hickey.

Year 11 Leigh Hillery, Linsey Mutch.

The Australian Chemistry Competition resulted in many Distinctions and 23 High Distinctions

*The Principal, Bishop Ian Stuart and Principal-Designate, Father Peter Laurence, with students (L-R) Michael Woodward, Elise Liley and Ciaran Scully-Clausen.*

for TAS students. A further ten students achieved results in the top 4% of the State. Notable among these were **Anthony Singh** (Year 9), **Andrew Blake** (Year 8) and **Daniel Webb** (Year 9) who achieved in the top 1% of the State.

In the National competitions mentioned above, the School's average result for most Year levels was invariably above the average of the rest of the State, despite many other schools having a much more selective policy for student entry.

A team of six Year 11 Legal Studies students, **Gavin Hoffmann, Wendy Kidd, Rohan Rees, Janelle Subloo, Angus Urquhart** and **Ben Woodward** did very well to make the Regional finals of the Mock Court Competition in Semester 1.

Even more impressive were the efforts of four Year 12 girls in the Bond University Moot Court Competition. **Marguerite Rossi, Jane Broadley, Kate Maconachie** and **Ainsley Mapp** were in the team that competed in the State (QLD and NSW) Final of this prestigious competition.

**Adrian Pickering** (Year 12), **Trent Hook** (Year 11), **Matthew Tobias** (Year 10) and **Travis Pittman** (Year 10) all achieved first places in varying categories of the North Queensland Maps Week Competition run by the Queensland Lands Department.

In what could be considered as an extension of the new senior subject, Business Organisation and Management, several Year 11 students became involved in the Young Australian Achievement Programme this year in which students from schools across Cairns co-operated to undertake business enterprises. The directors of both companies formed in Cairns were TAS students (**Gavin Hoffmann** and **Rohan Rees**), with Rohan going on to represent the region in the State final of the Young Achiever Awards in October.

In the Regional LOTE Competitions TAS students made a clean sweep of all categories of the French section.

In the academically selective Mathematics Challenge for Young Australians, **Amnon Rosenfeld** (Year 8) and **Anthony Singh** (Year 9) did very well to be placed in the top 10% and 20% respectively throughout Australia.

Two Year 12 Physics students, **Carly Mutch** and **Jeremy Slay**, received special recognition for their innovative Physics projects at the Cairns Show.

**Emma Lander** (Year 12) returned from the National Science School in Canberra last February brimming with enthusiasm and new ideas. This unique programme certainly is a wonderful opportunity for students who participate.

In October, **Anthony Singh** was awarded a Silver medal from Trinity College, London for his outstanding performance in the Effective Speaking exam, one of only two such awards made in Australia.

#### CULTURAL ACTIVITIES

In April, Mrs Linda White led a group of TAS students on a very successful visit to France. Such tours, although expensive, are a wonderful way to learn to appreciate the language, culture and customs of another country.

Mr Graham Miller led a cultural tour to Brisbane in June. It too was a great success.

In Semester 1, Mrs Barnes directed our senior Speech and Drama students in a series of plays entitled "An evening with Chekhov". The three plays were of a very high standard and most entertaining.

TAS's participation in the "I Decide" Rock Eisteddfod was again a highlight of the year. With well over 100 very keen and talented students, staff and parents involved in this year's production, it was not surprising that they again achieved a very high standard, matching, if not surpassing the winning '92 effort. We did not win this year but all involved gained greatly from their participation.

The TASARTS Festival in early October was again successful with impressive displays and performances from Year 8 to 12 students in Art, Music and Drama.

The School participated in the inaugural Diocesan Schools' Arts Festival which was held in

Townsville in July. Mr Miller (who was a motivating force behind the Festival) reported that the art and drama presented by TAS students was of a very high standard.

In November, Fr Haldane co-ordinated at least 130 enthusiastic students, staff and parents in the production "Ulysses". This was a very professional and entertaining show.

There have also been many fine individual performances in the fields of music, drama, public speaking and dance by TAS students in and out of school. Although too numerous to mention individually, we congratulate all students who recognise the importance of expanding their talents outside normal academic and sporting avenues.

Our exchange students have both gained and given as a result of their time in the TAS community. Sachiko Komori departed for Japan earlier this year after 11 months at TAS. Alice Hrdina joined us from Germany for three months and Hiro Maeda is currently studying in Year 11 at TAS.

Several TAS students travelled overseas at the end of last year on exchange. They were Lysanne de Graaf, Amber Hemburrow and Kristi Wong, while Adam Burton is currently studying for six months in the USA. In correspondence to the School, they have all indicated what a wonderful experience their exchanges have been. To date, Tania Stokes (Year 12), Nikki Wong (Year 12) and Jacqueline Muller (Year 10) have been accepted for overseas exchange in 1994.

#### WORK EXPERIENCE

Many students in Years 10, 11 and 12 were involved in Work Experience over the June vacation period. We invariably get good reports from employers about the industry and courtesy of these TAS students. I thank Mr Van Den Bos and Mrs Grimley for all their work in organising this programme.

It is not surprising to note that many employers when looking for casual workers for after school or weekends, specifically contact TAS in search of reliable student help.

#### RELIGION AND WORSHIP

The student body continue to worship together on a weekly basis in the Covered Area.

The Year 8 Family Services, which were introduced this year and overseen by Fr Haldane, have been incorporated into the weekly Sunday morning service in the School Library associated with St Margaret's Parish.

#### PASTORAL MATTERS

The House Tutor Group System continues to be the structure for effective pastoral care in the School, as well as being the basis for all internal competitions. One innovation for 1993 was the Home Room system in which the Year 8's transition into secondary schooling was closely monitored by three experienced Home Room teachers. This move, which has reduced the potential problems of the first year of secondary school for these students, has been on the whole a great success, although further refinements are planned for 1994.

The Year 9 to 12 students' involvement in vertical Tutor Groups has continued in 1993. This vertical scheme has certainly enabled students to meet and know better other students outside their Year level. It has also further encouraged Year 12 students to take a responsible role as student leaders in the School.

#### HOUSE ACTIVITIES

The House System continues to develop. All Houses provide services to the School and community. These services may be activities as litter pick-up, lost property pound supervision, library duties and sports gear distribution, or extend to fetes, concerts or walkathons to aid local charities. This year each House raised funds for the following charities:

- Dalrymple - Salvation Army Red Shield Appeal
- Kennedy - The Cootharinga Society
- Leichhardt - Children's Ward, Cairns Base Hospital
- Mulligan - Cancer Appeal

# THE PRINCIPAL'S REPORT

The following House Competitions have taken place with winners as set out below:

Swimming - Leichhardt, Music - Mulligan, Cross Country - Mulligan, Drama - Dalrymple, Triathlon - Dalrymple, Athletics - Kennedy, Junior Sport - Mulligan, Senior Sport - Leichhardt, Public Speaking - Mulligan and Dalrymple, Debating - Dalrymple, Cheer Squad Trophy - Dalrymple. Congratulations to Mulligan House who in a very tight competition has won the 1993 Top House Trophy for the first time.

## SPORT

Despite many fine performances from individual students, a first place in one of the three main Inter School sporting competitions this year has continued to elude TAS teams. A win in one of these major competitions may only be achieved with a well organised training programme prior to each event and a large and vocal cheer squad to match other schools.

The results of the Inter School sports competition run in Terms 1 and 2 were again disappointing. We simply are still not sufficiently matching the depth of skill and training evident in some of the other school teams. A smaller student population may be one mitigating factor but lack of motivation is also a problem. In 1994, we hope to be able to prepare our teams for the competition more effectively. The high percentage of student involvement in the Inter School competition is most encouraging.

Although our teams which compete in school and community competitions outside normal school hours in Netball, Rugby Union and Soccer performed well, none achieved a Grand Final victory.

Individuals who deserve special mention for their sporting success in 1993 are listed below:

**Alice Becker (Year 10)** Won a number of local triathlon races and qualified to compete in State competitions in both the Triathlon and Cross-Country.

**Alan Bolton (Year 12)** Played in the Peninsula Hockey team as captain and was selected in the State Schoolboys' Hockey team.

**Travis Butler (Year 10)** Represented the region in the State 16 years Baseball competition; also a representative cricketer.

**David Christopher (Year 10)** An outstanding athlete who qualified for the State Cross-Country championships. He also represented North Qld in Rugby Union.

**Jarron Colahan (Year 10)** Another outstanding athlete who represented the School and region in many competitions including an International Competition in the USA in April.

**Mundy Dawe (Year 10)** Another successful season in Athletics and Cross-Country in School and regional competition.

**Jon Dredge (Year 10)** A black belt in Tai Kwon Do. Jon won both a State and National Title in his age group this year.

**Natalie Fowler (Year 10)** Participated in the State Netball team trials, coached local teams and was selected to represent Australia as a junior coach in an International Sport Expo in Japan in November.

**Philip Grifo (Year 11)** Played for the FNQ 16 years Soccer team.

**Daniel Holgate (Year 11)** A successful member of the Peninsula Swimming Squad and did very well in the National swimming titles.

**Nicole Holzheimer (Year 11)** Selected for the Peninsula Water Polo team.

**Hilkka Karsikas (Year 11)** An outstanding athlete who has had success in running at many levels in the Region; also ran in the State Cross-Country championships and did well.

**Richard Lillie (Year 10)** Represented the region in Australian Rules Football, captaining the 15 years side in the State titles.

**Brian Litherland (Year 10)** A strong swimmer and runner. He has had success in the School and region in triathlons and Cross-Country and has qualified for the State titles in Cross-Country.

**Jeni Litherland (Year 8)** A strong swimmer, Jeni has experienced success in Regional competitions and State championships.

**Nicola Messervy (Year 10)** Represented the region in girls' Soccer and qualified for the State teams in outdoor and indoor Soccer.

**Natalie Mann (Year 9)** A skilled Netball player who has represented the region.

**Belinda Marshall (Year 9)** Another skilled netballer who played for the Peninsula team.

**Rene Obersky (Year 11)** Played for the Peninsula Vigoro team.

**Kim Mourilyan (Year 9)** Ran in the State Cross-Country championships.

**Adrian Pickering (Year 12)** Won the Under 19 Queensland Speed Water Skiing championships in early October.

**Miriam Reid (Year 11)** Coached Netball locally and participated in the State Netball team trials.

**Melissa Riordan (Year 12)** Selected in the Peninsula Water Polo team.

**Suzanna Schoenemann (Year 12)** Played for the Peninsula Girls' Soccer team.

**Finley Stone (Year 9)** Played in the State 15 years Australian Rules championships.

**Gary Tippet (Year 10)** Played in the Peninsula Hockey Team.

**Grant Turner (Year 11)** Played in the State 16 years Rugby Union Championships.

**Lachie Urquhart (Year 9)** Represented FNQ in 14 years Soccer team and qualified for the State Cross-Country championships.

**Katherine Utzinger (Year 9)** Regional representative in the State Netball titles.

**Nikki Wong (Year 12)** Played in the Peninsula Softball team and is a shadow in the Peninsula Water Polo team.

**Sam Woolford (Year 10)** Played for the Peninsula Golf Squad.

Many more students played for Cairns in regional competition but unfortunately space limitations prevent our mentioning all of them. Well done to all. A special thank you goes to the parents, staff and students who coached or assisted various teams over the year. Your contributions have been greatly appreciated.

## OLD SCHOLARS

The Old Scholars Sports afternoon in July was again a success and has the potential to become a significant event on the Calendar.

We congratulate Gavin Crowther (Year 12, 1991) who was awarded the title of 1993 Qld Carpenter Apprentice of the year.

It was a great pleasure to have Old Scholar Natalie Brett visit the School earlier this year to talk to students about her studies in the Australian Defence Force Academy.

The School regularly supports the young teachers of the future by accepting student teacher placements on all campuses. It was particularly pleasing to have two Old Scholars, Maureen

Gamble and Rick Heazlewood, doing their rounds in the Junior School this year.

## OUTDOOR EDUCATION AND CAMPING

The Outdoor Education and camping programme continues to run very successfully. The Year 12 Leadership Camp and Year 8 Orientation Camp are a well established tradition at the start of the year. They serve their respective aims very well indeed.

A Year 11 Camp was introduced to the programme in Term 1 this year with the aim of preparing the students for senior studies and new responsibilities. It was again most successful.

The three week Year 9 Outdoor Education programme based around Lake Tinaroo on the Atherton Tablelands was an outstanding success. Special mention must be made of the many staff who supported this ambitious programme, particularly Mr Van Den Bos, whose energy and excellent organisation ensured its success.

Selective groups of students also participated in regional camps such as the Year 12 Regional Leadership Camp, the Rotary Youth Programme of Enrichment Camp for Year 11 and other Christian based fellowship weekends. These camps are a valuable opportunity for TAS students to mix and share ideas with students from other schools.

## PARENTAL INVOLVEMENT

The support of the Parents' and Friends' Association in various projects around the School was again greatly appreciated in 1993. The basketball court in particular is a valuable addition to the sporting facilities in the School. The Coconut Carnival was also a wonderful success. It certainly creates a focus around which students, staff and parents work together to achieve a common aim, a very healthy activity for the School and a great fundraiser!

As in previous years, after each academic report period (Terms 1, 2 and 3), the parent-teacher interviews were well attended. Information evenings for Year 8, 10 and 12 are also regular items on the School calendar and are well received by parents.

The year a Drug Information Evening for interested parents was also introduced.

## STUDENT INITIATIVES

The Student Advisory Council continues to function within the School. It has organised well attended discos and other fundraising activities this year. I thank Miss Sherrington for again being the staff representative in 1993.

The student body is to be congratulated on two initiatives. Firstly the student newspaper "On Paper". Angus Urquhart and Jodi Cryan have been the motivating force behind this.

Secondly, a group of Year 11 students including Holly L. Smith, Nicole Holzheimer and Rita Phillips, has been instrumental in organising a paper recycling scheme in the School. This Environmental Committee has also shown interest in planning tree plantings and other conservation projects.

I congratulate and thank the Head of Campus, Mr Tom Stone and the staff and students for the achievements and quality of life on this campus during 1993.

## MARLIN COAST CAMPUS

The year opened with a new building, eighty new students and considerable growth at the Marlin Coast. Comments in the first week from parents and teachers of our 220 student population went along the line of "It feels like a real school now. There are so many children around!"

Two initiatives this year were the establishment of a Learning Support Programme under the direction of Mrs Ann Mohun and an After School Care programme under the direction of Mrs Lee McMahon. Both programmes have been well supported.

## STUDENT ACHIEVEMENTS

### Leadership

Our student body was ably led by Skye Murdoch and Matthew Byrne, the Navigators for 1993. One of their roles has been to chair the Student Advisory Council, who have met throughout the year to discuss matters of particular relevance to the students.

We thank the SAC representatives for 1993: Skye Murdoch and Matthew Byrne (Year 10), Kate Downes and Dean Cropp (Year 9), Sarah Robertson and Ryan Dufty (Year 8), Heidi Downes and Aaron Zaleski (Year 7), Laura Jenkins and Daniel Smith (Year 5).

The position of Sports Captain was created this year. Tulani Lockhart and Michael Blackburn (Year 10) ably carried out this responsibility. Their sports reports on assembly were always entertaining and informative.

### Academic

Kirralee and Briony Rankine (Year 9) received Merit Awards in the Mathematics Challenge for Young Australians.

Excellent results were attained by a number of MCC students in this year's Chemistry Competition, with a number of High Distinctions and Distinctions. High Distinctions were gained by Megan Grinter (Year 8), Niklas Ericson (Year 8), Kurt Maile (Year 9) and Nathan Hunt (Year 10). Alex Jenkins (Year 7), Nathan Searle (Year 7), Joji Hiba (Year 7), Kirralee Rankine (Year 9) and Zoe Stillman (Year 9) all gained Distinctions in the Australian Schools' Mathematics Competition.

The following students gained a Distinction (top 10% of students in Queensland) in the Australian Schools' English Competition: Year 7 - Erin Anderson, Alex Jenkins, Shannon Turner; Year 8 - Ryan Dufty, Niklas Ericson, Bradley Finnigan, Megan Grinter, Fergus Smith; Year 9 - Kelly Fagg; Year 10 - Nathan Hunt.

### Sporting

Tim Becker (Year 8) competed in the Queensland State Triathlon Championships in February. Tim also gained a first place in the 13 years boys age group in the Zone Secondary Cross Country in May and a third place in the Regional Cross Country in June. He won the Junior Division of our inaugural Inter-House Triathlon held at Kewarra Beach. Tim won his age division of the Iron Kids Triathlon at Palm Cove in August.

Scott McGowan (Year 8) was 13 years age Champion for swimming.

Michael Blackburn (Year 10) won the Peninsula Golf Titles in March.

Kaku Ida played in the FNQ Under 14 Soccer team at the North Queensland Soccer championships in Townsville at Easter. In the June holidays, Kaku played in the State titles.

Adam Dean (Year 7) won the 100 m boys' sprint for the third year in a row at the Primary School Athletics, breaking the Primary School record time each year.

Tegan Crockett (Year 8), Jahved Crockett (Year 3) and Caroline Houston (Year 3) won various ribbons in horse riding events.

# THE PRINCIPAL'S REPORT

TRINITY  
ANGLICAN  
SCHOOL

**Trisha Reaston** was awarded first in the "Floor" Routine, level 3, at the FNQ Gymnastics championships.

**Kurt Maile** (Year 9) was Under 14 Boys Age champion in Athletics.

**Bradley Jones** (Year 8) and **Fergus Smith** (Year 8) played in the North Queensland team at the State Baseball championships in Ipswich in November.

## Other Achievements

**Stacey Fagg** (Year 7) and **Larisa Krumins** (Year 10) competed in the Queensland Highland Dancing championships at Ayr during the Easter holidays. Both girls achieved highly commendable results, Stacey gaining two second and two third places and Larisa gaining first, second and third places.

**Kelly Fagg** (Year 9) also achieved excellent results during the year in Highland Dancing.

**Vanessa Wright** (Year 3), **Laura Jenkins** (Year 5) and **Kelly Reaston** (Year 5) all received prizes in the Mulgrave Shire Recycling competition. Vanessa was awarded first prize in the Poster section of the competition and Laura was awarded first prize in the Information Booklet section. Kelly was awarded an incentive prize in that same section.

**Lisa Priest** (Prep) won the Cairns International Hotel colouring-in competition in July.

**Melanie Callahan** (Year 7) represented TAS in the finals of the Jaycees Public Speaking Competition in September.

## RELIGION AND WORSHIP

Our first service for the year was held on Ash Wednesday, with an Imposition of the Ashes.

Family Services were held in Terms 1, 2 and 3. These were conducted by Fr Laurence and Fr Haldane, with students involved in the choir, band, drama groups, readings and prayers. The themes included a Harvest Festival in Term 3, which eventuated in hundreds of tins of food being donated to the St John's food parcel programme.

All students in Years 5 - 10 attended an Easter Service at St John's Anglican Church on the final day of Term 1. It was a most fitting conclusion to the term, as we focused our thoughts on the death and resurrection of Christ. A number of students took leadership roles in the service.

Our Feast of Title was marked on June 10 with an Open Day and Thanksgiving Service, conducted by Fr Manley-Harris.

On Sunday October 24, the School Confirmation Service was held at St John's Church. Matthew Byrne, Alex Jenkins and Adam Dean were confirmed. Adam's mother Margaret Dean was also confirmed. I thank Fr Haldane for his preparation of the students. The preparation culminated in a Confirmation Camp at the MCC on Saturday October 16.

## SPORT

The Primary and Secondary Inter-House Swimming Carnivals were held in Term 1. Marlin Coast came third overall in the secondary, whilst in the primary age groups, Year 3 came first and Year 5 came second.

Our intra-school sporting competition commenced in Term 1, with the four Houses being Elliot, Bradman, Cawley and Fraser.

The Secondary Cross Country took place in the final week of Term 1. The Primary Cross Country was held in Term 2.

The Year 5 Soccer Team won the Barron River Sports Association competition for 1993.

Term 3 brought the Primary and Secondary Athletics Carnivals, both held at the WRC. MCC Years 3 and 5 won their age groups.

The P-2 Friendly Olympics was held on a sunny day in early August. The programme included individual races for children (and parents!), a picnic lunch and relays and games. A good time was had by all.

Ace Tennis Junior Development clinics were conducted with all children in the Primary School. Ace Tennis is a new, modified version of tennis.

Winter sporting competition involved students from Year 5 to 10 throughout Term 2. Years 5 and 7 are currently involved in a summer sporting competition on Friday afternoons.

During Term 4, all students are involved in a swimming and lifesaving programme at Paradise

Palms and Smithfield pools.

## CULTURAL

Our first orchestra commenced in February this year, under the direction of Miss Andrea Marks. It signifies the beginning of great things.

All Years 8-10 students competed in the Inter-House Music Festival in March at the WRC. The theme was "Australiana", with our entry comprising a set piece ("Waltzing Matilda") and an Aussie Medley.

The Japanese Homestay Programme commenced this year, with students from Japan attending TAS for their secondary education. They are looked after by host families from the MCC. This year we welcomed two students - Yuji Tajima and Makoto Fukaya. We look forward to this programme continuing in 1994.

An Artist in Residence week was held in May, with students from Years 5-10 being given the opportunity to immerse themselves in artistic pursuits for a week under the direction of Mrs Elisa Wright. This was highly successful with much of the student work displayed in the Art Gallery at the Marlin Coast Carnival.

Also in May, our Years 3 and 5 classes performed the play "Surfin' Safari" at the Cairns Schools' Cultural Festival. Children from Years P-2 also performed a repertoire of songs at this function.

The cultural highlight of the year was our School musical "Salad Days". Directed by Mr Ivey, about 70 cast and crew strutted their stuff to packed houses over three nights at the Rondo Theatre. Another wonderful show.

Ten students, accompanied by Mrs Nozaic, went on a three day Art Trip to Quinkan Country near Laura, in August, to study Aboriginal cave and rock art. In this Year of Indigenous Peoples, it seems most appropriate that such a culturally enriching excursion should be organised. With famous artists, Percy Trezise and Mary Haginikitas, the experience was a wonderful one.

Mr Bartlett organised two successful Book Fairs this year, with over \$1 000 of books being donated to our library.

Many of our students had their work on display at the second annual TASARTS Festival at the Hilton Hotel Ballroom in October.

The Inter-House Public Speaking and Debating competitions were held in Term 4. **Kate Downes** (Year 9) and **Ryan Dufty** (Year 8) came third overall in the Public Speaking Competition, with Ryan achieving an individual placing of second. Each of our four Debating teams won their debates.

## SERVICE

The School again supported the Australian Board of Mission's Lenten Appeal. \$366 was raised by MCC students to support ABM's work in Bangladesh.

The Marlin Coast Campus was the venue for the 1993 Queensland Junior School Heads' Conference. Held over the first weekend in May some 30 Heads from across Queensland met for professional development.

A number of Casual Clothes days were held during the year with funds raised going to support the work of the "Make a Wish" Foundation, World Vision Child sponsor plan and our own P&FA.

Students in Lower and Middle Primary participated in the World Vision Famine Fighters programme in June. Years 7-10 students again participated in the 40-Hour Famine weekend. Over \$1 000 was raised through this combined effort. Well done to all. Thank you to organisers Mrs Albion and Mr Dickinson.

The Student Advisory Council (SAC) again undertook to support the Sudden Infant Death Syndrome (SIDS) organisation by selling red noses and badges at the School in August. Over \$300 was raised to assist research in this field. Thank you to all involved and well done.

## CO-CURRICULAR

The Co-curricular Activities Programme commenced in Term 1, with after-school offerings including Tennis, Squash, Golf, Pottery classes, Cookery classes, Horsemanship and Self-defence.

Our annual P-2 Easter Hat Parade was a colourful occasion, with over 70 hats of various kinds. The parade also helps our young children to focus on the hope of the Easter message.

A competition was held in the Primary School to name our two Marlin Coast houses for 1994. The

*Bishop Stuart, Fr Laurence, Fr Haldane and Mr Miller with the 1993 Confirmation candidates.*

# THE PRINCIPAL'S REPORT

winner will be announced at the MCC Speech Night.

Cross campus visits took place on a number of occasions during the year, at both Primary and Secondary levels. This continues to ensure that friendships are built between students at each campus. We are reminded that TAS is indeed three campuses but one School; a Trinitarian concept.

### Outdoor Education

The first camp for the year was the Year 8 camp in March, held at the Genazzano Centre and Camp Barrabadine at Lake Tinaroo. Fr Laurence, Mr Ivey, Mr Sewell and Mrs McEvoy spent a week with the Year 8 students.

Mr Dickinson took Year 3 away to the Genazzano Centre in April for a three day camp. For most of the children this was their first camp away from Cairns.

The Year 5 camp was held in August at Pinnacle Village under Mr Doyle's direction.

The major Outdoor Education activity at TAS, the Year 9 camp, was held during the final three weeks of Term 3. Acclaimed as the most successful yet, this camp provided a wonderful outdoor experience for our Year 9 students. Held at various campsites around Lake Tinaroo, I thank Mr Van Den Bos, Mrs Jones, Mr Ivey, Mr Bayldon and Mr Seton for their involvement.

The final outdoor education experience for the year was the Year 7 camp, held at Pilgrim Sands at Cape Tribulation. A beautiful location for a wonderful week in the outdoors. Mr Seton, Mrs Goble and Mrs Anderson accompanied the class.

In November, the Year 2 class "slept over" at the School as their first step in preparing for the extended outdoor education programme which commences in Year 3. Thanks to Mrs Crowther for organising the weekend.

### PARENTS' AND FRIENDS' ASSOCIATION

Our Parents' and Friends' Association committee has worked tirelessly this year to support the

School. Chaired by Dr Heather Jenkins, the MCC committee consisted of Mr Alex and Mrs Sally Fraser-Kirk, Mr Peter Anderson, Mrs Ann Fagg and Mr Denis Moeser.

During the year the MCC P&FA organised two working bees, a Car Rally (the MCC staff car won!), the inaugural Marlin Coast Carnival, a weekend away at Port Douglas, an End of Year function and continued negotiations with government authorities concerning the oval. A busy year indeed!

I congratulate all involved in organising the Marlin Coast Carnival in May. Raising over \$14 000, it was a tremendous success.

Despite Fr Laurence's belief in February that "we may only be weeks away from a final decision" concerning the oval, government red tape has held up our plans. It is now November and it looks as though matters are almost finalised, with construction to take place early in the new year.

The P&FA continues to operate our Tuckshop. We do thank Mrs Val LaMacchia for her oversight of Tuckshop operations and wish her well as her family moves to Brisbane. Thank you also to Mrs Sandra Wright for her day-to-day efforts.

We also pay tribute to our retiring P&FA President, Mr Alex Fraser-Kirk, whose efforts this year have been considerable.

### STAFF

Congratulations to Mr Ivey on his marriage to Elizabeth in the September holidays. This year saw the appointment of two positions of responsibility to assist Fr Laurence's administration of the MCC. Mr Doyle was appointed Primary Co-ordinator and Mrs Albion was appointed Secondary Co-ordinator. We thank them both for their efforts.

This year marks the end of their Junior Secondary schooling for our first Year 10 students. Next year they move to the White Rock Campus to complete Years 11 and 12. We wish our existing Year 10 class well as they move to White Rock and thank them for their tremendous contribution to the first three years of the Marlin Coast Campus.

Following Fr Laurence's appointment as Principal next year, Mr Alan Campbell has been appointed as Head of Campus. I know that Fr Laurence will maintain a close interest in the MCC and although his office will be located at the White Rock Campus, he intends to spend part of each week at the Marlin Coast Campus.

I take this opportunity to congratulate Fr Laurence on his fine work, along with the staff, students and parents in these foundation years of the Campus. Its success is now ensured.

### WHITE ROCK JUNIOR CAMPUS

We welcomed new Head of Junior School, Mr John Cooley and his wife Doreen to the TAS community at the start of the year.

### SCHOOL CAPTAINS

The Captains for 1993 were: John Bacalakis, Jacqueline Baguley, Fiona Cortis, Tessa Cuk, Adam Downs, Sarah Haldane, Christine Holmes, Megan Mansfield, Paul Miller, Alicia Odenthal, Nathan Searle, Rachel Storrs, Philip Timings, Leisa Turner, Karen Van Den Brand. These 15 captains have performed all their duties in a responsible, co-operative manner. Patrick Bossingham was appointed at the end of Semester I when Nathan Searle transferred to the Marlin Coast Campus.

### TEAM SPORT

The School's commitment to extra curricular team sport has been evident this year. In Soccer, three U7 teams, an U8, U9 and senior 12B team have all participated in Saturday afternoon competition at Endeavour Park. Two Netball teams were involved in Wednesday evening competition with the senior team reaching the semifinals. In Hockey, two girls' teams were fielded in the Saturday morning competition. Our senior girls' team reached the finals of the U13 Division Four competition and were joint winners of that division. Currently TAS has three Softball teams participating in Term 4 Saturday competition. The support of parents and staff as coaches and

School Captains: Margueritte Rossi and Brett Slattery

The celebration of the Eucharist at Trinity Anglican School was a highlight of the Primate's visit to Cairns.

# THE PRINCIPAL'S REPORT

TRINITY  
ANGLICAN  
SCHOOL

involved spectators has been very much appreciated during these competitions. School spirit has been alive and well during these sporting competitions.

The following pupils gained representative honours in their various team sports: **Nicol Coppack** (6K) in Cricket and Soccer, **Kieren Caldwell** (6K) in Softball/Baseball and **Michaela Grabau** (4L), **Anna Timings** (5C) and **Margaret Reilly** (4M) in Hockey.

In Peninsula Softball, a number of TAS girls gained selection. They were: **Briana Jones** (7W), **Sherilyn Barnes** (6J), **Maylin Chuah** (6J), **Jenny Urquhart** (6J), **Christine Holmes** (7W), **Kara Griggs** (6J), **Caroline Yates** (6J), **Alicia Odenthal** (7B) and **Alison Stevens** (7B).

## Swimming

The Years 3-7 Swimming Carnival was held at the Edmonton Pool in Term 1. The Marlin Coast joined White Rock for this carnival which was the culmination of a term of weekly swimming lessons. Despite overcast conditions and the occasional shower, the day was highly successful. Mulligan on 833 points was the winning House with Leichhardt filling second place. Twenty new records were set at the Carnival.

Mark Oostergero (6J) represented Cairns in swimming at a number of FNQ swimming meets.

## Cross Country

On May 26, the Inter-House Cross Country took place for Years 4-7. Mulligan was the winner of this House event.

Wednesday June 9 saw TAS host the annual Inter-School Cross Country Carnival with seven schools competing. TAS emerged as the number one school on 459 points with St Francis Xavier second on 330 points. **Jenny Urquhart** (6J) won the girls U11 division. TAS also scored four second places and three third places. Thirteen of our pupils gained selection in the Independent Schools team. Unfortunately our Somerset exchange clashed with the Peninsula Carnival but one pupil who did compete was **Gabrielle Phillips**. Gabrielle gained third place in the U10 division.

## Athletics Carnival

Finally, after one wet weather postponement, the Inter-House Athletics Carnival was held on the School Oval on Tuesday July 27. It was an exciting, colourful spectacle with the Marlin Coast and Lower Primary also participating. Again Mulligan proved too strong for its rivals with a winning score of 1009 points. Twelve new records were established with **Jennifer Splatt** (4L) responsible for three of these.

On Tuesday August 10, the Regional Athletics Carnival was held at Barlow Park. Our junior girls retained the trophy as champion team. **Jenny Urquhart** (6J) was awarded the gold medal as champion U11 years female athlete and **Gabrielle Phillips** (4L) the silver medal for U10 years female athlete.

## OUTDOOR EDUCATION

Our Outdoor Education Programme involving all classes from Years 3-7 has continued successfully this year. The careful staff planning and organisation of each of these camps has allowed our pupils the opportunity to be challenged by richer educational, personal and social experiences than could be gained from the formal classroom. All pupils and teachers returned from these camps tired but enriched by the activities that have been shared.

Year 6 travelled to Chillagoe in Term 1. In Term 2, Year 3 and Year 4 enjoyed a Tablelands camp at the Genazzano Centre and Year 5 stayed at Camp Tinaroo, the Presbyterian retreat near the Lake Tinaroo village. Term 4 saw 7S travel to Goldsborough west of Gordonvale and 7B and 7W camped on Fitzroy Island.

## MUSIC

Musically, the School continued to make impressive gains. The exciting, innovative Year 3 Violin programme under the guidance of Mrs Sue Stitt began in Term 1, with the School providing complimentary tuition to all Year 3 pupils. The School purchased sufficient violins over the holidays to be able to supply an instrument to every child. At the conclusion of Term 1, all pupils were invited to continue in the programme. A small charge for lessons and instrument hire was levied for continuing pupils. Nine budding violinists remain in the programme in Term 4. It is hoped that in due course, these musicians will form the nucleus of the strong section of our Junior School Orchestra.

Our choirs have performed at a variety of Cairns venues. Under the guidance of Miss Card and Mrs Jackson, the Eisteddfod Choir gained second place in the Cairns Eisteddfod, missing first place by just two marks. Recently a Boys' Choir has been established and this had added a valuable new dimension to Junior School choral music. The Instrumental Ensemble has continued to flourish with an expanding repertoire of performance pieces and an increasing number of musicians. The Ensemble is developing towards the impressive status of Orchestra.

A Term 3 fundraising morning tea, held at the home of Mr and Mrs Theo Bacalakis, raised over \$460 which was used to purchase percussion instruments for the Ensemble. A side drum, base drum and set of cymbals were purchased with these funds.

## VISUAL ARTS

PRIMARY ARTS '93, the Junior School's biennial Visual Arts Show, was held in the Gymnasium on August 11 and 12. On the opening evening, the audience was entertained by the Junior School Choir, an exciting 4M melodrama 'Dracula Meets the Three Billy Goats Tough' and the visiting Westfield Chamber Choir from Massachusetts.

Mrs Goble was able to display a dazzling collection of artwork which was a tribute to the creativity and vision of our pupils and their teacher. Mr Lance Courtney, a Senior Arts Adviser to the Queensland Government, was present and was unstinting in his praise of the quantity and quality of art on display. He organised photographs to be taken of over 50 works of art for inclusion in future Queensland Art textbooks.

The Artists in Residence programme has continued with Mrs Goble regularly selecting pieces of art for public hanging in the Junior School Administration area. The quality is always excellent and has drawn favourable comment from visitors to our office area.

## CO-CURRICULAR ACTIVITIES

### Somerset Exchange

The Somerset Exchange was held in the last week of Term 3. This was the second occasion on which TAS has travelled to the Gold Coast for this unique exchange. Eighty six pupils and seven staff were involved in a week of sporting and academic competition, shared worship, combined choral performances and dance/aerobics demonstrations.

In this hectic schedule a day was spent at Movieworld and a Brisbane day excursion organised. In Brisbane, the pupils visited Parliament House (where they were met by Mulgrave MLA, Mr Warren Pitt), the Science Centre, Queensland Museum and Art Gallery.

In the sporting programme, TAS proved more competitive than in previous years, winning the

boys' A Soccer, Year 6 girls' Softball and Tug-O-Wars. Many other results were very close. TAS also won the Public Speaking competition.

The exchange was a great success. Professionally, it was an invaluable opportunity for staff to observe and participate in the routine of another independent school. For the pupils, the week saw friendships forged that could well last a lifetime.

### The Year of Indigenous People

In the Year of Indigenous People, the Junior School sponsored as artist-in-residence, the Aboriginal painter, Mr Enoch Tranby. Classes were enthralled by Enoch's Dreamtime stories and by the artwork he produced on canvas each day. Mr Henry Neill, an Aboriginal teacher, visited the School on two occasions and delivered a personal message of reconciliation and understanding. In the Lower Primary, Mrs Leitha Pedro explained her Torres Strait Island background to the children through song and story.

### Lower Primary Theme Days

In the Lower Primary, Foolish Fun Day was organised in Term 1 with teachers and parents supervising a variety of exciting, fun activities for our younger children. In Term 3, the annual Special Events Day was celebrated with children first parading in costume, then performing in a number of entertainments for the assembled parents. Both days were a great success.

### "Buddies" Programme

Year 12 have been weekly visitors to our Junior School classes since Term 1. They have been the "big buddies" to children in Years 1, 3 and 4. Each week these "big buddies" spend a lesson assisting with the classes' regular programmes or just having fun with a variety of interactive games. It is a time everyone involved has looked forward to with great pleasure.

### Tournament of Minds

TAS again participated in the Tournament of Minds competition with Mr Kirkpatrick as the team facilitator. The team members were **Yuta Nishino** (5G), **Allison Cunningham** (5C), **Caroline Yates** (6J), **Alan Myatt** (6K), **Christine Holmes** (7W), **Sarah Wallen** (7W) and **Briana Jones** (7W). On Saturday August 21, the team presented their Maths Engineering Solution to the panel of judges. As a result the team was placed a very credible third. More was to follow. As the teams placed above them in the tournament were unable to travel to Brisbane for the State final, TAS was offered this opportunity. This coincided perfectly with the Somerset Exchange. As a result, the TAS team, with the exception of two Year 5 pupils not on the Somerset Exchange, was able to compete in the Queensland State Final. The team did not gain a place but enjoyed the opportunity to participate at such an elite level of the competition. A wonderful experience.

### Public Speaking Competitions

In Term 3 Public Speaking competitions, **Anna Timings** won the Years 4-5 section and **Karen Van Den Brand** the senior Years 6-7 section. Anna represented TAS at the Jaycees Public Speaking competition and made it through to the Finals. She spoke with great confidence and wit and was a splendid School representative in this competition.

### Grounds Beautification

Through the generosity of the P&FA, a shade cover for the Lower Primary "Zippy Zoom" playground equipment was erected in Term 4. Staff and parent assistance in a Friday afternoon "working bee" greatly helped with its construction.

Tree planting of Australian rainforest shade trees has continued this year thanks to the generosity of Junior School parents. Year 7S planted 30 trees on the corner of the oval early in Term 4. A regular bucket brigade has kept these trees watered and healthy.

### After School Activities

Apart from sporting practices, the Junior School ran the following after school clubs/activities during 1993.

TAS Adventurers (girls), TAS Explorers (boys), TAS Art Club, Aero modelling club.

### Open Day Celebration

The School's Feast of title celebration was commemorated on Thursday June 10, with an Open Day on all campuses. Classrooms were filled with visitors and the Undercover Area was used for gymnastics, poetry, choral and instrumental performances. At 12.00 noon, a Service of Thanksgiving was held on the lawn at the front of the Secondary School with readers representing all sections of the School.

## STUDENT ACHIEVEMENTS

**William Becker** (4M) won the U10 Lake Placid Triathlon and U10 Palm Cove Travelodge Triathlon.

**Joshua Rubin** (7S) won the U12 section of the Palm Cove Travelodge Triathlon.

**Alana Muir** (4L) has gained many first places in local ballroom dancing competitions and was placed sixth in Modern Waltz at the South Pacific Ballroom Dancing Titles held in Sydney.

**Andrew Roberts** (4L) was placed first in the Cha Cha in the Cairns Ballroom Competition.

**Koichi Hashimoto** (1D), **Kanako Hashimoto** (2A), **Andrew Roberts** (4L) and **David Hurst** (4L) all won art awards at the Cairns Show. David Hurst also won the local Double Helix Science Award for his design of an energy efficient house.

In Cairns Show Equestrian events, **Elise Liley** (1D) was the leading U7 rider with four first places and **Sean Liley** (3D) won his Rider Class. **Megan Mansfield** (7S) won four first places at the Mossman Show.

In Cairns and District Eisteddfod competition, the following pupils gained first places: **Emily Smith** (4L), **Michael Pensini** (6K), **Arianwyn Lowe** (7B) and **John Bacalakis** (7W).

**James Lidstone** (7S) won the U12 Cairns and District Tennis Championships and eventually went on the play in the State titles.

**David Hurst** (4L), **Megan Mansfield** (7S) and **Georgia Lowe** (1D), were all finalists in the Australia Post Design a Stamp Competition.

**Cody Freeman** (5C) was one of 70 Australian junior cartoonists recognised in a National Cartoon Competition sponsored by LJ Hooker.

**Braden Smith** (7B) was the novice winner of the recently competed Cairns to Green Island water skiing competition.

1993 has been an exciting and rewarding year. The challenges have been many. The Junior School, as a hard working, co-operative unit comprising parents, staff and pupils has responded purposefully to these challenges.

Mr Cooley has already begun to make his mark on the Junior School. I do thank him and the staff for a very successful year.

The Right Reverend IC Stuart  
PRINCIPAL

## In the Classroom...

1993 saw the introduction of the "Religion in Life" programme in our primary classes and I believe it has already begun to fulfil our aims in Christian Education at this level. The material is child-centred, it encourages exploration, it introduces pupils to Jesus, it gives them familiarity with the story cycles of the Bible and it promotes an understanding of what churches do. Above all it is user friendly and for the first time all our primary staff teach Christian Education.

As a consequence of the implementation of Christian Education as a Board Registered subject at the Marlin Coast Campus in Years 9 and 10 in 1993, White Rock Secondary Campus will follow suit in 1994. There will be a two period a week allocation at all levels and at Year 10 the subject will stand alongside others on the exit certificate. This year has seen the writing of curriculum to facilitate this development, My thanks go to Mrs Ross, Fr Manley-Harris, Mr Ivey and Miss Marks for their work this year.

## Community Service...

Our Year 11 programme has also been modified in 1993 to allow students to participate in Community Service for a semester instead of a term. In addition there has been the opportunity for some students to work with disabled young people at two special education venues. Our students' response to this particular challenge has been exceptional. Building enriching relationships whilst caring for others can often be difficult for both adults and young people. However, our 1993 Year 11 class, almost without exception, has shown great dedication and resourcefulness as they have put the Christian call to serve others into practice.

## Confirmation...

Twenty nine of our students were confirmed by Bishop Stuart at a

delightful Confirmation Service in St John's Church on Sunday, October 24. It was a special privilege to have the opportunity to prepare these young people as they take on their rights and responsibilities as full members of the Church.

## Worship...

Senior students from all campuses joined together at St John's for our Easter Services. Kellie Lazarus, assisted by Margueritte Rossi, opened the occasion with a very moving drama tracing the passion of Christ. The contribution of the vocal group, under the direction of Miss Marks, was also wonderful. Our Lenten offering, in excess of \$1500, was presented to Bishop Stuart in support of the work of our Anglican Mission in Bangladesh.

A new initiative in 1993 was the Year 8 Sunday Eucharist at the White Rock Campus. Each class planned the service, supplied music, presented a drama and ran much of the worship for their Sunday service. Parents were invited and the response was excellent. Whole campus Family Services have continued to run successfully at the Marlin Coast throughout the year.

Our Feast of Title, the Year 9 Outdoor Education Camp Service and the Primateal visit were other significant liturgical occasions where parents and students were able to contribute to the developing community worship of the School. With the establishment of a new chapel venue in 1994 and the intention to run weekly worship in year groups, I am confident that the quality of the worship we offer will be enhanced.

## Fr Ainsley Haldane

### Buddies...

Our Buddies Programme linking Year 12 students with Junior School students for one lesson per week, continues to grow from strength to strength. The delighted faces of the Junior School students each week as their Year 12 buddies arrive and the disappointment that ensues should a buddy be absent, are evidence of the extent to which the Seniors light up the lives of our younger students. Each year, I continue to be encouraged by the depth of friendship that builds between older ("big") and younger ("little") buddies and by the amount of giving and receiving that takes place.

The staff who have been involved in Buddies this year have contributed significantly to the programme's success, through their skilled yet imaginative selection of class activities to enable so much fun, learning and sharing to take place - thank you to Fr Haldane, Fr Manley-Harris, Mrs Dimoulis, Mrs Doctor, Mrs Macartney and Mr Long.

## Mrs Carmel Ross

# PARENTS' AND FRIENDS' ASSOCIATION

TRINITY  
ANGLICAN  
SCHOOL

What a successful and active year 1993 has been! Our year began in February with the election of new officers on the Parents' and Friends' Management Committee and a very full calendar.

We kicked the year off with something different - our inaugural car rally beginning and finishing at the Marlin Coast Campus. With 40 cars lined up and 120 eager participants we were off to a flying start. The first car was back in under an hour (from an hour and a half course)! With a driver change in a number of the cars and some exhausted but excited people tumbling out of cars at the end, we knew we were onto a good thing. We held a barbecue and prize giving afterwards and all agreed that they were looking forward to next year's rally.

We only had two months after that to prepare for yet another inaugural event. The Marlin Coast Campus decided to hold a mid year fair. What we thought would be a tiny fair turned into a mammoth carnival which raised an incredible \$16000. It was a wonderful day and the fellowship which was formed whilst organising and preparing the carnival was worth all the extremely hard work. We all had great fun! Once again, it has been suggested that this be held next year.

Next, a weekend was organised at the Radisson Royal Palms in Port Douglas. The weekend attracted 70 parents and a number of others from the Port Douglas community who attended the dinner on the Saturday evening. Although the weather was rather inclement, it was a great weekend and the ride on the Bally Hooley Steam Train to the restaurant at La Marina will long be remembered - as will the entertainer!

It was then time for the Coconut Carnival Committee to swing into action which they did with a vengeance. Word was out that it was to be the biggest and best Carnival EVER. With a dedicated group of parents, friends, staff and students we succeeded in achieving our objective and raised well over \$30000. For many of us this annual event gives us a chance to catch up with friends socially, which we would otherwise be unable to do. Definitely an event not to be missed.

Throughout 1993, we participated in various other smaller fund-raising ventures. The first of these was the "Coles Apple Computers for Students" promotion. This year, we collected over \$185000 worth of Coles Supermarket docketts and earned for the School a colour television, video recorder and a number of educational videos for the students. This is an easy way to add to the School's assets and we are grateful to all shoppers, collectors of docketts and the dedicated administration team who have the enormous task of co-ordinating and registering the scheme. Aussie Monograms have also become an annual fund-raiser and besides being extremely practical items for our own children, they also make excellent Christmas gifts and add much needed funds to the coffers!

This year we have successfully run three profit making tuckshops. A magnificent feat indeed! Under the wing of Val LaMacchia, Judy Batts and Sandra Wright we were able to provide a useful service to our

*The buzz of activity at the 1993 Coconut Carnival.*

students. A luncheon was held to say thank you to all those volunteers who always give so freely of their time to assist us.

Another group of people who deserve special mention are the "Craft Ladies" as they have become fondly known, they have developed into a large enthusiastic group who meet each week and create interesting and useful items throughout the year. They have managed to raise over \$4000 this year, and have also been kept busy sewing costumes for the school drama productions.

One of the best things about fund-raising is actually spending the money. This year some of the projects we have funded are:  
Air conditioning of the Music and Drama Block at White Rock.  
Sun Cover over the Zippy Zoom Village at White Rock Junior.  
Substantial donation to libraries on all campuses.  
Basketball Court at White Rock.  
An overlocker for Home Economics at White Rock.  
A new computer for Marlin Coast.  
Installation of three phase power for future use at White Rock Secondary.  
A new carpet for future drama productions, shows and a multitude of other uses. This is currently in use by a class.  
Funds have been set aside for an oval at Marlin Coast Campus.  
Funds have been allocated for the sinking of boreholes at each campus.

The Parents' and Friends' Association is an essential link in the education and development of our children. Thank you to those who participated in our events this year. We invite all parents and friends to become actively involved in the many activities throughout the year, these activities not only encompass fund-raising ventures but social and formal occasions too. The fellowship and camaraderie formed through participation in this association is a rewarding experience and one that I would recommend to you all.

**Alex Fraser-Kirk**  
PRESIDENT

# OLD SCHOLARS' ASSOCIATION

This year became an eventful year for more reasons than a point finally being scored in the rugby match (which we won convincingly). Firstly our Annual General Meeting moved to the suburbs. On Sunday 24th January 1993 we held the seventh AGM for TAS Old Scholars at "The Loft" at Raintrees Tavern. We had an encouraging turn-out with Mr Brosseuk leading the way and showing us he'd forgotten more tricks than we'd learnt. Despite the strong numbers we still had a poor representation of the newest old scholars, 1992's graduates. Someone suggested maybe they were still recovering from their valedictory dinner and party. Hopefully 1993 Year 12's are made of sterner stuff. We'd love to see you there.

Our next meeting was on the hallowed school rugby field with the Old Scholars thumping the seniors 20 to 3 while we only narrowly lost the netball. Thanks to Broadley Ford for donating the Trophy that was gratefully accepted by the O.S. This year saw the addition of a touch match against the seniors at the Coconut Carnival, unfortunately no score was recorded from the game (actually

despite bribery, cajolery, trickery and fraud the schoolies defeated the Old, Old Scholars 7 to 5).

With the addition of John Bleakley, School Development Officer, the Old Scholars are hoping to strengthen our numbers and increase our functions. We hope to see all Old Scholars at "The Loft" at Raintrees Tavern on Sunday 23rd January 1994 to kick start the year. We especially hope to see many of 1993's graduates (under the weather or not) at this essential experience. Lastly we urge all interested Old Scholars to send their current contact details to John Bleakley at the School so he can include them on his database and so we can tell you about all upcoming events on the Old Scholars' calendar and at the School.

Best of luck to all our new Old Scholars.  
See you at the Loft.

**Greg Bayldon, Tim Roberts**

## FROM THE DEVELOPMENT OFFICE

1993 has seen the establishment of the Development Office at TAS. Mr John Bleakly has been appointed to the position of Development Officer. He comes to TAS from a background in aviation, training and administration.

Our School today enjoys a well deserved and enviable reputation in our area. After 11 years, we have a fine body of students, an outstanding faculty, a high level of pastoral care and academic results without equal in the region.

However, more can be done and our School has great plans to build on the firm foundation already established. We constantly challenge our students in the pursuit of excellence. We must be ever ready to expand and enhance our facilities if we are to give our young men and women the very best education and preparation for the world of the future.

Our School is in the process of developing a strategic plan which will carry us forward into the next century. It will be both visionary and practical. It will keep TAS at the forefront of technology, integration and curriculum innovation. It will see not just an upgrading of resources and facilities but new ways of utilising those resources for the benefit of our students and our community.

These are impressive aims but where is the money to come from? Not from unrealistic fee rises, uncertain Government funding or unending fund raising events. Independent schools throughout the country are realising that these traditional funding sources cannot be the whole answer in the future.

The funds will come in the form of tax deductible gifts from people, impressed by what they see, who share our belief that even more can be done. People who see an investment in our young people as the

wisest investment they can make.

They will include parents, past students, staff, friends of the School, past parents, grandparents and others. They will not be asked to give to maintain but to build. And they will be appreciated and recognised, whatever the level of their contribution.

The essence of the Development office is the matching of the vision and ability (whatever that ability might be) of people in the school community with the vision and needs of the School.

The School's achievements are impressive. The needs are real. Our vision is exciting.

The support for the development function, already expressed by the School community - council, staff, parents, old scholars and others - has been very encouraging.

A spirit of philanthropy is already in evidence. It will grow and we look forward to the benefits which will accrue to our student body - and, in turn, to our wider community - as the vision is realised.

*John Bleakly*

*The Principal's Secretariat: Mrs Heather Van Den Bos and Mrs Betty Veivers*

# FROM THE HEAD OF WHITE ROCK

TRINITY  
ANGLICAN  
SCHOOL  
White Rock  
Secondary

1993 has been a memorable year for several reasons, some very positive, others less so. It is a fortunate aspect of human nature that when one reflects on past events it is the happy occasions that come foremost to mind, the victories, fun times, achievements, etc. Thus as I cast my mind back over the past year I recall many highlights in the School calendar which I wish to share with you. In this article I make a point of not listing individual students and yet in 1993, as in earlier years, individual excellence in scholastic, sporting, artistic, social service and many other areas has been common place. This will be evident when one reads the pages that follow. If excellence has not been attained by students it has not been for want of trying in the majority of cases.

In my mind the highlights of 1993 have been every activity that has brought a group of TAS students together, large or small, to work cooperatively towards a common goal and a successful outcome.

Most of the House activities and competitions fall into this category. The House system continues to move from strength to strength with new traditions and greater spirit developing each year. Competition is always fairly intense but still healthy, with plenty of fun and sportsmanship being evident. The Houses also provide a valuable service to both School and community in rostered duties and charity fund-raising. I congratulate the four Housemasters and 24 Tutors for all that they have achieved this year.

Mr Tom Stone

In the sporting area our students have been very competitive this year and yet a "major title" has again just eluded us in swimming, athletics and cross country. A little more formal preparation should see us break the barrier in '94.

The camp programme for 1993 has been very successful. Years 8, 11 and 12 each had a camp with a different emphasis but very positive outcomes. The three week Year 9 Outdoor Education Camp around Lake Tinaroo on the Tablelands proved to be a wonderful learning experience for Year 9 and something that younger students will look forward to. I am indebted to all the staff who participated in the camp programme. A special mention must be made of Mr Van Den Bos, the Co-curricular Activities Co-ordinator whose meticulous organisation and energy ensured the success of all these camps.

Two other highlights of '93 were the Rock Eisteddfod and the Musical "Ulysses". Although we did not win the Regional Final this year our Rock Eisteddfod production featuring in excess of 100 students, parents and staff was as good if not better than '92's premier effort. Ulysses was another wonderful occasion in the life of the School. This very entertaining and highly professional production featured a large number of students dancing, singing and acting on the stage.

The fact that the Arts at Trinity Anglican School have achieved a very high standard was further underlined by the wonderful selection of exhibits and performances presented at the TASARTS Festival '93 at the Diocesan Schools Art Festival.

I thank the Parents' and Friends' Association for their continued support of the Campus, particularly their funding of the basketball court this year. The Parents' and Friends' Association is a valuable organisation in which parents may become more directly involved in activities that strengthen and benefit the whole School community. I hope it receives even more parental support in 1994.

The Old Scholars continued to show interest in their "old school" this year. The Old Scholars' Association sports afternoon was again a success. It is always a pleasure to catch up with the students from past years. I have also appreciated the correspondence from ex TAS students on overseas exchange in 1993. They give nothing but glowing reports of the benefits of such exchanges. Likewise the School has enjoyed the company of several international exchange students this year. They always have a great deal to give to their host school.

The School organised two major tours this year, one to France under the leadership of Mrs White and another to Brisbane and its Fine Arts under the guidance of Mr Miller. Both tours provided a wonderful learning experience for the students involved. I thank and congratulate the staff who participated and thus gave TAS students an opportunity to broaden their horizons.

There is additional detail of all the above mentioned activities and many more in the White Rock Secondary Campus section of the Principal's report, which appears earlier in *Trinitas*.

The school is naturally very proud of its academic achievements. I congratulate all the students who have done so well in academic competitions and in their everyday studies. I also sincerely thank the staff for all that they have achieved with the students in academic areas. The Heads of Department work very hard at keeping the standards high and all staff are doing the students a great service in insisting on nothing but the best in the classroom.

In conclusion I simply wish to thank the parents, students and staff for their support, help and co-operation this year. Trinity Anglican School is an institution in which the youth of the Cairns Region have the opportunity and encouragement to achieve their personal best in all they attempt to achieve. It is also hoped that these students develop their character in many other areas, such as aesthetic and spiritual appreciation, social competence and confidence, a love of humanity and nature, so that they enter the world well prepared, not only to make the best of their opportunities but also to give to others in the community. Thus their world becomes a better place in which to live. However, the School cannot do it alone, the co-operation and help of parents and friends makes all tasks easier and more rewarding. We look forward to your increased support in 1994.

# SCHOOL CAPTAINS' REPORT

TRINITY  
ANGLICAN  
SCHOOL  
White Rock  
Secondary

1993 has been a momentous year in the history of Trinity Anglican School. This year has seen many changes within the School community. A new era is commencing with Father Peter Laurence being appointed as Principal-Designate for most of this year, then in 1994, assuming all of Bishop Stuart's responsibilities and duties as Principal.

The school year started with much excitement with the announcement of new student leaders within the School. The Year 12 Leadership Camp early in first term was a wonderful opportunity for new students to acquaint themselves with the existing Year 12 body and also for everyone to learn the many aspects regarding leadership which were to prove invaluable during the year. The Year 8 Orientation Camp followed the Year 12 Camp at Gennazzo with the House Captains staying on with the Year 8's.

This year apart from the usual sporting competitions there were the various performing arts trophies to be won. These included the extremely enjoyable House Music Competition early in first term. The Music Competition was followed by the Drama Festival in third term and finally in fourth term the Public Speaking and Debating competitions. The standard of entry was exceptionally high this year as these non-sporting competitions have now become a major source of rivalry between the Houses. It is our hope that Trinity Anglican School continues to foster artistic, musical, dramatic and oratorical talents in the future through the continuance of such competitions.

Along with the other Prefects, we had the opportunity to attend the

Year 9 Camp during the last week of Term 3. On the camp we helped the teachers organise the Year 9's. This brought back some very fond memories which we had from our own Year 9 Camp in 1990.

As School Captains of 1993 we have worked closely with Father Laurence and Bishop Stuart. In September we attended the Liturgical Reception for the Primate in Cairns at the School, then travelled to Townsville with Fr Laurence for the Liturgical Reception at St James Cathedral. This was a great honour for both of us, especially when we performed duties during the service such as carrying the School banner and doing a reading.

In October, we represented the School at a dedication ceremony to honour the Rats of Tobruk during the Trek Back celebrations. The Sports Captains attended this function with us and it was a great honour to meet some of those people instrumental in our history.

Finally, we would like to thank all of the Prefects this year for their help and support. We would also like to thank all Monitors and wish the prospective Prefects, House Captains and School Captains the best of luck in 1994.

We wish Fr Laurence and Bishop Stuart the best of luck in their new positions next year and thank them for the support and encouragement they have given us.

**Margueritte Rossi and Brett Slattery**

*The Prefects and Official Party after the Commissioning Service in 1993.*

**BACK ROW (L to R):** Jason Subloo, Jane Broadley, Sarah Norman, Geoff Francis, Rudd Rankine, Gabrielle Ernst, Maureen Gamble, Brett Slattery (School Captain).

**FRONT ROW:** Luke Anthony, Emma Lander (Sports Captain), Mr Stone, Bishop Stuart, Bishop Lewis, Mrs LaMacchia, Fr Haldane, Margueritte Rossi (School Captain) and Scott Symonds (Sports Captain). Prefects appointed subsequently were: Andrew Curnock, Renee Hoffmann, Zadek Freeman, Kate Maconachie, Kellie Lazarus and Michael Woodward.

## STUDENT ADVISORY COUNCIL

Each year a group of students is selected to represent their class on the Student Advisory Council. 1993 was no exception, as a group of dedicated students turned up each Friday lunchtime; headed by Kimberley Fraser (President), Rohan Rees (Vice-President), Jane Richardson (Secretary) and Courtney Rees (Treasurer).

Several successful fund-raisers were conducted this year, in particular the Casuals days and the dances, which were thoroughly enjoyed by all students. From the funds raised we donated money to the Make-a-

Wish Foundation, the Drought Appeal and our own School basketball court.

I wish to thank all SAC members for their enthusiasm and support throughout the year and I hope the same helpful suggestions and lively discussions are generated next year.

**Miss Sherrington**  
Co-ordinator

## STAFFING

At the end of Semester I students and staff bid farewell to Mrs Rayanne Chalk who has been at the School virtually since its founding. The warm send-off that students gave Mrs Chalk was testimony to their affection and gratitude for all her hard work and compassionate care over the years.

We were pleased to welcome Ms Anne Watt to the English Department at the beginning of Semester II.

## ENGLISH COMPETITION

The Australian Schools English Competition, conducted by the Educational Testing Centre at the University of New South Wales, has become an established feature of the English Department calendar at TAS. The competition tests performance in Reading Comprehension, Document and Data Interpretation, Language Usage and Vocabulary using the types of textual material that students are likely to encounter at school and in the community.

Students do not receive any coaching for the competition; the favourable results are thus all the more pleasing, reflecting our students' standard and their ability to transfer and implement skills learned in other areas of English or indeed in other subjects.

The following students were awarded High Distinction (signifying that they are in the top 1% of students in Queensland):

Year 9: Janie Busby, Richard Pound and Daniel Webb.

Year 10: Lisa Hickey.

Year 11: Leigh Hillery and Linsey Mutch.

A further 61 students were awarded a Distinction (next 10% of students in the State) and an even larger number gained Credits (next 20% of students in the State). All participants receive a certificate analysing their strengths and weaknesses relative to other TAS students and contestants in the rest of Queensland. Such information is obviously of benefit and emphasises the value of the competition.

## PUBLIC SPEAKING

Standing up in public and addressing an audience that is knowledgeable in the subtleties of oratory is not something that many people relish but is a skill that most TAS students demonstrate competently and some superbly.

In the Jaycees Junior Speaking Contest Melissa Botha (Year 8), Emily Rigby (Year 8) and Natalie Mann (Year 9) all spoke confidently in their chosen topics. Although they were not selected for the next round of the competition they were a credit to themselves, their families and the School.

M Bailey HEAD OF ENGLISH

## INTER-SCHOOL DEBATING

### Seniors

During the 2nd and 3rd Terms the School competed in the Senior and Junior sections of the Apex Far North Queensland Secondary School Debating Competition. The Senior Team's first debate was against Gordonvale High School shortly after the Federal Election: the topic 'That Robespierre Had the Right Idea' was topical, entertaining and a victory to TAS.

In the 2nd Round the team produced a variety of arguments on the topic 'That Many a True Word is Spoken in Jest' but were defeated by Smithfield High School.

Kimberly Fraser and Aaron Gardiner

### Juniors

The Junior Debating Team gained an easy victory but missed valuable experience, by their opponents' last minute forfeit in the first round. In the second round we met St Mary's and after a tough debate we moved through to the next round.

We travelled to Innisfail to take on Malanda High School who proved to be formidable opponents. In a close decision on the topic 'That Imagination is More Practical Than Knowledge' we were declared the winner, thus taking us to round four, the semi-finals. This debate demonstrated the ability of students from both sides to present arguments and to counter such points with effective rebuttal. However, in the end Trinity Bay High School proved to be just a little too strong for us.

We would like to thank Mr Bailey, Mr Little and Miss Bagnall for their advice and encouragement, and Mr Bailey for accompanying the team to all the debates.

Lisa Hickey, Ann Lazarus, Kim Chuah.

*Public Speakers and Inter-School Debating Team.*

On Thursday evening 29 July a team of three Year 8 students competed against eight other schools in the annual Pacific Coal Maths Competition. As the TAS team won in 1992, we played host to the other schools this year. The Quiz night was held in the TAS Library and the competition was quite intense. The TAS team of Cara Maher, Andrew Blake, Kim Chuah (reserve being Elisabeth Wynn) came a commendable third. The Cairns High team won overall.

The annual Queensland Association of Maths Teachers Problem Solving Competition was held at St Monica's and St Mary's on Saturday 31 July. A number of our Year 8, 9, 10, 11 and 12 students took part and three of them gained a Highly Commended award in the state-wide competition. The students were Linsey Mutch (Year 11), Richard Pound and Alun Coppack (both Year 9). Congratulations to those three students.

Andrew Blake (Year 8) and Daniel Webb (Year 9).

Richard Pound (Year 9), Linsey Mutch (Year 11) and Alun Coppack (Year 9).

Tuesday 3 August saw the annual Australian Maths Competition and this year all students from Year 7 to Year 12 took part. This competition is good practice for the Year 12 QCS Test and the more experience our students have at these tests the better. The results of this year's competition, also known as the Westpac Competition, were quite exceptional. The number of Distinctions in Year 7 to 12 was 67 compared with 46 last year and 169 Credits compared with 105 last year. It is also good to see that TAS achieved an average for each year level just below the state mean. It is usual that only the top 30 to 40% of students throughout Australia sit the test. As all TAS students sit the test our mean for each year level indicates a high level of Maths ability in comparison with the state means.

Special mention should be made here of Andrew Blake, Year 8 WRS, who gained a prize in the competition. It is quite a feat to gain a prize as only 1,500 prizes are awarded and almost 500,000 students sit the test! As well as Andrew's prize, Daniel Webb of Year 9 gained the Special Achievement Award.

As a consequence of last year's results those students in Years 7 and 9 who achieved a Distinction were invited to participate in the Maths Olympiad preliminary challenge in Term 1 of this year. Those students who participated acquitted themselves very well.

## NEW MATHS COURSES FOR 1994, YEAR 11

Next year (1994) will see the introduction of the new Maths A, B, C syllabus into the Year 11 group. The programmes will have been written and submitted to the Board for approval by December 1993. The main thrust of the new course will be to bring Maths in line with the other subject areas in the School by having a large element of assessment based on assignments and classwork presentation. Of course, the conventional tests will play a role but will only count towards 50% of the overall assessment.

In view of this change, there will be a detailed look at Years 8 to 10 Maths courses in 1994 with an aim to bringing them in line with the new Senior approach to teaching and assessment.

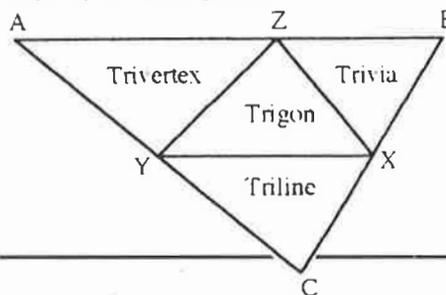

**Mr Max O'Sullivan**  
HEAD OF MATHEMATICS

## A MATHS CHALLENGE

King Scalene reigns over a triangular kingdom of total area 26,000 hectares. He wishes to subdivide it among his four sons, Trigon, Trivertex, Triline and Trivia so that each gets a triangular principedom. In the diagram, triangle ABC represents the kingdom. X is the midpoint of AC.

The king selects a point Z on AB to make the area of AZY equal to 9000 hectares, giving the largest principedom to his eldest son. The sub-divisions are allocated as shown.

How many hectares does each child receive?

Taken from 1993 Maths Challenge (Intermediate Division Yrs 9-10)  
Answer on page 38.

"Thus within the foreseeable future man will either destroy himself or travel off to the stars" - Arthur Koestler 1959 from "The Sleep Walkers". The choices for man outlined by Koestler suggest the importance of studying not only Science itself but also the social and political implications of its discoveries. With this in mind the Science Department at Trinity Anglican School has gradually been placing more emphasis on the technology of the present and future in our courses.

Mr Little on Fitzroy Island.

The course work wherever possible is made relevant to the world around us. Year 8 students spent one afternoon visiting the Cairns - Mulgrave Water Treatment Plant at Brinsmead. The students saw first hand how water is filtered and treated before it comes out of our taps. All of us were surprised at the amount of mud that is removed from our water supply.

Whilst at camp the Year 9 students enjoyed a day away from "boring" activities such as horseriding and abseiling to investigate the Geology of the Atherton Tablelands. They were shown many types of volcanic structures and finally enjoyed a swim at Lake Eacham. Thanks to Mr Little and Ms Hope for their assistance in organising this component of the Year 9 course.

The Year 10 course now includes an in-depth study of environmental issues today and in the future. A major component of the Year 10 Science course dealing with Technology has been expanded to include communications technology. Emma Lander in Year 12 was successful in gaining a place in the prestigious 1993 CRA Science Summer School held in Canberra for two weeks. Emma gained much in the way of knowledge, motivation and inspiration from the School. Whilst at the Summer School she visited a research facility looking at the movement of blue-green algae in outback rivers. Inspired by the concept, Emma successfully designed and performed an experiment based on this research for her Year 12 Physics project.

As part of the Year 12 Physics course, students designed and built a piece of experimental apparatus and performed an experiment with it. Students found this part of the course most enjoyable and inspiring. They gained an understanding of the qualities required for research - creativity, patience and long hours of hard work. Year 12's presented their projects one lunch hour to the whole school (Junior School included). Room D15 was abuzz with activity and everyone enjoyed the experience. Thanks to Mr Reppel for his many hours of workshop assistance given to the Year 12's.

The Cairns Show Association and Double Helix Club ran a competition in alternative energy projects. Seven of our Year 12 Physics students entered this competition. They were Ainslie Chandler, Joey Christopher, Anthony Dent, Gabrielle Ernst, Carly

Year 12 Biology students on Green Island Excursion.

Mutch, Jeremy Slay and Mayuko Yamaji. Carly Mutch won the Senior Section of the competition with a project investigating insulation materials. Jeremy Slay came second and Joey Christopher and Ainslie Chandler received an honourable mention. Carly subsequently was asked to present her work at the Envirofair at Holloway's Beach during the September school holidays.

Year 11 Biology students under the guidance of Mrs McPherson performed a Plant Experimental Research project. These individual projects, a major part of the Year 11 practical course, use hydroponics techniques and were housed for the first time in the Science enclosure at the back of Room C14. The students displayed and described their work one lunch hour - a very popular lunch time activity for all sections of the School.

In 1992 the Year 12 Biology classes embarked on a program to breed their own Drosophila (fruit flies). While the wild types (the normal flies) survived most of the year and only died during the heat of the summer, the mutants needed to complete the crosses were often found dead and did not survive the early summer season. Generally students gained very little by having the live flies on hand and the data obtained

Andrew Plume's Biology Project (Year 11) in the new Science Enclosure.

was always affected by the fragility of the flies.

In the same year TAS Science Dept ordered a copy of the Genetic Breeding Simulation computer programme and this year the programme was used instead of live experiments. Mr Little's students were able to visually count and categorise the individual flies. The package is versatile and allows the teacher to direct breeding demonstrations so that individual students

receive their own set of data for analysis. The evaluation at the end of the course showed that the students had benefited from the exercise and students who could be considered marginally able to complete the Genetics Course with confidence actually completed all the programs on time and were confident in dealing with the topic.

Year 11 and Year 12 Chemistry students attended a lecture at Cairns State High School entitled "Chemistry the Problem Solver: Old Bones Wrapped in Plastic" by two lecturers from the University of Queensland. It was entertaining, amusing and relevant to students since it informed them of new uses of Chemistry in our everyday lives. Year 12 Chemistry Students visited the Mulgrave Mill in October. They studied Sugar Chemistry, very appropriate for North Queensland.

Mr Stolarchuk founded a Double Helix Club at TAS this year. Many students from the Junior and Secondary campuses are involved. Activities involved a visit to the Edward River Crocodile Farm, fire-writing activity, holiday "fun experiments" and a bird watching morning. Mr Stolarchuk has donated many lunch hours, evenings and weekends to this activity. The number of interested students has been most pleasing.

My sincerest thanks go to all Science teachers at TAS who have given of their time with much enthusiasm to make the Science programme at TAS as interesting and relevant as possible. I would also like to thank Mrs Rosalie Trinder, our laboratory assistant, who very ably prepared experiments and assisted with creative ideas for the Physics and Biology projects as well as normal laboratory work.

**Dr Barbara Howard HEAD OF SCIENCE**

# ART, MUSIC, DRAMA

TRINITY  
ANGLICAN  
SCHOOL  
White Rock  
Secondary

In the belief that the devil makes work for idle hands, the students and staff of the Visual, Technical and Performing Arts have participated artistically in just about everything in '93, the John Lewis Centre for the Arts has been buzzing with activity and what could be called creative tension... (alright, some of us tend toward melodrama!). However, the proof they say is in the pudding - or in our case the play, the music, the arts and crafts.

As year follows year and student groups move through the TAS community, our aim remains the pursuit of personal best, the sense that we have all performed in a way that reflects our search for a goal. We are privileged to have within our departments many students who are enthusiastic, courteous and talented. This obviously creates a better learning and sharing environment and it helps the staff in an area where a high commitment level is required.

I once read that to remain a teacher one must sustain that feeling of excitement in one's subject area. I believe that our departments have that sense of commitment and we look forward to another year of growth - both personal and as an artistic community within a supportive school.

The Art Department began the year with what is fast becoming a tradition - the annual Year 11/12 Art Excursion to Townsville. This "bonding" day gives the new Year Elevens and "old hand" Year Twelves the chance to mix and discuss art with each other and the staff of the Perc Tucker Regional Gallery in Townsville. This year the exhibitions visited were "TV Times: 35 Years of Watching Television in Australia" and "Women's Day" - an exhibition of women artists in North Queensland. The students' response to both shows was such that copies of their critical evaluations were passed onto the Museum of Contemporary Art in Sydney.

From early in the year another group was undergoing continual extension in the area of Computer Aided Drafting. This group of Year Twelves (and a staff member) have been engaged in a TAFE course to increase their graphics skills in something which will have continuing benefits to TAS as we move into TAFE link courses. Back at School the visual and performing arts were among other departments to be in the spotlight at the Open Day on June 10.

Two weeks later 20 students accompanied Mrs Barnes and Mr Miller to Brisbane to experience the Surrealist Exhibition and to take in as much theatre, art and sightseeing as we could fit into five days. This trip into the psychological insights of some of the most creative and bizarre artists of the 20th Century was a rare experience. We were all challenged by conventional and logical notions being given a new sense of reality... in both the art we viewed and in "The Waking Hour" a nightmare/dream production. To balance this we also saw the famous Mills sisters in Noel Coward's production of "Fallen Angels" at the Lyric Theatre.

The students were also given an extensive tour of tertiary drama and art colleges in Brisbane as well as Queensland University. All in all a pretty hectic and stimulating experience.

An attempt was made to urge students to attend at least part of the Third Australian Festival of Chamber Music in Townsville in early July but timing was difficult due to the holidays and the Rock Eisteddfod's change of dates. Those who went however, appreciated the standard of Australian and international performers and hope that this will become part of the TAS calendar in future years.

While on holidays, many TAS students were rehearsing for this year's Rock Eisteddfod and when the School resumed for the second semester the work began on stage setting this tremendous performance.

The 120 students who answered this year's challenge to participate in the Rock Eisteddfod did a fantastic production number to the theme of "Man, Media and Manipulation". It was a show stopper performance. The theme, by Kellie Lazarus was choreographed by both Kellie and Marianne Russell. The large number of students was drawn from Years 8 to 12.

After winning the regional finals last year, TAS was placed equal third overall in 1993. We did receive, however, individual awards for best choreography, best set design, most entertaining performance and best back stage crew. Not a bad effort for third! Above all everyone had fun and the enthusiasm was infectious. We continue to learn from our participation in these competitions.

With the paint scarcely dry from this foray into stage and media control, the senior drama class and a number of artistic exhibitors left for Townsville to form a major part of the Diocese of North Queensland's "Students' Arts Festival" from July 23 to 25. The performance of Chekhov's "The Proposal", "The Bear" and "The Jubilee" (previously performed in Cairns at the Rondo Theatre in April), was set in the beautiful red brick and timber interior of St James Cathedral and lit by our friends from James Cook University. We shared the place with the musical talent of Kirwan S.H.S. stage band and nearly two hundred pieces of art drawn from the Diocesan schools and several Townsville High Schools. On the following evening TAS Drama performed for the boarders at The Cathedral School. The weekend finished with students participating in the Patronal Festival on the Sunday morning to mark the birthday of the Cathedral and the Feast of St James.

One of the most profitable and enjoyable excursions for the visual arts students is the annual practical day to Paronella Park (not far from Innisfail). This historic ruin seems to draw a great response from the art students and the resulting works are always of a high standard.

While commenting on high standards, there were a few individual students who gained great experience in performance for the Cairns production of "Les Miserables" in August. These students, Seth Burton, Naoko Shibata and Paul Chapman undertook the mammoth commitment working solidly for 19 performances at the Cairns Civic Centre... with school each day as well. Naoko Shibata also performed in the North Queensland Concerto Competition in Townsville achieving a first place. This is a wonderful achievement.

Other performing arts students also found time to do some rewarding community work, contributing to the Coothinga Society and the Cairns Base Hospital by their participation in the Navy Week Gala Charity Concert at the Civic Centre. Members of the School Choir also sang at the Navy Week Service at St John's Church.

Our next challenge was to execute a suitable setting for the visit of the Anglican Primate of Australia, the Archbishop of Melbourne. Once again a dedicated group of students worked patiently to produce a painting which is destined to become part of the decoration in the School Chapel. This art work was seen nationally on the front cover of "Church Scene", the Anglican newspaper, in October. To accompany the service, the Junior and Senior Choirs performed and the School string musicians played the musical setting and choir items.

Also in August, the Year 12 drama students created their final individual performances before a large audience at the Rondo Theatre. The quality of the scripts, the standard of performance and student organisation are to be commended. This was a highlight in the year of outstanding work by the drama students.

We now paused for the September vacation to catch our breath before the highlight of our local focus - "The TASARTS Festival '93". As Ben Woodward, Year 11 reports in "On Paper" the TAS students' newspaper:

"A large number of artworks from students through from Years 7 to 12 were on display, all exploring vast aspects of the visual arts. The performances from the drama department were most enjoyable and entertaining; some highlights were the Year 11 drama class's modern interpretation of "Bottom's Play" from Shakespeare's "A Midsummer Night's Dream" and the Year 12's Surrealist Interpretations.

The evening was made complete by brilliant musical accompaniment, including the vocal group's entertaining performances of "The

*Continued Page 18.*

TRINITY  
ANGLICAN  
SCHOOL  
White Rock  
Secondary

# ART, MUSIC, DRAMA

Supremes' Melody" and "Nine Little Maids from School". (The evening also saw the debut of the TAS Piano Trio featuring the talents of Heather Lander, Naoko Shibata, Leigh Hillery and Wendy Kidd.)

All in all, this year's TASARTS Festival proved to be most successful and I'm sure it was an evening enjoyed by all. I'm looking forward to next year's and I hope to see you all then!"

As staff, all we can add is that we agree with Ben!

The visual arts students completed their contribution to the year by exhibiting in two further exhibitions - one with the Department of Education for the Year of the Indigenous Peoples held at the Pacific International in late October and a three week exhibition of TASARTS in the foyer of the Cairns Civic Centre, covering the period of the School musical, Speech Night and the Mayor's Command Performance as their grand finale.

"Ulysses" the big musical production of '93 was billed as a magical, spectacular and colourful interpretation of a perilous adventure. With

the stage effects of the Civic Centre this proved an understatement. The ability of the students' acting, singing and dancing brought to life an ancient tale of voyage and courage in a cartooned, visually slapstick style. It must be said that there was a scene for everyone to enjoy, Our thanks to Fr Haldane for his direction, Marianne Russell for choreography, Mrs Falk for her musical direction and the supporting staff and wonderful students. Marketing was handled by the B.O.A.M. students for this musical which was a tremendous job.

With the events described above, TAS seems destined to move ahead in the Arts. Tradition is built in this manner and it relies upon the support of our TAS families who assist us in creating these artistic traditions, so that future generations will have the solid backing of the TAS community in the Arts.

We wish to thank the Seniors of '93 who have been such great ambassadors of the Arts through the year.

*Bon Voyage - Start of the 1993 T.A.S "tour de France".*

The Humanities Department brings under the one umbrella what may seem to be a diverse range of academic subjects: Japanese and French, History, Geography and Social Science. However, when one considers that "humanity" is defined as "human nature", "humaneness" and the "human race", the link between these various areas of scholarship becomes more apparent, as does their relevance to, and significance in, the School curriculum.

Earlier this year I attended a Languages seminar at which Mr Alan Langdon, the Head of the State Government's Languages and Cultures Unit, was a key speaker. Mr Langdon emphasised the importance of Languages Other Than English in the curriculum by stating that Australia's future lies in our ability to compete with current and future world economic powers in the open market place and not only on our own terms. In the Federal Government's view, this can only be achieved if Australians can present themselves effectively in terms of a global outlook. The Government foresees proficiency in both Asian and European languages as an essential component of other areas of expertise such as Science, Commerce, Law and Medicine.

*Kristy Wong with friends in Japan*

In 1993, Trinity Anglican School has hosted a German exchange student and a number of Japanese exchange students. Two of our students, Kristy Wong (Year 12, 1992) and Amber Hemburrow have spent a most enjoyable and productive year in Japan. We look forward next year to a reciprocal exchange with Sakuyo High School, a co-educational private school in Okayama Prefecture, southern Japan. Our students will have the opportunity to visit Tokyo and Sakuyo High School in the June/July holidays 1994.

For French students, the highlight of the year was the trip to France in April. The first week was spent in Caen, in Normandy, homestayng with families in the small, rural village of Rosel and attending school with host students. We then travelled by train to Paris, where we visited museums, art galleries and other famous sights. We look forward to a closer tie with Jaques Monod College and, hopefully, a return visit by some of the students and teachers who hosted us so generously in Caen.

Students of Social Science, History and Geography have had a fruitful year in their studies of the human race and our interaction with each other and with the physical world in which we live. In this "Year of Indigenous People", Year 8 students undertook studies of the culture of the local Aboriginal tribes and visited the Tjapukai Dance Theatre in Kuranda. During the Year 9 Camp, all students visited some ancient rock paintings on the Tablelands and learnt some of the culture and language of the Djabugay people from the Rangers who conducted the tour. Year 10 students have investigated the problems of waste disposal and the importance of recycling and undertook other excursions to Fitzroy Island to study the effects of tourism on the natural environment and to the Cairns Port Authority's Seaport Open Day. Senior students have participated in excursions to the Undara Lava Tubes (Year 11) to study volcanic landforms and processes and to the Port Authority's Airport Open Day as part of their Man and the Environment studies.

I take this opportunity to extend my warmest appreciation to the teachers in the Humanities Department for their dedication to the achievement of excellence and to the students whose participation and striving have made 1993 a successful year.

Mrs Linda White  
Head of Humanities Department

## Philosophy

The chief aim of any subject area is to offer each student an education of sound academic, personal, cultural and spiritual standards, so that they may be assisted to realise their fullest potential as an individual and as a member of a complex, changing and diverse society. This aim will, I believe, encourage them to undertake and continue throughout their life higher studies, a thirst for knowledge and a confidence to adapt to change.

It is with these values in mind that the Commerce department attempts to foster in each student an intellect to the highest limits of which each is capable, to encourage them in the search for true learning and understanding and the pursuit of excellence.

Why are so many students turning to the Commerce area? The answer to this question can be viewed by the very nature of the Subject material. The students are submerged into a world of dynamic change and are forced to question traditional stereotypes and pre-empted values. They formulate problem solving techniques, via role-playing, concept learning, debating and mastery learning and hence develop an awareness of the needs of others and self, proper moral and spiritual values, moderation and self discipline.

With a dedicated and innovative staff subscribing to the values and attitude aforementioned I believe that students are treated as individuals and encouraged to develop personal skills necessary for the wider social and academic world.

Year 11 Bond University Moot Court: FNQ Regional Winner - placed fourth overall Australia wide. (Left to right) Kate Maconachie, Ainsley Mapp, Margueritte Rossi, Jane Broadley.

## Awards, Achievements and Successes

1993 has been a very productive year for the Senior students of the Commerce department.

Congratulations are offered to M Rossi, K Maconachie, J Broadley and A Mapp for winning the FNQ Region of the Bond University Moot Court Competition. As a result of their success they were invited to participate in the Australian wide competition at Bond University on the Gold Coast. Their performance was outstanding and they were awarded fourth place for their outstanding advocacy. So successful was their advocacy that Marg Rossi was offered a half scholarship valued at \$30,000 to study at Bond University. Kings College of Sydney were the eventual winners. As Ainsley Mapp stated on her return... "We were extremely impressed by the performance of Kings' College and were grateful for any assistance they could provide us on the presentation of our case..."

Not to be outdone by their Senior partners, the Year 11 Legal Studies students embarked on a knock out competition in regard to Mock Court trials.

The forceful advocacy of R Rees and A Urquhart; the directions given to them by Solicitor W Kidd, the unquestionable character witnesses of B Woodward and J Subloo and the crystal clear tones of Clerk of courts G Hoffmann ensured that this formidable team would crush all before it. The team was successful in reaching the Grand Final, where they were eliminated by Trinity Bay High School.

R Rees is to be encouraged for his excellent result in winning the FNQ region of the Young Achievers Award. This is a most prestigious achievement and examples the excellent work being undertaken in the subject overall.

The following students have been awarded subject prizes :

Year Nine Business Principles: L Wallis.

Year Ten Business Principles: A Becker.

Year Eleven B.O.A.M: R Obersky.

Year Eleven Legal Studies: J Subloo.

Year Eleven Economics: A Plume.

Year Eleven Accounting: J Subloo.

Year Twelve Economics: B Billingham.

Year Twelve Legal Studies: M Rossi.

Year Twelve Accounting: A Rubin.

## Achievers

In addition, the following deserve commendation for their attitude and pursuit of excellence in commerce subjects in 1993.

Year Nine Business Principles: S Armstrong, S Menzies, K Maile.

Year Ten Business Principles: A Lazarus, T Fowler, T Spencer.

Year Eleven B.O.A.M.: K Foran, M Botha, M Reid.

Year Eleven Legal Studies: A Urquhart, W Kidd, M Botha.

Year Eleven Economics: P Chapman, A Urquhart, K Miles.

Year Eleven Accounting: J Suthers, R Obersky, K Miles.

Year Twelve Economics: J Broadley, A Rubin, R Yates.

Year Twelve Legal Studies: J Broadley, R Hoffmann, T Stokes.

Year Twelve Accounting: M Woodward, M Gamble, C Silvester.

## Voices of the future

Young Achievers Australia participants.

Standing (left to right): Berners Hall-Matthews, David Lane, Aaron Gardiner, Julian Moore.

Sitting: Rohan Rees, Holly Smith, Gavin Hoffmann.

## Young Achievers Australia (YAA)

This year marks the first year of TAS having students involved within the YAA venture programme.

TAS was lucky enough to house two individual companies. Colonyals manufactured a range of bio-degradable products, whilst the other, FYA, produced a range of designer decorated pots. Both companies operated for a period of six months, achieving huge profits.

Within this program, students are given the change to compete nationally for an opportunity to represent Australia in America. In the FNQ region TAS has the only two finalists, those being Holly Smith and myself.

Being involved in the YAA has been the most beneficial learning experience I have ever been a part of and I am thoroughly grateful for being granted the opportunity to participate.

**Rohan Rees**

## Year 12 Mooting Grand Finalists

"I'm going to be sick, I'm going to be sick. I so nervous that I'm going to be sick. Counting down the minutes. Ready? No... Ready? No!!!... Here we go... que sera sera."

And so went the regional competition of the Bond University Moot Court. After weeks and weeks of preparation we were victorious over ten other schools within the region. As a result of winning the competition we travelled down to the Gold Coast to compete against the best schools in the land, coming fourth overall.

**Jane Broadley**

# HOME ECONOMICS

The Home Economics Department has had another extremely successful year. Mountains of raw materials have been lugged through its doors and thousands of delightful creations have waltzed and waltzed out!

Our zestful Year 8's have had a wonderful time learning some very basic skills like "how to do dicing without dissecting the fingers" and "how to fix a hanging down hem using stitching instead of a stapler". It is also great to have all the boys in this year level taking the subject. Their enthusiasm and enjoyment is boundless! Should we say it is motivated purely by starvation? Never, Miss!

The Year 9's and Year 10's have had a productive year in both the foods and textiles areas. They have studied the basics of food selection, preparation and service, human motivation, clothing design, choice and construction and housing studies.

The Year 11 and Year 12 students have studied an enlarged and more specialised course directed more towards vocational training and tertiary studies. "Food Service and Technology" deals with the principles underlying the preparation, processing and storage of food. As well as being personally very useful to the student, this unit leads into such courses such as QUT offers in Food Technology and is also helpful in some Hospitality courses. A semester unit on foods is also studied in Year 12 and this also promotes food preparation skills but focuses on human nutrition, a most important area for health related fields of study.

Many excursions were enjoyed this year. The Year 9's visited Status Plus Appliances and Mayco Kitchens while the Year 10's visited local

housing sites with Angela Capitanio of Ray White Real Estate. The Year 11's visited the Cairns Hilton and were really looked after by the Executive Chef, Mr John Dolan. I would like to take this opportunity to thank these people and organisations for so generously donating their time and energy to the education process. Such visits are extremely valuable to the students and are much appreciated by them. They introduce reality to the dry pages of all of those text books!

I would also like to thank the Ladies Craft Group who worked long and hard to raise money and purchased a new overlocker for our department and Ms Fields who donated an overlocker to us. These items are greatly valued. Mrs Louise Vickers is also working on some ceramic serving dishes which will greatly enhance students' presentation. Parental contact and support is most valuable to us.

To conclude, the Department has had a most enjoyable and productive year, thanks to our most enthusiastic students. Our Year 12's have once again excelled themselves and produced excellent results. I would like to wish them every success in the future.

**Ms J McCarthy**  
Home Economics Department

# HEALTH & PHYSICAL EDUCATION

The Health and Physical Education programme continued to expand, providing students with an even wider range of activities which will lead to a healthy and active lifestyle.

*Life Saving... Bowling... Volleyball... Cricket.*

# YEAR 9 CAMP

TRINITY  
ANGLICAN  
SCHOOL  
White Rock  
Secondary

As 100 students departed TAS on August 30 there was a feeling of excitement and anticipation; for them there were no more lessons or classes for the rest of the term! Many had little idea what lay ahead of them. Student-cooked meals, bushwalks, bivvies, sleeping on the ground, being with your friends for three weeks; just a few of the many delightful unknowns the students and staff faced.

The Year 9 camp this year was held at Tinaroo Dam from August 30 to September 17. It involved 104 students and 30 staff experiencing a very different kind of schooling. The time was spent at various locations; setting up camp, hiking, canoeing, learning to get along with others, etc.

One of the highlights of the camp was the time the entire student and staff body spent together at the Qld. Recreation Centre. Students and staff were treated to cooked meals, a real bed, toilets and showers; not to mention electricity! What luxury!

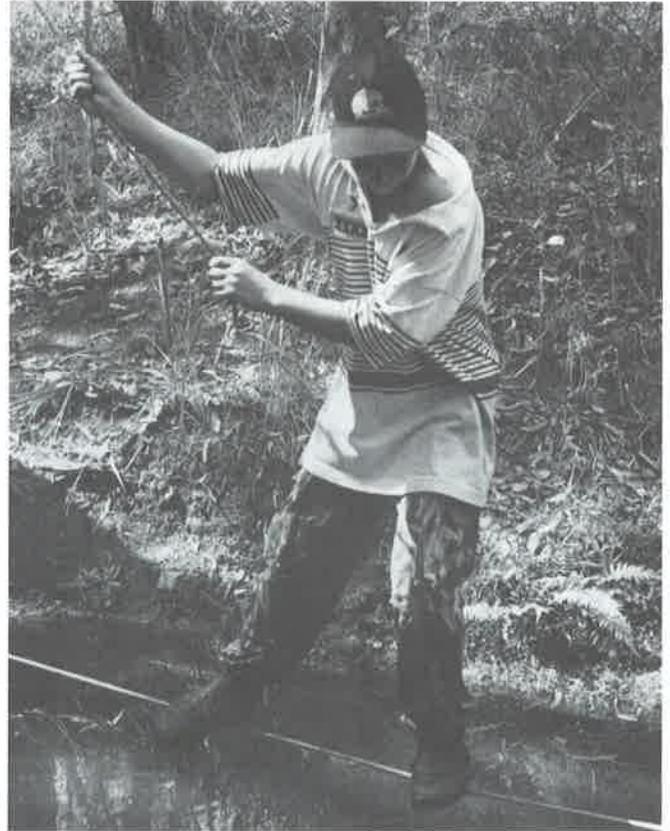

One of the challenges the students had to overcome at the Qld. Rec. was the ropes course. Here one has to make one's way through the trees along a number of different types of rope configurations, finishing with the flying fox.

We hope that the students will gain more than many good memories from our Outdoor Education programme. This

programme is included as part of their development and preparation for the future. The skills learnt on camp in living together, overcoming fears and challenges are designed to help our students mature, become more tolerant and to build their self-confidence, which will help them face the future with, perhaps, a little less apprehension.

**Wayne Van Den Bos**  
Co-Curricular Activities Co-Ordinator

## Housemaster's Report

As 1993 draws to a close we can look back on another successful year for our House. Success is not always judged on how many points the House has gained, nor how many competitions each House wins. Being in a House at school is like being in a family; we all gain support from one another. This year Leichhardt has grown in stature as we have worked together as a team. Students are asked to put in their best effort for their House.

In each of the competitions the students have done just that and given their best. We can be justifiably proud of these efforts, whatever the results may be.

The year started with the Inter-House Swimming Carnival. Our students proved that they are fine swimmers and convincingly won the Carnival. Many fine individual performances came to the fore and we won both the Inter-Campus competition as well as the overall competition. Leichhardt also won six of the age championships.

The next competition was the Music Competition and who can forget those amazing dancers, the hours of practice and trying to get one's tongue around those words!! Our students performed very well and were naturally disappointed with the result, however, we put that behind us and started training for the Cross Country...

1993 saw a new cross country course, running through the old Cannon farm, under the highway and back to School. We were very pleased to see David Christopher and Hilka Karsikas be the first male and female students home. Brian Litherland was the other Leichhardt student to make it home before our very own Flying Chaplain. We went very close to winning this event; a little more participation was needed for Leichhardt to have defeated Mulligan.

The Inter-House Athletics Carnival was the next event on our calendar. The House has been blessed with many fine athletes and it is up to the rest of the students to support them. Leichhardt was placed third in

this Carnival.

The House Drama Festival was the next event held and under the capable direction of Zadek Freeman, our students came a very creditable second. Well done!

This year an Inter-House Triathlon was initiated at the Marlin Coast Campus. Many students from our House travelled to the Marlin Coast to compete in both individual and team events. At the end of the day Leichhardt was placed second for this event.

The junior and senior divisions of the Winter Sports Competition were then held. Our students in Years 8 and 9 finished third in their division, while the seniors won their division convincingly, which placed us second overall.

The final two competitions were Public Speaking and Debating and we were placed equal third in each.

Next year I am sure that with greater effort and participation by all students we can do even better.

Last year the Carroll family donated to our House a Memorial for Tracy. This memorial is to be awarded to a senior student who does the most to foster House spirit within our House. The award is a fitting tribute to Tracy who did so much for Leichhardt while a student at TAS. The inaugural winner of the award in 1992 was Joshua Adamson. The winner in 1993 was Rachel Pedro.

Finally, I would like to thank our House Captains, Rachel Litherland and Joey Christopher for their help, guidance and assistance throughout the year. We bid farewell to all of our seniors and wish them all the best for the future.

**Wayne Van Den Bos**  
Leichhardt Housemaster

## LEICHHARDT LIONS

### HOUSE CAPTAINS' REPORT

Throughout this year, being House Captains of the almighty Leichhardt has been a challenge, a privilege and very rewarding. The year has been filled with excitement and we are sure that everyone is proud of the way that Leichhardt has performed.

The Swimming Carnival has yet again proved a great success for Leichhardt with us coming out on top and beating the other Houses! With the carnival being at the start of the year it proved to be a great House spirit-lifter and it motivated the House for the next Inter-House Carnival.

In the Cross Country, we performed very well by coming second behind Mulligan by only a few points. There were some outstanding runs by David Christopher, Hilka Karsikas, Brian Litherland, Kate Lennox, Jeni Litherland and Father Haldane.

In the Music Festival we were a bit disappointed with the place we came but we know that everyone thoroughly enjoyed our singing and our dancers. The hours of practice paid off with Leichhardt singing wonderfully. Hopefully next year Leichhardt will be able to gain a place in the Music Festival as we know that we have some outstanding singers.

### Leichhardt Student Executive

- House Captains:** Rachel Litherland

Karen Blanch

The Athletics Carnival was also a success with everyone participating in their events. Even though we didn't come out on top, we believe that the House put in its best effort.

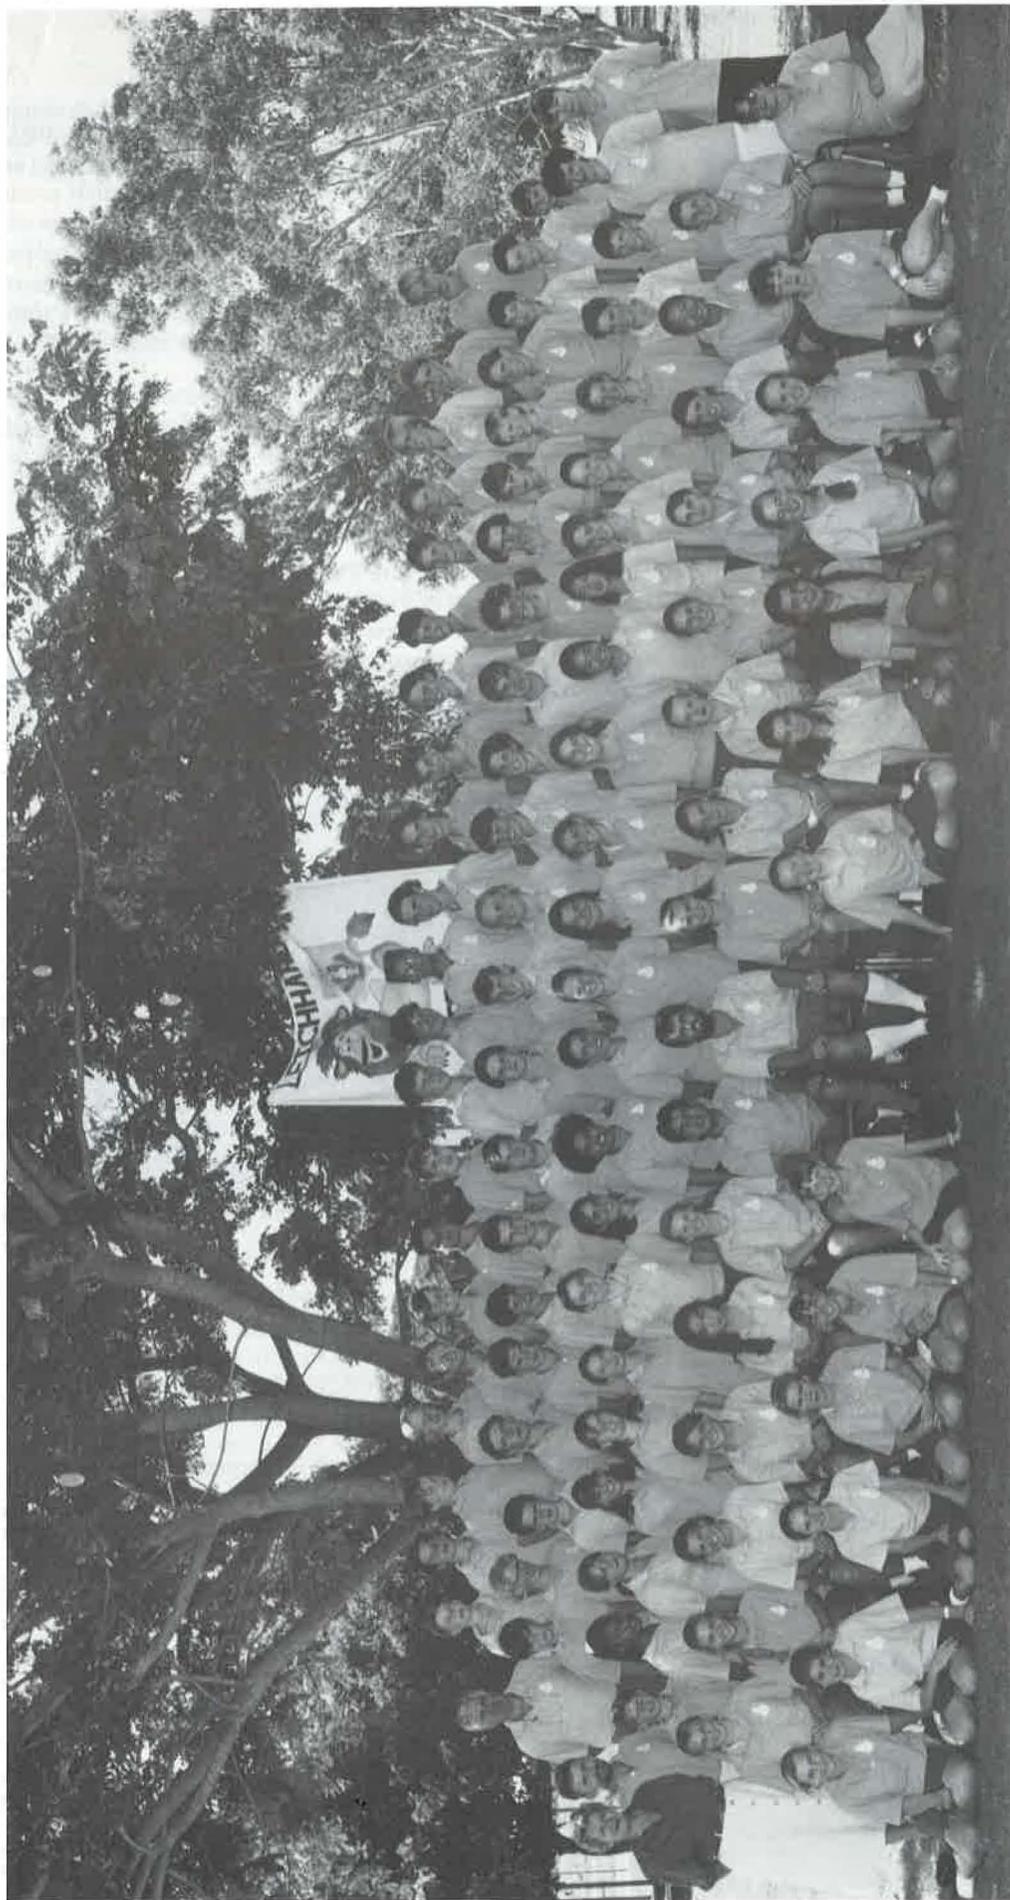

In the Public Speaking and Debating everyone spoke very well and we are sure everyone enjoyed listening to the speeches.

Overall this year, being in Leichhardt has proved to be enjoyable and exciting. Hopefully next year Leichhardt will be able to keep up the House spirit and continue to be motivated as a House.

Good luck and all the best for 1994!

# DALRYMPLE

### Thanks, again

Dalrymple students say thank you to their tutors who have worked enthusiastically and given generously of their time to help make 1993 an enjoyable and successful year for us all.

Thank you to Miss Sherrington, Mrs McPherson, Mr Reppel, Mr Canny, Mrs Leaney, also Miss Marks and of course, Ms Hope.

### Hussle, hussle, muscle, muscle, Dalrymple... HUH!

From our appointment in 1992 to our dethroning in November of this year we have been privileged in leading the almighty Dalrymple House. As always Dalrymple's House spirit has been exceptional, especially when it comes to support of fellow House members. We have seen this in all House competitions throughout the year and especially in the Swimming Carnival where we won the House trophy. It certainly looks as if the Drama trophy is becoming the tradition of our House as this year, like the last two years, a gallant display of theatrical skills and knowledge won us the Drama trophy. Well done!

Dalrymple's fundraiser this year was the Salvation Army. For more details read Anthony's article. We were very pleased with Dalrymple's efforts in the fundraising and so many other activities. From both of the House Captains in Dalrymple, we wish you the very best in future years.

### Luke and Simone

#### House Captains

#### Dalrymple Donates

In 1993, Dalrymple House chose the Salvation Army as its charity fundraiser. This choice proved a huge success, thanks to many dedicated students and staff of Dalrymple.

Another important fundraiser in Dalrymple's calendar, is the now famous, "Dalrymple Gong Show!" This annual hour of fun attracts hoards of onlookers and participants from all Houses and even the Junior School. Entrance is usually \$1 and lolly-bags, donated by Dalrymple students, can be purchased for the same price. The gym is crammed full, as dozens of students (and sometimes staff) from many year levels and Houses, perform lip-synchs, songs, skits and dance, in aid of Dalrymple's charity.

# DALRYMPLE

TRINITY  
ANGLICAN  
SCHOOL  
White Rock  
Secondary

We began this year on a very high note after a most successful Semester Two in 1992. We snatched a well-earned victory in the Inter-House Drama Competition and won the Inter-House Cup for 1992 which is presented to the House which achieves the highest number of points from the variety of annual Inter-House competitions. This was indeed a wonderful achievement. It should be noted however, that we shared this success in a tie for first with the Kennedy House.

To begin the year we held a House Half Day at Sugarworld. It is a pleasant and suitable venue for engaging in fun types of "get to know you" activities and general friendly socialising. Our House swimming trials were held in the afternoon of this day. The Year 12 camp was a time of enthusiastic planning. Everyone was keen and excited. Our Year 8's joined us and the opportunity to meet with them and learn a little about each other was a very valuable experience.

Again the sporting Inter-House competitions largely passed us by this year. However in

to cultural events. We remain unbeaten in the Inter-House Drama Competition, came a close second in the Music Festival and convincingly won the Inter-House Public Speaking Competition. Our four Public Speakers were Grant Higgins who won the

Junior Event, Natalie Mann, Dane Cole and Rohan Rees. This victory was followed a week later by an outright win in the Inter-House Debating. All our senior debating teams were victorious.

There is no doubt that our House Captains, Simone Reynolds and Luke Anthony have worked tirelessly this year. They represented the School community at the annual launching of the Salvation Army Red Shield Appeal and encouraged an outstanding number of TAS students to take part in the Sunday door knocking in May. Although Dalrymple House initiated and lead this event, the School body, regardless of House allegiance, responded in a very impressive manner.

I am very grateful to the Dalrymple tutors who have supported the House in such a dedicated fashion this year - Miss Sherrington, Mrs McPherson, Mr Canny, Mrs Leaney, Mr Reppel and Miss Marks. I also wish to thank Simone and Luke, our House Captains, on their conscientious efforts in planning, motivating and running much of the House activities. Our House Treasurer, Maureen Gamble has also carried out her duties in a most efficient manner consistently throughout the year. I trust that it has been an enjoyable year for our students and I am looking forward to yet another fun-filled, busy and successful year with a new group of enthusiastic seniors in 1994.

**Robyn Hope**  
Housemaster

the "Demonstration" event which was newly trialed, the Triathlon, Dalrymple surprised the other Houses with a very convincing win.

Unfortunately, the event will not be "counted" until 1994. We will enter with confidence and certainly be a force to be reckoned with!

Dalrymple House has great depth when it comes

## Housemaster's Report

It is with great joy and pride that I write this article. The spirit of determination and optimistic co-operation that has been displayed throughout the year has been outstanding and most rewarding to the House. We finish the year with the just rewards of our mighty effort - the 1993 Trinity Anglican School House Trophy! Congratulations Mulligan!

I would like to thank every single student and staff member in the House for the contribution they have made to our success, for it has indeed been a total House effort. Our very caring and supportive House Tutors included Mrs Maggie Barnes, Mrs Catherine Taifalos, Mr Malcolm Bailey, Mr Brad Greene, Fr Eric Manley-Harris, Mr Graham Miller and Mrs Barbara Wiemers who left us following Term One. I do thank them for the role they have played.

Congratulations must also go to our House Captains, Margueritte Rossi and Rudd Rankine and to our enthusiastic, energetic and very talented Year 12 students who were always prepared to make the effort needed to give us the competitive edge! I do sincerely thank our Year 12's for the outstanding example of leadership, good sportsmanship and determination that they have provided for Mulligan House.

Special thanks must also go to Kate Maconachie, who has diligently recorded and preserved our success in the House Archives. I trust that you will all return in years to come to reminisce over Kate's records and your great deeds and good times! Thanks also to Sarah Norman whose sharp eye to money matters as our House Treasurer has kept us financially afloat through several storms. Jane Bradley and Sarah also created our marvellous mascot - The Fish - yet to be named - which you see swimming serenely across the turf in many a photograph!

Students have made so many contributions that they are too numerous to mention. To those of you who organised and led and to those of you who participated, I congratulate you all for the spirit and sense of achievement you have given Mulligan House in 1993.

## House Results:

Inter-House Swimming - 4th place  
House Music Festival - 1st place  
House Cross Country - 1st place  
House Winter Sports - 1st place  
House Drama Festival - 3rd place  
Inter-House Athletics - 2nd place  
House Public Speaking - 1st place  
House Debating Competition - 2nd place  
Overall - 1st place by miles!!

**Mulligan Housemaster**

## House Captains' Report

Well what a year it has been for the Mighty Mullets! Finally the Red House has proven all the critics wrong and struggled its way to the top of the ladder in the House competition.

We started the year unfortunately on rather a poor note with a fourth place in the Inter-House Swimming Carnival. I guess the Mullets find the Woree Swimming Pool a bit of a restrictive environment as far as displaying their aquatic powers is concerned. We did, however learn a great deal from this first fiasco and haven't looked back since in 1993. Our biggest up of the year was a victory in the House Music Competition. The theme this year was Australia with the very original choice of Waltzing Matilda being chosen for the compulsory song. Mulligan's spirits were low when the competition rolled around again for another year as in the past we haven't, well... performed to the best of our musical ability. Most of us intensely dislike the practices in the hot gym at lunchtime and to make matters worse this event wasn't our forte. This year however, we decided to introduce a new concept, fun, into this event. The songs we chose were more contemporary and the rehearsals less military in style.

I will never forget the feeling of standing out the front of the whole House conducting and seeing every boy sing. When I witnessed this I knew we had won!

By half way through the year, the Mighty Mullets were now cruising down the channels of success with the crocodiles, lions and dolphins "floundering" in their wake.

The second semester started with a frantic pace with the Annual Drama Festival fast approaching and the Winter Sports soon after that.

The Drama Festival (not one of our strongest events) was first on the Mullets' agenda. Each House had an open license on the type of play they wanted to perform as long as it ran for only ten minutes. Mulligan decided to cast a short play based on the classical theatrical horror "Dracula". Unfortunately the judges preferred a more modern dramatic presentation with Mulligan placing a third.

Next was the Winter sporting challenge, each House entering teams into hockey, volleyball, touch, baseball and netball. The junior students, by easily winning

their division of the competition, had built a platform from which the secondary students could launch their assault on the Winter Sports Trophy. Although narrowly beaten by Leichhardt they performed competitively to take out second place in senior division and first place overall!

With only two competitions remaining, Debating and Public Speaking, Mulligan had a firm grip on first place and two points clear of Kennedy. Our excellent Public Speakers, Claire Bossingham, Gabrielle Ernst, Lisa Hickey and Elizabeth Swanwick put on a creditable performance to bring home the next trophy to our "Mulligan Trophy Cabinet".

The last competition for the year, the Inter-House Debating was ably managed by Bryant Schwengler. Mulligan had an intimidating capable team but were cunningly defeated on the day by the crafty Dolphins who indeed have "the gift of the gab". We were placed second overall.

This was the icing on the dream year that had seen the Mullets rise from a humiliating last place last year to first place overall. Congratulations Mulligan!

**Margueritte Rossi and Rudd Rankine**

## Music Festival

Years of practice came in handy, when finally Mulligan won the Inter-House Music Festival. The theme this year was "Australiana" and Mulligan adapted this surprisingly well, using Australian rock music, and performed AC/DC's "Thunderstruck" and J O'K's "Shout". Margueritte was our inspiring conductor. Rudd and Scott livened up "Waltzing Matilda" with a very fishy act! eg. "Up jumped a mullet cruising on his boogie board!"?

Claire Bossingham stole the show with her solo, with a little help from the "Mullie Band" - Cherie Bathis, Elizabeth Swanwick, Elisabeth Wynn and Jon Beard. Kim Chuah (the lead guitarist), helped rock up a "Thunderstruck" storm, which lead the Mulligan team to victory in the 1993 House Music Festival.

**Fiona Norman, Julie Hewett**

## Inter-House Cross Country Competition

We won for the third year in a row! Yet again our Mullet Marathon runners sped to the finish leaving behind the other struggling Houses on the track. The "land" did not deter the red fish, we were just more eager to win the Cross Country trophy again.

There were many great performances on the day with Finley Stone, Nikki Wong, Ben Wilson, Elisabeth Wynn, Becky Barnes, Tracey Carr and Ben Barnes all shining through and all gaining a place in the top two of their age group. There was great participation in the cross country and it was a group effort that won out for Mulligan in the end. Congratulations to everyone who ran!  
**Danny Webb, Finley Stone**

## Inaugural Inter-House Triathlon

This was the first year the Inter-House Triathlon was held.

It was a wet, blustery day at Kewarra Beach and many Mullets shivered up and braved the weather. Although this year the triathlon did not contribute to the overall points, there were many great performances. The 15 year boys

and open girls both triumphed in the teams event, coming in first. In the individual section Luke Roberts came a gutsy second. Some other good results were the 14 boys' team coming in second and the 13 year girls and boys as well as the open boys finishing third.

**Danny Webb, Finley Stone**

## Third Annual Inter-House Drama Festival

Picture the darkest, gloomiest and most melancholy little hole in Transylvania and here is where you'll find the recently commercialised Castle of Doom. This was the ideal setting for the Mulligan House Drama play. The story tells of an Australian couple, Mr and Mrs Hill and their horrific overnight stay in the Castle of Doom. Mr and Mrs Hill were played by Julian Moore and Katherine Utzinger respectively, with captivating skill, while the original Count Dracula was portrayed by Geraldine Eilsley with immaculate perfection. A group of Ghastly Ghosts and Ghouls also patrolled the Castle. Its members included Lindsay Chandler, Anna Lillie, Natalie Obersky, Jessica Martin, Summer White and Margueritte Rossi.

Another pair of Nasties were Bryant Schwengler and Isaac Roberts who played their roles as gangsters with a professional touch.

The policeman sent into the castle to chase the gangster out were brilliantly acted out by Tenille Bathis, Rebecca Childs, Melanie Birkbeck and Cressida Bradley. Narrating the story was Skye Maconachie. Thanks also go to Mrs Barnes for her valuable help and advice. Everyone did a marvellous job and although we came third it was a first class play. **Shauna Rankine, Director.**

1993 has been, to say the least, very eventful. Kennedy House has seen a lot of improvements in both the competitive arena and the spirit of the House. We kicked off early in first term with our first House Day for the year. Swimming trials, followed by a House lunch, proved effective in uniting the House and stirring a sense of House spirit among our new Year Eights. This spirit rang true after a night of swimming, cheering and yelling when Kennedy achieved a pleasing second place in the swimming carnival.

Later that term, however, the attainment of second place in the music festival was not quite as pleasing. After many gruelling hours of composing, band rehearsals and singing practice, our "winning combination" was beaten by a group of noxious red fish and a panel of tone-deaf judges. Despite this result, the performance was a phenomenal improvement from the days of "The Green Door".

The first semester passed and Kennedy was somewhat disappointed that we had not actually won any events. Faith was restored, however, after a glorious victory in the athletics carnival. This has been further established as a Kennedy tradition, as we have won this competition nine out of ten years. (Perhaps the Athletics Trophy should be renamed the "Kennedy Trophy"?)

The appearance of the Kennedy Seniors improved dramatically this year, thanks to the initiative of Theresa Lowe. (No, it wasn't cosmetic surgery.) New-look House shirts, exclusive to the Kennedy Seniors provided a sense of unity among the Seniors and helped the younger grades identify the Year Twelves.

Kennedy's attitude has improved a lot this year and the House has operated more as a unit. This positive influence should carry on well in 1994 when the Year Elevens take over the responsibilities in the House.

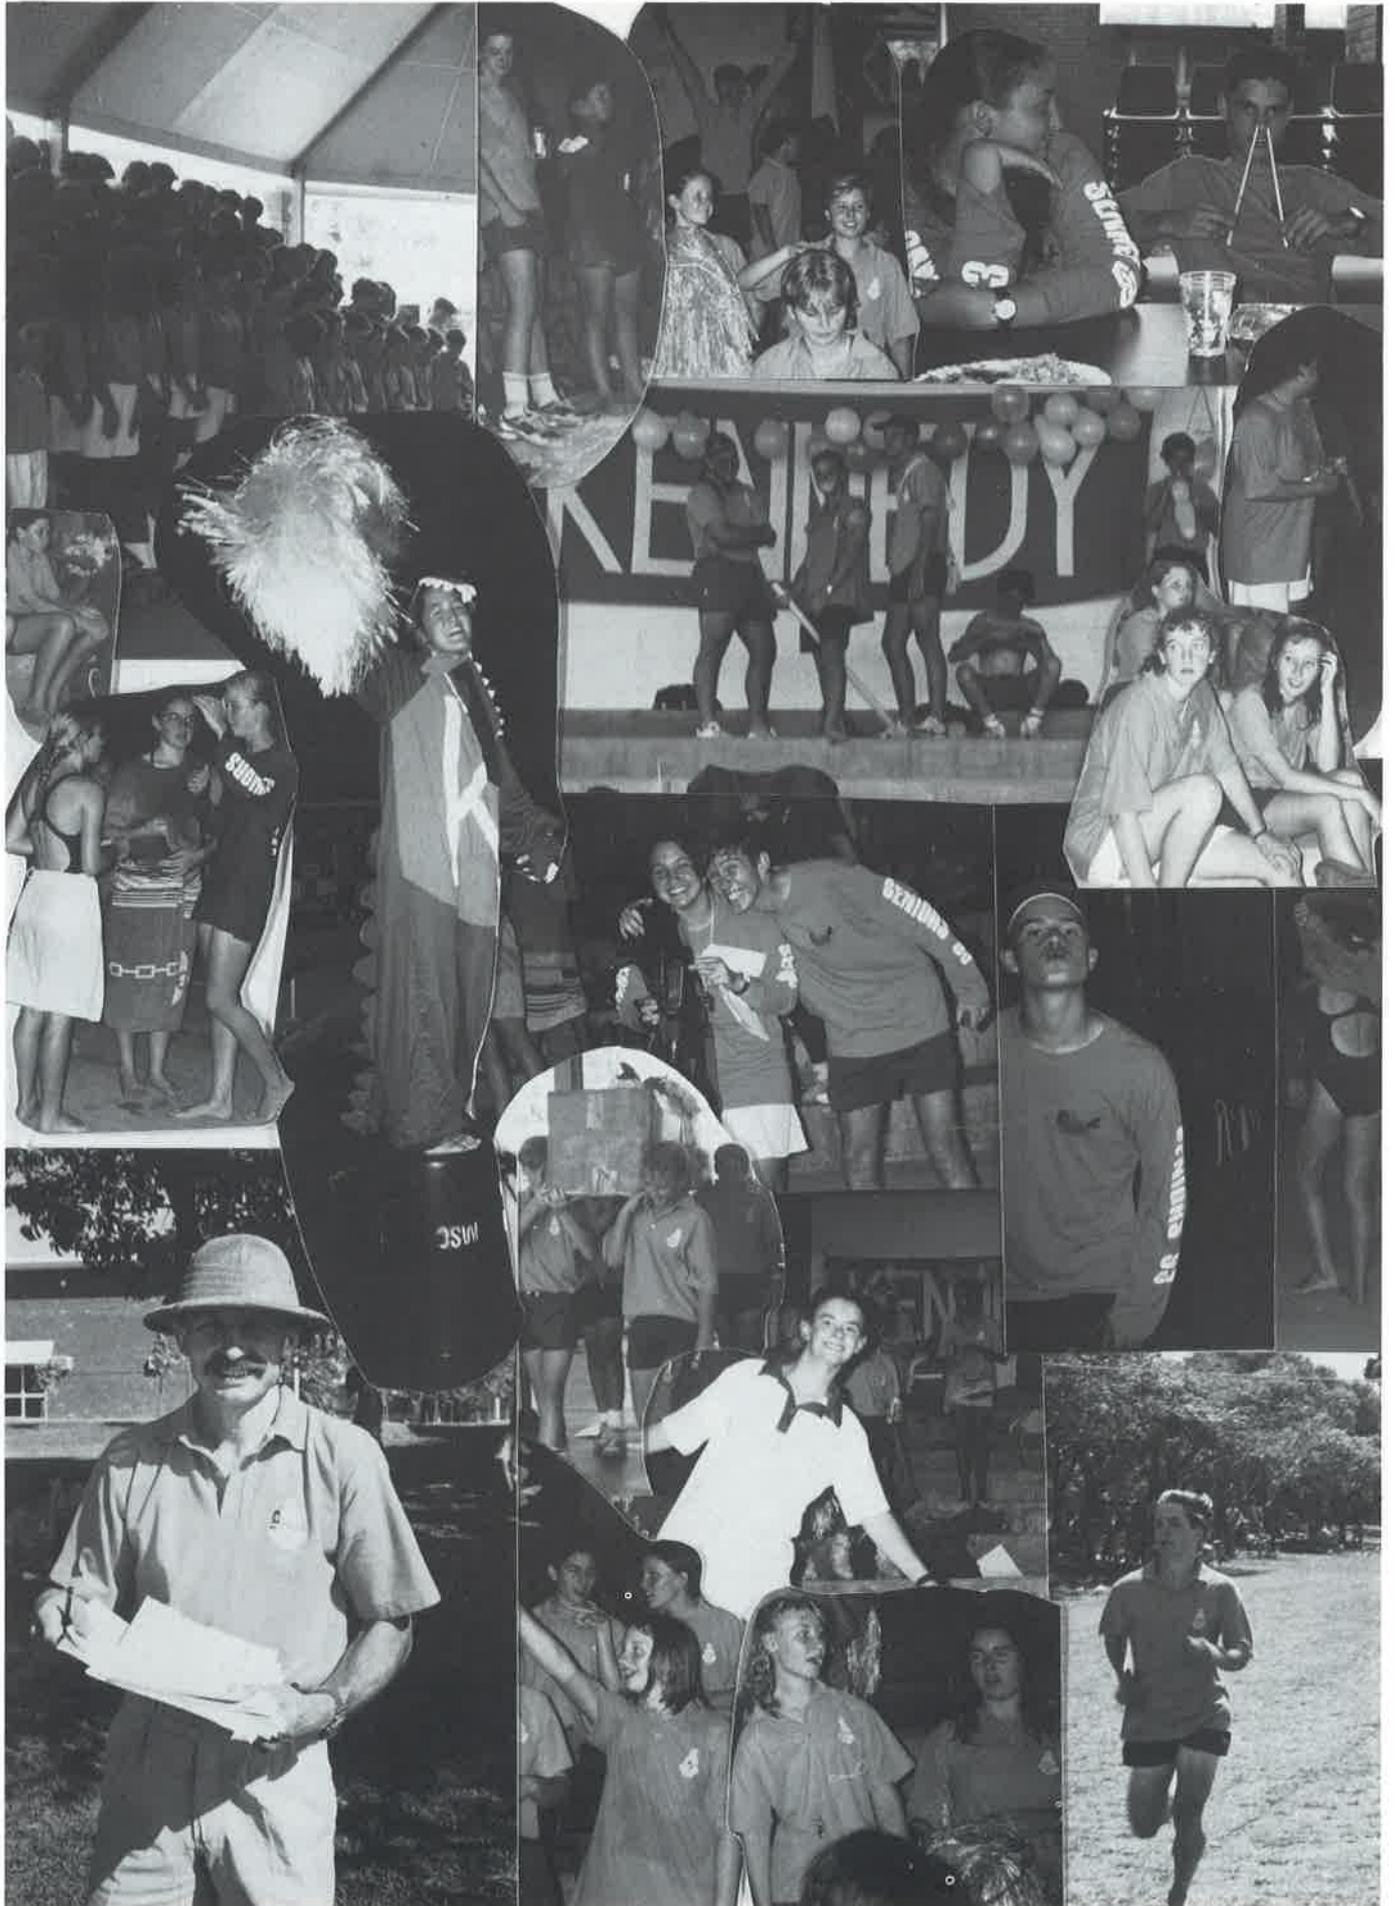

**Andrew Curnock, Renee Hoffmann** (House Captains), **Karen Humphrey, Tei AhLoy** (House Historians).

# CO-CURRICULAR ACTIVITIES

1993 was a year of mixed success on the sporting field. We came second or third in each of swimming, cross country and athletics, which meant a number of teams made the semi-finals in the Inter-School Sporting Competition.

There were many outstanding individual performances throughout the year with a number of students being selected in Peninsula teams. Alan Bolton was selected in the Queensland School's Open team.

I would like to thank all of the families who have donated the many age trophies this past year. They will form an important part of the history of the School.

### SWIMMING

The Inter-House Swimming Carnival was held on the 24th of February at the Woree Pool. An evening of great House spirit saw Leichhardt successfully defend their trophy. This is a wonderful way to open the sporting calendar with all of its colour and wonderful House support. Mulligan House won the Best Supporting House trophy.

The Inter-School Swimming Carnival was again held at the Woree Pool, with a new format. This year the top schools from Trinity Coast South and North competed against each other. On the night the combined SAINTS team proved far too strong for all other schools. Their swimmers won the night convincingly while the cheer squad (all 400-odd) deafened the rest of us!

### Age Champions

- 1st.. Boys 16 years - Daniel Holgate
- 2nd.. Girls 13 years - Jeni Litherland
- 3rd.. Boys 13 years - Scott McGowan
- 3rd.. Girls 14 years - Kate Lennox
- 3rd.. Boys 14 years - Jon Simpson
- 3rd.. Girls 16 years - Hilikka Karsikas

### CROSS COUNTRY

Our new cross country course this year saw almost all of the School students compete for their Houses. The start of this event is a magnificent sight as 200+ students surge forward in a sea of gold, red, aqua, blue and green; amazingly all students managed to turn the first corner and head up the hill!!!

### Age Champions

- Girls 13 years - Jeni Litherland
- Boys 13 years - Scott McGowan
- Girls 14 years - Kate Lennox
- Boys 14 years - Jon Simpson
- Girls 15 years - Mandy Dawe
- Boys 15 years - Brian Litherland
- Girls 16 years - Hilikka Karsikas
- Boys 16 years - Grant Turner
- Girls 17 years and over - Renee Hoffmann and Sally Joel
- Boys 17 years and over - Daniel Holgate

### Age Champions

- Girls 13 years - Jeni Litherland
- Boys 13 years - Tim Becker
- Girls 14 years - Kate Lennox
- Boys 14 years - Ben Wilson
- Girls 15 years - Mandy Dawe
- Boys 15 years - David Christopher
- Girls 16 years - Hilikka Karsikas
- Boys 16 years - Angus Urquhart
- Girls 17 years and over - Emma Lander
- Boys 17 years and over - Justin Dickinson

# CO-CURRICULAR ACTIVITIES

TRINITY  
ANGLICAN  
SCHOOL  
White Rock  
Secondary

The Inter-School Cross Country was again a disappointment as we won a number of age championships but the overall competition still eluded us. Our Age Champions were:

Boys 13 years - Tim Becker  
Girls 15 years - Mandy Dawe  
Boys 15 years - David Christopher  
Girls 16 years - Hilikka Karsikas  
Boys 16 years - Angus Urquhart  
Boys 17 years and over - Justin Dickinson

## ATHLETICS

The Inter-House Athletics Carnival saw Kennedy again victorious. The new format of the Carnival proved to be quite successful.

*Athletics Age Champions*

## Age Champions

Girls 13 years - Karina Lewis  
Boys 13 years - Ben Harrison  
Girls 14 years - Nicole Larsen  
Boys 14 years - Kurt Maile  
Girls 15 years - Mandy Dawe  
Boys 15 years - Jarron Colahan  
Girls 16 years - Hilikka Karsikas  
Boys 16 years - Shane Maxwell  
Girls 17 years and over - Renee Hoffmann and Margueritte Rossi  
Boys 17 years and over - Richard Yates

*TAS Athletics team.*

The Inter-School Carnival was held at Woree this year, with Trinity Bay proving too strong. We came a close second and won the Boys 15 Age Championship.

## TRIATHLON

Our first Inter-House Triathlon was held at Kewarra Beach, hosted by Marlin Coast Campus. As a trial event this year it proved to be most successful. Tim Becker and Mandy Dawe were the first triathletes home in the junior section while Angus Urquhart and Hilikka Karsikas were the first home in the senior section.

## INTER-SCHOOL SPORT

We had 14 teams involved in Inter-School sport this year. This competition involves most of our students in Years 10, 11 and 12, playing in a large range of sport each week, against all the other schools in Cairns. Five of our teams made it through to the semi-finals but were all eliminated before making the grand final. These teams were:

Boys Touch A and B  
Girls Waterpolo  
Girls Volleyball B  
Girls Netball A

*Girls Inter-School Waterpolo Team.*

*9-a-side Aussie Rules Team.*

# CO-CURRICULAR ACTIVITIES

*Mobil Netball Team.*

*First XV.*

*Colts Soccer Team.*

## OTHER SPORTING TEAMS

This year we had six teams who represented the School in sports outside of the normal sporting time at School.

These teams were:

- First XV Rugby
- 15 years Rugby
- TAS 1 Netball
- Mobil Netball
- 9-a-side Aussie Rules
- Colts Soccer Team

Of these teams, our Aussie Rules team was the most successful. After a number of wins they were finally beaten in the finals in a very good game against Smithfield.

Both netball teams played well, however the opposition proved too strong. This year our soccer team found the move into Colts very difficult. From winning most games in the previous two years, their record this year was not as impressive. However, they improved greatly as the year progressed.

TAS sport is now at the crossroads; it is time to build again for success in the future. I am sure with commitment and training we can challenge the other schools and win future competitions.

Wayne Van Den Bos  
Co-curricular Activities Co-ordinator

## RUGBY

The rugged brawn of the TAS forwards, coupled with the fleet-footed grace of the backs were combined to create one of the most powerful and devastating TAS Open Rugby teams in the past few eons.

In the pre-season 7's competition, the "A" side was successful in defeating Cairns High and Smithfield High Schools but were unfortunately overcome by a pacey Innisfail side (which lost only to Saints in the final).

This was an inspirational start to the season for us and we prepared vigorously for the oncoming season. The TAS Open Rugby Union side had a season of varying success (it was actually more varied than successful!), losing a couple of very close matches. Although the spirit of the team was deflated after the loss of these close matches, our coach "Muddie" confirmed our belief in ourselves and our team-mates, instilling in us that "A team is not a team if you don't give a damn!"

The TAS Open Rugby Union side was eliminated from the final series by Trinity Bay High School, the eventual winners of the overall competition.

Rudd Rankine

*15 years Rugby Team.*

# SPORTS CAPTAINS' REPORT

TRINITY  
ANGLICAN  
SCHOOL  
White Rock  
Secondary

Once again, this year's Swimming Carnival proved to be fiercely competitive and both physically and emotionally exhausting. From early in the evening it was clear that even the points attained by coming last in a race were going to be vital in deciding the overall winner. Following a strategy similar to previous years, Kennedy took the lead in the preliminary stages of the night. However, it was clear that Leichhardt weren't going to stand by idly and watch as their trophy was taken away.

The climax of the evening saw Leichhardt prevail, as their immeasurable aquatic ability brought them home the victors. Kennedy came a close second, followed by Dalrymple and then Mulligan.

This year the Inter-School Swimming Carnival was organised under a new and improved system. Unlike previous years where there had been Trinity Coast North and South competitions, this year saw the top four teams compete against each other. The feature of the night was undisputedly the performance of the Saint Augustine's Cheer Squad.

The TAS swimmers who deserve a creditable mention are Jeni Litherland, Hilikka Karsikas and Daniel Holgate.

The last Tuesday of Term 1 saw the running of the Inter-House Cross Country on the new course. Under near perfect conditions, David Christopher narrowly beat Angus Urquhart, while in the girls, Hilikka Karsikas blew away her opposition! A special mention must go to the "Flying Chaplain" who was the fifth person home.

The Inter-School Cross Country was held in the usual windy, wet, muddy, cold conditions at St Mary's College. The main difference this year was that TAS clearly possessed all the ability. The first boy home was Angus Urquhart, followed closely by David Christopher. There was a 40 second time interval between them and the rest of the runners. Out of the first ten boys home, seven were from TAS. And four of the five age group champions were from TAS. In the girls race, Hilikka Karsikas was the undisputed winner, coming in two minutes ahead of everyone else! The Trinity Coast South Carnival would have clearly been a TAS victory had the whole team turned up to compete. Unfortunately, however, due to the fact that the race was run outside of School time, very few people decided to turn up. In some age groups, there were only two out of the ten selected runners actually competing. This would have to have been the biggest sporting disappointment of the year.

July was the month of the Inter-House Athletics Carnival. On a bright, crisp, sunny day, all of TAS's finest athletes congregated on the School oval for a day of fierce competition. It was wonderful to see so many of our "Star Athletes" performing in the one spectacle, but it was even more encouraging to see so many of the not-so-gifted students putting

1993 Sports Captains: Emma Lander and Scott Symonds.

in their best efforts for their Houses. At the end of the day it was clear that the "Crocs" from "Kennedy" were going to win successive Athletics Carnivals for the ??? year in a row! Mulligan came a very close second, followed by Leichhardt and Dalrymple respectively. There were many notable individual performances on the day.

August saw a "Full Strength" Trinity Anglican School Athletics team match it with the best from other schools in the district. From the early stages in the day it was clear that it was going to be a two-horse race between the "awesome" Trinity Bay team and the "mighty" Trinity Anglican team. These two goliaths battled all day but it wasn't until the relays were run that the Trinity Bay team gained enough of an advantage to become the overall winners.

Throughout the year Trinity Anglican School has shown its skill and prowess in a number of weekend team sporting events. These teams include netball, soccer, rugby union and Aussie rules. Each of these teams should be congratulated on their continuing efforts to establish the School as one which fosters sport throughout all age groups.

All in all, 1993 has been a wonderful sporting year for TAS and we have been proud to have been at the forefront with the honour of being Trinity Anglican School, Sports Captains.

AWARD

## TOP HOUSE PRIZE

This is based on performance by each House during 1993 in the following competitions: swimming, public speaking, cross country, music, athletics, debating, winter sports and drama.

The winning House is **Mulligan**, the House Captains are Marguerite Rossi and Rudd Rankine.

**The prizes for DUX of each year - 8 to 12:**

**Year 8** Kim CHUAH  
**Year 9** Anthony SINGH  
**Year 10** Lisa HICKEY  
**Year 11** Nava DERAKSHAN

The prize for the Year 12 Dux has been endowed anonymously in memory of the third Bishop of North Queensland, the Right Reverend George Horsfall Frodsham who held office from 1902 to 1913. Frodsham was known as the "Restorer Bishop" and towards the end of his episcopate as he prepared to return to England, said that he had tried to be "a faithful administrator rather than a popular man". Bishop Frodsham had a wide ranging interest in education; he was a vigorous promoter of Religious instruction in state schools, was on the committee to encourage the establishment of the University of Queensland and was one of the prime movers in the foundation of the Institute of Tropical Medicine in Townsville. We are pleased that, through this endowment, Bishop Frodsham's contribution to our Diocese and beyond will be permanently recognised by our School community. The winner of the Bishop Frodsham prize for the **Dux of the School in 1993** is:

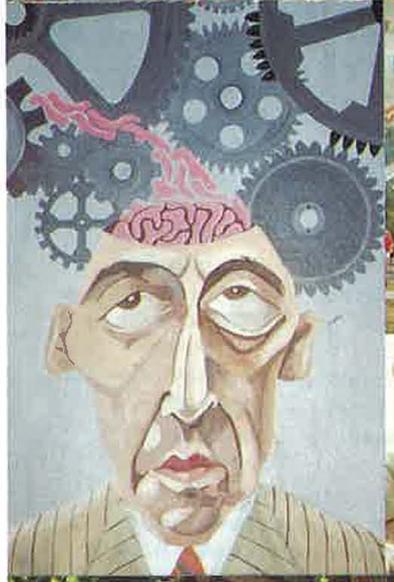

**Drew WILLANS.**

An Annual Report such as this always provides a wonderful opportunity to reflect upon the whole school year and thus gain a broader, more insightful focus than that usually afforded by the daily routine of forty-five minute subject periods, weekly timetables and term deadlines.

For a young school, now in its second decade, TAS has already achieved a widely respected reputation for academic excellence and pastoral care. The quality of academic instruction and the responsive, caring atmosphere fostered in the Junior School ensure that TAS primary pupils have opportunities that give them a very real "head start" in life.

The stimulating learning environment of the Junior School is clearly seen in the rich diversity of activities reported below. This environment will continue to be supported as the School actively broadens and strengthens its curricular and co-curricular activities.

### POWER CORRIDOR

One of the most significant events in the TAS calendar for 1993 was the battle waged to prevent the land adjacent to the School, Mr Jeff Pezzuti's cane fields, becoming the new Queensland Electrical Commission corridor for 275,000 volt power lines. When the proposed site was first drawn to our attention, the School community rallied together to form a potent lobby group. The Junior School was at the forefront of this battle. Through pupils' letters, petitions and public meetings the Q.E.C. was made fully aware of our concerns regarding the proposed corridor. Serious health issues were at stake. Our letters to the Minister for Minerals and Energy, Mr Tony McGrady, were so numerous that they eventually jammed the system.

While on the Somerset Exchange TAS pupils has the opportunity to meet Mulgrave M.L.A., Mr Warren Pitt on the steps of Parliament House, at which time they drew Mr Pitt's attention to the fact that they were the School that had written the letters of protest and were most interested in a favourable decision.

All of the hard work paid off when Mr McGrady made an unscheduled (for us) flying visit to the School during October and announced the resiting of the corridor. The new corridor is nowhere near the School. I thank all parents and pupils who worked with such energy and commitment to secure this result. In particular I thank Mr Ian Urquhart who chaired the P&FA committee that worked so closely with our Junior Campus. The pupils' letter writing campaign has been a valuable exercise in understanding the processes of our democratic system of government. The pupils can be well pleased with the significant role they played in the power corridor political process.

### EXTRA CURRICULAR ACTIVITIES

After school activities and clubs have continued throughout the year for many of our pupils. TAS Adventurers, the girls' group so capably led by Miss Blenkiron and Mrs Chirio, has been involved in a wonderfully varied programme of art, craft, games and excursions. All the girls involved have enjoyed their Tuesday afternoons enormously. TAS Explorers, the boy's group, under the leadership of Mr Galloway and Mr Long has similarly enjoyed a busy programme of activities. Over past weeks the boys have been bushwalking in the local environment and enjoying the fun of an imaginatively improvised water slide in the School grounds. Mrs Goble's Senior Art Club has met regularly producing delightful art work in the calm, unhurried atmosphere of Thursday afternoons. The special watercolour presentations made to Mrs Tucker and Somerset College, were painted during this time. Mr Sheppard in Terms II and III, supervised a keen group of aeroplane modellers, who constructed a number of aircraft in the regular sessions held. At the same time as these clubs and activities have been occurring a large number of pupils have been present on the ovals enjoying their after school team practices. The 3.10 afternoon siren has most certainly not signalled the end of activities in the Junior School. A special thank you is extended to all staff and parents assisting with these activities and practices.

### COCONUT CARNIVAL

The Coconut Carnival held early in Term IV was a wonderful success and a triumph for the whole School. The team work that took place in the Junior School was particularly impressive. Of the \$8000 worth of flyers sold across the three campuses, Junior School pupils sold \$5000 worth of tickets. Three pupils received special cash prizes for their flyer sales. These pupils were: Leah Earnshaw, who sold \$126 worth of tickets, Tom Jones whose sales reached \$121 and Rachel Jones whose sales totalled \$48.

The Junior School Stall Co-ordinators worked with purpose and commitment marshalling wonderful support from their year level parents. The teamwork was most encouraging to observe. Mrs Louise Vickers, who supervised the Junior School contribution, deserves special thanks for the tireless efforts in those quite frantic

weeks leading up to the Carnival. A splendid effort from all involved.

### ULYSSES

On November 12 and 13 the White Rock Campus mounted the visually breathtaking production of the Ancient Times Musical "Ulysses". Father Haldane as director created a show of dazzling colour, energy and excitement. The costumes were beautifully designed and the choreography, lyrical and inventive. Technically the production was a "tour de force". Included in the cast were 25 primary girls from Years 6 and 7. These girls formed a large section of the Celestial Chorus. Their role on stage for the entire seven scenes was crucial for the continuity of the production. The girls performed in a highly professional manner, singing with gusto and moving with carefully rehearsed precision. The production received great support from the Junior School with will over 75% of pupils attending the Civic Theatre. A memorable experience for cast and audience.

### LAPTOP PROPOSAL

Over the past six months a Computer Committee has met fortnightly to draft the 1994 Year 5 and Year 11 Laptop Proposal. This proposal will place TAS at the leading edge of classroom computing in Australian Independent Schools. It is a visionary development in computer education and acknowledges the use of the computer as a classroom tool to facilitate interactive learning across all areas of the curriculum. Computer access is no longer dependent upon the timetable constraints of access to the computer laboratory. The pupils will use the laptop on a daily basis as required.

The laptop selected for the programme is the Toshiba T1900. This machine comes highly recommended by a large number of southern schools and is particularly valued for its reliability. The Year 5 software package will include a Typing Tutor, Works for Windows Word Processing, Logowriter and a Virus Detector. This laptop programme and software package will offer pupils a new learning experience that will be a window of opportunity into the future.

### SOMERSET EXCHANGE

The Somerset Exchange that took place for Years 6 and 7 in the last week of Term III, certainly rated as a 1993 highlight. The time and effort put into the planning of such an enterprise was considerable. However, it was time and effort well spent. Miss Blenkiron and the TAS staff involved, coordinated a wonderful week of sport, academic challenge, music, worship, entertainment and friendship.

### SCIENCE AWARD

Prep H (Mrs Hickey's class) were state and national winners of the Science Week Poster Competition held in August. A victory photograph was published in the "Cairns Post". David (4L) and Michael Hurst also

received major awards in this competition and were similarly featured in a "Cairns Post" photograph.

### ACADEMIC STANDARDS

What of the standard of work occurring in the classroom? The commitment to excellence, the desire to gain the very best from each individual in our care is a paramount goal focused before every staff member in the Junior School. The constant striving for the best that one can achieve is the challenge each pupil has been set. Only dedicated, truly professional teachers can provide the stimulation and drive to nurture such goals and bring them to fruition. We are indeed privileged to have such a team of committed staff who give freely of their time to make TAS the quality School that it is.

Finally, I must thank Mrs Kathy Tucker, our School Secretary who was farewelled with many tears at the end of Term II. Kathy had a special gift with the pupils and a gentle serenity that ensured the office always functioned with calm efficiency. Mrs Heather Van Den Bos, who worked as secretary in Term III and early Term IV, also deserves special praise. Her loyalty and professionalism were very much appreciated in the time she spent with us. It was through the outstanding qualities of these two secretaries that the Junior School was able to function so seamlessly throughout 1993. In Term 4, we welcomed Mrs Carol Howard as Junior School secretary; we wish her well in this most demanding role.

It has been an exciting, rewarding year. The challenges have been many. The Junior School as a hard working, cooperative unit comprising parents, staff and pupils has responded purposefully to these challenges. The professionalism and vibrancy of the Junior campus has always been clearly evident.

The Junior School has every reason to feel justly proud of its 1993 achievements.

**Mr. John Cooley**  
Head of Junior School

# PREPARATORY H

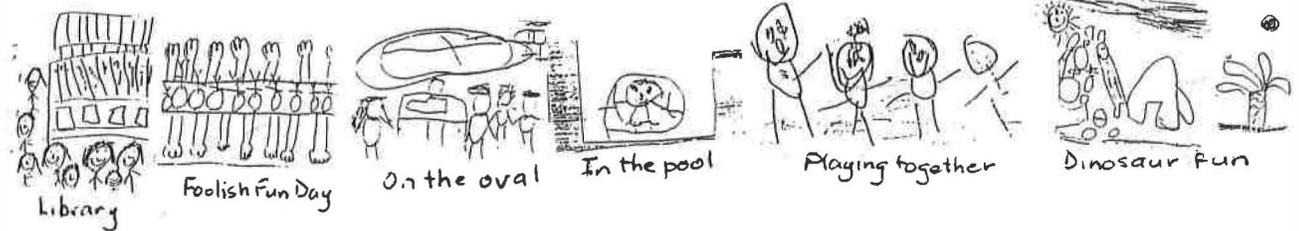

**TEACHER:** Mrs Judith Hickey.

**FRONT:** Alisa Iwagishi, Natasha David, Eliot Williams, Tess Stolarчук, Hayley Dunn, Amanda Astill, Alex Bishop, Catherine Bleakley.

**2ND ROW:** Calen Rappolt, Brenden Pollock, Jason Hocking, Chelsea Russell, Chloe Ireland, James Forman, David Gossem, Liam Smith.

**BACK ROW:** Russell Fisher, Sam Gray, Jonathan Black, John Anakin, Kurtis Cows, Brett Watson.

**ABSENT:** Amie Richmond, Amelia Splatt.

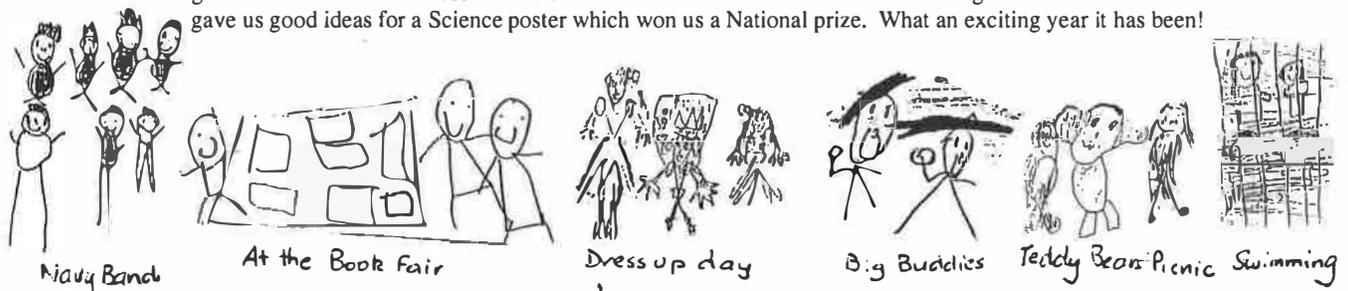

When Prep H and Mrs Hickey talked about our time at school this year many children remembered feeling very shy at first but we soon found lots to do.

**Eliot** enjoyed going to Phys Ed. **Brett** said Sports' Day was fun but **Amelia**, **Jason** and **Amie** really love swimming. **James** and **Alisa** like working in the Art Room while **Amanda** and **Kurtis** mentioned the many different activities we do in our classroom.

We had Special Days when our families joined us at school. **Catherine** and **Hayley** enjoyed Foolish Fun Day, **Alex** and **Natasha** loved dressing up as circus performers and for **Russell** the Teddy Bears' Picnic was best of all. **Chloe** remembered Easter time as exciting because after the Service and Hat Parade she won a basket of chocolates. **Chelsea** said our trip to Marlin Coast and the beach was fun. **Liam** reminded us of when the Navy Band visited TAS.

**Brenden** made lots of interesting things with mobilo, for **Calen** working on the computer was a favourite time, while **Sam** and **Jonathon** both like learning sounds and reading. **Tess** said we mustn't forget all the great times with our Year 6K Buddies. **David** reminded us of when his Mum brought a snake to school and gave us good ideas for a Science poster which won us a National prize. What an exciting year it has been!

Junior School

**TEACHER:** Mrs Robyn Waddingham.

**FRONT:** Melissa Norton, Hannah Leeming, Tessa Wright, Renee Faithfull, Samantha Watson, Vanessa Gornall, Nicole Juides, Jackie Van Den Bos, Zoe Brown.

**2ND ROW:** Steven Remmer, Michael Singh, Jeremy Russell, Robin Sharpe, Sam Lumley, Jonathan Schilling.

**BACK ROW:** Trevor Newman, James Turner, Peter Thompson, Levi Blackwell, Joshua Lavers.

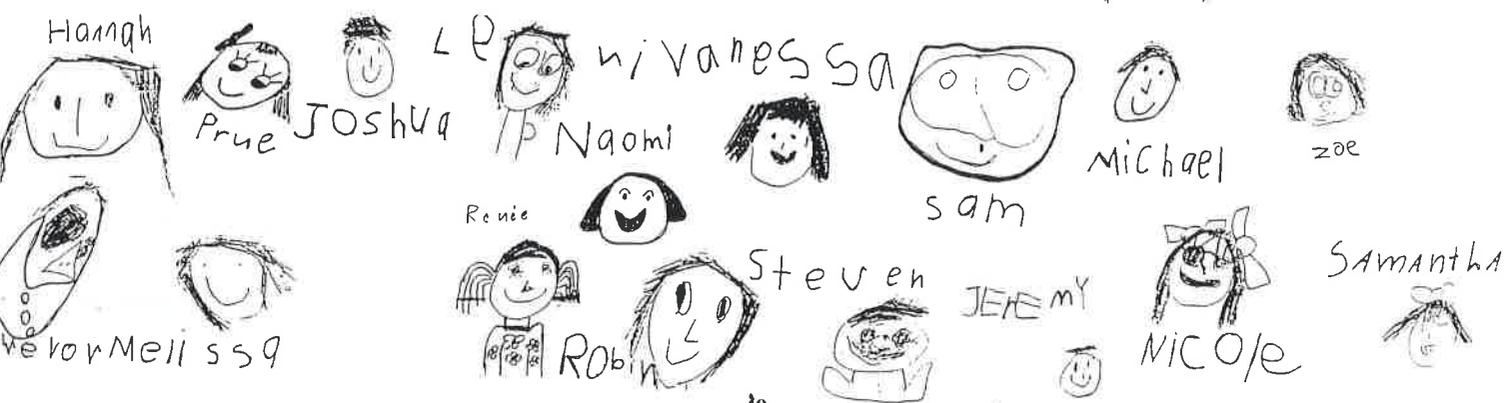

**ABSENT:** Prue O'Donovan, Naomi Aizawa, Michal Wenderlich.

To start the year we had 21 anxious and excited children waiting in the Covered Area. They have grown since then and have certainly learnt a lot. There have been many highlights in our busy programme and the most significant to the children are these days when activities are organised and parents are invited to join us. During Term One, we planted some seeds and the children eagerly watched their alpha-alpha grow. The Preparatory class from Marlin Coast Campus visited us and we spent an afternoon engaged in some fun activities. We ended the Term with our Easter Service and Easter Hat Parade which were most enjoyable.

In Term Two we began our Big Buddy programme with Mrs Jackson's Year 6 class. This has been a most rewarding experience for all those involved. We all enjoyed the Teddy Bears' Picnic despite the wet weather, which did not seem to dampen the spirits of the parents, children or bears. The Athletics Carnival was an opportunity for us all to show off our athletic abilities. The Preps were very proud of themselves after competing in several races and receiving a ribbon. Our circus day was exciting. The children dressed up as circus characters and read our poem "The Circus" to an appreciative audience.

This Term is passing as quickly as the first three terms. The Preparatory class are very excited about taking swimming lessons at the Edmonton Pool. We are also rehearsing for our End of Year Presentation which is shaping up to be our best yet.

1993 has been a very exciting and rewarding year for the Preps and myself. The children have worked well together as a group and have made impressive progress throughout the year.

Year One in Dinosaur Street  
In Dinosaur Street there lived many dinosaur families. In house number two Mrs Matesaurus was busy washing. Her husband Mr Georgesaurus had gone to work. The children were outside playing. Miettasaurus was swinging on the swing. Tomosaurus V. was jumping on the trampoline. Baby Bensaurus suddenly started to cry. He had lit a fire in his at. Neighbour Tysonosaurus was walking by the house when he smelt smoke. He ran to tell Giaranosaurus, the shopkeeper on the corner, to phone the fire-brigade. Danicosaurus, the fire chief, answered the phone and set off the alarm. The firemen came running. Johnosaurus brought the hose. Juliusosaurus brought the ladder. Koichisaurus drove the fire-engine to the house. Meanwhile, grandma Elisosaurus, sitting under a tree, shouted, "Fire fire!" Mystasaurus came running from house number four. Elizabethosaurus came running from house number six. Georgiosaurus came running from house number seven. Soon a crowd had gathered at the fire. Violetosaurus climbed through the window to save Baby Bensaurus. Josephinosaurus started hosing the fire. Ennisosaurus ran down the path to tell Mrs Matesaurus her house was on fire. Erinosaurs went to get the children. Rhyanninosaurus brought buckets of water to throw on the fire. Policewoman Naomsaurus told the people to let the fire-engine through. Soon the fire was out and Mickyosaurus shouted, "Hooray!" Tomosaurus S. said, "Everyone can go home now!"

# YEAR 1D

**TEACHER:** Mrs Helen Dimoulis.

**FRONT:** Josephine Whately, Maho Kuzuoka, Rhyannyn Westcott, Tamsin Hyde, Alysha Wincen, Elise Liley, Elizabeth Hubbucks, Erin Charlton.

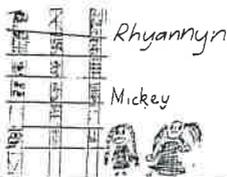

**2ND ROW:** George Gummow, Thomas Scott, Georgia Lowe, Mieta Gornall, Benjamin Lawton, Ciaran Scully-Clausen.

**BACK ROW:** John Deeb, Tyson Garrahy, Daniel Forman, Thomas Van Den Bos, Koichi Hasimoto.

**ABSENT:** Julia Anderson, Mickey Chen, Luisa Romane, Hilary Watson, Violetta Zivkovic.

1993 in the Year 1 class has been a time of learning and fun for all of us. When we looked back at all we have done this year the children had their own special memories. What better way to report on our year's activities than through the eyes of the children themselves.

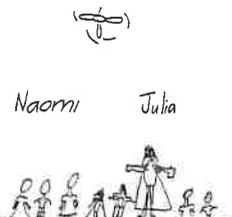

These are  
a few of  
our  
favourite  
things.

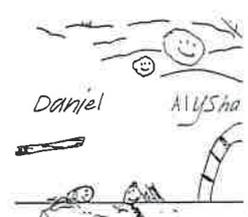

We liked going to the library to look at the books.

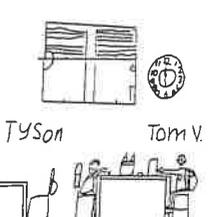

We planted beans and tomatoes in our garden and it was fun.

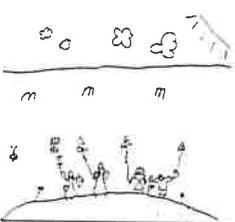

In Music we liked singing songs and playing games.

We went swimming every Tuesday. We did dives and went under water.

We made shop fronts and we play shops with the plastic money.

We went flying with our Big Buddhas. Josephine Elise

In Show and Tell I brought my dog and I had a catpillar. MAHO

In Art we painted the Rainbow Serpent and did handprints.

We liked building houses with the blocks. John Benny George

In Japanese we learnt to write the numbers and say Japanese words.

We wrote stories and drew pictures about Ponies and rainforest.

'Propelleration Creation'  
Sculpture - Tom Dawe - Year 7

Patrick Bossingham and John Bacalakis

**TEACHER:** Mrs Edith Audley.

**FRONT:** Alexandria Thomas, Rebecca Hood, Jenni-Rose Kingsbury, Emily Burman, Paula Newman, Kanako Hashimoto, Alexandra Te-Loo, Alissa Gianarakis, Catherine Miller.

**2ND ROW:** William Horne, Matthew Lee-Sye, William Tomlinson, Sebbie Kenyon, Milan Paunovic, Tristan Ciccotosto, Justin Remmer, David Roberts.

**BACK ROW:** Mark Keitner, Timothy Bishop, Michael Gloger, Andrea Stolarchuk, Lara Lavers, Sophie Aikebuse, Elliott Smith, Richard Leeming, John Myatt.

## LOOKING BACK ON 1993

### TERM 1

We were all happy to be back at School.

- Alex

I did feel a little nervous.

- Emily

When we had our photographs taken the man called us funny names.

- Andrea

When it was "Sea Week", Will's Dad showed us some interesting videos about life under the sea.

- Paula

We made a mural about lots of things under the sea.

- Alissa

There were lots of different hats in the Easter Hat Parade.

- Richard

### TERM 2

We made a butterfly mural.

- Sebbie

We learned lots about butterflies. Some of the butterflies we learned about were: the Ulysses, the Blue Triangle, the Red Lacewing, the Cairns Birdwing.

- David

We learned about the food plants of the butterflies.

- Matthew

It was very interesting and lots of fun at the Kuranda Butterfly Farm.

- John

The Eisteddfod was exciting; we said two poems: "Bananas and Cream" and "The Ant Explore".

- Jenni-Rose

### TERM 3

We learned about all sorts of dinosaurs; my favourite is the Triceratops.

- Elliott

We made a mural showing 13 different dinosaurs.

- Mark

Some dinosaurs were meat eaters and some were plant eaters.

- Sophie

On Sports Day we had lots of Mums and Dads to watch us race. Mulligan won!

- Will

We like dressing up on Casual Clothes Days.

- Tim

When we went to the Marlin Coast, we went to the beach with them and had lunch.

- Rebecca

### TERM 4

In Term 4 we are allowed to go down to the big oval to play.

- Michael

This term we are learning about space.

- Justin

We have learned that the Sun is bigger than all the planets in our solar system.

- Tristan

Lots of us like writing stories and drawing pictures.

- Kanako

Every Tuesday we go swimming and we work in groups. Some mothers come to help us.

- Catherine

For Presentation Day we are learning our parts in our play, "The Little Donkey".

- Milan

Next year we will be in Year 3.

- Lara

# YEAR 3D

TRINITY  
ANGLICAN  
SCHOOL  
White Rock  
Junior School

**TEACHER:** Mrs Diane Doctor.

**FRONT:** Teresa Wilson, Renee Ellis, Rachel Jones, Renae Tudor, Monique Bathis, Erica Schilling, Holly Lawton, Katharine Goodall, Julie Taylor.

**2ND ROW:** Christopher Diehm, Daniel Milkovic, Kyle Watson, Sean Liley, Andrew Turner, Christian Gornall, Dane Hassall, Evan Fernandez.

**BACK ROW:** Christopher Neads, Michael Gianarakis, Jillian Jones, Monica Earl, Louise Penfold, Susan Singh, Jodie Gummow, Jenna Buckley, Jonathan Bleakley.

## 3D'S REPORT (IN RHYMING COUPLETS)

Many things we have done this year  
We'd like to tell you about them here.  
- Mrs Doctor

Camp didn't have a lot of sun  
But we agreed it was lots of fun.  
On Camp each day we wrote a report  
On all the things we had been taught.  
We went for a walk down to the lake  
And flightless bird-kites we did make.  
- Erica Schilling and Katharine Goodall

On Athletics Day we did run  
And everyone had lots of fun.  
- Sean Liley and Daniel Milkovic

In Casual Clothes we look really cool  
No thongs, wear hats, look rad, that's the rule.  
- Holly Lawton and Jillian Johns

All our boys have joined the choir  
We practise singing and never tire.  
- Mrs Doctor

Some boys sing like thunder  
Popular tunes from Australia down under.  
- Kyle Watson and Michael Gianarakis

Barlow Park was lots of fun  
We were the fastest so we had to run.  
- Dane Hassall and Andrew Turner

Arts Council actors sing a song  
And ask the audience to sing along.  
Arts Council is always entertaining

At the end we're never complaining.  
- Rachel Jones, Evan Fernandez and Christopher Neads

At the Easter Parade when we sat on mats  
We loved to wear our special hats.  
- Renee Ellis and Julie Taylor

At the Coconut Carnival Lip Sync this year  
We'll all be wearing our slinky gear.  
- Louise Penfold

This year 3D has Big Buddies  
They were finishing their Year 12 Studies,  
- Jenna Buckley and Renae Tudor

Foolish Fun Day was lots of fun  
Laughing and joking with everyone.  
With our parents we had a picnic lunch  
We ate our food; munch, munch, munch.  
Bushrangers Day we did enjoy  
Our class sang "The Wild Colonial Boy".  
- Monica Earl, Susan Singh and Jodie Gummow

At the Primary Art Show there were many fine pieces of art  
With the walls covered in paintings that looked very smart.  
- Monique Bathis, Rachel Jones and Mrs Doctor

The Coconut Carnival will be such fun  
Because we will meet everyone.  
Popcorn and hotdogs we will eat  
It will be such a treat!  
- Tessa Wilson, Christian Gornall and Christopher Diehm

We've made up all these rhyming couplets for the School magazine  
And to get into Year 4 we are very keen.  
- Jonathan Bleakley

**TEACHER:** Mr David Long.

**FRONT:** Julie Struber, Sarah Storrs, Kathryn Clarke, Caitlin Salter, Michaela Grabau, Gabrielle Phillips, Jennifer Splatt, Alana Muir.

**2ND ROW:** Hirotaka Shibata, William Emms, David Hurst, Geoffrey Wharton, Andrew Burman, Kurt Falkenstein, Andrew Roberts, Nigel Ivanovic, Benjamin Coglan.

**BACK ROW:** Emily Smith, Melanie Aikebuse, Kathryn Stolarchuk, Sarah Elms, Elizabeth Haldane, Fiona Downs, Leisa Fisher.

**ABSENT:** Courtenay Donnelly.

### TERM 1:

Tuesday, February 2 saw us return to School for 1993. It was great to be upstairs but who was this person Mr Long? We settled into work very quickly and even had homework on the first day. Newcomers to TAS settled well into our class, people like Melanie, David, Michaela and Courtenay.

This is how our term developed: We set off on the Year 4 excursion to the Marlin Coast. We wanted to learn as much as we could about our local area, stated Nigel. Easter soon arrived and Katy told us to give it up for Lent, so we did. Emily thought drama was great and enjoyed all the lessons. Jennifer summed up music in two words "It's fun!"

### Term 2:

Second term was very busy. Year 4 set off to camp at Lake Tinaroo. We had a camp fire one night where a few chubby bunnies were spotted by Katy and Kathryn. Big Buddies started this term and new friendships grew as Leisa and Hirotaka can tell you. Alana, Julie and Sarah E led the way on the exploration of rain forests through their projects. Andrew and Ben discovered some great books and read tirelessly to gain homework passes. David was our artist in residence and entered many competitions successfully. Late in the term, Year 4 formed a choric group and was placed second at the Eisteddfod. Who could forget William's smiling face?

### Term 3:

Third term was even busier. Modern fairy tales were published with characters such as Geoffrey's Perf and Peoffrey. We were lucky to

have two parent/doctors visit and help us with the human body projects. Caitlin and Andrew R asked many tricky questions. Sarah S read many good books because of Book Week. To top off the term strong sportspersonship was displayed by all, especially Gabby who showed great House spirit. Public Speaking was a highlight for everyone.

### Term 4:

In fourth term, Lizzie and Kurt chose really interesting countries for projects as everyone did. Looking back on the year the class produced excellent work. This was achieved by their hard-working efforts and caring nature towards each other.

Mr David Long

# YEAR 4M

TRINITY  
 ANGLICAN  
 SCHOOL  
 White Rock  
 Junior School

**TEACHER:** Mrs Kay Macartney.

**FRONT:** Lindsey Sokolich, Sarah Simmons, Carla Simms, Kate Warner, Laura Anderson, Melissa Bromley, Tara Pollock, Ashley Wright.

**2ND ROW:** William Reid, Luke Chappell, William Becker, Nicholas Seeto, Andrew Singh, Shane Henderson, Thomas Ferguson, Alexander Whately.

**BACK ROW:** Roland Herbert, Tor Rigano, Margaret Reilly, Victoria Black, Shannon Smith, James Mansfield, Tyler Dunn. **ABSENT:** Michael Dowson.

Year 4M and Mrs Macartney have enjoyed a great 1993.

We have had an interesting, busy year doing a variety of things. Each morning we have had Maths and we've done a variety of activities in Language. We learnt about many things in Social Studies and Science. Our topics have included: The First Fleet, Australia Day, Our Local Area, Australian Geography, Anzac Day, World Geography, The Rainforest, The Human Body and Space. We've done four projects this year. The topics were: Cairns, A Rainforest Animal, A Part of the Human Body and one of free choice. We have had Computer each Monday and Wednesday. We have had lots of fun. We especially enjoyed using Dazzledraw.

Every Thursday after recess we have had Japanese. We've done lots of things such as drawing, colouring and learning Japanese words like "Hello" and "Where is the light".

Every Friday we do drama games like Space Jump and Typewriter. Roland is the funniest in the class. We have lots of fun doing Drama. It is the best period of the week.

At Music we've played games and sung songs. During most of the lessons we've named notes like Do-Re-Mi, etc.

- **Victoria Black, Sarah Simmons, Kate Warner**

**CAMP** - On Wednesday, May 5 1993 classes 4M and L went to Lake Tinaroo, Genazzano Centre. The bus drive was long but worth it.

We stepped off the bus at the Genazzano Centre. We unloaded our bags and then our teachers told us which rooms we were in and who we were rooming with. There were two sets of dormitories. They were called A and B.

On camp we did orienteering, bush art and survival skills and played games. We had a camp fire. We sang songs. We went for bush walks down to the lake. We all had free time. We ate a lot.

It was the best camp we've ever been on.

- **Shannon Smith, Laura Anderson**

**BIG BUDDIES** - Most weeks Year 4M have had Big Buddies with Year 12 students. We've looked forward to it each week. Some of the things we've done with our buddies are research and presentation work

and fun activities such as balloon races, soccer and relays. Our buddies bought soft drink and lollies to share with us at the end of Term 3.

**PUBLIC SPEAKING** - On Thursday, August 19, two people from each Year 4 and 5 class went to the library to say their speech. Our competitors were Tyler Dunn and Margaret Reilly. Tyler Dunn came third in our School competition and consequently, on Wednesday, September 1 went to do his Jaycees Speech at Woree High School. Tyler's speech was on "The Simpsons". Anna Timings from Year 5 came first. Tyler loved doing his Jaycees Speech.

- **Tyler Dunn, Margaret Reilly**

**DRACULA MEETS THE BILLY-GOATS TOUGH!** - Dracula meets the Billy-Goats Tough was performed by 4M. It was on 6.30 pm, Wednesday, August 11 and the next day it was on at 11 am and 2 pm. The characters were: Little Billy-Goat Tough - Ashley Wright, Super Billy-Goat Tough - Luke Chappell, Dracula - Margaret Reilly, Advertiser - Lindsey Sokolich, Troll - Tyler Dunn, Reporter - Alex Whately, Narrator - William Reid, Jester - Laura Anderson, Group of Girls - Shannon Smith, Carla Simms, Tara Pollock, Melissa Bromley and Victoria Black.

Mrs Pollock, Mrs Dunn and Mrs Whately assisted us with costumes, make-up and the sets. We were pleased with our performances and enjoyed doing them.

- **Ashley Wright, Melissa Bromley, Lindsey Sokolich.**

**CHORIC SPEAKING**

We walked through the door and sat on our seats,  
 We were hoping we would get something to eat.

After that we went on the stage,  
 There were people talking and having a rage.

We had to wait for our turn,  
 But it was worth the wait to learn,

That our nerves were worth it and we did well.  
 All who listened thought it was swell.

We came second so they say,  
 It was fun all the way.

- **Tor Rigano, William Reid, Shane Henderson**

## 5C THE FAIRYTALE MAIL

GOLD

### INVADER

Recently in the well known town of Cottage Gate a house was robbed and attacked while the owners were out on a walk. Papa Bear alleges that she tasted the porridge and ate all of Baby Bears! She will pay dearly for this because it was a very good brand of porridge. She then sat down in Baby Bear's chair and broke it. After this incident she climbed up the stairs and fell asleep in Baby Bear's bed! When the Bears came home they found their house in a mess when coming home from their walk.

Police are looking for a girl with curly, golden hair, possibly at the age of ten who is very fussy. If you have any information about this girl please contact the police on 000-000 by Anna.

**News Flash**

## 5G - THE YEAR 2005

"Scissors, quick the bottle," I yelled. I was trying to save a deformed pup out of its mother's womb. As soon as it was cut out it started to act like a toy windup dog then I stuck the bottle in its mouth and it opened its eyes. Ten years later it will be a normal dog. OH NO! Hide me nurse I'm going crazy. I think it's Mr Galloway and his cat that looks just like him. Boy that cat's got the same temper. Whenever I touch it it hisses. Oh well I guess it's all part of being a Veterinary Surgeon. BY BROOKE MURPHY, 5G.

I was soaking in the bath when the phone rang so I hopped out, got a towel and went to the phone. It was the hospital, they said it was an emergency. I quickly changed and went. When I got there I changed into my uniform and rushed into theatre. The person we were operating on looked familiar to me, then I remembered it was my grade five teacher, poor thing, now it's time for revenge for what he did to me. BY LAURA BURTON, 5G.

It was a Friday night when I was at the ANZ Stadium for my debut football match. I was in my Broncos jumper against the North Sydney Bears. I was wearing the number 7 jersey. The prop passed to me and I ran. I made a good break and had only the fullback to beat. I beat him and scored the try. BY YUTA NISHINO, 5G.

Headlines from the news desk. "We have a new Australian sprinter, Sam Childs, the fastest Australian sprinter". I was sent to the Olympic Games. "I am winning" I kept saying to myself in the 100m heat and sure enough I won and my time was 7.4! A new world record! Guess what! I WON THE GOLD MEDAL! I almost fainted because I had won the Gold Medal!! BY SAMUEL CHILDS, 5G.

### 4M IN 2010

In the year 2010,  
Will we all be writing with pen?  
Will computers be the go?  
Goodness gracious we don't know.  
Will we be working with robots?  
Do you think we'll be paid lots?  
Will we still be working in private schools,  
Or will we be working in swimming pools?  
What will we be doing then,  
In the Year 2010?  
Lindsey Sokolich - Famous Horse Rider  
Sarah Simmons - Dentist  
Carla Simms - Architect or Orthodontist  
Kate Warner - Marine Biologist  
Laura Anderson - Professional Dancer or Horse Rider  
Melissa Bromley - Shopkeeper  
Tara Pollock - Comedy Actor or Author  
Ashley Wright - Marine Biologist

William Reid - Hypnotist  
Luke Chappell - Skipper/Fisherman  
William Becker - Iron Man  
Nicholas Seeto - Architect  
Andrew Singh - Developer  
Shane Henderson - Famous Footballer  
Thomas Ferguson - Oral Surgeon  
Alexander Whately - Movie Actor  
Roland Herbert - Landscape Architect  
Tor Rigano - Policeman  
Margaret Reilly - E.N.T. Specialist  
Victoria Black - Archaeologist  
Shannon Smith - Sailor or Palaeontologist  
James Mansfield - World Champion Marathon Runner  
Tyler Dunn - Politician  
Michael Dowson - Jackaroo or Developer or Famous Footballer or Golfer

**TEACHER:** Mrs Tracey Chirio.

**FRONT:** Lucy Splatt, Emily Simmons, Jane Curnock, Annika Bradley, Cassie Lavers, Bronwyn Stone, Hayley Henderson, Anna Timings.

**2ND ROW:** Jesse Rosenfeld, Charles Lowe, Robert Van Den Brand, Jack Earl, Nicholas Turner, David Robbins.

**BACK ROW:** Cody Freeman, Scott Stevens, Erica Thompson, Allison Cunningham, Belinda Pratt, Lucy Kalkowski, Peter Shearer, Ben Stevens.

Year 5C pupils have written the following class report outlining their 1993 School year.

In the morning we usually do MATHS. After Mrs Chirio has taken the roll and read from the class novel, we either have mental arithmetic, a maths challenge or a number wheel. Then we have our maths lesson. At the moment we are drawing angles and triangles with our compass and protractor.

- Charles, Lucy K, Cassie, Peter

During LANGUAGE we have worked on many exciting activities and themes such as "Windows into Fantasy", when we wrote stories and descriptions about enchanted forests and castles. One of our favourite themes was "Go Under Cover", where we wrote crime reports in our own newspapers and acted as reporters. Another interesting activity was our "Crocodilian" booklet which we published on computer. 5C has an "Author's Chair" where we share our written language with the others. This year's language has been very exciting and educational.

- Allison, Hayley, David, Bronwyn

Lucy S, Nicholas, Jane and Annika wrote the following poem about SCIENCE.

Nature is fun.  
Investigating is too.  
But experiments are the best,  
Learning terms like O<sub>2</sub>

We have done lots of contracts and projects in SOCIAL STUDIES. In Term 1 we mapped Australia and learnt about the famous sea explorer James Cook. After reading "Take Me Back" by Anne Ciddor, we were able to make comparison between life in 1788 in New Holland and life in Australia now. We also did a contract on the "First Fleet". In Terms 2 and 3 we studied Heroes and Australian Explorers. This term we are mapping different continents and doing projects and oral presentations on countries. We will also be looking at Land Use in the Cairns Region.

We have had a number of HIGHLIGHTS in Year 5. In Term 1, Robert was elected our Student Advisory Council Representative and kept us informed on what was happening in the School.

On May 11, (Term 2) both Year 5 classes set out for camp at Tinaroo Dam. It was a magnificent camp. We enjoyed all the activities, especially Spot Light and Bush Cubbies.

- Erica, Belinda, Cody, Scott

In Term 3 we had our three minute speeches. Anna and Jesse represented our class in the School Public Speaking and Anna went on to win the School contest and the Jaycees Semi-finals. We also started auditioning for parts in a play called "Goldilocks, Mayhem and the Three Bears". We look forward to presenting our play, crime reports, rap routine, skit and commercials in a gala performance in Term 4.

- Anna, Robert, Emily, Jack, Jesse

Year 5C and Mrs Chirio have had a wonderful and hardworking 1993.

# YEAR 5G

TRINITY  
ANGLICAN  
SCHOOL  
White Rock  
Junior School

**TEACHER:** Mr Garry Galloway.

**FRONT:** Brooke Murphy, Jennifer Holmes, Laura Burton, Remy Wilson, Bridget Lang, Laura Pike, Elizabeth Goodall, Susan Oswald.

**2ND ROW:** Yuta Nishino, Benjamin Gill, Vukadin Paunovic, Samuel Childs, Daniel Blake, Lucas Ferguson.

**BACK ROW:** Jeffrey Gloger, Ethan Simpson, Daniel Miller, James Bower, Peter Underwood.

**ABSENT:** Madelaine Jones

## Social Studies

In Term 1 we learnt about Captain Cook and the history of Australia. In Terms 3 and 4 we did the rainforest and the reef. The class made a reef and mini rainforest. We were allowed to work in a group or by ourselves. This term we are also looking at the earth and atmosphere.

- **Matthew Anderson and Daniel Miller**

## Computer

5G walks along the breezeway to computer room twice a week. Everybody wants Winter or Summer Games. We typed out a few stories and played our favourite games. Recently we have been doing fractions on Dazzle Draw.

- **Elizabeth Goodall and Jennifer Holmes**

## Physical Education

For physical education we practised the following sports: swimming, newcombe ball, cricket and hockey. Miss Ryan umpired and taught us the rules.

- **Madelaine Jones, Susan Oswald and Peter Underwood**

## Science

First we did the Animal Kingdom, then experiments. The class's

favourite were "find the coin", "let's heat air" and "let's make a water spinner". The boys' favourite was "make a parachute". Other experiments were "make a water motor", "how many drops will fill the coin", "measure with water" and "make a water diver".

- **Brooke Murphy and Bridget Lang**

## Art

At the end of the week we have double art. We enjoy making things at art. When we went to camp we made kachina dolls and that was fun. We also made some patterns and cut them out. At the start of the term we practised calligraphy and we also did some sketches and we constructed an object made of boxes!

- **Laura Pike and Remy Wilson**

## Arts Council

Arts Council happens in the afternoon four times a year. Some of the performances are better than others. Most of 5G liked "TV or not TV". We all remember "Journey to Paradise". They did the Hakka and everyone looked at Lucas.

- **Yuta Nishino and Sam Childs**

**TEACHER:** Mrs Diane Jackson.

**FRONT:** Laura Butler, Abigail Cranbridge, Sherilyn Barnes, Christine Skipworth, Alice Watts, Sarah Neale, Sarah Macartney, Kara Griggs, Phoebe Stuart.

**2ND ROW:** Philip Jenner, Makoto Iwagishi, Ken Fisher, Mark Oostergo, James Rigano, Lakin Anderson, Duncan George, James Rendall.

**BACK ROW:** Jim Timings, Daniel Hanna, Jenny Urquhart, Caroline Yates, Jessica Kirkwood, Maylin Chuah, Yvette Herbert, Pamela Byrne, Seton Prettejohn, Matthew Peacock.

Our next door neighbour, Mr Kirk,  
We hear him going quite berserk.  
Where are we all you might well say,  
We're in Block K and we're 6J.

High schoolers flock from far and wide  
To shout and use our tap outside.  
We've front row seats for senior sport  
And we enjoy their latest talk.

A week at Chillagoe for camp,  
Sleeping out made us rather damp,  
"Breakfast in bed", wild bats in caves  
Sent all our teachers to their graves.

Maths this year was quite a bore,  
You should have heard the children snore!  
Problems, sums, "Put your rulers away!"  
We're sending poor Mrs Jackson grey.

Nancy Drew and R.L. Stine  
We all thought were rather fine  
Till Mrs J took drastic measure  
And banned them all with greatest pleasure.

Our chairs we use to be acrobatic,  
When people fall it's quite dramatic!  
Hand-ball, head-stands - our latest crazes  
We're going through such funny phases.

Blowing bubbles, painting faces,  
Chocolate crackles, wheelbarrow races,  
Our Preps we'll miss in '94  
But they'll remember us for sure!

Year Six has been totally gnarly  
And now as our very own grand finale  
We say goodbye to Mrs J  
To Year Seven we're on our way!

by the students of 6J

# YEAR 6K

TRINITY  
ANGLICAN  
SCHOOL  
White Rock  
Junior School

**TEACHER:** Mr David Kirkpatrick.

**FRONT:** Rebecca Neads, Danielle Dewar, Jemma Morrisson, Jessica Singh, Corinne Baxter, Angela Lannan, Andrina Penfold, Rowena Brett, Rebecca Whately.

**2ND ROW:** Clint Hampton, Adam Kingsbury, Alexander Moorhouse, Brendon Lynch, Kirk Harmer, Nicol Coppack, Tim Wacek, Alan Myatt.

**BACK ROW:** Nicholas Massoto, Michael Pensini, Mark Taylor, Andrew Wharton, Kieren Caldwell, Matthew Trout.

**ABSENT:** Bree Turner, Oliver Driscoll, William Anderson.

A busy year of travel has finally ended for the children on 6K. We began with a tour of four states of Australia. Starting in Ceduna, SA, we travelled to Tasmania, Victoria and NSW. Many interesting places were visited and much learnt. Video is an amazing travel device!

From NSW to Chillagoe! That was some detour. A week of limestone, limestone rocks, limestone caves, limestone dirt, limestone limestone and limestone water! The latter has been a contentious issue every year since Chillagoe was chosen as a year 6 camping site. This year was no different. "The Chillagoe water was toxic... when I guzzled some, I got a major headspin," (William Anderson). As with other years, however, this adversity was overcome and an enjoyable time was had by all.

To keep with the travelling theme, we have also journeyed around the world with "Carmen Sandiego" and through the universe with Halley's Comet. All this and only in two terms!

Prep H have helped us keep our feet on the ground during our hectic travelling itinerary. Jointly, the Preps and 6K have enjoyed many diverse activities such as cooking, outdoor games, computers and the preparation and sharing of lunches. Much benefit has been gained from this programme.

In between time, we took a quick flight down to Somerset College on the Gold Coast for a week of activities and fun. "The Somerset exchange was beneficial to all... everyone met new friends of mixed gender. We were all very sad to leave our friends," (Nicol Coppack). Some of us minded the fort back home during this week where we "had a fun week with Mrs Jackson. We had paper plane contests and we made plays while the boys made machines out of lego," (Bree Turner).

Why stop here?! Term 4 found us travelling again! Sixty-five million years into the past... into the land of Dinotopia. A most fascinating land where humans and dinosaurs coexist in mutual harmony and benefit - sounds just like 6K!

Other activities for 1993 included a reef trip, hatching chicks, and yes, even some Maths, English and Spelling!!

Now to catch up on some much needed sleep...

Mr Kirkpatrick and 6K

**TEACHER:** Miss Robyn Blenkiron.

**FRONT:** Kathryn Simpson, Leah Earnshaw, Alison Stevens, Amy Thompson, Jacqueline Johns, Alicia Odenthal, Sarah Haldane, Bonita Fernandez.

**2ND ROW:** Martin Webb, Braden Smith, Adam Downs, Paul Miller, Lachlan Dewar, Alex Singh, Nathan Corbett.

**BACK ROW:** Lauren White, Barbara Ellis, Kimberley Prettejohn, Karen Van Den Brand, Leisa Turner, Arianwyn Lowe, Sarah Emms.

“Those who want to leave an impression for one year should plant corn; those who want to leave an impression for ten years should plant a tree; but those who want to leave an impression for 100 years should educate a human being.”

This ancient Chinese proverb is a powerful reminder of the impact all of us have upon children in our care, whether the interaction be that of parent, grandparent, extended family member, teacher, friend, sporting coach and so on.

Here the students of 7B, 1993 recall the experiences, achievements and lessons that contributed further to their physical, academic and social growth.

**This year I have improved in my work because I realise concentration is important.** - Nathan Corbett  
**Plan your time wisely and don't get behind in school work - it is then much harder.** - Lachlan Dewar  
**During Year 7 I've learnt there is nothing you can't accomplish if you give it your best shot.** - Adam Downs  
**Try hard - and you will achieve.** - Leah Earnshaw  
**Doing your best makes it all worthwhile.** - Barbara Ellis  
**Without my friends, Year 7 would not have been so much fun.** - Sarah Emms  
**Never leave your homework till the last minute.** - Bonita Fernandez  
**I have made many great friends and I take with me special memories of these people when I move to the Gold Coast.** - Sarah Haldane  
**I am involved in more activities since beginning at the school.** -

Renee Lee

**I have gained greater confidence in my ability this year.** -

Arianwyn Lowe

**I have learnt how to handle lots of work. Now I'm ready for high school.** - Paul Miller

**I've had a great year as our class has worked together positively.**

**Friendships have given me much happiness.** - Alicia Odenthal

**Make sure written work is completed first.** - Kimberley Prettejohn

**Year 7 will always be remembered because I made special friends.** - Kathryn Simpson

**Reading a variety of books has given me the enthusiasm to want to read more.** - Alex Singh

**I have learned to organise and use my time valuably.** - Braden Smith

**Keep trying - goals will be accomplished.** - Alison Stevens

**Never give up - always plod on!** - Amy Thompson

**Accept others for what they are - look deeply and you will find pleasant qualities.** - Leisa Turner

**Nothing ever stays the same - accepting changes make life easier.** - Karen Van Den Brand

**It feels like Year 7 has never been - keeping busy is important.** - Marty Webb

**I have achieved many goals and experienced lessons that will help me in the future.** - Lauren White

My lasting impression is one of students ready to move on, excited by new experiences to come. May they be blessed with successful and happy days ahead. - Miss Robyn Blenkiron

# YEAR 7S

TRINITY  
ANGLICAN  
SCHOOL  
White Rock  
Junior School

**TEACHER:** Mr Anthony Sheppard.

**FRONT:** Louise Struber, Adele Pike, Fiona Cortis, Kate Heazlewood, Adrienne Bishop, Megan Mansfield, Emily Cain, Xenia Brasch.

**2ND ROW:** Gavin Vickers, Joshua Rubin, William Stone, Bradley Marshall, Tom Dawe, James Lidstone, Scott Adams.

**BACK ROW:** Philip Timings, Michelle Pound, Hannah Stuart, Rachel Storrs, Olivia Subloo, Sheryl Maher, Adam Bugeja.

"When I first came to TAS everyone was so nice," said Adele, and so the year began. Twenty-three anxious pupils and a teacher faced up to the trials, tribulations and triumphs of the Grade 7 year.

Gavin thought it "has been a very educational year". It must have been, because Brad learnt that "teachers were not born yesterday", and James bemoaned "the quite considerable amount of writing in Year 7". Xenia hit the spot with a very thoughtful: "I have not just learned knowledge and academic things".

This is tremendous; Academics are important and so too are many intangible qualities that we try to foster. Megan was pleased to learn "everything from a bit of African language to Pythagoras' theorem".

The children are perceptive and whilst all commented on the academics they looked to other things as well. Kate and Jeremy learned "to stick up for myself" whilst Adam and Scott felt that "my self discipline has improved". "Good manners and being thoughtful towards staff and students" were considered desirable traits by Josh and Hannah whilst Emily realised that "fighting with other people will get you nowhere". All these attitudes helped in no small way in engendering "a sense of

togetherness" that Adrienne felt has characterised the year.

Every year has its highlights; Mrs Payze's HRE classes were very well received although there were times "when no one could keep a straight face". Our visit to Somerset College caused "a great feeling of excitement and togetherness" for Rachel and many others. For Philip though "proving Mr Sheppard wrong was a major triumph". It was too, on that occasion!

And so the year draws to a close. Olivia has learned "self discipline", Louise has "grown to enjoy reading", William has had "a fun year" whilst Sheryl, more seriously, has aimed "to get the best results you can". Fiona's brains "were expanded" which is wonderful and one must doubt Tom's sanity when he said "This year has been great. I would rather like to do it again!"

Well, as Philip said, "1993 has just zapped past" and I can but echo Michelle's final comment; "It has been a lovely year!"

T Sheppard and 7S Associates 1993

**TEACHER:** Miss Karen Wellard.

**FRONT:** Briana Jones, Chantal Bathis, Belinda Chappell, Christine Holmes, Sarah Wallen, Deborah Salter, Felicity Hubbucks.

**2ND ROW:** John Bacalakis, Patrick Bossingham, Scott Martin, Nathan Searle, Manus Lang, Aaron Tudor, Clinton Hook.

**BACK ROW:** Jacquelyn Baguley, Tessa Cuk, Shelley Maxwell, Stephanie Wallis, Tamara Lindsay, Melissa Carlill, Sarah Aikebuse.

"Where has the year gone?" everybody asked as we discussed "The year that was!"

We talked about the anxiousness, the nervousness and the excitement that begins a school year. Looking back now we can see the friendships that have developed, the rewards from hard work and determination and the fulfilment of enjoyable activities.

We all brought back a flood of memories, from the introduction of the HRE programme and the experimentation in science, to the construction sessions with Lego. We also cringed at the thought of all the hours spent on homework and the rushing to complete assignments by the due dates. (An exasperating thought that it is still to come in Year 8!)

It was also a year of great adventures and new experiences. Most students were very fortunate to have the opportunity to travel to the Gold Coast and merge into the Somerset way of life. And we will always treasure the memories of our camp at Fitzroy Island. Goodbye and goodluck to the 7W class of '93.

Goodbye to all in 7W,  
It was been a year to remember.  
The excitement, the challenge, the sharing with friends;  
And now it's nearly December.

We take pride in recalling our Class Captains,  
Patrick, Tessa, Jacquelyn, Christine and John.

They have been our great leaders  
Who will all continue to strive on.

Chantal was our SAC representative,  
A job of responsibility.  
But it was more to Clint's liking,  
To practise the drums regularly.

We could not part Shelley and Stéphanie,  
Their bond is an unmeasurable length.  
It is pleasing to see that Tom is well  
And has recovered to his full strength.

The "Sarah's" inspired us with their Art,  
It was all at the exhibition to see.  
While Manny's heart was in aero-modelling -  
One day it will fly... could it be?

Melissa and Felicity were two of our sporting girls,  
Netball was their game.  
But it was Aaron and Scott who played soccer -  
One day "Victory" will be a sweet sounding claim.

Good-bye finally to Briana, Debbie and Belinda,  
They have been so active in all that we do -  
Yes, it has surely been a memorable year,  
To look back over and know that we have all come through!

# MUSIC

TRINITY  
ANGLICAN  
SCHOOL  
White Rock  
Junior School

Music life at the TAS Junior School is forever growing and expanding into new territories. The programme is opening up more and more opportunities for children to participate and be part of one of more of the many choral or instrumental groups offered within the School.

The invaluable support from the Head of Junior School, Mr Cooley, and Staff, has been a vital catalyst to this growth.

We believe the children in these groups establish a wonderful rapport with other students and teachers alike, instil a sense of belonging, fun and excitement but not without hard work, sense of determination and self discipline.

Every child in the School is actively involved in music, even if not a member of one of the aforementioned groups. TAS children attend two music lessons each week and are kept very busy learning songs, games and dances. They also develop the ability to read, write, perform and understand music. It's the "Kodaly Way".

Miss Anna Card  
MUSIC SPECIALIST

*The emergence of a love of music:  
The Prep music class*

## CHOIR

This year at the Eisteddfod we sang two melodious tunes: "I have Music" which won us 2nd place and "All Things Bright and Beautiful". We all tried our hardest and achieved a lot. Our vocal tunes became sweeter as we gladly took time off school. Our teachers, Miss Card and Mrs Jackson, worked long and hard to get us all in tune.

- By Maylin Chuah - Class 6J

*Eisteddfod Choir 1993.*

## RECORDER ENSEMBLE

During the year Miss Card put a Recorder Ensemble together. We played a lot of songs and had heaps of fun. It started off as a Recorder Band then a flute, saxophone, violin and drums were introduced. We were asked to play on various occasions and they went well. I hope it goes as well next year and we have as much fun as we did this year.

- By Leah Earnshaw - Class 7B

*Instrumental Ensemble.*

## BOYS' CHOIR

In the Boys' Choir we have achieved a lot: from songs to friends. We are very honoured to say that we have been invited to sing at Speech Night. We have a whole range of songs from Spirituals and Hymns to Rock 'n' Roll. We are greatly looking forward to the concerts next year.

- By Duncan George - Class 6J

*Boys' Choir.*

## VIOLIN PROGRAMME

All of the Year 3 students have the wonderful opportunity to have Violin tuition. This gives them the chance to explore music using an orchestral instrument whilst developing basic concepts in music theory. They experience the fun of playing together and can develop an enthusiasm which will inspire them to continue with the violin and maybe progress at a later stage onto another orchestral instrument.

**FRONT:** Alicia Odenthal, Sarah Haldane, Philip Timings, Megan Mansfield, Christine Holmes.

**BACK:** Jacquelyn Baguley, Tessa Cuk, Patrick Bossingham, Karen Van Den Brand, Fiona Cortis, Rachel Storrs, John Bacalakis, Leisa Turner, Adam Downs, Paul Miller.

### Student Advisory Council Representatives

**From left to right:** Joshua Rubin, Jodie Gummow, Caroline Yates, Jennifer Splatt, Robert Van Den Brand, Alex Whately, Chantal Bathis, Brooke Murphy, Karen Van Den Brand, Clint Hampton.

### 1993 House Captains

**From left to right:** Paul Miller, Michelle Pound, Bradley Marshall, Leah Earnshaw, Braden Smith, Fiona Cortis, Karen Van Den Brand, Nathan Corbett.

### TAS Explorers

### TAS Adventurers

### Aeromodelling Club

Within the Junior School, students from Years 3 to 7 are encouraged to develop leadership skills and become involved in extra-curricular activities that further develop their social awareness within our school community.

The Class Captains, House Captains and representatives of the Student Advisory Council have demonstrated initiative and responsibility as they have carried out their tasks.

Once again the staff involved in the TAS Adventurers and TAS Explorers received far more than they have given. The students in

both groups are keen and eager, involving themselves fully in the activities offered each week. The social interaction between all members is a delight to see as it reminds adults of the simple pleasures of childhood pursuits.

1994 will see the programmes continued and strengthened. I again look forward to working with the staff and students involved in these groups.

# FROM THE HEAD OF MARLIN COAST

TRINITY  
ANGLICAN  
SCHOOL  
Marlin Coast

"If you can't hear the voices beside you, you're singing too loudly".

These words of wisdom were first given to me when I was in the School Choir at Primary School. Wise words indeed from the choirmaster, words that speak of the way to achieve harmonious excellence.

Of course this wisdom applies well beyond music, to all fields of life. It is all about being a 'team player'. Whether in the choir, on the rugby field, in the classroom or on stage, each student, teacher and parent is a 'team player'.

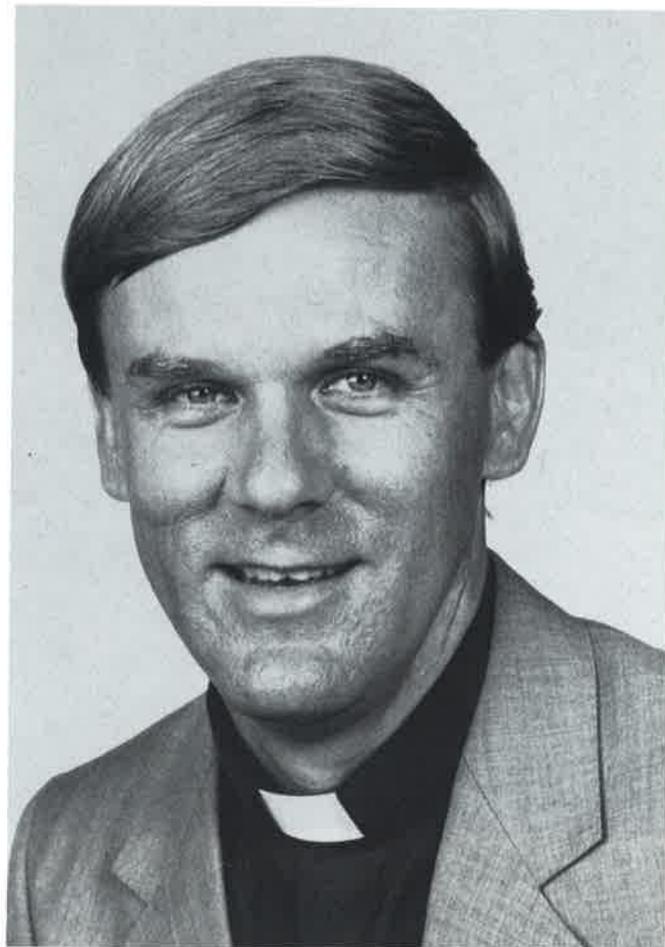

The year opened with a new building, 80 new students and considerable growth at the Marlin Coast. Comments in the first week from parents and teachers of our 220 student population went along the lines of "It feels like a real school now. There are so many children around!"

One of the new initiatives this year has been the establishment of an After School Care programme. This has proven a most successful venture and is well patronised by members of the school community.

Other additions in 1993 have been the introduction of Learning Support, the expansion of our Instrumental Programme and the development of a Co-curricular Programme for students in Years 5 - 10. The Co-curricular Programme involved students undertaking activities for one hour each week after school. These included horsemanship, tennis, squash, pottery classes, cooking and a number of other activities.

Once again, the musical production proved to be a main focus of energy in the middle of the year. 'Salad Days' was performed on three nights to packed audiences at the Rondo Theatre.

Our Parents' and Friends' Association have been actively organising fellowship and fundraising activities during the year. The highlight was the inaugural Marlin Coast Carnival in May, with attendance numbering in the thousands. The Carnival was a tremendous success, both socially and financially and will become part of the calendar each year.

- Fr. Peter Laurence

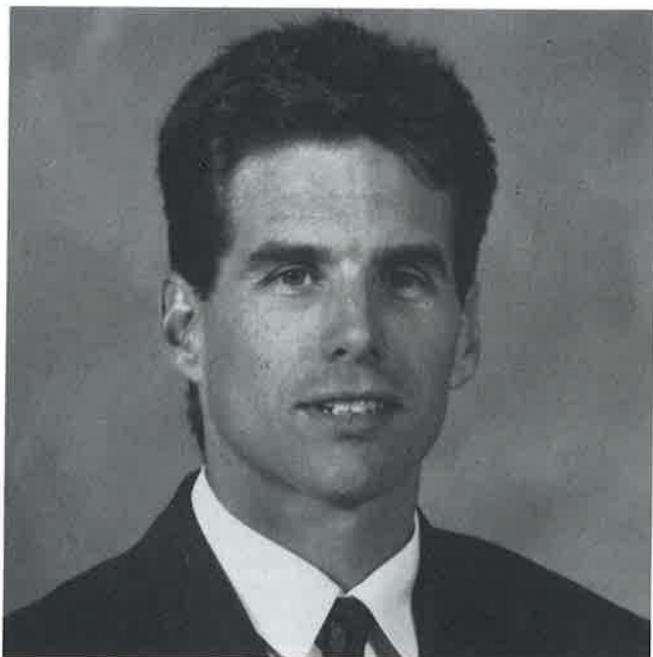

During the year there have been hundreds of students' achievements reported in TAS Times and at school assemblies. Reference is made to many of these in the Principal's Report in the Speech Night booklet. Congratulations to each and every Marlin Coast student who has contributed to some aspect of the 'team'.

This will be my final report to you as the Head of the Marlin Coast. From January 1, I will take on the position of Principal of Trinity Anglican School, with my office being located at the White Rock Campus. I will maintain a close interest in this campus and intend to spend part of each week at the Marlin Coast. There will always be a special place for students, parents and staff who have formed our community in these crucial first few years of development. I wish my successor, Mr Alan Campbell, every success and look forward to working with him.

The apostle Paul reminds us that we are all part of a team - he calls it 'the body of Christ'. The following pages give you a glimpse of the 'players' in our team and their contributions to the match. Each person's contribution has enriched the life of the School.

I commend to you the Marlin Coast Campus section of 'TRINITAS' and wish you a happy and holy Christmas. May God bless you.

Fr PJH Laurence  
HEAD OF MARLIN COAST

Mr. Alan Campbell

Fire Station Visit

We visit the Fire Station

We learn Japanese

We go on excursions

A confident group of eager faces fronted the Prep classroom on the first school day of 1993. Eleven of the children had older brothers or sisters at TAS, so they were very much at home.

Much has been achieved in social and academic skills. The children have been keen to share their new learning in fun events that included an Easter Hat Parade, song and dance at the City Place and a Junior Athletics Carnival.

Parents and visitors armed with cameras and videos joined the children in Maths, Japanese, Reading and Craft on our two Special Events Days. More than 40 adults crammed the classroom to admire and assist with activities.

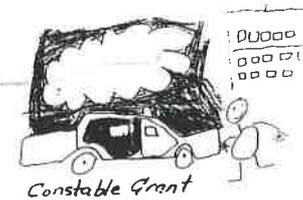

A visit to the Ambulance Station let us see that Shevaun and Marlon have healthy heart beats. Ryan found he needs to grow a little more to fit into a firefighter's suit. Much to everyone's delight our friendly police officer caught someone speeding on Poolwood Road while demonstrating the use of the radar gun.

Social visits and a beach picnic with White Rock Preparatory classes were happy times. Our Buddies in Year Seven have really looked after their special friends - sharing reading, games and art. Preps love their "big buddies".

A dinosaur theme in Term 3 unearthed some expert dinosaur name-droppers and would-be palaeontologists.

This lively, enthusiastic class has shared many wonderful times in their first year at school and will probably never learn as many new things again in a single year.

Mrs Patricia Gidley

Constable Grant

We adopted Constable Grant.

We learned about Dinosaurs.

We like Dinosaurs.

**TEACHER:** Mrs Welman.

**FRONT:** Zoe Richardson, Tara Lebon, Danica Putna, Jenna Punshon, Gabrielle Goodier, Emily Meyer, Kathryn Clarke, Lara Mainwood.

**2ND ROW:** Thomas Breen, Ryan Mays, Cameron Hughes, Jonathon Cunningham, Courtney Kenny, Jesse Bromley, Hamish McBain.

**BACK ROW:** Nicholas Harvey, Nicholas Vogelpoel, Jessica Albion, Courtney McPhail, Natasha Zlatarich, Chelsea Houston, Eleanor Jenkins, Kate Mejerski, Andrew Quillfeldt, Benn Dorrington.

*We went to the Ambulance Station*

*We went on Excursions*

This year has been a full one, with the children eager to write and read from day one. Our class Post Office is constantly used, both for sending and receiving letters and invitations.

The children were proud to display their Maths skills with our first Special Events Day. Term 1 culminated with our eagerly awaited Easter Hat Parade and Service.

Our Buddies this year have been Year 8 and we always look forward to these times. Our Social Studies theme for Term 2 was People Who Help Us and we visited the Fire Station, the Ambulance Station and the Airport. Because of our proximity to the beach, we have enjoyed two excursions there this year, one with the White Rock Junior School.

We were sad to farewell Cameron Hughes, who left in Term 3 and missed Eleanor Jenkins when she went to Brisbane for an operation.

Specialist classes are always enjoyed and our skills and talents are always improving.

We enjoy singing and have performed at each term's Family Service, as well as the City Mall. Book Week was celebrated by our visit to Smithfield Shopping Centre and was an enjoyable experience.

Our Sports Carnival was a great success with many keen competitors. Swimming started in Term 4 and once again the children will develop and learn new water skills.

"Busy" always seems to be the operative word for us. As the year draws to a close, may the enthusiasm this class has displayed stay with them always.

Mrs Suzanne Welman

*We went to the Airport.*

*We built castles at the beach.*

# YEAR 2

TRINITY  
ANGLICAN  
SCHOOL  
Marlin Coast

**TEACHER:** Mrs Bronwyn Crowther

**FRONT:** Alicja Wenderlich, Zoe Sherr, Jessica Hannan, Tegan Knight, Sarah Laurence, Tanya Goodwin, Ashley Hartman.

**2ND ROW:** Rory Spence, Ryo Ida, Samuel Petherick-Bowen, Katie Brangwin, Michelle Reimann, Ryan Clifford, Tobia Kipper, Kristin Stephens.

**BACK ROW:** Nicholas Stemp, Jediah Thorburn, Andrew Fowler, Luke Harris, Sean Muir, Michael Mengele.

**ABSENT:** Kaitlyn Plyley, Emma Taylor.

In Education Week we were asked to put on a show in the City Place. The Preps, Year Ones and us did the Sailor Song, Goldilocks and lastly The Three Bears. Mrs Nozaic helped us make Sailor hats. After, we walked to the Esplanade and had lunch with our Mums and Dads.

- by Ryan and Jediah

All the children in our class practised a play called The Noise Festival to put on for the other children and our parents. We dressed up and learnt the lines really well. On the day all the classes came and Father Laurence said we had done a good job.

- by Kristin and Sean

Our Year Two Sleepover was a huge success and a really enjoyable overnighter for all the adults and us. From our beach games at Kewarra Beach on Friday and then camp games and water play on Saturday, we had a great time.

- by Year 2

As part of our theme on the Olden Days, we visited the Cairns Historical Museum. We remember, as we walked in the door, seeing the old dental room, old wringer washing

machines and typewriters from about 100 years ago. There was an old movie camera with old photos of how people dressed and the cars they drove. All of the old machines had to work with electricity.

- by Samuel and Jessica

We thought we would all go to Kewarra Beach because Prep, Year One and Year Two were doing themes on all different things about the beach. We hunted for shells, smooth rocks, seaweed and driftwood to make sea pictures. Then we could play and dig and bury ourselves in the wet sand.

- by Zoe and Michael

After little lunch we saw Rory's magician. He came with a big suitcase, it had an accordion in it. Then he set up his equipment. He asked Rory to come out and everyone sang Happy Birthday. Then the magic started! He tricked us, then he made balloon animals. Mrs Crowther's watch disappeared into the belly of a balloon poodle. Lastly we played the Limbo with a long, long balloon.

- by Tanya and Rory

In Book Week we were invited to Smithfield Shopping Centre to see their displays and activities. A duck man made us do the chicken dance and we sang some songs from school, the library ladies read us new stories and a lady did a puppet show. They gave us a free doughnut each too! - by Luke and Sarah

The performers after the play  
"The Noise Festival".

**TEACHER:** Mr Peter Dickinson.

**BACK ROW:** Shaun Bean, Damien Pradal, Ryan Bartlett, Ryojiro Tatsumi, Gary Searle, Levi Putna, Miles McBain.

**ABSENT:** John Lance, Raphael Weideman.

This year saw the first Year 3 class at Marlin Coast. It was to be history in the making - a year full of learning, new challenges and a great deal of fun.

Our first camp at Genazzano was indeed a high highlight and who could forget the audience's reaction as we sang and danced our way through Surfin' Safari with the Year 5's? We learnt how to communicate, we investigated air and explored the airport. The weather became an interest, space a fascination. We were even allowed to dream in class. Skeletons, poisonous creatures and monsters were featured in some. Publishing became our specialty - a newspaper, our own picture-story books and a book of poems. Language groups were always keenly awaited, particularly drama. Hundreds of new words have been learnt, many interesting books read, creative stories written and we now know how to join our handwriting. We completed our first projects. These were always presented with a great deal of pride and newly acquired skills.

We tackled more difficult equations and solved problems in Maths.

We began to learn our times tables and counted against the stopwatch. How many times did we hear, "Can we play Odds and Evens?"

As a House, we dominated in Sport - Swimming, Athletics, Cross Country and Ball Games. Japanese, Art, Music and HPE were enjoyed by all. Assemblies allowed us to sing and share stories together. In Library we nearly went 'Round the Twist. We always looked forward to Computer where we created many fantastic designs and pictures - so much to learn and discover!

Most importantly, throughout all of these many activities and events we learnt to "have a go", that it's okay to make a mistake and that school can be a lot of fun.

The class of Year 3, 1993, were all history makers. Year 3 was the place to be in '93!

Mr Peter Dickinson

# YEAR 5

TRINITY  
ANGLICAN  
SCHOOL  
Marlin Coast

**TEACHER:** Mr Anthony Doyle.

**BACK ROW:** Vince Rico, Ben Gibson, Adam Cropp, Teresa Lipscombe, Natasha Zajaz, Jeremy Goble, Luke Goodwin.

**ABSENT:** Kristy Fraser-Kirk.

From Adelaide to Burketown, from Canada to Melbourne, students arrived on February 1 to become Year 5, Marlin Coast 1993. Bringing to TAS many different backgrounds and experiences, we quickly moulded together to become a tight, cohesive and caring unit. We learnt about the trials and tribulations of our explorers: The diligence and patience of Cook, the bravery and commitment of Burke and Wills, the dedication and obedience of Kennedy and the vision and strength of Mulligan.

In Term 2 we were 'doing the stomp' and "twisting by the pool" as we joined Year 3 to perform "Surfin' Safari" at the City Place. The crowd loved it!

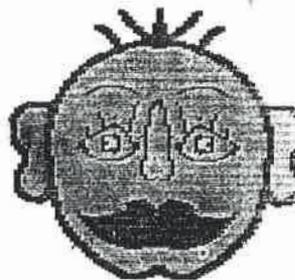

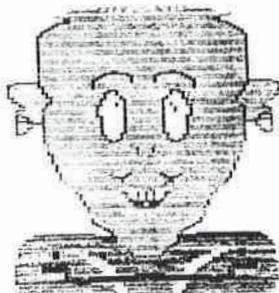

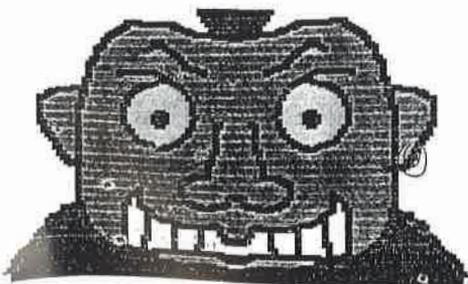

Barron River Sport was new. A soccer premiership for the boys and Netball for the girls. We trained hard and always tried our best. To Wonga Beach we trekked for camp. Mossman Hill, Habitat,

Shipwreck Museum, Lady Douglas - we saw them all!

At School we mastered Dazzle Draw, conquered long multiplication, thrilled to The Witches and became enthralled with Edward de Bono's Six Thinking Hats. We became pioneers in Process Thinking. We studied Japanese, painted in art and investigated Science with Mr Seton. Mr Dickinson always provided a challenge on Tuesdays and we sang our hearts out for Mrs Welman on a Friday. We reached our Lifesaving levels with Mr Bayldon and had fun playing T-Ball and Kanga Cricket at Trinity Beach.

1993 was a wonderful year, full of friendships and fond memories. Year 6, here we come!

Mr Tony Doyle  
PRIMARY CO-ORDINATOR

**TEACHER:** Mr Brian Seton.

**FRONT:** Alysha Stephens, Erin Chantel Stenning, Stacey Fagg, Clare Holgate, Sarah McAtamney, Melanie Callahan.

**2ND ROW:** Joji Hibi, Mike Lord, Alicia Smith, Ai Ida, Shannon Turner, Kristin Goble, Jessica Scriven, Aaron Zalewski, Cameron Bartlett.

**BACK ROW:** Damien Moeser, Jason Lergessner, Alex Jenkins, David Beaton, James Norman, Gentaro Tatsumi, Adam Dean, Daniel Turner.

Early in February, 26 students arrived at School, not only eager to see their new teacher but also ready for a big year ahead. It was to be their final year of Primary School; a busy and very important one.

The class welcomed Alysha Stephens from Port Douglas and later in the year, after Mike Lord left for the USA, Nathan Searle transferred from White Rock.

The year saw the class involved in many varied activities. All members were involved in some public speaking and debating, with Melanie Callahan being selected for the finals of the Jaycees Public Speaking Competition. In the Barron River Primary Schools' Competition, the girls played netball and softball, while the boys competed in Australian football and cricket. Although at times our teams were outclassed, there were signs of greater teamwork and co-operation as the season progressed. The Australian football team did particularly well and should be a force in the future.

In the classroom, the students were a well-behaved and conscientious group who enjoyed their work. In Computing, the first half of the year saw all students learning to touch-type, a necessary skill in today's society. In Term 2 our classroom was transformed into a rainforest, complete with models of animals, greenery, water and even rainforest music. A soothing classroom atmosphere!

Following our studies on rainforests, the class travelled to Cape Tribulation for its annual camp. With a variety of activities, it was a most beneficial and enjoyable camp.

Second and third terms saw several class members involved in "Salad Days", the school musical for 1993. Aaron Zalewski and Alex Jenkins scored major roles and performed very well indeed.

Early in the year, Year 7 visited the White Rock Campus and were hosted by 7B. Late in Term 3, a combined class from Years 6 and 7 came to Marlin Coast with Mrs Jackson for a day's visit. After an introductory activity both classes walked to Kewarra Beach for lunch, games and a swim, followed by softdrink and ice-cream at the Kewarra Beach Resort! A fun and enjoyable day that also maintained friendships between the campuses.

1993 has been a rewarding year in more ways than one. I encourage all members of the class to maintain their efforts and strive for even higher standards next year as they head on to Secondary School. I congratulate them for all their achievements during their time in the Primary School and wish them all the best for the future.

**Mr Brian Seton**

# YEAR 8

TRINITY  
ANGLICAN  
SCHOOL  
Marlin Coast

**TEACHER:** Mr Christopher Ivey.

**FRONT:** Shannon McEvoy, Sarah Robertson, Bleuenn Marchand, Colleen Gregoric, Cara Bloomfield, Katie-Jane Cawte, Tegan Crockett, Bronwyn Hughes.

**2ND ROW:** Ryan Dufty, Niklas Ericson, Oliver Sumner-Potts, Timothy Becker, Scott McGowan, Tristan Hunt, Timothy Cairns.

**BACK ROW:** James Mackie, Kahn Cowan, Bradley Jones, Donna Francis, Megan Grinter, Fergus Smith, Bradley Finnigan.

As the third Year Eight class to commence at the Marlin Coast, one would almost expect that the school was beginning to mature and that the excitement of a new campus would be wearing off. Little did the school know that a group of keen, enthusiastic and somewhat adventurous Year Eight students were about to join and become CIV, a class of predominantly new TAS students, eager to commence this new phase of their lives, "High School".

Almost immediately, this group of 22 students asserted their position as a sporting force with a number of excellent results at the interhouse swimming carnival. Scott McGowan and Tim Becker dominated their age group as did both the boys and girls relay teams.

Venturing out on their own, the highlight of the year was the Year Eight Camp, at Lake Tinaroo. A camp that might have separated the 'men from the boys', with its kayaking through 30 mile an hour winds and preparing baked potatoes with wood as green as grass, simply provided an excellent opportunity for everyone to get to know each other. The Lake Tinaroo mud provided an opportunity for some students to change their skin colour!!! Unfortunately, it also changed the way they smelt!!! Even the concept of moving tents at 2 am was taken as part of the fun!! The camp was certainly memorable, and we are all looking forward to even more challenges during the Year Nine Camp.

Again our sporting prowess was shown during the inter-house events, with Tim Becker taking out the triathlon, ahead of a very talented group of students. In the athletics and cross country, Tim Becker, Bradley Finnigan, Brad Jones and Sarah Robertson achieved excellent results

and went on to represent the school and even the Peninsula.

Student Advisory Council members were chosen at the beginning of the year and Ryan Dufty and Sarah Robertson have represented the views of our class at every meeting.

One of the highlights of the year was the musical and the Year Eight Class entered right into the spirit of things. Nik Ericson and Ryan Dufty secured leading, and at times, most entertaining roles for themselves. Watching Ryan dance with Kurí Maile certainly brought the house down!!! Cara Bloomfield, Megan Grinter, Bleuenn Marchand, Fergus Smith and Oliver Sumner-Potts all worked very hard in the chorus, James Mackie and Tristan Hunt were backstage assistants and in all the Year Eight Class supported the musical in every way possible.

We have managed to involve ourselves in almost every activity, both in inter-house and school events. Such competitions as Tournament of the Minds, Debating and Public Speaking, have all had strong representation by the class.

During the year, we said farewell to Donna Francis and Tegan Crockett, who ventured on to a new school, while Shannon McEvoy transferred to White Rock Campus.

In all it has been an exciting year for the Year Eight's and as we move on to Year Nine, let's hope that we can have as much fun, make more new friends and become even more involved in the life of the School.

**TEACHER:** Mrs Barbara Jones

**FRONT:** Samantha Bugeja, Amanda Spelta, Suzanne Armstrong, Zoe Stillman, Nicole Meertens, Kanae Kawasaki, Kelly Fagg.

**2ND ROW:** Dean Cropp, Simon Pilgrim, Paul Spanagel, Vladimir Zajaz, Hallam Lowmass.

**BACK ROW:** Clint Flanagan, Sarah Menzies, Lauren Wallis, Kate Downes, Kurt Maile.

**ABSENT:** Briony Rankine, Kirrilee Rankine, Zane Simpson, Elicia Heinsen, Christie Barnes, Alana Gates, Yuji Tajima, Makoto Fukaya.

As soon as class started at 8.30 am at the beginning of the year, each one of us in 9BJO could feel the excitement and anxiety buzzing in the air. Little did we know that the year of '93 was to be one we'd never forget.

We started the year off in the water at the inter-house swimming carnival with many students participating.

Next was the cross-country, with an outstanding effort from Alana Gates, who went on to represent Trinity Anglican School in the inter-school cross-country.

Then came the athletics carnival. As soon as they saw him get off the bus, the judges knew that they had no choice but to award Kurt Maile with 14 years age champion. Well done!!

Our most outstanding achievement this year would have to be 'Salad Days', the school musical. We were lucky to have the leading lady - Kelly Fagg, who played Jane - in our class. Other leads included Simon Pilgrim as the Tramp, Lauren Wallis as Lady Raeburn, Zane Simpson as Augustine Williams, Kanae Kawasaki as Asphinxia, Dean Cropp as Tom Smith, Kate Downes as Fiona and many other Year 9 students who were involved in the chorus and backstage.

Our School was quite involved in student exchanges this year with two new students, Yuji Tajima and Makoto Fukaya, taking part in our class.

Kanae Kawasaki also said 'au revoir' to us earlier on in the year when

she went to various parts of France on a two week School excursion. Next year, Kurt Maile will be participating in an exchange for six months to North Carolina in the USA. He will be representing the School, so remember Kurt, keep those socks up!!

Student Advisory Council representatives were chosen at the beginning of the year and have attended regular meetings. Many things have been discussed and organised, including Red Nose Day and the sponsorship of a child. Our SAC representatives are Dean Cropp and Kate Downes.

The major event on the Calendar of Year 9 this year was the outdoor camp held at various campsites around Lake Tinaroo. Although there were mixed feelings about the camp, each and every one of us learnt the meaning of 'home' and mum's cooking. Even though we missed our friends and families back home, a new group of everlasting friends was being formed around Lake Tinaroo. Whether it was hiking in the rain or around the Lake, abseiling down cliffs or a leisurely ride on horseback, each activity was an adventure in itself. I'm sure that none of us will forget sitting around the fire, telling ghost stories and watching the stars.

That about sums up this year. We have all enjoyed ourselves this year and we are looking forward to our last year at MCC and we hope that it will be a memorable one.

**Kate Downes**

# ART, MUSIC & DRAMA

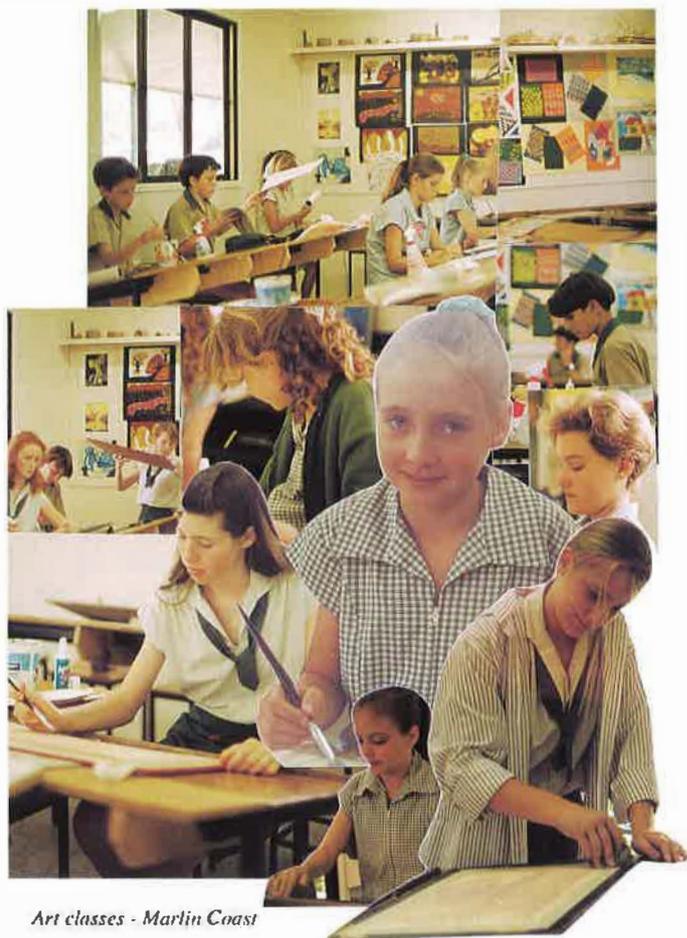

*Salad Days*

*Salad Days*

*"Surfin' Safari"*

*Art classes - Marlin Coast*

*Salad Days*

**TEACHER:** Mrs Sue Albion.

**FRONT:** Alisha Grant, Jocelyn Strangman, Jessica Preston, Brooke Lord, Skye Murdoch, Tanya Spelta, Shandelle Beaton, Larisa Krumins.

**2ND ROW:** Warwick Kerr, Kym McGowan, Melanie McGregor, Petai Oesch, Tulani Lockhart, Karyn Aldous, Vicki Chambers.

**BACK ROW:** Kaku Ida, Suni Bramble, Michael Blackburn, Jacob Turner, Frank De Waard, Angus Maconachie, David Joel.

**ABSENT:** Nathan Hunt, Matthew Byrne, Danielle Van Der Wolff.

Even before we started our last year at Marlin Coast, the Year 10 class was anticipating 1993 to be challenging - which it has been!

As the initial secondary class to start at the Marlin Coast (way back as Grade 8's!) we knew we would need to maintain our reputation for excellence in many areas - which we have done.

We have done very well in the swimming, athletics and cross country events, with Tulani Lockhart, Petai Oesch, Shandelle Beaton, Karyn Aldous, Michael Blackburn, David Joel, Suni Bramble, Danielle Van Der Wolff and Tanya Spelta all representing the school in various events.

Even outside of school we have made sporting news, with Kaku Ida playing on the Far North Queensland Representative team at the Queensland State Soccer Championship in Townsville in June. Michael Blackburn also shone in golf, making the Peninsula Golf Team and also playing Australian Rules footy on the North Queensland, Cairns and Peninsula Australian Rules teams.

The school's second musical, "Salad Days" was a ball and definitely lived up to everyone's expectations. Showing our abilities are not limited to sport, great performances were put in by quite a few Year 10 actors, with Matthew Byrne, Vicki Chambers and David Joel in major roles.

We have also done well in academic competitions held throughout the year, with Nathan Hunt even capturing a distinction in the Royal Australian Chemical Institute's Chemistry Competition.

As seniors of the school, we have also contributed the Navigators, two outstanding individuals who set the high standards for the school and lead the Student Advisory Council. This year, those students are Matthew Byrne and Skye Murdoch.

It is hard to believe we are now nearing the end of our final year at Marlin Coast. It seems like such a long time ago that we were thrown together in a brand new school as the first Grade 8, not perhaps the most important thing to come out of it is our tightly woven friendships - the kind of friendships which may be stretched or loosened at times, but never broken.

Next year, we continue our education over at White Rock campus. We will be sad to say goodbye to all of our friends at Marlin Coast (teachers and all!) and we thank them for a very special three years. We wish all the best for the Marlin Coast in the future and even though we'll be on the other campus, you can be sure we'll always be silently barracking for you.

Thank you for everything!  
Vicki Chambers

# LANGUAGES OTHER THAN ENGLISH

TRINITY  
ANGLICAN  
SCHOOL  
Marlin Coast

## Nihongo-Japanese Language

This year marks the second year of Japanese lessons at every year level on campus. I can now see real progress in the children's comprehension and production levels. All the classes are full of enthusiastic participants.

Furthermore, the Japanese language has continued to have a high profile in the general school community. This has been symbolised at Marlin Coast Campus by currently hosting two long term students during the year.

The lessons in class and the presence of many non-English speaking Japanese students on the campus has had a mutually reinforcing effect on the awareness of TAS students of the culture and language of Australia and Japan.

Mr Roger Bartlett

## French at Marlin Coast Campus

Students are increasingly interested in the French language and culture. This year we had two successful classes. Next year we will start a Year 10 class. In order to celebrate the 14th of July, "Bastille Day", our Year 9 class went to "La Cuisine" and had an enjoyable evening.

Congratulations to Kanae Kawasaki who won the Year 9 LOTE Competition.  
Mrs Françoise Nozaic

Kirralee

Ne me mangez pas!

### Year 3 Camp Report

Year 3D travelled to the Genazzano Centre at Lake Tinaroo. Our first school camp was filled with much excitement and fun as we explored the bush, created bush weaves and critters, went star gazing, played sock wrestling and ate marshmallows to name but a few of our activities.

### Year 5 Camp Report

On August 16th, Year 5 travelled to Pinnacle Village for four fun filled days and three nights. While at Wonga Beach we visited the Mossman Mill, rode the Lady Douglas Paddle Steamer, hopped on board the Bally Hooley train, investigated the Rainforest Habitat and explored the Shipwreck Museum. In between this busy itinerary we built Sandscapes, built bonfires on the beach and went for long hikes. The weather was great, the food tremendous and the memories long lasting.

### Year 7 Camp Report

Following our studies on rainforests, the class embarked on a week's camping trip to idyllic Cape Tribulation, ably assisted by Mrs Goble and Mrs Anderson. It was to be a highlight of the year, with many great moments being had. The setting provided a variety of natural resources for activities - coral fringe reefs, rainforests, rock platforms, plenty of wildlife and an excellent camp site. The students enjoyed their experiences and no doubt will remember the camp for years to come.

### Year 8 Camp Report

What do you get when you cross 23 eager Year 8 students, excellent weather, a beautiful setting on Lake Tinaroo and a programme consisting of kayaking, hiking, swimming, camp cooking, ghost stories and mud wrestling? The first Marlin Coast Year 8 Camp! It was a fantastic week in which we were all able to work together, get to know each other and best of all, have a great time.

### Year 9 Camp Report

At the end of the third term, Year 9 went on a camp to the Tinaroo area for three weeks. Situated around four base camps, the groups shared a unique experience. Co-operation was an important aspect of this camp. Putting up bivvies, cooking meals, washing up, cleaning up, collecting firewood and doing toilet duty, were the main duties that were performed every day. Various activities were completed and some of them included abseiling, the challenging ropes course and even the hiking and kayaking were made fun, with everyone singing and telling jokes.

Overall we all had terrific fun, many personal fears were overcome and everyone achieved at least one thing... surviving Camp! - Kelly Fagg

*The philosophy of the School places particular emphasis on, and involves a commitment to:*

- **Academic Achievement**
- **Excellence**
- **Personal Discipline and Development**
- **Spiritual and Aesthetic Awareness**
- **Sense of Community**
- **Service and Responsibility**
- **Preparation for Life in the 21st Century**
- **Physical Development**

**"Go, then, to all peoples everywhere and make them my disciples . . . . teach them to observe all that I have commanded you."  
(Matthew 28: 19-20)**
