# Flourish

The theme of the 2024 *TRINITAS* is 'Flourish'.

'Flourish' not only celebrates our commitment to nature and sustainability, which are increasingly vital to our regional community, but also embodies the growth and prosperity of our TAS community. It reflects the essence of a thriving environment that nurtures individual potential, building on strong foundations to foster growth.

## Enrolment note

In 2024, there are 1,162 students enrolled at Trinity Anglican School, across both White Rock Campus and Kewarra Beach Campus.

There are 49 students enrolled at TAS Kewarra Beach ELC and 83 students at TAS White Rock ELC.

This publication is an initiative of the TAS Marketing Department, with contributions from the TAS community, Senior Leadership team, students and staff.

# From the Principal

**Principal, Paul Sjogren**

As we conclude another remarkable year at TAS, *TRINITAS* offers a glimpse into the vibrancy of our exceptional school community. I trust that you will enjoy perusing these pages as much as the TAS community has valued the opportunities, experiences, and achievements highlighted within.

In 2024, TAS was privileged to be among a select group of schools worldwide chosen to feature in the *Commonwealth@75* commemorative publication. This prestigious recognition underscores our commitment to educational excellence on the global stage. A copy of this publication is on display in the foyer of our White Rock Administration Building, another resides in the British Parliamentary Library, and I am informed that a copy is also housed in Buckingham Palace.

## PRINCIPAL'S WELCOME EVENING

2 February 2024

## GLIMPSE OF 2024

Jan

In January, we welcomed new and returning TAS families to the 2024 school year.

Feb

During February, Principal Paul Sjogren hosted the annual Principal's Welcome Evening, while Year 12's formed friendships with the Year 7's at the Year 7 & 12 social.

Mar

In March, TAS hosted the first round of the Interschool Chess Championships, while Year 12 students celebrated their progress with their first Senior Dinner.

Apr

In April, students gathered for ANZAC Day ceremonies and Easter hat parades, while Year 5 students participated in the Cairns Young Leaders Summit.

May

In May, TAS was awarded 3 Australian Education Awards. Term 2 was filled with events including Mother's Day, Science Week and Interhouse Competitions.

Jun

In June, Term 2 wrapped up with Round 2 of the Interschool Chess Championships, KBCP Charities Fair and the long-awaited Year 12 Formal. We warmly welcomed the first cohort of TAS Pre-Kindy.

Jul

In July, our community gathered for various NAIDOC Week celebrations and Interhouse Competitions.

Aug

In August, we celebrated creative endeavors with the annual TAS goes MAD festival and Variety Night. In addition to Book Week, and Ponytail Project.

Sept

Term 3 concluded with Mock Exams for our Year 12 students, and community events to celebrate Father's Day.

Oct

The final Term of the year kicked off with the annual TAS Gala Ball, while our youngest primary students showed house spirit at their swimming carnival.

Nov

We celebrated the end of the school year with Christmas markets, assemblies and awards ceremonies before farewelling Year 12's in the traditional time tunnel.

Dec

In December, we thanked our school community for a successful year and sent well-wishes for a refreshing school break.

While there were numerous other accolades and awards recognising the outstanding contributions of our students, programs, and community over the year, I am particularly proud of the increasing emphasis on service. Generosity, service, and spirit form the foundational values of any school community.

Through our Gala Ball, our community raised over \$30,000 for the Principal's Opportunity Scholarship Fund; our Year 12 students raised more than \$35,000 for the Cancer Council participating in the Ponytail Project; and secondary students made over 1,500 sandwiches each term as part of the Eat Up Initiative, providing lunches for students in need at local schools. Our Day for Daniel, Charities Fair, tree-planting initiatives, individual Round Square service projects, and numerous other programs continually remind our students of the importance of helping, supporting, and uplifting those less fortunate.

We bid a heartfelt farewell to Ms Mary Kershaw after more than a decade of dedicated service, eight of which she spent leading the TAS Kewarra Beach community. Mary has led with both courage and compassion, fostering a wonderful learning environment. We extend our deepest gratitude and wish her and Bill all the best in the next chapter of their journey.

Wishing you a safe and restful summer break. We eagerly look forward to welcoming you in 2025 for another successful year ahead!

## THE LEGACY OF MUSIC HOUSE

The Music House, a cherished community landmark, was built by Jeff Pezzutti on Progress Road in 1962. Jeff and his family lived there until 1999, with Jeff playing a pivotal role in TAS early years and proudly supporting the school throughout his life. After the Pezzutti family moved, the house became the

Music House, serving as a vibrant hub for music lessons and workshops for many years. Recently, it was returned to the Pezzutti family and relocated to their farm. This marks a new chapter in its story while celebrating the enduring legacy of Jeff Pezzutti, who sadly passed away earlier this year.

# Year in Review from White Rock Secondary

**Head of Secondary School, Belinda de Guzman**

This year has been one of continued growth and development within our community. As we grow, so too must our systems and structures, to ensure we remain steadfast in our commitment to excellence.

This year has been a journey of inclusive excellence, supporting our students to reach their full potential and strive for success in all they do. At TAS, we are truly fortunate to have access to such incredible opportunities. As highlighted at the Awards Night, our holistic approach to education nurtures students mentally, physically, and spiritually, helping to shape well-rounded graduates.

I extend my heartfelt gratitude to our dedicated and supportive staff, who go above and beyond to create a welcoming and nurturing learning environment.

Next year will mark the initiation of Year Level Coordinators for Years 7, 8, and 9, a step that we believe will strengthen

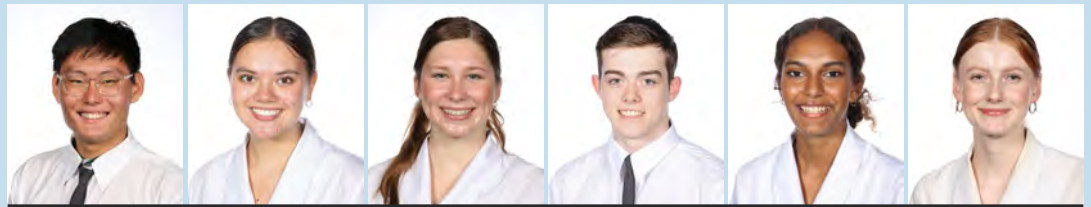

our Pastoral Care and student wellbeing structures during crucial developmental years.

As we say farewell to the graduating Year 12s of 2024, we send them off with our best wishes. Their final year has been filled with memorable moments—from their retreat and formal to their valedictory. May they carry the legacy of kindness and compassion instilled in them, wherever their journeys take them.

With excitement and anticipation, we look forward to welcoming our Year 7's in 2025 as they embark on the next stage of their educational journey.

May 2025 bring continued growth as we progress and adapt to a changing world, grounded in the strength of our core values as part of a faithful community. *"Education is the most powerful weapon which you can use to change the world."* — Nelson Mandela

# Valedictory Toast from School Captains

By Frances Gale (F) and Albert An (A)

**A:** Behold, the class of 2024! It has been an incredible, wild year, filled with lots of emotions and memories. Dramas have occurred, life has happened, but at the end of the day, we are all friends. Through our times of stress, we have come through mostly unscathed!

**F:** We started this journey 13 years ago. And now, most of us can drive. Some of us can vote. Adulthood is upon us whether we like it or not. Maturity? Maybe not so much. Graduation is our first step into the world. Albert and I wish everyone all the best in whatever pathway you choose to take.

**A:** We'd like to mention some of the little moments that defined this year. Of course, Damian, we'd like to thank you for breaking the ping pong table. Although disappointing, it was certainly entertaining.

**F:** Also, aren't we glad to be passing the Year 12 area, or as we like to call it the STEM cell, onto the year 11's!

**A:** Hopefully they enjoy the fridge, the microwave, and of course, the wonderful smell! The car park. Never again will we have to worry about Mr Manea closing it off at 8:30am.

**F:** Drive safe everyone! So now, let's raise our glasses in a toast to everything that has been.

**A:** The things that have made this year, and the many people we need to thank.

**F:** Thank you to Mrs de Guzman, for organising all our fantastic events.

**A:** We owe you a lot for the stress we have put you through.

**F:** Also, we would like to thank the senior leadership team and our Head of Houses.

**A:** For their outstanding contributions in supporting our high school endeavours.

**F:** Thank you to our teachers, for putting in the work to help us learn, and for giving us life knowledge for many years to come.

**A:** Thank you to our parents.

**F:** For everything you have done for us.

**A:** We wouldn't be here without you. So, thanks for putting us on earth.

**F:** Just know that we love you, even if we don't always say so.

**A:** And lastly, thanks to you, the class of 2024.

**F:** You are here because you put in the effort.

**A:** You should be proud of yourself.

**F:** Here's to the future!

# Year in Review from Kewarra Beach

# Primary

Head of Kewarra Beach Primary, Mary Kershaw

2024 has been a year of transformation and achievement at Kewarra Beach Primary. Key highlights include campus upgrades, such as improved parking and ongoing building projects, the recognition of our innovative Student Wellbeing Program with an Australian Education Award, and student-designed nature trail signs that celebrate our unique environment.

Our campus upholds a commitment to the Round Square movement, with a strengthened focus on entrepreneurship and philanthropy this year. Aligned with Round Square IDEALS and National School Aid accreditation, student leaders have led impactful projects, including fundraisers, item collections, and market stalls such as the Charities Fair and Courtyard Christmas Markets, igniting a growing passion for giving back.

Our students are prepared to make a meaningful impact in an ever-changing world. With a global perspective, empathy, and adaptability, they're developing essential skills for the future. Teachers connect classroom learning to local and global needs, inspiring students to embrace social entrepreneurship, philanthropy, and innovation. Many are driven to tackle global challenges, recognising the importance of big-picture thinking, social responsibility, and strategic planning in our interconnected world.

## PILLOWCASE PROGRAM

Year 4 students at Kewarra Beach Campus participated in the Pillowcase Program, facilitated by Red Cross volunteers and staff. Aligned with the Civics and Citizenship and Health and Physical Education curricula, this initiative aims to enhance disaster resilience among students and empower them to play an active role in their emergency preparedness.

## FIRE SAFETY

Year 1 students at Kewarra Beach campus had an exciting visit from the Smithfield Fire Station. Firefighters brought along their fire engine, giving the students a close-up look at the vehicle and its equipment.

We are inspired by the potential of our students to become compassionate, forward-thinking leaders. With the skills, empathy, and resilience they're developing, they are well-prepared to navigate an evolving world. Guided by dedicated teachers, they are laying the foundation for meaningful social impact, poised to grow into mindful changemakers shaping a brighter, more inclusive future.

### 100+ TREES PROJECT

This year, we successfully launched the KBCP 100+ Trees Project, planting over 100 trees across the school grounds and new carpark landscape islands. This initiative addressed the loss of green spaces due to expanding facilities while promoting biodiversity and restoring habitats for local wildlife.

With support from Cairns Regional Council and guided by the 2024 National Science Week theme, *Species Survival – More than Just Sustainability*, students played a key role in researching tree species, tending seedlings, preparing planting areas, and caring for young trees. The main planting drive took place during Science Week (August 10–18), focusing on how science and innovation can protect biodiversity and encourage wildlife to thrive on campus.

### SCHOOLS TREE DAY

Year 6 students at Kewarra Beach campus embraced the tradition of planting trees for Schools Tree Day, combining hands-on learning with environmental action. This annual event fosters teamwork, environmental stewardship, and a commitment to a greener future while enhancing the school's natural beauty.

# Year in Review from White Rock Primary

## Head of White Rock Primary, Peter Gazzola

The end of 2024 provides a moment to reflect on an extraordinary year of achievement, growth, and collaboration at our campus. This year has been a testament to the dedication of our staff, the perseverance of our students, and the unwavering support of our community. Together, our community has continued to build a culture of excellence, innovation, and compassion.

One of my proudest moments came with being recognised nationally as a Primary School of the Year through the Australian Education Excellence Awards. This prestigious accolade reflects the collective effort of our staff, students, and families. Further adding to this recognition, our commitment to sustainability and forward-thinking education was celebrated with the 5-Star Sustainability Award and the 5-Star Innovation Award.

In academics, students excelled on both state and national stages. In the da Vinci Decathlon, students achieved an impressive third place overall in Queensland, leading the state in mathematics for Year 5 and Year 6. Additionally, our

success in the QAMT State Championships and our victory as the Chess Regional Champions highlights the diverse talents of our students and their ability to think critically and strategically.

These accolades reflect the thriving culture we have nurtured, one where every student is encouraged to reach their full potential. Beyond awards, this year has been marked by a deepened focus on building meaningful connections within the community. The emphasis on collaboration between staff and families has further strengthened our shared vision for holistic education.

The accomplishments of 2024 set a high standard, but they also inspire us to aim even higher in 2025. Together, we will continue to empower students to thrive, innovate, and lead with integrity and compassion.

Thank you to everyone who has contributed to making this year such a resounding success. It is a privilege to be part of such a dynamic and dedicated community.

## CARING WALL

During Term 4, White Rock Primary Preps and new students proudly joined the Caring Kids tradition by adding their colourful handprints to our Caring Wall. They pledged to care for themselves, their friends and family, our school, and the

# From the School Captains

By Laura Wood (L) and Archer Twomey (A)

**L** – What a year Archer and I have had! Our leadership journey started at last year’s award ceremony and throughout the year it has been a privilege and honour watching our community grow and learn. We also enjoyed helping with Prep to Year 2 sporting events, and assisting or speaking at important services. Personally, one of my highlights this year has been helping younger students develop into amazing TAS role models. To be effective leaders, we have committed everyday to be honest, caring, and committed TAS students and we are proud to see so many other students commit to this way of TAS life.

**A** – Like Laura, my highlight for 2024, was looking after the younger students at so many different events, it was a great opportunity for me to grow as a leader. Year 6 has been a wonderful year connecting with new classmates and developing friendships with our cohort. Care and connect, a program running from years 3 to 6, includes Year 6’s as peer leaders, teaching younger students many ways about caring, connecting and being social. It has been an amazing opportunity to build leadership skills and connect with other students from years 3 to 6. Care and Connect can help children build relationships and learn to cope with difficult situations. But most of all we have thoroughly enjoyed fulfilling the duties of school captain, such as committing to various events, displaying the TAS values and being actively involved in the TAS community.

TAS White Rock Campus Primary has always been community minded with events such as the community carnival, book week parade, house competitions, musical performances, Mother’s and Father’s Day celebrations, and the Easter Parade, all of these are unique to TAS and that’s

something that makes us so special. One of the things I have always loved about TAS is the way that we all take part in these activities and that no one gets left out.

**L** - TAS students embrace curiosity that lets us explore different things, rise to a challenge and never be afraid of learning something new. This makes us a student body which enhances the willing to know and understand more. What more could we ask for our schooling life.

This year we have also been successful in the sporting arena - students competed at district, regional, state and national level. Congratulations to our primary sports tour to the sunshine coast, where more than 40 students, represented TAS in netball, soccer, or hockey. We were also very successful in chess with 3 girls teams flying to Brisbane to compete in the state finals, with another 2 mixed teams representing TAS as the state championships.

**A** – Overall, 2024 has been a fabulous year for TAS White Rock Campus Primary. We are both proud to be part of an award-winning school that has achieved a lot over the years. A special mention to everyone’s parents and hard-working teachers who have made this year the best it can be. The year 6 cohort is very much looking forward to a new chapter in high school. Good luck to the incoming captains, we wish you an exciting and successful year. A message to the future captains, “People will forget what you said, people will forget what you did, but people will never forget how you made them feel.” A quote by Maya Angelou.

**L** - Congratulations on a successful 2024. Have a safe and happy Christmas holiday. Laura and Archer – Signing Off.

## CONNECTING WITH COUNTRY

The Year Six Connect to Country Northern Territory Tour offered students an unforgettable experience, immersing them in the region's rich cultural heritage, natural wonders, and history.

Highlights included the Welcome to Country Saltwater Ceremony, exploring Ubirr Rock Art, and learning about local ecosystems on the Yellow Waters and Katherine Gorge Dreaming Cruises. Students applied classroom knowledge while developing personal and interpersonal skills through group activities, such as waterfall swimming, and visiting Parliament House and the Military Museum.

Close encounters with wildlife at Crocosaurus Cove and visits to the NT Museum and Art Gallery added depth to this hands-on educational adventure. This tour fostered a connection with the land and Indigenous culture, creating lasting memories and insights.

# Awards & Achievements

## 5-STAR INNOVATIVE SCHOOLS AWARD

TAS White Rock Primary has been named one of the Educator's 5-Star Innovative Schools for 2024! This award highlights our commitment to excellence and forward-thinking education that empowers our students and community. Thank you to our incredible team, for making this possible!

## 5-STAR SUSTAINABILITY AWARD

TAS White Rock Primary Campus Primary has been awarded the prestigious 2024 5-Star Sustainability Program Award! This honour highlights our ongoing commitment to environmental stewardship and sustainability through the Primary Round Square Initiative.

## ALUMNI SPOTLIGHT: KELRIC MULLEN (CLASS OF 2015)

We're thrilled to celebrate 2015 TAS alumni Kelric Mullen, co-founder of Flashback, who this year secured a \$500,000 investment on Shark Tank Australia! Kelric's story is a testament to the impact of dedicated teachers and the power of a dream. Congratulations, Kelric – you've made us proud, and we can't wait to see where Flashback goes next!

## MYURI GOPALAPILLA (CLASS OF 2023)

Congratulations to Myuri, who was awarded the prestigious 2024 TJ Ryan Memorial Medal and a scholarship valued at \$10,000.

## CAIRNS YOUNG LEADERS SUMMIT (YLS)

Year 5 students participated in the YLS to develop skills essential for future leadership roles. Organised by the Australian School of Entrepreneurship, the summit aims to refine key components for successful teamwork.

## SAMANTHA JOHNSON (2023)

Congratulations to Samantha, who was awarded a Merit Scholarship at the University of Melbourne and is currently pursuing a Bachelor of Biomedicine.

## PERFECT GLOBAL LANGUAGE CHAMPIONSHIP FOR JAPANESE

Congratulations to the 68 students who competed in the Education Perfect Global Language Championship for Japanese. TAS achieved an impressive 4th place globally out of 1,169 schools. Special congratulations to the students who earned Elite and Emerald certificates!

## 2024 MAYORAL FORUM AT JAMES COOK UNIVERSITY

Congratulations to the Year 6 students who attended the 2024 Mayoral Forum at James Cook University. They had the opportunity to hear from mayoral candidates for Cairns Regional Council about their intentions for environmental protection and addressing climate change.

## INSPIRING SCIENTISTS!

Talented Year 10 students had a blast at JCU Cairns, diving into the University of Newcastle's Science and Engineering Challenge. From earthquake-proof towers to powering cities, they embraced every challenge with creativity and teamwork. TAS was among seven other regional schools represented at the event. Well done!

## ALUMNI SPOTLIGHT: ALEXANDER BENNETTS (CLASS OF 2020)

Congratulations to 2020 alumni Alexander Bennetts for his outstanding academic performance, pursuing a Bachelor of Engineering (Hons) / Mechanical Engineering at UQ in Brisbane. He achieved a remarkable GPA of 6.75 in the second semester of 2023. We extend our congratulations to Alexander and look forward to hearing more about his future achievements and success stories.

## MURRAY COLBRIDGE (CLASS OF 2021) & AMBER ROBINSON (CLASS OF 2023)

Congratulations to TAS Alumni Murray and Amber for proudly representing the Australian Elite Triathlon team at the 2024 Asia Triathlon Cup in Wuxi, China. It's truly inspiring to see our alumni competing on the international stage.

## COMMONWEALTH 75

TAS celebrated being featured in the Commonwealth 75 publication, officially launched at London's iconic Westminster Abbey. The publication marks the 75th anniversary of the Commonwealth and highlights the achievements of institutions and organisations from its 56 member countries, showcasing their influence across education, health, the arts, and more. The Commonwealth 75 publication is not only a beautifully crafted coffee table book but also an archival resource, with copies displayed in Buckingham Palace and preserved for future generations. This inclusion further underscores TAS's role as a leader in education, both locally and globally, and highlights the school's commitment to graduating students who are ready to thrive in an interconnected world.

## EXCEEDING NATIONAL QUALITY STANDARDS (NQS)

We are thrilled to announce that both our TAS Early Learning Centres at White Rock and Kewarra Beach have been rated as Exceeding National Quality Standards, under the National Quality Framework. An overall rating of Exceeding NQS is one of the highest National Quality Standard rating a service can receive.

## AUSTRALIAN EDUCATION EXCELLENCE AWARD

REGIONAL SCHOOL OF THE YEAR: TRINITY ANGLICAN SCHOOL

## AUSTRALIAN EDUCATION EXCELLENCE AWARD

BEST STUDENT WELLBEING PROGRAM: TAS KEWARRA BEACH CAMPUS – PRIMARY

## AUSTRALIAN EDUCATION EXCELLENCE AWARD

PRIMARY SCHOOL OF THE YEAR NON-GOVERNMENT: TAS WHITE ROCK CAMPUS – PRIMARY

## BEBRAS COMPUTATIONAL THINKING AND PROBLEM-SOLVING CHALLENGE

Congratulations to Stanley (Year 6) and Ben (Year 6) for their outstanding achievement in this year's Bebras Computational Thinking and Problem-Solving Challenge!

### MR DARREN OSMOND

Congratulations to Mr Darren Osmond, Head of Outdoor Education, for being awarded the prestigious Queensland Government Individual Achievement Award at the 2024 Outdoors Queensland Awards! Mr Osmond was also named a finalist for the TEACHX Dr John Dwyer Excellence in Leadership in Teaching and Learning Award.

### DA VINCI DECATHLON!

Congratulations to the following teams for their outstanding efforts in the 2024 Da Vinci Decathlon:

- KBCP Year 6 Team: 1st Place in Engineering
- WRCP students: Bronze Medal in the overall aggregate across all subjects
  - WRCP Year 6 Team:
  - 1st Place in Mathematics and Chess
  - 2nd Place in Science
  - 2nd Place in Cartography

## NATIONAL YOUNG LEADERS CONFERENCE

Congratulations to the Year 6 students who attended the National Young Leaders Day Conference in Brisbane, thanks to our partnership with the National School Aid Trust.

## AUSTRALIAN COLLEGE OF EDUCATORS' HONOUR

Congratulations to Ms. Shelby Munford, who was honoured with the Australian College of Educators' Noreen Wilcox Excellence in Education Award for Beginning Teachers.

## AUSTRALIAN MATHS COMPETITION

Congratulations to the 56 TAS students who participated in this year's Australian Maths Competition, Australia's longest-running maths competition designed to enhance students' problem-solving skills. Sixteen students received a Distinction, placing them in the top 20% of their year and region, while three students achieved a High Distinction, ranking them in the top 3% of their year and region.

## TEACHX FINALIST

Congratulations also to Ms. Kim Rheuben, who was named a finalist for the TEACHX Dr. Alan Druery OAM Memorial Award for Excellence in Teaching.

## OUTDOOR ED AUSTRALIA PRACTITIONER

Congratulations to Outdoor Ed teacher, Mr Mike Barker, who was selected as a National Finalist for the Outdoor Education Australia Practitioner Award 2024, proudly representing Queensland!

## JCU'S ENGINEERING FUTURES PROGRAM

Congratulations to Albert An (Year 12) and Sidhant Dan (Year 12), who participated in JCU's Engineering Futures Program this year. Albert received a \$2000 commencement grant for one of the standout projects from the program.

## SWIMMING AUSTRALIA NATIONAL AGE CHAMPIONSHIP 2024

Congratulations to the qualifying TAS students, including Henrik Sørensen (Year 12), Albert An (Year 12), Leah Snelling (Year 12), Hugo Loveridge (Year 11), Ryan Elliott (Year 11), and Jamie Percy (Year 9)! Your hard work and dedication are truly commendable!

## BEST NATIONAL SCIENCE WEEK PLAN IN QLD

Congratulations to Max Lauchlan (Year 11) for winning the best regional Science Week Plan! Working alongside Kerry Moyer, Max devised an exciting and engaging plan for the week, which included an Astronomy Night, forensic workshops, a species survival escape room, and an aquarium biodiversity excursion. Well done, Max, for your creativity and dedication!

## QAMT VICTORIES YEAR 5 & 6

Congratulations to Girija Tambade (Year 6), Maxwell Zhou (Year 6), and Celia Pramana (Year 5), who clinched the top spot in the state, winning the Queensland Association of Mathematics Teachers (QAMT) Year 5/6 Maths Quiz State Final with an impressive score of 30.5! A huge congratulations also goes to the other Year 5, 6, 7, and 8 teams for their outstanding performances!

## NATIONAL LIBRARY ADVOCATE AWARD

Congratulations to Mrs. Danielle Harte, who was named the recipient of the National Library Advocate Award 2024! What a fantastic achievement!

## CAIRNS YOUTH COUNCIL

Congratulations to Antonije Dimitrijevic (Year 11) and Lana Kandakji (Year 9) for stepping up as Youth Councillors to represent Cairns' vibrant youth community!

## MICHAEL HASELDINE

Congratulations to TAS teacher and Triathlon coach Michael Haseldine, who qualified for the Australian team at the 2024 World Duathlon Championships, finishing an impressive 3rd overall!

## EMERGING INTERNATIONAL ATHLETE OF THE YEAR

Congratulations to Daniel Statton, who has been named the Emerging International Athlete of the Year 2024 by the Australian Men's & Mixed Netball Association (AMMNA)!

## LION'S YOUTH OF THE YEAR

Congratulations to Albert An and Frances Gale (Year 12), who participated in the Lions Youth of the Year Challenge, embracing and turning the challenge into a rewarding experience!

# Interhouse Competitions

**Julie-Ann Brown**, Director of Sport

The 2024 Interhouse Sporting Calendar was a dynamic showcase of athleticism, sportsmanship, and house spirit, with students competing in a wide range of events. From the Secondary Swimming Carnival and Triathlon to Public Speaking, Debating, and Singing, each competition provided students with unique opportunities to contribute to their houses.

Leichhardt emerged as the dominant force, claiming both the Interhouse Competition Cup and the Dragonheart Trophy. The Competition Cup is awarded based on performance across key events, while the Dragonheart Trophy recognises outstanding participation throughout the year. Leichhardt's success cemented their reputation as a powerhouse of participation and achievement.

However, the year wasn't solely defined by one house. Dalrymple, Mulligan, and Kennedy all had standout performances, contributing to the competitive spirit and camaraderie that made the year unforgettable.

Let's now take a closer look at the highlights from each of the key events across Term 1 to Term 4, where students pushed their limits and created lasting memories.

## OVERALL HOUSE TROPHY

The Overall House Trophy is awarded based on performance by each House in Swimming, Cross-Country, Athletics, Debating, Singing, Public Speaking and Triathlon.

The winner is **Leichhardt House**.

## ACADEMIC HOUSE TROPHY

The Academic House Trophy is based on comprised results from the Principal's List recipients each year and is awarded to the House whose members have excelled academically.

The winner is **Kennedy House**.

## DRAGONHEART TROPHY

The coveted Dragonheart Trophy is awarded for student participation in the secondary school Interhouse Swimming, Cross-Country, Triathlon and Athletics Carnivals.

The winner is **Leichhardt House**.

## House Results 2024

**Leichhardt**

Overall placing: 1

**Kennedy**

Overall placing: 2

**Mulligan**

Overall placing: 3

**Dalrymple**

Overall placing: 4

# Mulligan Mustangs

Our time as Mulligan House Captains has been unforgettable, defined by unity, pride, and teamwork. From day one, we focused on fostering spirit among all Mulligan Mustangs, living by our motto, *Victory Through Unity*.

Interhouse events highlighted our resilience and camaraderie, with every Mustang contributing—whether leading or cheering

from the sidelines. The singing competition was a standout, showcasing our passion and collaboration.

We are proud to have witnessed the Year 11 students rise to carry on Mulligan's legacy. With heartfelt thanks to Mr Haseldine for his support, we know Mulligan House will continue to thrive.

**Amy & Henrik, Mulligan House Captains**

# Kennedy Crocodiles

We are thrilled to celebrate another remarkable year for Kennedy House. The 2024 theme, 'Personal Growth,' inspired our crocodiles to strive for excellence in both competitions and daily efforts.

From House Day to the Swimming Carnival, Athletics Carnival, and Triathlon, Kennedy displayed bravery, passion, and unity. We proudly claimed the Academic

Cup and excelled in debating, public speaking, and delivered a vibrant performance of 'Can't Stop the Feeling' in the Singing Competition.

Thank you, Kennedy Crocodiles and staff, for making 2024 unforgettable. Congratulations on your achievements—have a snapping good holiday!

**Head of Kennedy House, Jessie-Lee Croghan**

# Dalrymple Dolphins

This year has been unforgettable for Dalrymple House, showcasing an outstanding display of spirit and resilience. The Swimming and Athletics Carnivals highlighted our students' dedication and sportsmanship, even when victory eluded us. The Trinity Day Tug-o-War tested our teamwork, yet camaraderie and enthusiasm were truly

inspiring. Dalrymple shone in debating and public speaking, achieving commendable results that reflected our students' hard work and eloquence. Thank you to all students, parents, and staff for your unwavering support. I'll always cherish these memories. Go Dalrymple!

**Head of Dalrymple House, Nicole Ezard**

# Leichhardt Lions

2024 was a standout year for Leichhardt House, filled with remarkable achievements and team spirit. We began with a fantastic House Day at Sugarworld, bonding with new Lions in our Pride.

The Swimming Carnival set the tone with victories, and our public speakers and debaters truly shone. The Lions excelled in cross-country and athletics, claiming both the senior and overall

wins at these events. Trinity Day saw grit and determination in the tug-of-war, where we shared the overall prize. We capped the year by winning the Interhouse Singing Competition for the second time in 11 years. Thank you to every Leichhardt Lion, teacher, and family for making 2024 unforgettable!

**Head of Leichhardt House, Doug Telford**

# Years 3-6 Swimming Carnival

3 October (KBCP) & 4 October (WRCP)

# Trinity Day

Wednesday 29 May 2024

Trinity Day is an important day for the TAS community to celebrate who we are and where we want to be. The day has many traditions including the Trinity Day Service, the house feasts, Tug-o-war and the dash. Congratulations to all the students who represented their houses proudly.

# Singing Competition

18 October 2024

Secondary school students took part in the annual singing competition, showcasing the fruits of weeks of rehearsal. The audience was treated to four outstanding performances that truly captivated everyone. The judges were thrilled with the enthusiastic participation from all the students and enjoyed the unique stories behind each song. Congratulations to Leichhardt, the winners of the 2024 Singing Competition!

# Debating & Public Speaking

Age Group	Debating	Public Speaking
Year 7-8	Dalrymple & Kennedy	Leichhardt
Year 9-10	Dalrymple	Leichhardt
Year 11-12	Dalrymple, Leichhardt & Mulligan	Kennedy
Overall	Dalrymple	Leichhardt

# Secondary Activities Program

The Secondary Activities Program provided students with diverse opportunities to develop new skills, foster creativity, and enhance physical wellness.

In the arts, activities such as Visual Art, Photography, and Theatre Sports encouraged students to explore different mediums, express their creativity, and collaborate with peers.

For those passionate about sports, the program offered a variety of indoor and outdoor sporting activities that promoted teamwork, perseverance, and leadership.

The E-Sport, Chess, and Board Games activities allowed students to develop

critical thinking, problem-solving, and teamwork skills in both digital and strategic formats.

Running Club and Fitness Bootcamp helped students build stamina, strength, and self-discipline, while Yoga supported flexibility, mental clarity, and emotional well-being.

The Round Square activity focused on community service, with initiatives such as the Eat Up program, alongside other environmental projects within the school.

These activities fostered global awareness, social responsibility, and a sense of community.

# Representative Sport

TAS students excelled in 2024, showcasing remarkable talent and sportsmanship across various interschool events.

- FNQ Schools Surf League Carnival: 40+ students represented TAS, securing 3rd place amid challenging conditions.
- BDO Primary Hockey Carnival: TAS fielded five teams; the Primary Girls won their division, and the Boys placed 3rd.
- JGFA FNQ Soccer Championships: TAS entered nine teams, with U10 TAS Green crowned champions. Eden Jung and Harvey Hayes earned individual accolades.
- Cairns Water Polo Gala Day: Six teams displayed teamwork and enthusiasm.
- Vicki Wilson & Marlin Coast Netball Competitions: Multiple TAS teams shone, with the Secondary Boys finishing runners-up.
- TCS Interschool Cross Country: TAS won the 10-12 division and saw 30 students qualify for regional championships, with 17 podium finishes.
- TCS Interschool Track & Field: 49 athletes advanced to regionals, with four crowned age champions.

TAS students represented the region in a number of Peninsula School Sporting teams.

- 10-19 Boys & Girls Aquathlon/Triathlon: Clancy Ross, Olivia Stork, Laura Wood, Alexis Wood, Luke Swindale and Cara Elliott.

- Cricket: Laura Wood (10-12 Girls), Carter Peters (10-12 Boys)
- 13-15 Girls Cricket: Madeline Swan-Brenton
- 10-19 Boys & Girls Cross Country: Laura Wood, Carmen Matthews, Jonah Matthews and Cara Elliott
- Hockey: Carter Peters, Ryan McDonald (10-12 Boys), Harper Twomey and Chanel Phillips (10-12 girls), Orlanda Twomey (13-15 girls), Giaan Tippet (16-18 girls)
- Girls Football: Laura Wood (10-12), Isabel du Plessis (13-15)
- Futsal: Isabel du Plessis (13-14 girls),
- 13-14 Boys Futsal: Brodie Beatty
- 17-19 Boys Rugby Union: Damian McLaren
- Swimming: Lachlan Francini-O'Hagan, Madeleine Sneddon, Archie Loveridge and Clancy Ross (10-12), Jamie Percy, Eva Greenwood and Leah Snelling (13-19)
- Track & Field: Dante Higham (10-12), Alexis Wood, Jesse Locke, Alexander Burchell, and Nathan Turnbull (13-19)

Congratulations to the students listed below who were selected in Queensland School Sport Representative Teams:

- 10-12 Girls Hockey: Harper Twomey
- 16-19 Boys Netball: Daniel Statton
- 13-19 Boys & Girls Swimming: Leah Snelling
- 11-19 Boys & Girls Aquathlon/Triathlon: Luke Swindale

# TAS Netball Club

TAS Netball thrived in 2024 under Head Coach Elisa Robati, with six teams and over 50 players from U10 to U16 competing in the Cairns Netball competition. The Prep to Year 2 Beginners Program continued its success, fostering fundamental skills and preparing young players for the future. Thank you to the players, coaches, team managers, and parents for their dedication to TAS Netball.

Team	Best & Fairest	Coaches Award

U12 Jade	Georgia Allen	Nemika Tinai
U14 Tigers	Ellie Richardson	Rebecca Leroy
U14 Opals	Moon Nguyen	Amelia Stewart
Junior Female Dragons	Imogen Green	Ruby Walkear
TAS Netball Player of the Year		Lily Edwards

# TAS Football Club

In 2024, the Jamie Gosling Football Academy was entrusted with providing our players with high-quality coaching and development. This year, TAS Football had over 150 players across 19 teams from U5 to U12, competing in the Football Queensland Far North and Gulf Football competition.

Thank you to the JGFA coaching staff, parents, and players for their continued support in 2024.

Congratulations to Harvey Hayes, who was named TAS Football Player of the Year.

# TAS Hockey Club

In 2024, TAS once again partnered with the Brothers Hockey Club to field over 75 students across various age groups in the Cairns Hockey Association competition.

We extend our sincere thanks to all TAS staff, parents, and students for their contributions to the success of the 2024 season.

Team	Best & Fairest	Most Improved

# From the Head of Teaching & Learning

**Tim Manea**, Deputy Principal, and Head of Teaching and Learning

As we reflect on 2024, Trinity Anglican School celebrates a year of outstanding academic achievements across all year levels, underpinned by the dedication of our students, the expertise of our staff, and the unwavering support of our school community.

This year saw significant success across academic disciplines, with students excelling in state and national competitions, including the da Vinci Decathlon, QMAT Mathematics Competitions, Regional and State Chess Championships, and innovative STEM projects such as the annual JCU Titration Competition and the Engineers Australia Excellence Awards.

Our students also shone in the Arts, with the remarkable TAS Goes M.A.D festival standing as a key highlight.

Tailored programs, including enrichment opportunities and targeted learning, ensured every student was empowered to reach their full potential, fostering both academic growth and personal development.

In 2024, the NAPLAN results for Years 3, 5, 7, and 9 once again reinforced the excellent work undertaken by students in Literacy and Numeracy. While NAPLAN is just one of many ways that student

success is measured at TAS, the national significance of these assessments and the ongoing success of TAS students in these standardised tests cannot be overstated.

A highlight of the year was the introduction of the TAS MedEntry Course, designed to support aspiring medical students in their preparation for UCAT examinations and university admissions. This initiative reflects our commitment to equipping students with specialized pathways to achieve their career aspirations.

A special mention goes to our Year 12 students, who have approached their final year with determination, resilience, and focus. Their hard work and commitment have been evident throughout the year. We celebrate their achievements and acknowledge their role as mentors and leaders within the school community, setting an inspiring example for their younger peers.

This year's accomplishments are a testament to the dynamic and supportive learning environment at Trinity Anglican School. As we conclude 2024, we look forward to building on these successes and continuing to nurture curious, confident, and compassionate learners who are prepared for the challenges of tomorrow.

## SPACE CAMP 2024

## LANGUAGES

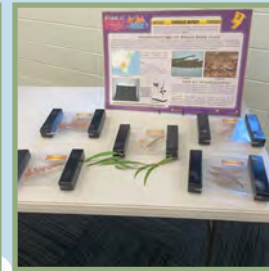

## SCIENCE WEEK

TAS embraced the theme of National Science Week 2024: "Species Survival – More than Just Sustainability." As part of the TAS revegetation program, students planted 100 trees at Kewarra Beach. Astronomy Night provided a stellar lesson on the Perseid meteor shower, while forensic science workshops and a visit to Cairns Aquarium deepened our understanding of how science supports species survival and thriving ecosystems. As National Science Week wraps up, let's stay inspired by the power of science and innovation to drive meaningful change and support the survival and flourishing of species in our dynamic world.

## SCIENCE WORKSHOP

Students at White Rock Campus thoroughly enjoyed their immersive forensic science workshop, where they delved into the intricate processes of investigating a crime scene. They explored various forensic techniques, including forensic botany, chromatography, UV light analysis, animal track identification, and scatology. A special thank you to Education Interactive for making the workshop both informative and captivating.

## YEAR 5 & 6 JAPAN STUDY TOUR

This year, Years 4 to 6 participated in the Japan Study Tour as part of our exchange program with Keimei Gakuen Elementary School. Students explored Japanese culture through visits to the Imperial Palace Museum, Tokyo Station, and other landmarks. They also engaged with Japanese students during their classroom experience and homestay with host families. Highlights included visits to the Tsuruoka Hachiman Gu Shrine, Hase Temple, the Great Buddha of Kamakura, and Tokyo Disneyland.

## YEAR 10 & 11 JAPAN STUDY TOUR

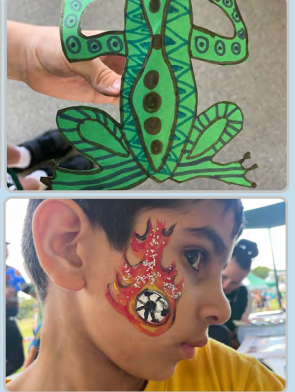

In 2024, TAS Japanese students had a highly successful year. In late 2023, Year 10 and 11 students participated in a 14-day cultural immersion trip to Japan, visiting Osaka, Kyoto, Hiroshima, and Tokyo. They explored historical sites, took language lessons, dined with a Japanese family, and visited our sister school, Keimei Gakuen, under the guidance of Fukushima Sensei and Kawabata Sensei.

Back at school, TAS excelled in the Education Perfect Global Languages Championship, ranking 4th out of 1169 schools worldwide, with 68 students earning awards.

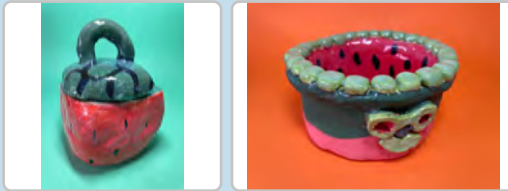

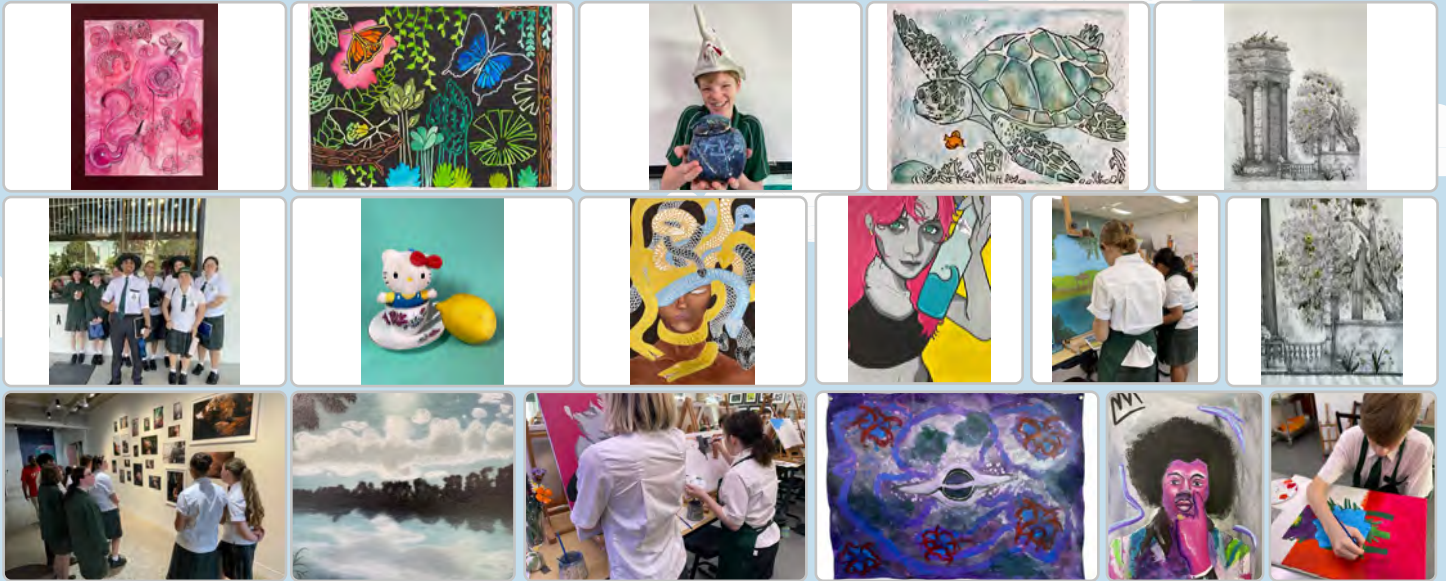

In the Regional Championships, TAS ranked 1st in Queensland among 316 schools. Year 7 class 7D achieved first place within TAS.

TAS also hosted visiting Japanese schools, fostering cultural exchange and inspiring students to improve their language skills. With increasing enrollment expected in 2025, Japanese remains a popular subject choice at TAS, reflecting students' commitment to mastering the language.

# Visual Arts - Primary

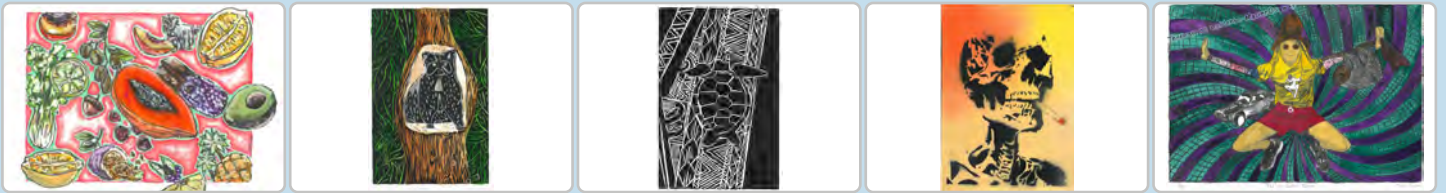

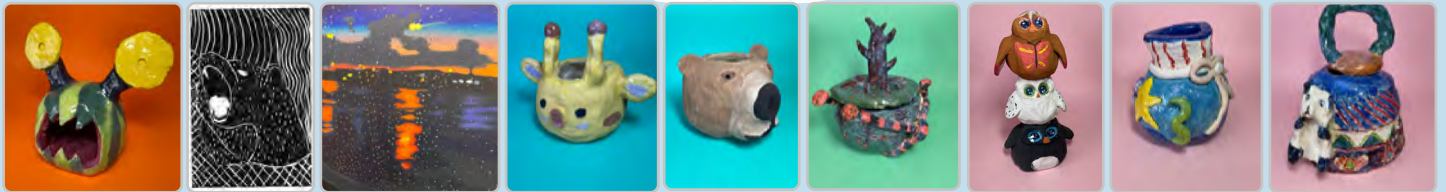

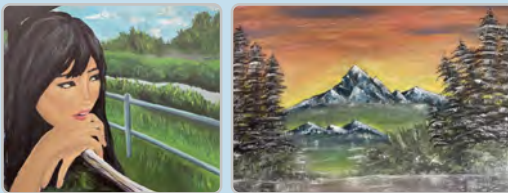

# Visual Arts - Secondary

It has been another fantastic year for Secondary Visual Arts, with students demonstrating dedication in their chosen mediums and exhibiting their artworks in various competitions and events, including the Cairns Show, Receive/Respond, and the 2024 Energy Exhibition.

Once again, the highlight was TAS Goes M.A.D., where students from all year levels showcased their talents across a range of mediums and subject matter. The curriculum emphasised both technical skills and creative expression, encouraging students to develop their unique artistic ideas and styles. Overall, the program fostered an inclusive and dynamic environment, allowing students to grow as artists and individuals.

**Hannah Murray**, Subject Coordinator - Art

# Music

## P-2 MUSIC ASSEMBLY (KBCP)

Set against the stunning backdrop of natural bushland, our young students showcased their talents at the Kewarra Beach Campus P-2 Music Assembly. The atmosphere was filled with joy and enthusiasm as they took to the stage, embracing the spirit of community and creativity.

## YEARS 3-6 MUSIC ASSEMBLY (KBCP)

Students from the Year 3-6 choir, along with a fantastic range of soloists, performed beautifully for TAS community members at the Kewarra Beach Campus Music Assembly.

What a wonderful showcase of talent and dedication!

## WORKSHOP

The highlight of Term 1 was the annual music workshop led by Mrs. Fiona Hamill – a past Director of Music at TAS who now works in several schools. Not only did Fiona lead some inspirational rehearsals for the Orchestral Band and Strings but she also ran a very enjoyable vocal workshop for choir members from WRCP and KBCP.

## ST BARNABAS' CATHEDRAL CHOIR

Kewarra Beach Campus was thrilled to host St Barnabas' Cathedral Choir from Honiara, Solomon Islands. Our students were privileged to gain insight into life in the Solomon Islands

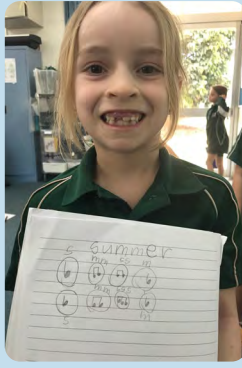

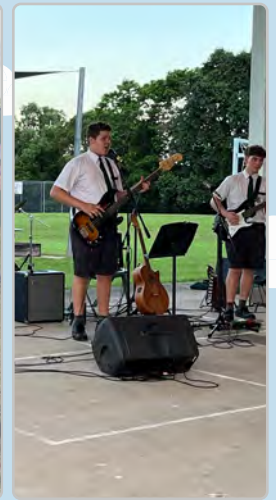

through their performance. Our thanks go to the choir, as well as to Bishop Keith and Reverend Elisabeth for orchestrating this opportunity for our students and families.

## PUBLIC PERFORMANCES

This year's new initiative was a concert at St John's Church. This showcase event featured our best soloists, giving them a chance to perform in a formal concert setting. Another popular public performance was the Year 11 rock band's performance at the charity car show, held at the Cairns Showgrounds. Our annual invitation to this event gives students the opportunity to perform alongside professional musicians, offering them a taste of potential future musical pathways.

## WRCP MUSIC

Prep – Year 3 students have enjoyed learning music through playing, singing, interactive technology, dancing, listening to the instruments.

They have also enjoyed strumming chords on the ukulele (Years 1–3), playing percussion instruments, and writing music notes in their music books.

Year 4–5 students each have their own recorder, which provides them with the skills to learn the fundamentals of reading music and playing other instruments (e.g., the Year 5 TAS Brass and Woodwind program).

A recorder is easily portable, and tunes that are practiced well can sound stunning, from Hot Cross Buns to Rondo from Abdelazer by Purcell.

Year 6 students discover wonderful music from other countries to research, listen to, play, and present an assignment on.

Year 3–6 Ukulele Club: Students can join the WRCP Ukulele Club (voluntary after-school), which is so much fun!

WRCP Music Teachers: Mrs. Anna Long (P-4, Ukulele Club), Mrs. Melissa Coxen (5-6), and in Term 4, Mrs. Leanne Davies (P-4).

## ST JOHNS SHOWCASE CONCERT

# Music - Choral

TAS students had wonderful opportunities to sing and perform in 2024.

**Mrs Anna Long, Vocal/Choral Coordinator**

In Term 1, TAS Choirs showcased their talent with a combined workshop, WRS Choir's performance at the Year 7 TAS Experience, Harmony Day assemblies featuring WRCS, WRCP, and KBCP choirs, and WRCS Choir concluding the term at the Easter Service.

In Term 2, Week 6, the KBCP Senior Choir and ukulele groups shone at the KBCP 3-6 Music Recital, followed by the WRCS Choir's performance at the Trinity Day Service in Week 7.

Ukulele groups from WRCP and KBCP added cheer to the Father's Day Breakfast in Week 8. Week 9 saw the WRCP P-2 Choir perform at an assembly, while the KBCP Songbirds shone in the KBCP P-2 Music Recital. The WRCS Choir closed Term 3 with a heartfelt performance at the WRCS Captains' Investiture Service in Week 10.

In Term 4, the KBCP Senior Choir gave a memorable performance at the KBCP 3-6 Awards Ceremony, and the WRCS Choir concluded the year with a festive performance at the WRCS Christmas Service.

In Term 2, the KBCP Senior Choir performed at the Anzac Day Dawn Service, while the WRCS Choir sang at the WRCS Anzac Day Service. Later, the WRCP P-2 and 3-6 Choirs, joined by the Ukulele Club, delivered a Mother's Day-themed concert at the WRCP Music Concert #1.

In Term 3, Week 4, the TAS Combined Choirs and WRC Orchestra delivered a spectacular performance at TAS Goes MAD, followed by a memorable Variety Night featuring the WRCP and KBCP Senior Choirs in Week 6.

In Term 4, Week 5, the WRCP P-2 and 3-6 Choirs held their second concert of the year, and the KBCP Songbirds and Senior Choir delighted audiences at a Christmas Concert. Week 7 featured the WRCP 3-6 Choir at the WRCP Christmas Awards, a TAS Combined Choirs and Orchestra performance at the WRCS Awards Night, and the WRCS Choir at the Valedictory Service.

Throughout the year, TAS students demonstrated exceptional talent, uniting across campuses for concerts, assemblies, and special events. Highlights included Harmony Day, Anzac Day, and festive celebrations, showcasing their dedication to music and enriching the TAS community.

## Drama

2024 has been a fantastic year for Drama! Students have worked with professional companies, participated in workshops, and enjoyed live contemporary theatre, all while developing and sharing their passion for performance.

Year 7 students explored the basics of acting through storytelling and movement, while Year 8 students expanded on their learning with Gothic Theatre and Comedy. In Years 9 and 10, students engaged with Visual Theatre, using puppets, glowsticks, and shadow screens to create and convey ideas. Senior students in Years 11 and 12 pushed their

boundaries by creating original performances and presenting texts in Realism and Theatre of Social Commentary, collaborating with industry professionals to explore new interpretations.

At the TAS Goes M.A.D. event, we entertained the audience with Monty Python's "Pet Shop" skit and student-devised Comedy performances.

With exciting plans for 2025, we look forward to another year of creativity, confidence, and curiosity in the Drama classroom.

**Shannon Saunders**, Subject Coordinator - Drama

## Dance

Building on the success of our 2023 production of Grease, a new initiative was introduced to provide students with more opportunities to express themselves on stage. Led by a talented group of Seniors, the TAS Dance Troupe made its debut at the JCU Cairns Eisteddfod and the Dance-X Schools Competition, receiving Highly Commended and Fourth Place in the Jazz categories, respectively. Introducing new artforms and experiences has proven beneficial for our students, and we look forward to continuing the success of Dance in the coming school year.

# Student Representative Council (SRC)

Hello everyone! It's Lydia and Poppy and we are your Year 10 Student Representative Council (SRC) members for 2024. The SRC consists of two peer voted representatives from Years 7 through to 11. This year's representatives were:

- Year 7 – Kritika Biswas and Alex Boscarini
- Year 8 – Scarlett Ross and Bethany Vanderham
- Year 9 – Rithul Vishnu and Mehtaab Saundh
- Year 10 – Lydia Jeremijenko and Poppy Loveridge
- Year 11 – Max Britton and Hugo Loveridge

2024 has been an exciting year of discussion and action in the SRC. Each week the SRC meets during Friday's TAS Time to discuss current issues that students and staff have raised. We spent the first few weeks setting up

the SRC's SharePoint page and organising the roles and responsibilities of each member.

Some of the issues the SRC have discussed and addressed this year include: the Uniform Policy, tuckshop menu, rules for bus seats, library opening times, oval rules and many more. Many of these issues were raised through homeroom visits, the SRC's online survey on SharePoint and one on one conversations between representatives and students. Members were also able to speak at a couple of assemblies to spread awareness about what the SRC does and how to contact us.

Overall, the SRC has had an amazing year and we hope to continue to help students improve TAS in 2025. Poppy and Lydia.

# Outdoor Education

Darren Osmond, Head of Outdoor Education

**We acknowledge the Traditional Custodians of the lands where our programs are conducted and pay respects to their Elders past, present, and emerging, thanking them for their stewardship of the environment.**

In 2024, we ran 18 year-level programs (Years 1–12), a 5-day Duke of Edinburgh Expedition, and 21 days of Year 10 Outdoor Recreation activities, including two 4-day expeditions. Over 30 students will receive Duke of Edinburgh awards, including six at the prestigious gold level—a record for TAS. Notably, 2025 school captain Joanna Chen achieved gold during Year 11, the first in TAS history.

Eighteen students will embark on a 22-day World Challenge Expedition to Nepal in December 2024, featuring an 8-day Himalayan trek, a week of community service, and cultural immersion.

Our Outdoor Education precinct became fully operational in 2024, enhancing program preparation and debriefing. Special thanks to our sponsors—Dr.

Sarah Coll for our logistics trailer and the Twomey family for supporting our new vehicle. Stay tuned for 2025 sponsorship opportunities!

Our team expanded in 2024 with Mike Barker joining full-time and Eva (gap student) assisting. For 2025, we welcome Tony Cridland as an Outdoor Education teacher and Ava Rae as an assistant facilitator. The team also completed Mental Health First Aid training to better support students and staff.

We're proud of our achievements, including recognition in state and national outdoor education awards. These accomplishments are thanks to our passionate students, supportive parents, dedicated teaching staff, and an exceptional outdoor education team.

# Year 1 Outdoor Education Program

18 & 25 October 2024, on Campus

# Year 12 Outdoor Education Program

29-31 Jan 2024, at Lake Tinaroo

# Year 10 Outdoor Recreation

The Year 10 Outdoor Recreation Program is an elective designed to develop students' outdoor education, recreation, and leadership skills. This year, 22 enthusiastic students participated, meeting weekly for activities and engaging in longer practical sessions and expeditions. Over the year, students spent approximately 17 days on hands-on activities, including:

- Term 1: Kayak skills and paddling, culminating in a 4-day paddling expedition.
- Term 2: Rock climbing and lifesaving, with extended practice sessions.
- Term 3: Hiking, navigation, and first aid, ending with a 4-day hiking expedition.

Highlights included hiking in Danbulla National Park, rock climbing at TAS and the Northern Outlook, canoeing and kayaking on Lake Tinaroo, and participating in orienteering events.

Students also developed personal and leadership skills through reflection and evaluation, catering for group needs, and achieving certifications, including a Senior First Aid Certificate, Bronze Medallion Lifesaving Certificate, and a program reference letter.

# Duke of Edinburgh

The Outdoor Education Department oversees the Duke of Edinburgh Award at TAS, with over 80 students registered in 2024. A record six students achieved gold, including Frances Gale, who received her certificate from Queensland's Governor in July, and 2025 school captain Joanna Chen, the first TAS student to complete gold in Year 11. The program integrates community service and adventurous journeys, with highlights including a "double gold" canoe expedition at Lake Tinaroo and students raising \$3,000 for outdoor equipment. Year 11 students also supported primary outdoor programs, contributing as youth leaders and inspiring younger peers.

## BRONZE AWARD

# World Challenge

## Nepal 2024

**Mr Darren Osmond,**

Accompanying School Leader and TAS World Challenge Coordinator.

On 2 December 2024, 18 Year 10 and 11 students from Trinity Anglican School embarked on the journey of a lifetime – a 22-day student-led World Challenge Expedition to Nepal. This was the 7th TAS World Challenge group and the second to visit Nepal.

The journey began almost 18 months earlier when students committed to the challenge and began fundraising, not only for themselves but also for the group's community service project. Extensive preparation included student and parent meetings, training expeditions, and group fundraising initiatives, raising over \$3000 through food stalls, bake sales, and social media promotion.

The student-led team gathered their entire expedition budget in cash before arriving in Kathmandu. Over the next 22 days, they took full ownership of their budget, covering accommodation, transport, food, guide tips, sightseeing, and relaxation activities. This experiential learning approach, under the guidance of an experienced leader and school staff, allowed students to manage the entire expedition themselves.

The team created a bespoke itinerary, starting with a whitewater rafting safari and trek acclimatisation days in lakeside Pokhara. They then travelled to a nearby government school for several days of community service, including painting, manual labour, and basic construction. A highlight was interacting with local children, teaching English, playing games, and learning some Nepalese.

The team's fundraising efforts also enabled them to contribute over \$3000 to worthy causes, including further

technical building work, educational supplies, and sporting equipment for local organisations.

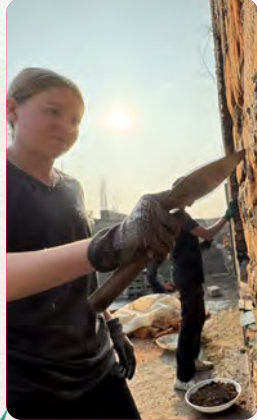

After a period of rest and recovery in Pokhara, the team flew to Kathmandu, saving a 12-hour bus trip, with stunning views of the Himalayas. Their trek began with an 8-hour drive to the Himalayas, where they spent 8 days trekking in winter conditions. The challenge was immense, with temperatures as low as minus 10°C and altitudes up to 4773 metres above sea level. They stayed in teahouses along the 50km route in Langtang Valley, learning to cook Nepali dishes from their Sherpa guides and gaining inspiration from the people who call the remote mountains home.

The long drive back to Kathmandu was reflective, and the final days were spent shopping, visiting temples, and debriefing on their experiences before the journey home, arriving in Cairns just before Christmas.

The students' outdoor education experiences proved invaluable, as they developed leadership, teamwork, and budgeting skills, using negotiation and bargaining to save money, which benefitted the local economy. Their efforts left a lasting impact on Nepal, but the most significant change was within the students themselves as they matured into young adults.

This was the sixth successful World Challenge expedition conducted by TAS, with past destinations including Borneo, Ecuador, Tanzania, Nepal, and India. The next group is eager to discover where their adventure will take them in December 2026—perhaps South America?

# Cancer Council Ponytail Project

**THIS YEAR, 28 YEAR 12 STUDENTS PARTICIPATED IN THE PONYTAIL PROJECT, RAISING AN IMPRESSIVE \$36,000.**

After growing out their hair, the students took the big step today of cutting it off in support of the Cancer Council. The funds raised will directly benefit people impacted by cancer through essential support services, prevention programs, and lifesaving research. On behalf of the students, we would like to extend a heartfelt thank you to everyone who donated to this incredible cause.

# Round Square & Service

## DAY FOR DANIEL AT KEWARRA BEACH

25 October 2024

### RECYCLING EFFORTS

The student committee, supported by a Wednesday afternoon activities group, collected and packaged thousands of recyclable items for agents like TerraCycle, NQRA/Containers for Change, and RCYCL. The funds raised from recycling bottles and cans were used to recycle pens, paper, uniforms, and coffee capsules. One hundred kilograms of uniforms were sent to RCYCL at a cost of \$454.95.

### EAT UP INITIATIVE

The activities group played a key role in preparing 1555 cheese sandwiches three times each term, alongside Eat Up volunteers. These sandwiches are distributed to 13 schools in the region, helping to support local communities.

### CHRISTMAS COLLECTION FOR REMOTE COMMUNITIES

Chaplain Annette organised a Christmas collection for remote communities, with the Round Square student committee donating \$2500 from fundraising efforts for purchasing homewares. TAS families also generously contributed to the collection.

### ROSIES' YOUTH

Year 11 and 12 students continued volunteering for Rosies, providing meals and conversation for disadvantaged individuals. This ongoing community service effort fosters support for those facing homelessness

### ANNUAL SLEEPOUT

The second annual 'Sleepout' event raised \$550 for backpack beds for those in need, with 41 students sleeping rough in the MPH to raise awareness of homelessness.

### TAS RELAY FOR LIFE TEAM

We are thrilled to share that the 2024 TAS Relay for Life Team raised an impressive \$2,800 for Cancer Council. The team showed unwavering dedication, ensuring that there was always at least one person on the track. A special shoutout to Team Captain Archer for his outstanding leadership and commitment to the cause.

### RSIC COLOMBIA

The RSIC Colombia trip included a pre-conference tour of Machu Picchu and the Sacred Valley, followed by the main conference in Colombia. The theme "Blooming from the Past" allowed students to engage in cultural activities and workshops, including hiking, service work, and learning about Colombian heritage.

## MAKING CHRISTMAS CARDS

In the latter weeks of Term 4, students participated in a popular activity making 60 handmade Christmas cards for elderly residents at a local aged care facility.

## ROUND SQUARE HAMBLEDON FOOD DRIVE

Congratulations to Harvey Nguyen (Year 6), on receiving the Round Square Gold Award! He made a significant impact by collecting and donating a large quantity of non-perishable food to Hambledon House.

## REEF CLEAN

In alignment with the IDEALS of the Round Square international network, Prep and Year 4 Reef Guardians took part in the Tangaroa Blue Great Barrier Reef Clean-Up as part of their Science, Humanities, and Mathematics studies, gathering rubbish and waste from Kewarra Beach.

## MAKE-A-WISH AUSTRALIA

Congratulations to Archie Loveridge (Year 6), who cycled over 100kms in March to raise money for Make-A-Wish Australia, a charity supporting seriously sick kids across Australia. Archie has surpassed his original fundraising goal, raising over \$1,300!

## TREE PLANTING SUCCESS WITH RAINFOREST RESCUE!

Special congratulations to Year 6 student Nikita, for organising Rainforest Rescue to plant trees as part of her Round Square gold award. A big well done to the White Rock Primary Round Square committee for their amazing teamwork, they took great care in fertilising the soil, planting the trees and watering them.

## HOMELESSNESS WEEK

Congratulations to Oscar (Year 6), who, during Homelessness Week, took up the challenge organising a successful event called Salvo's Silly Sock Day for his Round Square Project at Kewarra Beach campus. The initiative was aimed at raising awareness and funds to support the work of the Salvation Army in aiding the homeless.

## THANKS TO VOLUNTEERS

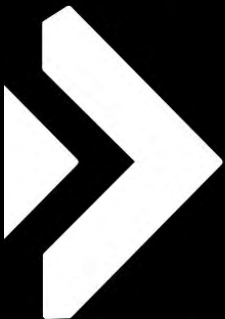

Special thanks were extended to the Round Square Captains, student delegates, committee members, and all volunteers who contributed to the fundraising and community service initiatives throughout the year.

# Book Week 2024

# TAS goes M.A.D

What an unforgettable day of creativity and talent at the TAS Goes M.A.D festival, which showcased the Music, Art and Drama skills of our students. Thank you to our community and also to the Houses for their hard work presenting an assortment of culinary delights throughout the afternoon/evening.

# Variety Night

What an incredible night at our Primary School Variety Night, The Penguin's Enigma! Our talented students from Year 3 to Year 6 put on an unforgettable show, showcasing their amazing skills in singing, dancing, and acting. The energy, creativity, and enthusiasm of every performer made this event a huge success. Thank you to everyone who supported and cheered on our young stars! We couldn't be prouder of their hard work and dedication.

# 2024 TAS Gala Ball

We're thrilled to share that, thanks to our sponsors, donors, and the TAS community, the 'Around the World in 80 Days' Trinity Anglican School 2024 Gala Ball raised an incredible \$30,000! Proceeds from the event will support TAS' Principal's Opportunity Scholarship Program, providing deserving students with access to a TAS education and offering them opportunities they might not otherwise have.

With thanks to...

Generous donors Abc Snorkel Charters Port Douglas, By Heart Photography, Bishop Tung-Yep, The CaPTA Group, Audi Centre Cairns, Cathy Zeiger - Div. 3 Councillor, Cairns Regional Council, Crystalbrook Riley, Down Under Tours, Eazytiger Trinity Beach, Event Cinemas, Gao-Mi, Great Adventures - Green Island and Great Barrier Reef Cruises, Bob Katter, Jedess Hudson, Konsilee, Mainie, Mareeba Drive In, Marinades Indian Cuisine Cairns, Mikyung Coates, Mt Sheridan Plaza, Nu Nu Restaurant, Paul's Bread, RamonaShopping, Sunshine Tower Hotel, The Benson Hotel

WITH THANKS TO OUR 2024 TAS GALA BALL SPONSORS

## FATHERS DAY

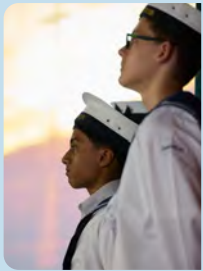

## MOTHERS DAY

# WRCP CHRISTMAS CELEBRATION

# ANZAC DAY

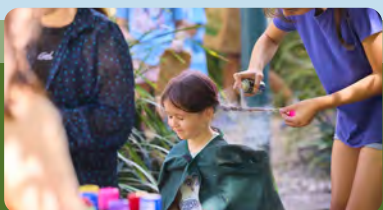

## NAIDOC

Students celebrated NAIDOC Week with a variety of engaging activities. KBCP students participated in an incursion with Capirri Aboriginal Art, learning about local stories, bush tucker, bush medicine, and the native trees outside our library. Prep students at White Rock Campus had the opportunity to learn from Lisa Lui, a proud Dauareb woman from the Kemer Kemer Meriam Nation of the Torres Strait. Secondary students experienced cultural workshops at Radiant Life College in Innisfail, including spear throwing, the Goondoi Dreamtime Trail, and art activities.

## CHARITIES FAIR

The Kewarra Beach Charities Fair fosters student entrepreneurship and philanthropy, aligning with the Round Square IDEAL of 'Service.' Students showcased exceptional ingenuity, professionally managing all aspects of their fundraising. Congratulations to all for raising over \$4000, which will be donated to the Starlight Children's Foundation, RSPCA, and The COUCH Foundation.

## KEWARRA BEACH CAMPUS COURTYARD CHRISTMAS

The event was filled with festive cheer, featuring student-run stalls, handmade crafts, treats, live entertainment, and holiday-themed goodies. It was a great opportunity to celebrate the season, support our students, and connect with each other. Thanks to everyone who contributed to making this event a success!

## WRCP COMMUNITY CARNIVAL

White Rock Primary Campus had a fantastic time at the Community Carnival on 18 October! With activities ranging from face painting to disco dancing, there was something for everyone to enjoy. Thank you to our incredible staff and parent volunteers for their hard work in making the day a success!

# Captains message

**Albert:** My favourite memory of high school was being School Captain with Frances.

**Frances:** Shut up, Albert. What was your actual favourite memory?

**Albert:** I guess... spending time with our grade!

**Frances:** Ooh, good one!

Now that that's out of the way... Hi everyone, and a massive congratulations to each and every one of you. We have all come so incredibly far this year, and our collective achievements are truly astounding.

As the Class of '24, we will most certainly be remembered by others. What we leave behind is a strong representation of our core values as Year 12 students: a legacy of strong friendships, positive attitudes, and the occasional flash mob. (Serenading the school was definitely a highlight!)

We started our schooling journey as 5- or 6-year-olds in 2012, fresh-faced and ready to learn how to count and spell. Once we graduated from junior school, it felt like we were heading off to the next huge chapter of our lives. Now this chapter has closed, and we have an even bigger road ahead. It's funny to think about how grown-up we felt at the start of high school when we were really just ambitious 13-year-olds. Now we stand at the end of an era.

Throughout our high school journeys, we've all had individual experiences, but we have grown together. At the start of this year, our Year 12 retreat was a testament to our strong bond as a cohort. Dancing on the grass for our '70s disco, connecting through workshops, and celebrating the beginning of the end. Our senior dinner was a massive hit—great photos captured and even better memories made. We all scrubbed up for formal—you looked fantastic, by the way ;) —and spent time on the dance floor once again.

We hope that the efforts you have all put into this year, and all 13 years of schooling, were worth every second. We hope that the experiences you gained, both good and bad, will help shape you for the better for the rest of your lives. One day, we will look back on our last year of high school and not see the energy drink-fuelled days, last-minute study crams, and stressful exams, but instead remember the positive moments: the walks with friends between classes, the silly conversations at lunch, and belting out the lyrics every time a banger plays.

We all know the bonding power of music—how memories become tied to it (don't we all just love "Riptide!"?)—so we wanted to wrap up our year with a Spotify Wrapped of our own! We hope to create a compilation of memories and stories that reflects us as the Class of '24.

We wish you all the best and will be glad to look back on our high school experience with you in mind. Hope to see you all in 10 years for our reunion.

We hope your life is sweet like a box of chocolates. May our legacy live on.

- Albert and Frances
