The School Mission

*The Mission of
Trinity Anglican School
is to nurture Christian formation and
educational excellence in young people,
inspiring them to reach their potential
as individuals and serving members
of the wider community.*

The School Prayer

*Almighty and Everlasting God,
We pray for our school and for all who teach and learn in it.*

*We thank you for the vision of our founders,
for the peaceful surroundings of our campuses
and for the beauty of your creation
in which each one of us can share day by day.*

*Help us to show love and concern for one another
as Christ has shown His love for us.*

*Enable us to grow in stature, knowledge and humility,
always looking to you as our source of all wisdom
and understanding.*

*We stand together firmly in the faith of Christ,
giving thanks for the past,
involving ourselves in the present and looking forward
to the future.*

**TEACH US TO OBSERVE ALL THINGS,
through Jesus Christ our Lord.**

Amen

From the Principal

TAS senior school captains are pictured here with school leaders and the Bishop of North Queensland. Back row (from left): Sam King, Brendan Shute, Rhonan Bland, Stephen Taifalos. 3rd row: Thomas Beverley, James Burman, Campbell Harding, Eva Lambert, Rebecca Yensch, Ellen Innes, Sarah Hillcoat, Christopher Raymond. 2nd row: Sarah Martin, Tanita McPherson, David Sharaz, Aaron Dunkerton, Jessie Clements-Markham, Tiffany Kaesermann, Daniel Chapelle, Sarah Brecht, Jim Hadfield. Front: Jessie Jattke, Annabelle Charlton, Sylvie de Swardt, Mrs Margaret Kennedy, Mr Christopher Daunt Watney, The Right Revd Bill Ray, Mrs Jill McPherson, Balawyn Jones-Dillon, Emma Gowdie and Neelima Challa.

Dear Friends

We are losing sight of the importance of community and increasingly we invite and expect increased external intervention in our lives. We allow this to our disadvantage and if we forget our responsibilities to one another, our lives and those of our children and grandchildren will be diminished. When we forget our responsibilities and our sense of belonging to community we also lose our individuality. As we increasingly cede responsibility for our lives to governments and through them to bureaucrats, self-regulation and common sense seem to be endangered attributes. Bureaucracy compounds the loss of identity through its emphasis on process because procedure is black and white and people are infinite shades of grey. The essence of community is the involvement of individual members of the community in contributing to the evolution and the wellbeing of that community – in accepting responsibility for its development and not passing on that responsibility to others who are not a part of the community. We must focus on this at TAS. The cliché that it takes a village to raise a child is something we should remember because ultimately our involvement is to the benefit of all our children.

I spoke recently about the dangers of Social Networking Sites and the world of the Internet and the illusion of belonging and of meaningful connectedness they bring. As we

celebrate in these pages some of the achievements of our community this past year we should remember that a virtual community can never meet the deepest needs of the individual to belong, to be loved and to have a place in the warmth of the heart of other human beings. The digital world is a separate dimension – it is not a human dimension - and to succumb to the attractions of a virtual community, to be seduced by the illusion that this can ultimately be a substitute for real human interaction is not an option. Working together, School and family can provide the meaning and the human support and it is our responsibility to do so.

Community depends upon active involvement and a shared responsibility for all within that community as well as empathy for the individuals who make up the community. There is something essentially human, necessary and authentic about community and about belonging and feeling a sense of being valued. TAS is a real community where each individual belongs and is valued for who they are.

Christopher Daunt Watney
Principal

2009 was an exciting year for our International Education Programme, not least due to the issues it presented with regard to flights, flu and financial crisis. Despite these setbacks, we were once again able to deliver a programme characterised by its variety, vibrancy and innovation. On a personal front I am looking forward to taking on a new challenge at White Rock Junior School and would like to take this opportunity to welcome Mrs Joyce Lester to the role of Director International Education in 2010.

▲ Joyce Lester - Incoming Director of International Education.

In 2009 our Student Visa Programme welcomed just short of fifty full time students to TAS from a range of countries; more than at any time in the past. Students hailed from Papua New Guinea, Japan, Korea, China, Germany, Brazil, Iceland, Peru, Romania, United States, Canada, United Kingdom, France and South Africa amongst other destinations. These students bring with them varying perspectives, cultural backgrounds and attitudes; they diversify the student body

and develop and enrich the understanding of all students at TAS, preparing them for life in an increasingly multicultural and global society.

Over the course of the year demand for our Homestay Service to accommodate short and long term students for periods of time ranging from a week to a year, including Australian students whose families live far from Cairns, remained strong. Our ESL Programme continued to support a substantial cohort of international and local ESL students with their academic studies across the school, delivered intensive ESL courses to two visiting tour groups, and once again successfully secured significant federal funding for the succeeding year. Our Study Tour Programme extended its scope with a welcome to a visiting Japanese

▲ A Principal from the Macau group speaks.

▲ Tracy Tou, student from Choi Kou, Macau.

▲ TAS student Dohee Kim (centre) with Cairns Mayor Val Schier and Minister Desley Boyle at a Study Cairns Breakfast.

School Ruby Tour and students from Macau and once again conducted two successful Professional Development Conferences for Educators from Macau. It also prompted TAS sponsorship of the Guangdong English Writing Competition and welcomed three winning students, from amongst a field of 20,000, for a two week tour in July. Our Sister School Programme flourished with increased reciprocal visits between TAS and Keimei Gakuen in Tokyo, including an outbound Japan tour by a group of TAS students. Our Study Abroad Programme and Extended Study Abroad Programme welcomed shorter term students from Japan, Russia, Korea and Germany

Thanks go to Mrs Kay Cleland, Mrs Marie-Jo Hyde and Mrs Julie McKenna for their enthusiasm and work in support of ESL students. Thanks also go to Mrs Bonnie Kedwell for her coordination of our Homestay Programme and administrative support and to Mrs Natalie Hermon, TAS Round Square Coordinator, for her support and encouragement of all aspects of the programme.

2010 looks set to be another exciting year, with new initiatives on the go and the return of some of the study tours we were sorry not to welcome this year. It is particularly pleasing to be welcoming a number of students to TAS on the basis of positive word of mouth feedback from friends or a previously successful TAS study tour experience.

I extend my warm personal thanks to all students, parents, colleagues, homestay families, sister schools, partner schools and agents for their support of the TAS International Education Programme following its successful registration in 2007; support which has seen it grow and develop in both scope and size and without which this would not have been the case.

Mr Ralf Furse,
Director International Education

Dear Parents and Friends,

All the best to you and your family for 2010 - may it be a successful and enjoyable TAS year for you.

2009 was a hugely successful year in terms of fundraising and developing projects for the school as well as for general social interaction between families.

The Parents' and Friends' Association donated \$115,000 to the school, including \$75,000 towards Interactive Whiteboards which finalises a three year commitment of supplying IT facilities throughout the junior campuses. We have assisted with the purchase of Data Projectors, a Geography Information System and the upgrading of the Year 12 Recreation Area in the senior campus. We have contributed \$4000 to the ongoing success of the Middle Years programme, \$2000 to Outdoor Education, \$14,000 to the Music Department and have committed \$10,000 to the upgrading of the Marlin Coast Campus Amenities Block and \$5000 to the provision of blinds in the White Rock Years 6 and 7 classrooms.

We continue to recognise the outstanding efforts of TAS students at Peninsula, State and National level in sport, the arts and academia and contributed \$2300 to this reward programme in 2009.

The last week of school in November culminated in the planting of approximately 10,000 trees by students, staff, parents, school neighbours and community members at Sawpit Gully. This has been a year long P & F project which we are now very proud to deliver to the school community.

Thank you to all parents, students and staff who have enabled this level of generosity to be returned to TAS in the past year. Thank you to the current P & F Committee who have freely given

their time, experience and dedication. The P & F Operations Manager, Kathy Hennigan, and her staff have worked tirelessly to ensure the smooth administration of P & F activities throughout the year, including the day-to-day tuckshop and bookshop activities, as well as major events such as our annual Coconut Carnival.

We welcome all returning and new families to participate in Parents' and Friends' activities this year. Our Annual General Meeting will be held in March and we encourage parents to become involved at a committee level as well as at our various social events held throughout the year. We look forward to renewing acquaintances and making new friends in 2010.

*Warm regards,
Amanda Byrne,
President,*

Year 7 - Obstacle course time trial

Year 9 - High ropes course

Year 12 Retreat - Face painting

Primary Programme

Year 2:-

Sleepover at MCC Prep Centre and WRJ Prep Centre. Initiative games, first overnight camp.

Year 3:-

Three days and two nights at Camp Tinaroo on the Tablelands. Environmental walks, lakeside activities, exploration and initiative games.

Year 4:-

Three days and two nights at Djarragun College Outdoor Wilderness Centre. Camping in tents, low ropes course, rafting on the Mulgrave River, environmental games and team games.

Year 5:-

Three days and two nights at Camp Tinaroo on the Tablelands. Canoeing skills and mini-expedition, Razor back Ridge hike to Bushrangers Bluff, team games, initiative challenges and visit to Lake Eacham.

Year 6:-

Four days and three nights in Chillagoe. Adventure caving with additional visits to tourist caves, local history visiting the old smelters and museum, swimming at the local weir, exploration and hike to Chillagoe Lookout.

Year 7:-

Three days and two nights at Mungalli Falls. Abseiling, archery, adventure hike to Nandroya Falls, commando/obstacle course, team games and initiatives and bush dancing.

Secondary Programme

Year 8:-

Four days, three nights at Djarragun College Outdoor Wilderness Centre with a big emphasis on preparation for Year 9 camp. Overnight hike expedition, flat water canoeing, flying possum, bush navigation, low ropes, camp oven cooking and catering, team building and initiative activities, introduction to moving water.

Year 9:-

Nineteen days and eighteen nights on expeditions around Lake Tinaroo and Black Mountain. High and low ropes course, navigation, four day hike expedition, four day canoe expedition, abseiling, raft building, camp oven cooking and expedition cooking, camping out under the stars, full day solo, community service tree planting and visit to Carrinya Home for the Aged.

Year 11:-

South Passage sailing voyage from Cairns to Townsville. Russell Island camp-out and exploration. Black Mountain horse trail ride. Scuba Diving – Open water dive course and certificate, Walsh River hike expedition.

Year 12:-

Three days and two nights at the Genazzano Centre. Leadership Retreat, team building, swimming and relaxing at Lake Eacham, House meetings, planning and focus sessions on the year ahead and beyond.

Certificate II in Outdoor Recreation

First Year students:-

Term I

Hiking introduction and day trips to Pete's Falls, Blue Arrow and Centenary Lakes for a navigation exercise day. Class visits from local outdoor equipment specialists. Expedition for three days to Stannary Hills and the Walsh River.

Term II

White water canoeing introduction with day trips down the Mulgrave River and pool sessions at TAS. Three day expedition on the Mulgrave River

Term III

Climbing, abseiling and caving introduction with day trips to Aeroglen Quarry. Expedition for three days to Chillagoe for caving & abseiling.

Term IV

Senior first aid qualification and day trip to Behana Gorge. Students spend a day being introduced to kayaking in preparation for Term V the following year. Two day expedition to Davies Creek, Lambs Head (Kalpahlim Rock) walk and Davies Creek Falls.

Second Year students:-

Term V

Introduction to white water kayaking with day trips down the Mulgrave River and pool sessions at TAS. Expedition for three days down the Mulgrave River

Term VI

Advanced hiking focus with day trips to the Blue Arrow track and Walsh's Pyramid. Leading WRJ Year 5 students through games/team building activities. Three day expedition to ascend and traverse Mt Emerald with two waterfall abseils.

Term VII

Advanced climbing and abseiling with day trips to Aeroglen quarry. Upgrade resuscitation qualifications. Climbing and abseiling expedition for three days to Mt Stewart, Townsville, plus indoor climbing session at Anaconda on the last day.

Term VIII

Graduate with *Certificate II in Outdoor Recreation* qualification.

Languages at TAS

French at TAS

2009 was a busy year for languages at TAS and for French in particular. I would like to take this opportunity to thank Cécile Carava for her assistance this year with Year 11 and 12 students. Ms Carava has brought with her a wealth of cultural experience as well as a deep knowledge of the language, not to mention a delightful accent and optimism.

Year 9 and 10 students have enjoyed some fantastic French cuisine on various outings throughout the year as well. The former were so inspired that they made their own profiteroles or choux à la crème from Madame Grine's (teacher in training) recipe. They then brought them in to class for judgement à la Masterchef which was an interesting but tense time. Thanks must go to special judge, Madame Ruellen, Mr Brice Ruellen's mother, for her time and expertise. There have been various exchanges to and from the Round Square School in Paris, L'Ermitage. As I write, Sam Grace and Leith Wilson are having a great time there, making new friends, improving their language skills and ingesting the culture. Earlier this year Eva Tokoragi-Peters experienced a wonderful term in France. At school we have benefitted from the insights of our exchange students from Paris; Tara Busiau, Thomas Buttin and Charles Valyère, who joined us for a second time. A group of students travelled to New Caledonia on a French Study Tour with Ms Thompson and Mr Brice Ruellen who outdid himself as local tour guide. Please read the report below by Sam Grace and the comments written by other participants upon their return.

▲ The TAS Nouméa study tour group outside la Grande Case at Tjibaou cultural centre.

The French Study Tour to Nouméa

In April 2009 a group of nine Year 10 students, one Year 12 student, our French teacher, Madame Thompson and our bilingual rugby coach Mr Brice Ruellen, travelled to the capital of New Caledonia for nine days. While there we all spoke, ate and lived French, whilst visiting various local sites. New Caledonia is surrounded by more than 800 kilometres of barrier reef enclosing one of the most beautiful lagoons in the world.

▲ The Nouméa study tour group visited the lighthouse, Le Phare Amédée, and enjoyed the idealic surrounds.

It was a bit confronting being in a place where everyone spoke a different language. At first, some people struggled, but by the end of the trip everyone became more comfortable with the language. In town we interviewed people and sometimes, we would have to repeat the question so they could understand our accents. We also interviewed some of Brice's family and friends who live in New Caledonia, which was challenging. However, it is a rewarding activity talking to people in another language and seeing them understand what you're saying. Le Phare Amédée is the lighthouse we visited on our third day. The water is crystal clear there and a glass bottom boat tour showed us plenty of coral and tropical fish. On a short boat ride to the reef surrounding Amédée, we also saw sharks and turtles. We learnt about the Melanesian culture at the museum and the Tjibaou Cultural Centre. The botanical gardens overlooking Nouméa were interesting as we saw tropical birds, pigs, geckos, monkeys and the Cagou; the flightless bird and emblem of New Caledonia.

Sam Grace
Year 10

Students' reflections upon return -

"During our trip we went to a native Melanesian cultural centre, visited a lighthouse-island surrounded by beautiful coral as well as talked to locals in French and enjoyed the amazing New Caledonian cuisine."

Henry Harding

"... I learnt a lot about the language, culture and environment of the island. My highlights would have to be going to the island with the lighthouse, watching dancing ..."

Emily Kramer

"I really enjoyed the whole trip. However, I mostly liked the Melanesian culture and how things are both similar and different to our culture."

Daniel McInnes

"Nouméa was an experience I will never forget. It was a great way to observe and learn other peoples' culture and language."

Leith Wilson
Ms Ruth Thompson
Head of LOTE

WRS Japan Trip 2009

On the 18th of September fourteen students and two tour leaders were at the Cairns International Airport to board a Jetstar flight to Tokyo. This was the third biennial Japan trip from WRS. It was our first visit to Tokyo, the capital city of Japan, as previous groups visited Nagoya and Osaka. We were hosted by Keimei Gakuen High School, one of our sister schools, and were welcomed so warmly by the school and host families that the students had ample opportunities to be exposed to authentic Japanese culture.

The students took this opportunity not only to learn the Japanese language and culture but also to explore one of the biggest and busiest cities in the world, which is also very different from their home town. The study tour consisted of a great variety of events such as experiencing the school program and having homestays to enhance the relationships with the school. The students also visited one of the leading theme parks, Tokyo Disneyland. In contrast, they enjoyed the peaceful atmosphere that surrounds the most beautiful temples and shrines in Kamakura and Nikko where the whole mountainsides were just about to be ablaze with scarlet-tinged leaves. Then we visited Japan's highest mountain, Mt Fuji, which stands at 3,776m.

▲ The TAS tour group at Kegon Falls, one of Japan's three highest.

▲ Mr Yamada (left) and Miss Dowden (right) with part of the tour group and students from our Sister School, Keimei Gakuen, hiking Mt Fuji.

▲ Students were amazed at the the batteries of vending machines.

This thirteen-day trip may not have been long enough to enable the students to become fluent at speaking Japanese, but it did give them many opportunities to extend their global insight.

Here is some of the student's feedback:

Experiencing a Japanese lifestyle, embarking on an international adventure and visiting an array of famous Japanese sights were just some of the many wonderful things I experienced during the Japan Trip 2009. It was an exciting and rewarding journey which left me with more insight into the Japanese culture and many happy memories. It was the trip of a lifetime. (Sophie Manoy, Year 11)

Being my first 'Japan Trip', I was facing the unknown. While experiencing a completely different culture and lifestyle I learnt so much about both traditional and contemporary Japan. I would recommend upcoming Japan Trips to any students, regardless of whether Japanese is studied or not. Be prepared to experience the unforgettable. (Sarah Mecklem, Year 11)

Whilst trying to adjust to life overseas and practise our chopstick skills we got to enjoy many traditional and non traditional experiences such as Nikko, Kamakura, Mount Fuji and Tokyo Disneyland. But at the

▲ The group was fortunate to see a traditional Japanese wedding procession.

WRJ Japanese

Excursion to Sadako & A Thousand Paper Cranes

In the final week of Term 3, Year 5 students from White Rock Junior and Marlin Coast Campus went to see the play, "Sadako & A Thousand Paper Cranes". The story is based on the book with the same title. Students have learnt about the Hiroshima Atomic bomb and how it affected people in Japan. The performance included Japanese culture, history, and many students were inspired by the courage of Sadako who suffered with illness after the bomb. Students folded colourful paper cranes and lanterns which were displayed in the foyer at the Civic Theatre. There were a few origami crane masters amongst students after this event! Their cranes have been sent to Hiroshima Peace Memorial park in Japan to dedicate to the memory of Sadako and to wish for world peace.

▲ TAS students in traditional Japanese kimonos and zori sandals.

same time we learnt and experienced a culture so different to our own, while having a fantastic time. (Shylaja Woolley, Year 11)

I think Japan was a very exciting and culturally enriching experience. Some of the highlights of the trip were visiting various temples and shrines, staying with a Japanese family and going to Tokyo Disneyland. I would recommend it to all younger students wishing to learn some Japanese and to get a taste of a culture truly different to our own. (Trent Jorgensen, Year 11)

I sincerely thank Miss Dowden for her ongoing support to make this trip such a huge success. This biennial Japan trip will be organised again in 2011. We are looking forward to seeing more students who want to take the advantage of this culturally, as well as linguistically enriching trip. Sayonara!

▲ TAS students make a traditional bamboo toy at Edo Wonderland, a cultural theme park.

*Katsumi Yamada
WRS LOTE (Japanese) teacher*

▲ Students take in the night lights.

▲ Some things that students didn't quite expect: Toilets with no seat! The Statue of Liberty! and hot food vending machines!

Trinity Day and Open Day

On Trinity Day & TAS Open Day, many children and parents enjoyed Japanese activities including dressing up, Origami, calligraphy, traditional toys and language games. Thank you again to the parent volunteers for supporting Japanese class during these events.

Japan Club

Japan club has been open for students from Year 3 each Friday lunch time throughout the year. Students who are keen to practice their Japanese and explore more about Japanese culture enjoyed various activities. Popular activities were Origami, traditional Japanese toys, cartoon drawing and calligraphy. (See photographs on next page).

Ms Ayako Iwasaki, WRJ Japanese Teacher

▲ Kiwa Ngawati (Prep W) & Ryan Rhipps (Prep W) dressed as young Samurai.

▲ Jacob Renshaw (5B), Dean Massey (5B), Chris Weir (5B), Kaleb Soblusky (5H), Jordan Owen (5H) and Justin Singh (5H) in front of cranes they made.

Bye Bye Birdie

TOWN HALL

The annual TAS musical just seems to get better every year, and the 2009 choice of *Bye Bye Birdie* was no exception. Performed in May to appreciative packed-out audiences over three big nights, the production was excellent.

A big congratulations to first time director, Ms Erica Schilling, and to our lead actors: Ellen Innes, Tahnee

Baker, James Barclay, Rhonan Bland, Connor Beu, Sam King, David Sharaz and Emmy Singh. They brought a refreshing excitement and enthusiasm to the production. Thanks to the dedicated assistance of the many staff and parent helpers, with such things as backstage help, prop making, set design, costumes, hair and make-up, this year's musical was another outstanding success.

Round Square

▲ Clare Candler, Valentina Awram, Ms Ramila de Silva, Ellie Pryor and Lizzie Davis sold cards and clothing at the Esplanade to raise funds for the Sri Lankan Boys Industrial Home project.

"We make a living by what we get; we make a life by what we give". - Winston Churchill

International understanding involves appreciating, valuing and respecting all cultures, religions and languages. Round Square offers students the opportunity to see themselves as global citizens, to look beyond gender, class, race, nationality and culture in order to gain a better understanding of human nature. To facilitate this, students can attend international conferences, student exchanges and Round Square International Service Projects (RSIS).

Service prepares students for life by allowing them to use their skills to serve others. Starting in Year 8 with tree planting, all students at TAS are encouraged to perform service hours, either at a School based activity, regional or international project. Round Square International Service Projects (RSIS) have been running for more than 20 years, occurring in developing countries, where both staff and students from Round Square schools work together in constructing buildings, classrooms and irrigation systems. Service is seen as an important aspect of a student's development as it empowers students to become knowledgeable and empathetic leaders of the future. All schools participating in Round Square have their own service projects and every student is encouraged to be involved in these.

TAS has been supporting the **Sri Lankan Boys Industrial Home** for more than two years now and the students have developed a strong connection with the boys through emails and photographs. This year **Balawyn Jones-Dillon** and **Tiffany Kaesermann** have led many initiatives including bake sales, international and desert food days, the Cairns Esplanade Market Stalls, the Coconut Carnival and special event stalls. The boys make beautiful batik products (headbands, cards, shirts, scarves etc) which are sold and the profits are sent back to the Boy's Home. This year over \$2000 was raised to go towards the Boy's Christmas Drive Fund, for food, clothes and toys.

The 2009 Round Square Captain, Rebecca Yensch, has been an enthusiastic and proactive representative of Round Square. With the assistance of the Round Square Committee members, Rebecca has led a variety of fund raisers throughout the year. These include 'The International Round Square Dinner', the 'Give-a-Damn, Give-a-Can' Christmas Hamper Appeal, Earth Hour Candle Fundraiser, Butterfly Badges for Deaf Society Appeal, Fijian Highland School Fund in Namuaua, 'Famous Faces' stall at the Coconut Carnival, and the many charity stalls to support the 'Prince Alexander Fund' which supplies the bricks and mortar for many needy projects around the world.

Student Exchanges

Once again TAS has added a new destination to its list of exchange opportunities, Chadwick School, USA. Our 2010 School Captain, Sophie Manoy is currently on exchange to the Chadwick School. There have been 13 exchanges this year to Canada, France, Scotland and the USA. Regional exchanges were to Sydney and Launceston, Tasmania.

Conferences

The Round Square Junior Conference was held at Scotch Oakburn College, Launceston, Tasmania in April 2009. The theme was 'Creating the Future'. Students who attended were Connor Lordan, Sam Hennigan, Caitlin Lowden, Nicholas Reaks, Monique van

▲ Rotary's Ron Cheeseman and Rod Hine are presented with Christmas hampers from Round Square co-ordinators Natalie Hermon, Bonnie Kedwell and incoming 2010 Round Square Captains Louise Millroy and Megan Emerton.

Cauwenberghe, Emma Austen, John Neville and the teacher representative was Mr Ron Tippet.

The Senior International Round Square Conference was held in Ajmer, India hosted by Mayo College in October 2009. The theme of the conference was "Lead me from the Darkness of Ignorance to the Light of Knowledge". Students who attended were Megan Emerton, Sarah McMahon, Valentina Awram, Alix Pichon, Louise Milroy, Rebecca Yensch, Elizabeth Davis accompanied by teachers Mrs Natalie Hermon and Deputy Principal Mrs Margaret Kennedy.

Conferences for 2010 are:

- **Junior Conference** - Singapore UWCSEA 22-27 June. Plus post conference tour.

- **Senior Regional Conference** - Southport, Qld (The Southport School) 21-26 June with post conference tour.

- **Senior International Conference** - Thailand (The Regent's School) 9-15 October. Plus pre-conference tour.

This year Round Square had its second annual Round Square Dinner and it was an outstanding success. TAS Jazz and TAS Voices entertained the guests and the Year 12 Hospitality students prepared a sumptuous buffet for the 90 guests. The evening opened with an

▲ The Annual Round Square Dinner.

introduction to the Round Square Organisation followed by some entertaining and informative speeches given by TAS students that had been on exchange or had attended Round Square conferences. The student's accounts of their travels told of many unique and awe-inspiring cultural opportunities.

Many students at TAS have benefited from Round Square events in 2009. All Round Square activities seek to develop the

recognition that *individuals* have the power to act, to instigate change and to be the leaders of the future. To quote one of the key note speakers at the 2009 International conference:

Winners don't do different things, they do things differently.

- Mr Shiv Kherra

Natalie Hermon, Round Square Coordinator

Round Square International Conference 2009: Ajmer, India

October this year saw seven TAS students: Lizzie Davis, Valentina Awram, Sarah Mc Mahon, Louise Millroy, Megan Emerton, Rebecca Yensch and myself, Alix Pichon, accompanied by Mrs Hermon, take the 11 hour flight to Delhi's Indira Gandhi International Airport. After the initial culture shock, we soon adapted to the heat, chaotic traffic, and of course the spicy food!

Our short stay in Delhi took us on a city tour through numerous Hindu temples, mosques and Sikh temples, learning all about India's numerous religions. Afterwards, an exciting rickshaw ride took us through the narrow streets of the city, witnessing firsthand the harsh living conditions of the people.

We were also fortunate enough to visit the majestic Taj Mahal, the icon of Incredible India. Despite the heat and the large numbers of people, we had a wonderful time, admiring the impressive monument from every angle, stopping for numerous photo shoots along the way and even getting a peak at the intricate marblwork inside.

A visit to Agra Fort followed, where we learned about the history of the numerous Moghul rulers and admired their palaces as well as saw monkeys roaming the battlements. After these visits we all crowded onto the thankfully air-conditioned bus and began the 6 hour journey back to Delhi, observing the monkeys, snake charmers and cows from the bus.

The week-long pre-conference tour took us to the foothills of the Himalayas and the Ganges River. Early morning wake-ups at the Snow Leopard Adventure Camp were followed by yoga sessions before breakfast to energise before the exciting adventures of the day which included hikes through the mountains, bike rides and abseiling.

Undoubtedly, the most exhilarating adventure of all was rafting down the Ganges River. As we went along, the rapids got bigger and bigger and we got better but wetter. In one of the rapids, we were told by our guide to jump in and we explored a whole new meaning of the word body-surfing. A stop along the river provided the opportunity for an adrenalin rush as we engaged in some cliff-jumping into the freezing-cold river from a height of 6m.

One of the other highlights of this pre-conference tour was undoubtedly the shopping outings in the nearby town of Rishikesh. Our purses all got lighter as anklets, pants, bangles and scarves were purchased.

As for the accommodation and food, it couldn't have been better as we stayed in luxury tents, first on a beach of the Ganges and later near a small stream. We also spent the morning in a local school, watching the 50 children in class, teaching them the Hokey-Pokey and presenting them with books and fans for their classrooms. However it was soon time to get back on the train and head to our next destination: the Conference itself.

The Conference took place in the midst of the deserts of Rajasthan in the city of Ajmer where the venue, Mayo College, resembled a palace and truly was fit for kings. During the 5 days of the conference, we listened to numerous inspirational guest speakers talking about issues relevant to the Conference theme: "Lead me from the darkness of ignorance to the light of knowledge" as well as participated in student led discussion groups.

Adventure Day saw the 647 delegates from all over the world split into 4 groups which headed off to numerous exciting activities such as

▲ The TAS Round Square International Conference delegation pictured in front of the red sandstone Agra fort, which contains many different palaces built through the ages.

visiting forts and museums, spending the morning with the Indian army or being pulled on along by a camel on the outskirts of the town of Pushkar. Numerous cultural activities and social activities were also organised such as the cultural evening where each region of the world organised a little performance to present their culture or the student disco where of course, everyone went wild to the tune of Jaiho.

The final evening arrived all too soon and after a last dinner outside under the trees of Mayo College, gifts were exchanged and goodbyes were said. The next day we got back on the train for the 7 hours back to Delhi before heading straight to the airport to come home.

Going on a Round Square Conference is a fantastic opportunity to discover another culture as well as make fantastic friends from all over the world, come back with so many wonderful memories, and of course thousands of photos! I really encourage all those interested to participate, perhaps next year!

*Alix Pichon
Year 11*

Exchange to Paris - L'Ermitage School

Incredible – c'est la seule voie pour expliquer mon voyage à France. I was privileged enough to experience a Round Square Exchange to Paris between August and October this year, and can safely say that it was one of the best experiences of my life. Not only was I able to experience a rich and completely diverse culture which brought to my attention the magic of foreign countries and travel, but I was able to forge life long connections and friendships that I hope to maintain for years to come.

After the first day in which the Australian (me) was taken to the Eiffel Tower, Arc de Triomphe, Le Louvre, and the Cathédrale Notre-Dame, my head was spinning – Cairns was starting to look pretty small!

Starting school was hard at first but it became much easier as my French progressed and improved. One of my friends was quite disheartened when at the end of the term I received more marks in a physics test than he did. I met a wealth of different people from an assortment of different backgrounds; from my Columbian dorm master to an Angolan singer who stayed with us, I learnt much about cultures outside of France and Europe. The Parisian culture, however, was what most fascinated me. I spent endless hours exploring the city of lights by myself and what I found was amazing. More than anything Paris is a city to discover, and I found much in my exploration. A return to France is a certainty for me, however I pretty much saw everything Paris has to offer, maybe the countryside will be my next destination. My trip would not have been nearly as enjoyable if it had not been for the hospitality and friendship of my host family and my exchange, Thomas Buttin. They were like a second family to me and I plan to keep in close contact with them. My exchange experience truly opened my eyes to the world and anyone given the opportunity to partake in a similar experience should seize it without a doubt.

The only way to describe my trip to France - incredible.

*Sam Grace

Hospitality

From the Deputy Principal

Give children the chance to discover themselves.
 See to it that children experience both success and defeat.
 See to it that there are periods of silence.
 Train the imagination, the ability to anticipate and to plan.
 Take sports and games seriously, but only as part of the whole.
 Free the children of rich and influential parents from the paralyzing influence of wealth and privilege.

These words were written in 1929 by Kurt Hahn, the founder of the Salem School in Germany, Gordonstoun School in Scotland, and the Outward Bound and Round Square Movements. Hahn believed that education was not about building a better future for our youth but about building a better youth for our future.

At TAS we are focussed on building a generation of young people who believe that they can make a positive difference in the world. The IDEALS of Round Square (internationalism, democracy, environment, adventure, leadership and service) in conjunction with our ethos are the foundations of all that we as a community hope to encourage in our students.

Community spirit is an important aspect of our school and this is fostered through our strong pastoral care system. From the moment a child enters the school they become part of their house family and this relationship is maintained until graduation at the end of Year 12. Within this social context students are nurtured and encouraged to be the best they can be. Interhouse competition encourages students to participate to the best of their ability and the focus is on participation and having a go. It is wonderful to see a cross section of students throw themselves into the spirit of competition, often with amazing results and newly discovered hidden talents. Each house fundraises annually for a specific charity and students are encouraged to assist in all aspects of raising money for their nominated charity.

In addition to house fundraising there are a variety of other charitable initiatives which have taken place this year including the Victorian Bushfire appeal and the Sri Lankan Boys Industrial Home. Leichhardt House were moved to raise money after the Black Saturday fires and this money was used to assist with the rebuilding of schools which were destroyed or damaged in the fire. Collecting money for the Sri Lankan Boys Industrial Home was a major focus for the year and funds were raised through selling a variety of products made by the boys both in school and at the Esplanade markets. Some of the clothing produced was modelled at the Fashion Parade and sold on the evening. Dessert Day, a fundraising initiative in 2008 took place again in 2009 and was a huge success. The delicious chocolate cakes baked by Balawyn Jones and her mother Jenny Dillon were very popular with staff and students! All monies raised will be used to provide essential items including school uniforms, shoes, and text books for the boys. Some money will also be used to provide some special treats for the boys over Christmas particularly for those who have no family to go to at this time. We will continue to support the Sri Lankan Boys Industrial Home long term.

▲ Mrs Margaret Kennedy, Deputy Principal of TAS, with Performing Arts Captains Ellen Innes and David Sharaz.

The Round Square committee has also assisted with fundraising supporting the Give a Can, Give a Damn Christmas Appeal which was well supported. This committee will continue to support a variety of worthy causes in 2010.

In 2009, students have experienced a variety of academic opportunities and successes. In Years 8 – 12 students have participated in the International Competitions and Assessment for Schools (ICAS) competitions for English, Mathematics and Science. In the ICAS English competition, 94 students gained a Credit, with 51 achieving a Distinction and 5 a High Distinction.

All students except the two Year 8 groups on camp completed the ICAS Mathematics competition and received 90 Credits, 39 Distinctions and 2 High Distinctions. The Australian Mathematics Competition, which is a voluntary activity, saw participants from Years 8 – 12 competing. Students were awarded 20 Credit, 21 Distinction and 6 High Distinction certificates with Giselle Bell in Year 12 being awarded a prize for the highest overall mark at TAS. A group of Year 8 students, Harry Butson,

Matthew Church, Ben Coxon and Mnaan Fraz, participated in the Year 8 Mathematics Quiz where they placed third in the Cairns District Competition and third again in the regional final.

◀ Student Representative Council Captain, Jessie Clements-Markham with Mrs Margaret Kennedy.

▲ School Captains: Rhonan Bland (Vice-Captain), Tom Beverley (Captain), Mr Daunt Watney (Principal), Bishop Bill, Emma Gowdie (C) and Balawyn Jones-Dillon (VC).

▲ Academic Captains, Eva Lambert and Sam King with Mrs Jill McPherson.

▲ Round Square Captain, Rebecca Yensch, with R.S. Coordinator Mrs Hermon.

▲ Year 8 Captains, Sarah Hillcoat, Aaron Dunkerton, James Burman and Tanita McPherson with Mr Peter Hennessey, Year 8 Coordinator.

A very small group of five interested students participated in the ICAS Computer Skills competition and were awarded 4 Credits and 1 Distinction.

The ICAS Science Competition results for 2009 were pleasing with students receiving 102 Credits, 52 Distinctions and 13 High Distinctions. Year 11 and 12 students also contested the Australian Science Olympiads and completed National Qualifying Examinations in Chemistry, Biology and/or Physics. **Alix Pichon** entered all three examinations and received a Distinction in Chemistry and a Credit in both Physics and Biology. **Ben McCormick** received a Credit in Chemistry and **Sophie Ngan** a Credit in Biology. **Alistair Milne** earned a Distinction in Physics and **Dohee Kim** and **Rebecca McCormick** were each awarded a Credit in that discipline. Year 12 students achieved to an very high standard in the recent STAQ Science Contest. In the Scientific Investigations category **Cary Wang** was awarded first place with **Sam King**, **Jake Anderson**, **James Burman** and **Sari Simpson** receiving a Highly Commended. In the Environmental Action Plan category **Sarah Hillcoat** and **Balawyn Jones** were placed first and second respectively with **Eva Lambert** receiving a Highly Commended. **Peter Stokes** was awarded first place in the Mathematical Investigations category. In the RACI Chemistry completion Year 12 chemistry students received 3 Credits, 2 Distinctions and 9 High Distinctions. Two teams of three students entered the Chemistry Titration Competition and placed first and second in the Cairns Region. These teams then contested the national competition and **Cary Wang**, **Sam King** and **Pranay Mantha** received gold medals for their outstanding performance while **Christopher Raymond**, **Giselle Bell** and **Christoh Lohmann** were awarded silver medals. Year 12 students who completed the University Chemistry course during the last two years have received some outstanding results for their endeavours. Year 12 Biology and Physics students had outstanding results in the CSIRO CREST awards where students completed an extended experimental investigation in an area of interest. Final results saw students receive 3 Gold, 25

Silver and 15 Bronze awards. In the BHP Billiton Awards 4 students have reached the final 16 and will travel to Melbourne for this event.

Students also participated in the annual Constitutional Convention, the Business Liaison Association's Business Plan Competition, the Bond University Mooting Competition and Legal Studies Essay competition.

Academic success continues to be an important aspect of what students achieve at TAS. The Class of 2008 received fine results with close to 50% of the cohort receiving an OP between 1 and 10. We are quietly confident that the graduating Class of 2009 will continue this strong tradition of academic excellence which will allow them to pursue their tertiary goals.

Outside the classroom TAS students have excelled on the sporting field, in dramatic productions and in music. TAS competes most positively in the sporting arena against school with many more students. It is a credit to the determination and athletic ability of our students that our results in this area continue to be very positive. The 2009 musical production *Bye Bye Birdie* showcased both the acting and vocal talents of our students and was a superb production. Music groups continue to evolve at the school with a focus on developing the talents of our students. Groups and individuals from across the campuses competed successfully in the Cairns Eisteddfod this year. Music groups are regularly invited to play at a variety of community activities and are always well received. In 2009 **Pranay Mantha** and **Miles Devlin** successfully achieved their AMusA.

At the conclusion of 2009, we made our farewells to Ms Amanda Zimmerman and Mrs Tracey Evans from the secondary school. Ms Zimmerman has been on staff for 12 months and will travel to Brazil to continue her work with children but with a more outdoor education focus. Mrs Tracey Evans leaves us after nearly 6 years at the School and she will be especially missed by the students from Leichhardt House. Mrs Evans is relocating to Newcastle where she will be closer to her extended family. Tracey has made a wonderful contribution to TAS and we wish her well in her future endeavours.

I want to acknowledge the fine work of the Student Leadership Team, led by School Captains Tom Beverley and Emma Gowdie, this year. As a group they have been outstanding role models and have certainly led by example being involved in all aspects of school life and encouraging others to do likewise.

Staff at Trinity Anglican School genuinely care about the young people in their lives and form a strong partnership with parents and their children. They are keenly interested in their students and how their life is unfolding. The fruit of this support, from both home and school is the outstanding development and the achievements of our students. At TAS through this strong partnership of home and school we continually strive to encourage our students to go forward into the world striving to make a positive contribution to the society in which they will live and work.

Mrs Margaret Kennedy

Science

▲ Mr Daunt Watney and Rosie Watters, winner of the 2009 BHP Billiton Award. TAS has four finalists in the 2010 awards.

The year in Science at Trinity Anglican School began on a high note in February, with Rosie Watters (Year 12, 2008) being announced the winner of the highly prestigious BHP Billiton Award 2009. Her Physics project was entitled "Crash Force: Investigating Different Foams in Bicycle Helmets". A national award of this nature is an outstanding achievement and is testament to the meticulous approach that Rosie took towards her research work. We congratulate Rosie and wish her well in her future studies.

Field work and activities dominated Term 2:

- Year 11 Biology students enjoyed their day on Normanby Island, despite the weather being somewhat inclement. Snorkelling and exploration of rock pools provided many opportunities for identifying an enormous variety of marine organisms.

- Year 8 students completed their Environmental Studies unit with a field trip to Freshwater Creek. They displayed colossal interest in collecting data and utilized a range of sensors and data loggers in the field.

- A small group of Year 9 & 10 students participated in the inaugural Far North Queensland Science and Engineering Challenge. Despite being relatively few in number they displayed highly enthusiastic and innovative approaches to the tasks they were given and performed admirably. The Year 9's will have the opportunity to participate in the challenge again next year.

- The ICAS Science Competition results were again very satisfying and most notably, our students' performance was above that of the Queensland average in every year level. Thirteen High Distinction, 51 Distinction, 102 Credit and 194 Participation Certificates were presented to students in Years 8 to 12.

▲ MCC students enjoyed their visit from Year 9 Extension Science students for a day during National Science Week.

▲ Shou Barrett (Year 9) at the FNQ Science and Engineering Challenge, which was held at JCU Cairns.

Term 3 was busy as usual with National Science Week and several competitions:

- Eight of our Year 9 Extension Science students became teachers for the day (as part of National Science Week activities) at Marlin Coast Campus. Year 6 & 7 students were treated to some exciting displays and learned about polymer science and acid-base chemistry.

- Senior Chemistry students demonstrated their considerable skills in the RACI Regional Titration Competition at JCU. Two teams were entered with Team "TAStration" consisting of Pranay Mantha, Christoph Lohmann and Cary Wang winning first place and team "AWE" consisting of Christopher Raymond, Sam King and Giselle Bell placing second. On an individual basis, Pranay took first place with Christopher coming in second. Both teams went on to compete in the National Finals where Sam, Pranay and Cary each won gold medals and Christopher, Giselle and Christoph each won silver.

- The RACI Chemistry Competition was undertaken by Year 11 and 12 Chemistry classes with over 40% of our students receiving distinctions or better. Results were: 14 High Distinctions, 8 Distinctions and 6 Credits. Special mention must be made of three students who were in the top 800 students nationally and received Awards of Excellence. Year 12 students Sam King and Cary Wang, together with Morgan Howe, our Year 11 exchange student from the U.S.A. received commemorative plaques and are to be congratulated on their truly outstanding performances in this competition.

- National Qualifying Examinations for the Australian Biology, Chemistry and Physics Olympiads were undertaken by a small number of invited students. These are exceptionally difficult exams which makes the results all the more significant and our students are to be commended for their participation. Results as follows -

Biology: Certificates of Credit were awarded to Alix Pichon and Sophie Ngan and a Certificate of Participation to Miles Devlin.

Chemistry: Certificate of Distinction to Alix Pichon; Credit to Ben McCormick. Participation Certificates to Rebecca McCormick and Sarah Mecklem.

Physics: Certificate of Distinction to Alistair Milne; Credits to Alix Pichon, Dohee Kim and Rebecca McCormick; and a Certificate of Participation to Bradley Stitt.

Term 4 brought with it some more exceptional results for our senior students by way of their individual extended experimental investigations:

- CSIRO Crest Awards: Gold awards were received by Giselle Bell, Christopher Raymond and Cary Wang for their Physics projects and a further 28 Silver and 15 Bronze awards were bestowed upon our Year 12 Biology and Physics students.

- STAQ Science Contest - Scientific Investigations Category: First place went to Cary Wang, with Sam King, Jake Anderson, James Burman and Sari Simpson all being Highly Commended.

▲ WRJ students enjoyed a very educational visit from Mr Joe Davis of Qld Health, where they learned of the dangers of Dengue Fever and the *Aedes Aegypti* mosquito.

Environmental Action Project: 1st Sarah Hillcoat; 2nd Balawyn Jones; Eva Lambert - Highly Commended.

Mathematical Investigations Category: 1st Peter Stokes.

Winners of the Australian Society of Soil Science Bursaries: Sarah Hillcoat and Cary Wang.

Winners of the Australian Acoustical Society Bursaries: Christopher Raymond and Cary Wang.

Business Liaison Association/Cairns Ports Environmental Awards: Sarah Hillcoat - Encouragement Award.

On top of this impressive list of achievements and successes for 2009, we are also excited to announce that four of our students were successful in becoming finalists in the 2010 BHP Billiton Awards. Giselle Bell, Balawyn Jones, Cary Wang and Sam King have been invited to attend the award ceremony in Melbourne early next year. We wish them all the best for this event.

May I take this opportunity to thank the incredibly dedicated staff of the Science Faculty for their support, hard work and efforts throughout the year.

Kerry Moyer
Head of Science

► Science teacher, Mrs Natalie Hermon, pictured with medal winners from the RACI National Titration Competition. From left: Sam King (Gold), Christopher Raymond (Silver), Giselle Bell (S), Cary Wang (G), Pranay Mantha (G) and Christoh Lohmann (S).

▼ STAQ & CREST Science Award winners for 2009 were (from left) at back: Daniel Chapelle, James Burman, Peter Stokes, Jake Anderson, Christopher Raymond and Sam King. At front: Sari Simpson, Eva Lambert, Cary Wang, Sarah Hillcoat and Balawyn Jones. (Several other Science Award recipients were unavailable when the photo was taken).

▲ Year 9 and 10 students tested their knowledge of physics at the 2009 FNQ Science and Engineering Challenge.

▲ Jack Gerrard, Sidharth Mantha and Aidan Davis test their catapult at the FNQ Science and Engineering Challenge.

Trinitarians

◀ The term Trinitarian is used to describe a student who has received their whole Prep-Year 12 education at Trinity Anglican School.

The graduating Class of 2009 contained twelve Trinitarians. They were (from left) - Front: Claudia Georgouas, Emily Hare, Jessie Clements-Markham, Caitlin Rogers, Tiffany Kaesermann and Sari Simpson. Back: Elliot van Kempen, James Burman, Christopher Raymond, Brendan Laws, Brendan Shute and Samuel Batt.

Farewell to our graduating Class of 2009

TAS wishes you all the very best in your future endeavours.

The 2009 Sporting Year at TAS

▲ TAS Dragons Netball team pictured after their game against Blue Mountain College from New Zealand.

▲ TAS 1 Under 17 Girls Soccer team.

The 2009 Sporting Year at TAS has been a year in which many of the successes from 2008 have been consolidated. The year has been a busy one as our school has hosted three major interschool carnivals and has fielded the greatest number of school sports teams in recent years.

Many students have represented TAS in a variety of sports this year, with an amazing 48 teams in total across the School. Over 135 students played in one of fourteen soccer teams, 75 students played in one of eight netball teams, 77 students played in one of the four rugby teams and 78 students played in one of eight hockey teams. Other sports enjoying high participation rates this year include chess, swimming and futsal.

Several teams across all sports reached finals' series and many earned the title of grand champions. One hockey team contained students from each campus, including Marlin Coast Campus, White

Rock Junior and White Rock Senior. It is encouraging to see the pride in sport at TAS continue to develop and to witness the support of our School community for TAS teams.

2008 saw the secondary school win each of the three major interschool carnivals. This year the first two interschool carnivals were won by TAS, including swimming which, until 2008, Saints had held for the previous 33 years. Year 8-9 students also entered a new Junior Secondary Sports competition this year in sports including soccer, basketball, touch football, netball, basketball and AFL. Four of our seven teams made the top four and therefore the semi-finals, with both the boy's and girl's soccer teams making a grand final appearance. The girl's team won the grand final in a tough match against St Andrews.

There have been many outstanding achievements from individual students and long-standing records have again been broken at all

▲ TAS Sportspersons of the Year with Mr Daunt Watney are (from left): Isabel Paterson (WRJ), Monique van Cauwenberghe (WRS), Mikayla Stirling, Gordon Milne (MCC), Marcus Buschel (WRS) and Gabriel Hawash (WRJ).

▲ TAS Open Girls Rugby squad with coach Mr Ruellen.

▲ TAS Under 18 Boys Futsal team - Regional Champions.

▲ TAS Open Boys Rugby squad.

▲ TAS swimmers celebrate a second fabulous Interschool Swimming Carnival victory at TAS Aquatic Centre.

interhouse carnivals. At a representative level, this year the TAS Swimming Club had two swimmers make the state team, both qualifying by being the fastest in the country for their age group in at least one event. A total of 15 students have competed in state teams at National Championships this year and five students have been invited to represent Australia in their chosen sports.

Staff at TAS have been particularly active in the sporting community by coaching and managing several district and regional representative teams. Staff have coached teams including Cairns representative netball and softball and regional representative rugby, basketball,

netball and AFL. The school has convened the Secondary Interschool Swimming Carnival, along with the Primary and Secondary Interschool Athletics Carnivals. TAS has also been the convening school for the Cairns and District Schoolboys Rugby.

The following sport pages in this Trinitas are a celebration of the achievements of the past year. We look through the photos and list of achievements to celebrate and to recognise individual success and outstanding performance but it is salutary to remember that without the support of their teams, the individuals singled out herein could not have achieved what they have done, so in recognising the individual we acknowledge too the efforts of all those who have participated in Sport this year at TAS and beyond. We also recognise the commitment and dedication of parents who coach and manage teams, transport children around the countryside and without whom none of this would be possible.

Congratulations to all students who participated fully in TAS Sport in 2009. Thank you all for your commitment, your dedication and your efforts throughout the year. Thank you for being ambassadors for our School. 2009 has been excellent and it has built a solid foundation as we look forward to a bright 2010.

*Mr Darren Osmond
Director of Activities*

▲ TAS Sports Captains Sarah Martin and Daniel Chapelle accept the TCS Interschool Cross-country Trophy which TAS has now won for the third year in a row.

Interhouse Competition

TAS SPORT

The tables below detail the full results for both the Junior and Senior Interhouse Competitions. Kennedy house won the senior competition outright and tied for the win in the junior competition with Dalrymple house. Leichhardt had the highest rate of participation in the senior school across the four major sports carnivals, with Dalrymple a close second. All houses achieved more than 80% participation across all major carnivals, with Mulligan having an outstanding 92% of its students completing the 4km cross-country.

Results were evenly distributed across the Junior School, with a tie for both first and third placings and only two points separating all houses.

DALRYMPLE DOLPHINS

Dalrymple 2009

▲ Dalrymple rev it up before taking their turn at the Interhouse Singing competition.

UNITED THROUGH SPIRIT!

House Day

House Day 2009 was a huge success! This is day three in Week 1, where the House is introduced to the leadership team for 2009. Rhonan and Tiffany along with Tahnee and April were ready to embark on the journey of fun, laughter, excitement and camaraderie! In the morning, the team building games and challenges set up and ran by the Outdoor Education Department saw some laughs and some trepidation in a few new Dolphin members! These challenges definitely helped build team spirit and hopefully fostered some new friendships. We had a lot of enthusiasm and energy amongst the Dolphins and after the great feast cooked up by the Seniors of 2009, we were all ready to enjoy one another's company and share some good times on the waterslides! It was a fantastic and great way to start the year!

Swimming Carnival

At the beginning of each year on Year Twelve Retreat, a considerable amount of planning and organising goes into the Interhouse Swimming Carnival. First of all the students have to decide their Swimming Carnival theme and then they have to come up with some amazing cheers. Year Twelves of 2009 took these two responsibilities very seriously. The theme was "Sailors" and the cheers were second to none! On the day, we donned hand made sailor hats, sailor ties and led by Tiffany and Rhonan with a "UNITED THROUGH SPIRIT" banner and a wooden boat; we showed the rest of the school that we are the cheering champions! Defending the title, the sailors chanted until their voices were no more and this resulted in a well deserved victory! They were ecstatic and fired up! Thanks to Tiffany, Amy, Ellen, April, and Tahnee for their extensive work making the amazing hats and sailor bibs for the Year 12's and the rest of the pod. It was a fantastic day, with a huge effort in the pool from all pod members. Kotuku Ngawati was Age Champion with Daniel Chapelle as second

▲ Dalrymple performing at the Interhouse Singing competition.

place in the Open Boys' Category and Amy Pounder, Katrina Ewington and John Kyriazis as third place in their respective age categories.

Triathlon

This exciting competition is definitely the Dolphin's favourite event throughout the entire year! We had the overall best participation of all the houses which resulted in winning the beloved "Dragonheart" Trophy. It was a great accomplishment for all the hard work that the students put in throughout the day. We had more Age Champions than we have ever had! Daniel Chapelle, Kotuku Ngawati, and Jesse Hermon were the first across the line in their age category after the swim, run and bike! We were also successful in winning the Senior section trophy!

Athletics

We jumped, ran and threw our hearts into everything we did at Barlow Park and it paid off for a number of our students. Our Year 12 Dolphins were determined to make the most of the last Athletics Carnival of their high school career, so they ensured that we had a huge turnout of junior Dolphins. We were very proud of our Age Champions including Scholastica Stagg and Daniel Jones and third place in their age categories went to Elizabeth Davis and Gabriela Paterson.

To the Dalrymple Seniors of 2009; thank you for being such a dynamic group of young adults. Tiffany and Rhonan were the very deserving recipients of the "Spirit of the Dolphin" Trophy that is presented on the last day for the Year 12s. They were great leaders and definitely created a spirit within the House that I am hopeful will carry on in the years to come. Ellen Innes was awarded with the "Most Enthusiastic Dolphin" trophy which is very appropriate! She has an infectious enthusiasm which is definitely her legacy in Dalrymple. To the leaders, Klim Ford, Elizabeth Davis and Sarah McMahon, I look forward to the Year 2010 with excitement and anticipation as I know that your team of leaders will be a great success. Thank you Dalrymple for making 2009 a year to remember! Have a great holiday and I look forward to seeing you in Term 2 after the birth of our newest Dolphin.

I also want to thank my fellow Heads of House, Mrs O'Shea, Mrs Evans and Miss Brown, for their personal and professional support during both difficult and exciting times for me this year. Mrs Evans will be very much missed and we wish her well in her future endeavours.

Merry Christmas and Happy New Year to the Dalrymple Pod and your families.

*What lies behind us and what lies before us
are tiny matters compared to what lies within us.*

▲ Tahnee Baker is closely followed by April McLaughlin in the WRS Triathlon.

▲ House Captains Tiffany Kaesermann and Rhonan Blanc with the "Best Cheer" trophy.

S-U-C-C-E-S-S

House Day 5.7

LEICHHARDT LIONS

▲ Leichhardt Lion "Lifesavers" assembled at the start of the Interhouse Swimming Carnival.

This year has been an incredible one for Leichhardt. You could say it was the Year of the House of the Rising Lion. It all began with House Day, back in the very first week of the year. It was clear from the outset that our Seniors wanted to lead the House and had the spirit and enthusiasm to do so. The newly nicknamed 'Freshmen' (Year 8s) and other new students felt very welcome in the pride. Fun and games were had by all, both at school and at Sugarworld. And let's not forget the yummy lunch that was prepared and cooked so lovingly by the Seniors.

The Senior Lions of 2009 then went to and returned from the Year 12 Retreat with even more enthusiasm and spirit than before and were ready and raring for the next event – the Interhouse Swimming Carnival. The whole house became 'Leichhardt Lifesavers' and we even had a rescue demonstration when one of our lions 'accidentally' fell into the pool. After lots of kicking and splashing, cheering and yelling, we received some great results. The full list of results for all interhouse events can be seen in the table on page 42, but I wanted to make particular mention of our **VICTORY** in the **Dragonheart/ Participation Trophy** – the first time Leichhardt had ever received this trophy for any of the Interhouse events. This was an exceptional start to the year and was especially important because the Year 12s had made participation a focal point for the year during our House meeting on the Year 12 Retreat.

However, before we had a chance to begin preparations for the next event, a national tragedy struck in the form of bushfires in Victoria. Leichhardt's sense of community, service and spirit were on display as we led the fundraising for the Victorian Bushfire Appeal. The funds from our Free Dress Day, which would have originally gone to our house charity – the Cancer Council – were forwarded to the Bushfire Appeal instead. We also held numerous bake sales and other small events. Over \$2500 was raised at WRS for the Appeal; an incredible amount in such a small amount of time.

It was then time to return to the fun of competition in the field of Interhouse Debating. With 27 speakers, as well as a strong team of behind-the-scene helpers, we put forward some good arguments

against some tough opposition. Again we experienced great success resulting in a fantastic 6 victories from 9 debates and an outstanding Equal 1st overall.

Upon return from holidays, we were soon faced with what has been our worst event – the Cross-Country. Despite placing 4th in participation, it was the actual percentage that we were interested in – 89%, which was a HUGE improvement from last year. We also had some brilliant individual performances, as can be seen in the table of Age Champions. Congratulations to every student that participated in this event; I encourage you all to make a commitment to the 2010 Cross-Country.

In June we celebrated Trinity Day with a moving ceremony, followed by the presentation of the Spirit of TAS Award. Leichhardt House was very proud when one of our remarkable Senior Lions – Emma Gowdie – received the award. Congratulations Emma on this well-deserved honour. We then ate lunch together as a House, after which it was time for the traditional Dash and Tug-of-War events. The Dash has been one of our strong areas for years and 2009 was no different; the Dash trophy was once again on its way home to the Pride's Den. But wait! There was still the Tug-of-War to go. And as much as the Dash has been our pet event, the Tug-of-War has been the opposite. Round 1 and it was a surprise win to Leichhardt; Round 2 and again we won! In the final round we were convincing winners, which meant a spot in the Grand Final – the first time in many years. Hearts were pumping and whispers were heard – could the Lions win their first Tug-of-War in years? The answer? A resounding 'YES!' Trinity Day 2009 will certainly go down as the most successful in years for Leichhardt.

We also had the 'Biggest Morning Tea' in Term 2. We raised hundreds of dollars for the Cancer Council with a brilliant team effort which saw so many lions baking for and serving at the event. The final Interhouse event for Term 2 was the Triathlon. Again, this has not been a favourite event for Leichhardt House. We have had some incredible individual performances over the years, but overall results haven't always gone our way. This year, the spirit that is typical of

▲ Trent Jorgensen and Fiona West (both TAS Age Champions for cross-country) at the creek crossing.

our House was seen again through fantastic individual and team performances. (See results table below).

Early in Term 3 we had what is arguably the biggest Interhouse event of the year – the Athletics Carnival. Once again we were victorious in the Dragonheart Trophy for best House participation – a mighty effort. We also placed 2nd overall.

We had another big fundraising event this year – Daffodil Day – during Term 3. Again a whole House effort resulted in more than \$750 being raised for our charity – the Cancer Council.

To finish Term 3 we had the Interhouse Public Speaking competition. This has been a fairly good event for us in the past and this year again looked promising. What we didn't realise at the time was just how promising 2009 was. How many trophies did we win? We WON EVERY DIVISION plus the overall trophy, which meant 4 – count them 4 – trophies in the one competition.

And then there was one to go. We sang and danced and sang some more and put on 2 exceptional performances. This gave us a remarkable 2nd place in each category and 2nd place overall.

Our marvellous accomplishments throughout 2009 meant that we won the Dragonheart Participation Trophy and placed 2nd in the Champion House trophy. These fantastic results meant that this year was the most successful year for Leichhardt in a long time. We had an incredible 14 1st placings in various events – up from 3 in 2008! We hope to continue and build on this in 2010. Once again thank you to everyone for your involvement, enthusiasm and most of all your spirit.

A full list of Leichhardt's achievements in the Interhouse Competition, including Age Champions, can be seen in the table below.

Event	Trophy & Result	Overall Result	Age Champions

▲ Daffodil Day was another successful fundraiser held by Leichhardt, with the proceeds going to the Cancer Council.

► Sylvie de Swardt and Jim Hadfield accept the Year 8 Debating Trophy on behalf of their young Lion housemates.

Speaking of spirit, I would like to also mention a special award that is given out every year to one or two extraordinary Senior Lions. The Tracy Carroll Award is a tradition in Leichhardt House for a Year 12 student who has been a passionate, vocal and enthusiastic supporter of the House. As mentioned previously in this article, the whole cohort of Senior (Year 12) Lions has been an inspiration for the rest of the Pride this year. Their energy never wavers; nor does their commitment to Leichhardt. There were two winners of the Tracy Carroll Award in 2009. One of the most admiring qualities that both possess is that they don't do anything for personal reward; they do it for Leichhardt. Special congratulations go to *Ashleigh Pain-Geddes* and *Tom Beverley*, who have been awesome role models for all Lions and their enthusiasm and dedication to Leichhardt is always obvious.

Leichhardt would be lost without 5 other extraordinary people – our tutors. On behalf of all Lions, as well as personally, I would like to thank Mrs Alison Falk, Mrs Gaye Chant, Ms Ruth Thompson, Mrs Kerry Moyer and Mrs Melissa Sanders for the outstanding contributions they have made to Leichhardt this year. The care and support for students is evident during every activity, from daily tutor group to interhouse events. Their support for me has also been an invaluable resource.

2010 will see a change in the Leichhardt office and I'm sure all Lions will warmly welcome Mrs Rachel Elphick, who will be the new Head of Leichhardt House next year, as well as the new students, particularly those in Year 8, Emmy Singh and Trent Jorgensen (House Captains) and Alex Thomson and Jesse Ramsay (House Vice-Captains) also make the new student leadership team for the Pride and I have every confidence that they will lead the House to numerous victories in 2010.

Finally, on a personal note, I would like to thank all Lions and their families for the last four years. I have thoroughly enjoyed being a part of this wonderful group and am very sad to be leaving the Pride and TAS. This year has been the most successful for Leichhardt in a while and it is due to the incredible House spirit that all Lions have demonstrated. I would like to make special mention of the 2009 Senior Lions whose example of spirit, participation and enthusiasm was fundamental in orchestrating a turn around of results from recent years. They were outstanding in being involved and encouraging the rest of the House to do the same. From Day 1, when they affectionately nicknamed the Year 8s 'Freshmen' to their final, emotional farewell, the Senior Lions of 2009 gave 100% to every event, and then some. I'm sure their legacy will continue and I look forward to hearing of Leichhardt's success in 2010. Once again, thank you to all Lions and all students at TAS. It is a very special community and I will always remember it with affection. I wish you all the best for the future.

Take care and be good!

Mrs Tracey Evans
Head of Leichhardt House

Kennedy 2009

▲ Kennedy Crocs with Moseley Wartoto moon-walking out front (right) won the Interhouse Singing Competition.

I am continually amazed at the depth of character of the students in Kennedy House. Their initiative, talent and courage cannot be surpassed, and each year my eyes are opened to a new facet of this ever evolving family. I reflect on the personal achievements of each individual student this year and congratulate everyone on their fine efforts. Together we are unstoppable!

2009 has been a year of success for Kennedy House, culminating with the attainment of both the House Cup and the Academic Cup. Why have the Kennedy Crocs of 2009 achieved such success? It is their determination, their dedication and teamwork, their participation and positive attitude. There is something special about Kennedy – a kind of magic that comes from being part of a spirited team that is not afraid to reach for the highest stars.

House Day

Sugarworld was a fantastic venue to start off the year on House Day. Students showed their Kennedy spirit, chanting cheers, playing tutor games and taking on the challenge of egg roulette. A wonderful lunch was made by the Year 12 students and cleaned up by the Year 11 students. Then the crocodiles hit the slides and enjoyed their time with old and new friends.

Swimming Carnival

For the sixth year in a row Kennedy dominated in the pool, winning the Interhouse Swimming Carnival. Students marched into the Aquatic Centre as Rock Stars and continued this theme in the pool. Congratulations to those students who ranked in the top three of their age group; **Bogdan, Danica, Clare, Jock, Tarni, Sarah, Jordan, Hollie, Jack and Rachel.**

Debating

This year's debating involved some interesting arguments about envy, cheating and the media vs. government. Congratulations to **Jock, Brendan S, Sarah, Sophie, Campbell, Isaac, Nico, Aaron, Jessie, Emma, Tanita, Tarni, Jack, Darby, Madeleine, Sally, Rebecca C, Sofie, Daniel, Bridgette, Shiva, Ben, Harry, Connor L, Jordan McA, Fiona, Justin and Caitlin** who performed admirably. The Juniors and Seniors dominated their sections and won their respective trophies. The Year Eight's placed second - Well Done!

Cross-Country

The Interhouse Cross-country dawned a clear and dry day for once and our students took advantage of the fine conditions. **Alec, Rachel and Sally** ran with great determination to be Champion of their Age groups. Other spectacular performances came from **Harry, Jordan McG, Corey, Nick, Matt, Ben, Isaac, Ben Mc, Jordan McA, Asha, Sarah, Tarni, Kaitlyn, Marsha, Danica, Sofie, Sarah and Tanita.** All students enjoyed their morning and displayed excellent

sportsmanship. Our fine efforts resulted in winning the Junior, Senior and Overall trophies!

Trinity Day

The celebration of Trinity Day began with a wonderful Chapel service. Students then enjoyed a hearty lunch by the pool before congregating on the oval for the sporting festivities. The Dash was closely run and **Sarah, Campbell, Camille and Matthew** were fantastic competitors. **Sam, Giselle, Jack, Rebecca Mc, Scott, Corey, Jayden, Sofie, Tayla and Isabel** were narrowly beaten in the Tug-of-War Final. Special thanks to Sam Batt for his inspiration over the past 5 years!

Triathlon

The final day of the semester is always a day of great fun at Kewarra Beach for the Interschool Triathlon. It was wonderful to see how many students made the effort to shine up their old treadly and limber up for the event. The weather was perfect and the festivities afterwards were enjoyed by all. Many personal bests were achieved on the day and congratulations must go to those who placed in the top 5 of their age category: **Rachel, Jordan McA, Harry, Tarni, Sarah, Alec, Corey, Blake, Marsha, Sally, Jack, Danica, Clare, Natasha, Sophie, Connor, Ben Mc and Bogdan** for Individual Triathlons. **Nick, Sean, Mark, Gina, Hollie, Isabel, Camille, Robin, Sarah, Luke, Shiva, Jaiden, Asha, Layne, Daney, Jayden and Leo** for Duathlon and Team Triathlons. A great effort everyone!

Year 12 Formal

A vision of beauty and grace, the Kennedy Seniors danced the night away and posed for photos at the Sebel Hotel for their Year 12 Formal. The fine food, company and ambience were enjoyed by all. You all looked fantastic!

Athletics Carnival

A bright day dawned at Barlow Park and Kennedy House arrived ready to defend their trophy and dominate the 2009 Interhouse Athletics Carnival. Kennedy House placed second in both the Junior and Senior categories and won the overall Athletics Cup. A brilliant day for all who participated, but special mention goes to **Jordan McA, Asha, Tarni, Sarah, Caitlin, Matthew, Corey, Marsha, Sally, Jaiden, Camille, Rebecca Mc, Campbell, Jock, Sarah and Moseley** who dominated their age groups in this year's competition. Sarah and Mathew Martin both broke School records on the day. Well Done!

Public Speaking

Year Eight orators **Harry Butson** and **Jordan McAvoy** mesmerised the crowd with their fantastic speeches, earning them second place in their category. Junior secondary students were entertained by the

Back Row L-R: Ms Beth Girbau, Mr Jim Rea, Jayden Wright Wood, Nick Knezevic, Moseley Wartoto, Brendan Laws, Bogdan Urchianu, Connor Kennedy, Daniel Quinn, Jack Gerrard, Campbell Simpson, Jock Dawson, Blake Phibbs, Sean Akiyama, Richard Chatoor, Leo Conti, Jordian McGregor, Nicholas Hamill, Jacob Waterfield, Benjamin McCormick, Isaac Halabi, Aaron Dunkerton, Samuel Batt, Nicolaj Kraemer, Mark Phibbs, Scott King, Jeremy Caccia-Birch, Dylan Perry, Mitchell Hardwick, Benjamin Coxon, Michaela Charteris, Jordan McAvoy, Madeleine Philip, Hannsol Kim, Rebecca McCormick, Sarah Mecklem, Morgan Howe, Sophie Maroy, Sofie van Kempen, Bridgette Lowden, Harry Butson, Daniel Chatoor, Luke Martin, Connor Lordan, Corey Cunningham, Toan Ibanez-Almarche, Mark Righton, Robin Wei, Jaicen Petrucci, Isaac Hargreaves, Brandon Brosseuk, Darby-Perrin Lerner, Blake Alexander, Giselle Bell, Letitia Field, Laura Farmer, Daney Weir, Cassie Ahlers, Jade Thomas, Sarah Candler, Claire Candler, Danica Ziviani, Tanita McPherson, Isabel Johnston, Rebecca Coxon, Marsha Charteris, Ellie Prior, Tarni Fisher, Lucy Ritchie, Gina Akiyama, Layne Thomas, Keito Shimizu, Camille Martin, Imogen Bell, Elliot van Kempen, Brendan Shute, Mrs Kirsten O'Shea, Jesssie Jatke, Stevie Barbagallo, Hollie Petty-Richardson, Emily Linton, Kiyoko Noda, Rachael Gilholm, Asha Lawson, Katiyn Forster.

▲ Scott King and Jock Dawson during Cross-country.

▲ Kennedy Crocs "Got Spirit" how 'bout you?

▲ Clare Candler powers up the river bank.

▲ Sally Graham and Marsha Charteris. 1st and 2nd in their age-group for Cross-country.

talent and wit of Darby-Perrin Lerner and Rebecca Coxon who came second in the Junior section of the Interhouse Public Speaking Competition. Tanita McPherson and Aaron Dunkerton also weaved their magic in oration in what was a competitive collection of senior secondary contestants. They also gained second place in the senior competition. Congratulations to these students – we all thoroughly enjoyed your speeches!

Coconut Carnival

The weather held as we celebrated the annual Coconut Carnival in October. Kennedy House was kept busy long into the evening pouring delicious hot drinks and serving mouth watering cakes and slices. Many thanks to the Year Elevens's who took on the responsibility of setting up this venture – Jock, Sarah, Ben and Nick. Thanks to all the staff and students who manned the Coffee Shop and baked goods for us to sell. Your efforts on the day were outstanding!

Singing Competition

The Kennedy performance at the Interhouse Singing Competition this year was nothing short of heart stopping, roof raising and toe tingling. I could hardly contain my excitement as the green machine took to the stage for their two songs and blew the competition away. Great organisation, a commitment to fun, lollies at practice and excellent energy together with sheer natural singing talent resulted in a clean sweep of both sections. *Twist and Shout*, as well as *Blame it on the Boogie* will always be remembered with fondness.

▲ Kennedy "crocettes" *Blame it on the Boogie* during the Interhouse Singing Competition.

► Kennedy Captains Jessie Jattke and Brendan Shute with the WRS Interhouse Swimming Trophy. This was the 6th year in a row for Kennedy as champions in the pool.

The Year Eleven's showed fabulous leadership combined with masterful choreography from Ellie, Jessie, Stevie and Scott as well as clever costuming and props. Thanks to all our support crew for their fabulous advice and attention to detail.

A great House is nothing without marvellous tutors that guide, nurture and support their charges each day. Thank you to Ms Cox, Mrs Warlters-Hill, Mr Rea, Ms Brown, Ms Payze and Ms Girbau. Special thanks to Mrs Julie Warlters-Hill for her strong leadership as Head of House in Term 1. Her energy and spirit initiated the drive and focus for our team. Congratulations also to Ms Cox and her family on the safe arrival of their beautiful new daughter Stella Rose.

Congratulations to Ellie Prior and Connor Kennedy for their appointment as Kennedy House Captains as well as Ben McCormick and Rebecca McCormick for their appointment as Kennedy House Vice Captains. As leaders of a wonderful group of Year 12's we are sure to have a fabulous year in 2010.

Finally we wish to extend a warm welcome to all of our new Crocs for 2010 – we look forward to your many wonderful contributions to the team.

Have a safe and happy holiday everyone.

MULLIGAN MUSTANGS

Mulligan 2009

◀ Seniors of Mulligan House at Lake Tinaroo during the Year 12 Retreat at the beginning of 2009.

▼ House Captain Annabelle Charlton with Louise Millroy and Tara Hilet admire Mulligan's Line of Coins.

Mulligan Matters

We knew the year was off to a good start when House Captain, *Christopher Raymond*, rode into our first House meeting on the back of a (toy) Mustang to the strains of the Lone Ranger theme tune, "Hi Ho Silver Away!" The House is warming to our new mascot, especially now we have Marvin the Mustang making his stable in Ms Brown's office (thanks to Father Jeff). Here are just some of the Mustang's highlights for the year.

The **Interhouse Swimming Carnival** saw Mulligan break in some new cheers written by our Year 12 students to reflect our new mascot. *It seems that we're reaching higher, cause we're on fire, mustangs rock!* This was delivered with the sauciness expected from a pack of Mulligan marauders, with the House adopting a pirate theme for the carnival. Students dressed up with eye-patches, bandanas, hats, parrots and even their own seaworthy vessel, arrrgh! Congratulations go to *Baldur Gudmundsson* for securing the prestigious Age Champion title in his division at this event.

The results of the **Interhouse Debating Competition** were close between the houses. Mulligan won three debates with the successful participants being: *Verity Smith, Grace Morton, Phoebe Lewis, Leith Wilson, Ashley Hanlon, Cameron Dunstan, Lorna Reid, India Furse*

and *Tamara Fanning*. Thanks to all our other debaters for participating in this exciting competition!

The annual **Cross-Country Competition** saw Mulligan take home the **Dragonheart Trophy** for this event. Every house was successful at winning the Dragonheart this year, showing how competitive participation really is. Congratulations to age champions, *Marcus Buschel* and *Alix Pichon*.

There were many memorable performances at the **Interhouse Athletics Competition**, with our senior students doing particularly well and nabbing the **Senior Section Trophy**. There was plenty of teeth gritting and feverish faces as people ran, jumped and threw their hearts out for their house.

Thanks to all the Mustangs who participated in the **Interhouse Triathlon** at the end of Term 2 and congratulations to our age champions, *Dylan Lazzaroni* and *Marcus Buschel* (again!). Great weather, good food and fabulous company; what more could you ask from an interhouse competition?

Snaps go to *James O'Donohue* for his excellent performance in the **Public Speaking Competition**. Thanks also go to our other representatives – *Phoebe Lewis, Aidan Davis, Ashley Hanlon, Hel Buschel* and *David Sharaz*. These students undertake much extra work to represent Mulligan in this competition and their efforts are greatly appreciated.

On the occasion of the **Interhouse Singing Competition**, Mulligan paid tribute to Michael Jackson with a fun rendition of ABC, complete with afros. We shook it up baby to *Twist and Shout*, testing everyone's memories and response time with some fast-sequenced moves. One of my favourite things, watching the whole house perform or

▲ Mulligan's Laura Viner engages in some friendly jostling for position with Shannon Burchard and a Dalrymple pack in the WRS Cross-country event.

▶ Pirate themed Mulligan Mustangs belted out their new house cheer at the Swimming Carnival.

occasion like this. We have some very outgoing and charismatic personalities in our House, who belong on the stage! This was evidenced by the many Mustangs who performed as part of the musical, *Bye Bye Birdie*. Some Mulligan standouts in the musical were David Sharaz, Eva Lambert, Alix Pichon, Louise Millroy, Connor Beu and Josh Vohland.

The end of the year is always a time of mixed emotions. Whilst it is sad to lose the seniors of 2009 from the House, they are ready to face the waiting world. We sent them off with a right hoorah by staging a moving and amusing farewell celebration. Thank you to all the Mulligan tutors for helping coordinate this event – Ms Julianne McCarthy, Mr Doug Telford, Mr Katsumi Yamada, Ms Ramila De Silva and Ms Naomi Dowden. We look forward to the bright faces of the new Year 8 students for 2010. I had the pleasure of meeting them in the last week of term at the Year 8 Orientation Day and I was impressed by their enthusiasm. We look forward to welcoming new students to our House next year, along with our new House Captains for 2010, Helen Buschel and Vincent Kershaw, as well as our House Vice-Captain Shylaja Woolley. Thank you to Christopher Raymond and Annabelle Charlton for leading the House in 2009. I'll especially miss Chris' vocal abilities – listen up guys! I wish all members of the Mulligan family a safe and holy Christmas and look forward to returning in 2010.

From the Head of White Rock Junior

▲ Head of Junior School White Rock, Ms Barbara LaCoste with the WRJ School Captains of 2009. (L to R) Kathryn Arenas (vc), Dana Hughes (c), Jacob Parker (c) and Reid Harding (vc).

2009 has been a year of increased environmental awareness for White Rock Junior School. Students enthusiastically took on the task of establishing a school recycling programme, and as a result, we have greatly reduced the amount of rubbish from our school that goes into landfill.

Changing one's habits is no easy feat; however, the Student Representative Council persevered as they monitored the use of recycle bins and actively encouraged the student body to carefully consider how to dispose of their rubbish. It is said that it takes three weeks to make or break a habit and it wasn't long before both staff and students were actively thinking about where to put their litter. Clare Long took on the task of forming the Tas Litter Team and after speaking at assembly and monitoring the school grounds we saw a huge decrease in the amount of litter around the school. All students have shown admirable motivation to become aware of their environment and do their bit for the planet. Over the course of the year students in Years 6 and 7 participated in the planting and watering of trees at Sawpit Gully. Term Four saw students across the Junior School take part in the planting of 10,000 trees as part of this regeneration programme. The effort and fervour with which students approached this massive project was inspiring to see. Mr Mick O'Rielley and Dr Robert Pozzi created awareness amongst our

students of the importance of maintaining a habitat for our indigenous species. It will be a pleasure to watch the new plantings mature over the coming years as they create a shaded fitness track and outdoor chapel for students to use in the future.

Students in Years 6 & 7 began work on the Tony Sheppard Memorial Garden. Tony was the posthumous recipient of the Kevin Burry award this year and is fondly remembered by students and staff. This garden will be a shaded seating area for our Middle Years students and will feature native plants and will be modelled after some of Mr Sheppard's favourite landscape in Africa.

This has also been a year of confidence building. Students have been taking a more active role in Family Worship Services and Assemblies. Our Captains have prepared and presented reports on events in The Arts, Sports, other school happenings and student issues. They have presented awards to their peers and represented the Junior School with pride. We thank Dana Hughes, Jacob Parker, Kathryn Arenas, Reid Harding, Joshua Fry, Martin Leahy and Emily

▲ Sports Captains pictured with Ms LaCoste are (from left) Emily Everson and Matineng Iakah-Leahy.

▲ WRJ OptiMinds participants were (from left - Back): Gabriella Houston, Shonan Padmaker, Max Davis, Jordan Owen. Front: Gowri Woolley, Elly Thomas, Jason Carruthers and Kieren Samarakoon.

Everson for their efforts and commitment to their leadership roles throughout the year. Students in all year levels participated actively at Chapel and at Family Services, contributing with prayers, readings and dramatic performances with confidence. We thank Father Jeff and Mrs Amanda Bottle for their efforts in organising these student-centred services.

A sense of community has been felt with increased parental attendance at Assemblies, Family Services and special events such as the White Rock Junior Open Day. Parental involvement in students' education is welcome and we encourage parental volunteers in many areas across the school. Year Two enjoyed the attention of many of our parents who spent the day investigating 'Body, Brain and Brawn'. Special events as these rely on the contribution of parents to ensure their success.

2009 has been a year to establish new traditions. Year 7 students completed the first of many art projects to be displayed around the Junior School into the future. Ms Wendy Ashburton, the Junior School Art specialist teacher, has been instrumental in bringing this exciting project to fruition. A beautiful mosaic mural titled, 'Trinity Reef', will be displayed across from the new bright and cheery Junior reception area. The Middle Years classrooms are undergoing a facelift over the summer, with fresh paint, blinds and new furniture expected to be completed ready to greet Year 6 and 7 students for the beginning of the 2010 academic year. The Junior School is certainly a bustling, beautiful, colourful, happy and environmentally responsible place these days!

The second half of 2009 has been a time of transition with Mr Paul Grisewood taking up a position in Japan. Thank you to students, staff and parents for your support, hard work and enthusiasm in all areas of school life. I am very much looking forward to another exciting year at White Rock Junior School.

*Barbara LaCoste
Head of Junior School
White Rock*

See pages 13 & 14 for coverage of WRJ LOTE.

▲ WRJ Interschool Athletics reps for 2009 were - (from left) Back: Jack Greimas, Sonny Webber, Kristyleigh Tenni, Matineng Iakah-Leahy, Mitchell Yensch, Michael Deeb, Dain Venning, Cait Clark, Gabriel Hawash, Hamish Crilly, Charlotte Flatman, Liam Simpson. 3rd row: Luke Sefton, Luke Garrone, Callum Hermon, Capucine Delort, Tegan McCarthy, Rena Iida, Tayla Jackson, Clare Long, Sam McNamara, Blake Wallace, Aislynn Webber, Rachel Deeb. 2nd row: Jacob Renshaw, Elliot Coupe, Jack Lawrence, Patrick Jones, Ben Simpson, Sebastian Nancarrow-Abbas, Emily Everson, Dean Massey, Isabel Paterson, Kieren Samarakoon, Adam Simpson, Max Davis, Wyatt Poumaka. YEARS

I am a rainbow
Full of colour and joy
I make people smile
A colour for each mood.
Dana Hughes 7B

I am a squirrel!
Small and energetic
I climb and run
And always chatter
Callum Longhurst 7B

I am an elf
Intelligent and silent
Elusive and calm
Always thinking and giving
advice.
John Michalenko 7B

I am a fox
Cunning and scheming
Hunting in the shadows
Climbing around and
having fun.
Kane Robinson 7B

I am a highlighter
I decorate and stand out
I am needed for certain
tasks
I have my colourful
moods.
Eleanor Palmer 7B

I am rain
Shiny and wet
I may look different, but
I am the same
When I'm rain, I may look
strange.
Daniel Simpson 7B

I am a meerkat
I always want to know
what is happening
Sitting up straight
Bright eyed and bushy-
tailed.
Brandon Froude 7B

I am an owl
Wise and knowing
Nocturnal and bilingual
Flying high.
Eve Georgiev 7B

I am a wolf
Aggressive and
protective
Howling for fun
I need a pack.
Reid Harding 7B

I am a tree
Thick and solid
Growing slowly
Someday I will blossom.
Gianni Santacatterina 7B

I am a dove
Swift and agile
Positive, graceful
And always with a friend
by my side
Tasha Turner 7B

7L

I am a dove
Quiet and peaceful
Calm and serene
Swift and sweet.
Kritika Bhaskar 7B

I am a curlew
I sing all the time
I am in the choir
And produce a
great sound.
Callum Hermon 7B

I am a clown
Random and funny
Entertaining and surprising
Always up to make a laugh.
William Rowland 7B

Hamish Crilly
Plain and Simple

I am an encyclopaedia
Full of knowledge and
enthusiasm
Creative and loaded
with ideas
Ready to share my
thoughts with anyone.
Hamish Crilly 7B

I am a snake
Calm and gentle
If disturbed, furious and
angry
Always moving to find
the bright spot.
Tom Sefton 7B

I am a wave
Fast and slick
Crashing and long
Always rolling, big
and small.
Brandon Lim 7B

AND

I am a wasp
Quiet and non-violent
If provoked, I stir up a storm
Always looking around.
Ryan Davis 7B

I am star
Happy and bright
I sparkle and shine
But only at night.
Ana Holt 7B

I am a lily
Peaceful and sweet
I float and spin
Always calm and
serene
Tegan McCarthy 7B

I am a leprechaun
Short and stumpy
Mostly happy
Making no sense
whatsoever.
Joshua Fry 7B

I am a greyhound
Fast and lithe
Full of fun and energy
I run and run and run.
Sonndre Webber 7B

I am a computer
I am hard on the out-
side
But software on the
inside
I'm really quite smart
Bradley Undi 7B

7B

I am a dog
Always happy and
bright
I make people laugh
with delight.
Tayla Jackson 7B

I am an orchid
So delicate and smooth
I float on the water
And light up rooms.
Courtney Weir 7B

I am the sun
I am hot
I make people sweat
I'm too hot to be near.
Luke Garrone 7B

I am a rapid
Random and unusual
Crashing down on
people
Never knowing what is
going to happen next.
Nicholas Kershaw 7B

I am a dolphin
Happy and bright
Gliding effortlessly over
the waves
Always living in a world
of my own.
Isabella Pozzi 7B

METAPHORS FOR SUCCESS

I am a panda
Friendly and clueless
Unique and cheerful
Yet aggressive if provoked.
Matineng Leahy 7L

I am an eagle
Calm, quiet, exciting
And at times most cheerful
I am always trying to reach the highest goal.
Elliot Coupe 7L

I am a fruit loop
Colourful, energetic
Bright and happy
And always talking when nobody is listening.
Vaila Gudmundsdottir 7L

I am a monkey
Crazy, fun
Fast and outgoing
Always a competitive player.
Gabriel Hawash 7L

I am a snake,
swift, funny,
quiet, careful
but always a team player.
Josh Place 7L

I am a lamb
Caring, sensitive
Sweet, thoughtful
Always willing to help a friend in need.
Ashleigh Thurstans 7L

I am a curious George
Funny, energetic
Loving and interested in all
Always having a great time.
Nikau Ngawati 7L

I am a Great Dane
Burdy, smart,
Curious, great
And always full of fun.
Dain Venning 7L

I am a Miniature Schnauzer
Strong, Short,
Noisy, Energetic
And I always love people.
Jessica Moyer 7L

I am a jack in a box,
Playful, jumpy,
Kind, energetic
but always a loving person.
Rory Johnston 7L

I am a tiger
Random, Fun,
Loud, Funny
But always a good friend.
Samantha McNamara 7L

I am a squirrel
Smart, Thoughtful
Friendly, Crazy
and always running around.
Nathan Lang 7L

I am a monkey
Energetic, friendly
Crazy, extreme
And always active.
Mitchell Tipler 7L

I am a tiger
loyal, kind,
Fun, exciting
And always with friends.
Jacob Parker 7L

I am a dolphin,
Smart, Fast
Quiet, swift
And always trying my best.
Mitchell Yensch 7L

I am a bear
I could sleep all day
I am big, always cause trouble
And I am a honey eating machine.
Michael Deeb 7L

I am a turtle
Gentle, friendly
Swimmer, nice
Always helpful to my friends.
Kristy-Leigh Tenni 7L

I am an ox
Rough, tough
Trustworthy, strong
and always hardworking.
Michael Lawson 7L

I am Piglet,
Friendly, fun loving,
Energetic, determined
And always surprising people.

I am a cat
Quiet, gentle,
Calm, soft
And always caring for my friends.
Kathryn Arenas 7L

I am a koala
Cute, hungry
Smart and small
I'm always sleepy at the end of the day.
Kathryn Arenas 7L

I am a fish
Swift, smooth
Full of beans
And always with my friends.
Liam Lentas 7L

I am a monkey
Funny, agile
Loud, but shy
And always on my bike.
PJ Grant 7L

I am a monkey
Mischievous, loud
Naughty and caring
Enthusiastic about life.
Cooper Smith 7L

I am a beaver
Industrious, smart
Swift and sporty
Forever hard working.
Lachlan O'Riellay 7L

I am a whale
A friendly explorer
Loyal and calm
A loving buddy.
Stephanie Hanlon 7B

I am a giraffe
Tall, clumsy
Curious, shy
I always have my head in the clouds.
Cait Clarke 7L

I am a dugong
Friendly, considerate
Placid and smart
Moving gently through the water.
Gopi Gopalapillai 7L

Works of Art from White Rock Junior

▲ Beautiful Flowers made by Year 1 students.

▲ These great portraits were done by our Year 2 students.

▲ Some wonderful model animals were made by Year 4 students.

▲ A selection of landscapes painted by Year 7 students.

▲ Fantastic abstracts painted by Year 5 students.

From the Head of Marlin Coast

▲ MCC students in costume, after performing their award winning play *The Plight of the Cassowary*.

The valuable hours that students spend each day in school are essential to enable them to become accomplished thinkers and lifelong learners. There is no magic formula that guarantees success but there are magnificent teachers who find a multitude of ways to inspire, encourage and reward these fine young people. It is not just the day to day teaching that occurs but the after hours planning and preparation, the early morning marking and the offering of lunchtime and after school clubs that makes the teachers at TAS so special. There are always times when it seems the 'penny will never drop,' in some subject areas, but it almost always does and at the end of the year the brain has grown and developed through constant challenges presented in the classroom. The students take up the challenges offered and as they progress through the school from Preparatory to Year 7 they become remarkable young people. A special thank you must go to all of our Marlin Coast Campus teachers who combine to make a strong supportive unit that continues to have high expectations for the students in their care.

From the beginning ...

The preparatory students have grown in confidence under the tuition and guidance of Mrs Whitehouse and Mrs Lade, ably supported by teacher aides Mrs Wieland and Mrs Watters. In looking through their books from the start to the end of the year, the jump in improvement was wonderful to see. The Electives Programme was packed with creativity, ingenuity and enjoyment and the students were enthralled by the choices on offer. Students took part in events such as Book Week Parade and Easter Hat Parade. They were enthralled by their excursions which included Kewarra Beach, visiting with WRJ buddies, a colourful visit to Birdworld, exploring the Mangroves, visiting Wildlife Safari Park and Tjapukai. It was a busy schedule indeed! The final presentation morning, organised by Mrs Thomas, showcased the skills and talents of all our students from Prep to Year 2 and they proudly accepted their certificates which were well deserved.

▲ Students performing a Christmas item at the MCC Prep-Year 2 Presentation morning.

▲ Savannah Marshall answers Mika Fujii's questions in Japanese during her on-air stint at Cairns FM 89.1.

Testing Times

The NAPLAN test results for Years 3, 5 and 7 were excellent and the following students are to be congratulated on achieving the top score in the State in the following areas:

Year 3 Grammar and Punctuation - Morgan Wenck, Jackson Eckersley, Charles Geddes and Shauni White.

Year 5 Grammar and Punctuation - Stanley Haru, Jack Biber, Stephanie Schmidt and Paris Arens-Strelnikof.

Year 5 Spelling - Paris Arens-Strelnikof.

Year 7 Grammar and Punctuation - Murray Buchannan and Brooke McCarthy.

Environmental Issues

The Year 4 "Environ maniacs" produced their first newsletter under the direction of Ms Chambers, describing the many activities they are involved in. These include, catching fish for the frog pond so that mosquito larvae are eaten, to pulling up weeds and planting flowers. The Year 3 students attend to the two worm farms and sell the vermicast to parents and friends. The Year 4 students monitor the Recycling Bins to stop food being placed in the wrong receptacle. Appliance checks are also made during lunch times and advice given to classes with regards to lights and fans being left on! Congratulations to all the students for doing such a wonderful job.

Cassowary Award

The Young Cassowary Outstanding Achievement Award was presented by the Wet Tropics Management Authority to a group of MCC students as they successfully impressed the authority board with a play written by Mrs Daniels. The awards were presented at a special dinner held at Tjapukai Cultural Park. (See photo at top left).

Choir Eisteddfod

One of the many highlights of the year was the outstanding performance by our young choir. They worked hard with the wonderful Mrs Hamill to master some very difficult songs and it was exciting to watch them perform in front of a large audience with such poise and confidence. They returned to school with five magnificent trophies and prizes. They also joined with WRJ to entertain the school body at Speech Night, producing a magnificent sound.

LOTE

Mrs Campbell has been extremely busy throughout 2009. The visiting students from Iwata were successfully billeted and enjoyed their stay immensely. The Year 7 students sampled a delicious lunch at 'Ooh Cha' Restaurant and a select group of students were taped, answering a series of questions in Japanese by our local community radio station Cairns FM 89.1 (See photo above).

A number of students were also involved in a play for Variety Night that received first prize from the Japanese Foundation for Best Costume and Set Design. Congratulations to: Chantika Haru, Imogen Lewis, Mackenzie Kwort, Gaia London, Ciara Cescotto, Chiara Patalano, Alessandra Loridon, Julian Cullen, Callum Aust, Dale Heywood and Emma Mills.

▲ Yoga has proved popular as a P-2 Elective.

Variety Night

There were some majestic acts this year at Variety Night. The drumming was outstanding along with the singing and dancing that just gets better each year. The leading roles are always fiercely contested and Rebecca Smith and Jordan Davies were certainly stand-outs over three fabulous nights. Miss O'Keefe again rose to the occasion with her well rehearsed rendition of 'Happy Birthday.'

Captains

Among the many duties of the captains, talking to adults at school functions is a major part. This year the talented captains have entertained at functions both musically and conversationally with ease. Thank you to School Captains Mackenzie Kwort and Murray Buchanan and Vice-Captains Ciara Cescotto and Kiera Byrne.

The Arts Captains played an enormous part in Variety Night as well as helping with the Discos and Open Day and for all their extra hard work, a big thank you goes to Perri Ann Wilson and Julian Cullen. Sport Captains are called upon to work many lunch times and at the carnivals where their encouragement and enthusiasm is contagious. Well done Max Davis and Zev Nutley Gilmour.

Buddies

The buddy system at TAS works exceptionally well. Our young students relish the chance of working alongside the older students and having a lot of fun at the same time whilst the older students enjoy looking after their young charges. The Year 1 students buddied

up with the Year 5 and some of the resulting work was delightful. Mrs McShane, Mrs Anderssen, Mr Lade and Mr Ryan organised activities such as: Christmas cards, wind vanes, paper gliders, cone characters and Fathers' Day cards.

Opening of the Court

The 5th November was a very memorable date in the school calendar as the Taipans, Cairns National Basketball Team, came and helped with the official opening of the new court. Mr Jim Turnour, MP, spoke about the funding that enabled the court to be built and the how it enhanced the educational programme. The students challenged the Snakes to a fierce game of basketball. Joe Blake was on hand to make sure all was fair and the students were enthralled by the skills of the very tall players! The students pushed the professionals into overtime but were unlucky to lose by one basket.

Academic Awards

Congratulations to our end of year award winners -

YEAR LEVEL	AWARD	NAME
3JDA	Academic Excellence	Madeleine Houston
	Academic Endeavour	Katie Spuler

Parental Contributions

Not a year goes by without an enormous amount of work behind the scenes by volunteer parents. Their input helps events run smoothly enhancing the school programme and we are most grateful for the generosity of time and effort. Nicola Walsh and Jill Wonnacott are two such volunteers who collate the book orders each month for the whole school. I thank all the parents who have given time so generously throughout the year.

Staff

The successes experienced by the students at MCC are a reflection of the dedication and professionalism of the wonderful staff, both academic and administrative. Their sunny disposition and willingness to give up their spare time for the school and students is most remarkable. A special thank-you goes to Mr Reid, Mrs Daniels and Mrs Thomas for their support and acumen in looking after their specific area of the school. The year may have flown past but with such people on board it has been a smooth ride!

Farewell

At the close of term we farewelled our Year 7 cohort as they make the transition to White Rock. They have been a magnificent group and their cheery faces will be missed. They have left a legacy that reflects the values of the school and the staff and I wish them every success in their future endeavours.

Ms Imelda Spence

School Captains' Report

What an astounding year it has been here at MCC. From the start to the end of the year all students have been occupied with the three major carnivals including Cross-Country, Swimming and Athletics plus keeping up with the demands of their school work. We have had many interesting visitors to the campus: TAS Jazz, who entertained the whole school at the start of the year, the Taipans and Mr Jim Turnour MP, who officially opened the new court and Cairns Mayor Val Schier and Mr Steve Wettenhall MP who attended the ribbon cutting ceremony of our new zebra crossing, which took a lot of hard work to establish but was worth it as it keeps us safe.

In Term 4 the Year 6 and 7 students watched as the new sails were hung in the Middle Years area. The Auctioneers Ball was a huge success, raising funds for much needed school resources, charity and the Year Seven Farewell. Variety Night was a huge hit with many new, upcoming stars of the stage making their debut.

All in all this year has been extremely eventful and we are all looking forward to High School. Many memories have been made here and this campus will be dearly missed by all graduating Year Sevens. Many thanks must go to all of the MCC Staff for making this a fantastic year.

Sports Captains' Report

Being appointed as Sports Captains of Marlin Coast Campus has been a wonderful experience. It has been an honour to have had the opportunity to work with a great group of students and teachers. The year has been great, with Leichhardt winning the swimming carnival. The cross-country was a huge success and the athletics carnival saw the smiles of everyone's faces lighting up Barlow Park. The House Trophy for the year was fiercely contested and both Dalrymple and Kennedy shared the honour. All students

should be congratulated for their efforts and achievements at Marlin Coast Campus. We would also like to thank all the teachers who helped this year in sports, especially Mr Russell who has helped set up and organised all sporting events throughout 2009.

Farewell to our Graduating Seniors

Time Tunnel - 2009

From the Editor

I would like to thank the many parents, students and staff who have contributed to this year's Trinitas magazine, either by submitting articles or providing photographs. As always, there is never enough room to fully cover everything that happens in a year at TAS, but hopefully you have found yourself (or your child) somewhere in this year's Trinitas. I would like to offer special thanks to Mrs Debbie Newman (NQ School Photography) for providing the school's formal group and team shots.

PS: If any students are interested in getting involved with the Trinitas Committee for 2010, please make known your interest by contacting Mr Blacklow on 4036 8115. Previously there has been a lot of interest in writing/reporting, as well as photography, but I would also be keen to hear from students who have an interest in Graphic Design and layout.

Mr Steven Blacklow
Editor/Publications Officer
