

STRATEGIC PLAN

2022 - 2026

TAS
TRINITY ANGLICAN SCHOOL

Vision

To create a learning experience and environment that is industry leading, innovative and effective and informed by data; one that will enable the TAS community to become the best they can be.

Mission

Trinity Anglican School inspires young men and women to be the best they can be.

With a focus on Christian values and educational excellence, we develop individuals who contribute to the global community.

Core Values

- Perserverance
- Integrity
- Compassion
- Curiosity

TAS is well known throughout Queensland as a school of excellence producing graduates of a high caliber. This acclaim is due to consistently strong academic results and successful, globally - aware graduates. This is achieved through outstanding teachers, engaged and connected students, family and school values alignment, and a true culture of inquiry and learning. This has been the TAS way since the doors opened in 1983.

At TAS we believe in the balance between building a strong foundation in numeracy and literacy and the development of skills that will enable our students to thrive in the future.

At TAS the focus is on preparing our graduates to engage and succeed in a rapidly changing world. The leaders of tomorrow need to develop public speaking skills, critical and analytical thinking abilities and digital fluency.

Our students also benefit from personal development through our excellent in-house pastoral care, award-winning Outdoor Education program, and global connections through our Round Square membership (an organisation of 200 like-minded, high achieving schools from around the world).

At TAS, 'Inspiring the Curious' is more than just a tagline, it is what we do."

The following strategic plan outlines an exciting future for our community, where the balance between the pedagogies that we know are effective and the opportunities of new ways of learning, development of engaging learning spaces, and an increased focus on well-being will prepare our graduates for a successful and engaging life in the 21st century.
