ACADEMIC EXTENSION

BEGINNERS CHESS

Monday 11:00am – 11:25am Room 17 Mrs Evelyn Mahony FREE

Chess develops memory, improves concentration, develops logical thinking, promotes imagination and creativity, teaches independence and develops the ability to think strategically. Learning to play chess at an early age gives students opportunities to develop a skill-set that complements and supplements academic learning and social interaction. Beginners Chess Club is offered to students in Years 2 to 6 who wish to learn the game. Students learn the way each piece can move and practise strategies in a friendly environment. Many of our players are then invited to participate in the Interschool Chess Tournaments at White Rock. Happy playing!

SCRATCH2 CLUB

Tuesday 11:00am – 11:30am Science Lab Ms Karen Wellard FREE

The demand for Computer Programmers, Software and Robotics Engineers continues to increase. Students in the Scratch2 Club will code their own interactive stories, animations and games. Suitable for students in Years 4 to 6 who have an interest in programming and engineering and want to consolidate classroom-based coding learnings.

WRITER'S WORKSHOP

SCRATCH JUNIOR CLUB

Tuesday 1:30pm – 1:55pm Room 4 Mrs Joylene McShane FREE

Students are introduced to simple computer programming language through the use of the Scratch Junior App. They code their own interactive stories, games, animations and practise solving challenges with their 'tech buddies'. Suitable for students in Prep to Year 3 who want to consolidate classroom-based coding activities and extend their computer programming skills.

DA VINCI DECATHLON

Tuesday 1.30pm – 2.00pm
2.00pm – 3.15pm

Room 7

Mrs Kellie Clarke

FREE

The da Vinci Decathlon began in 2002 as an offshoot of the very successful da Vinci Program for gifted and talented students at Knox Grammar School in Sydney. The Decathlon is designed to celebrate the academic gifts of Australian students by providing a stimulating and challenging competition run in the spirit of an Olympic Decathlon.

The da Vinci Decathlon is an academic competition; designed to challenge and stimulate the minds of school students. During the competition, students compete in teams of eight across 10 disciplines: engineering, mathematics and chess, code breaking, art and poetry, science, English, ideation, creative producers, cartography and general knowledge.

Students participating in this elective work on challenges to prepare them for the da Vinci Decathlon at St Joseph's College at Nudgee in May. Only open to selected students in Years 5 and 6.

OPTIMINDS

Tuesday 2:00pm - 3:15pm

Room 18

Mrs Simone Calligaro

FREE

Opti-MINDS is an open-ended team challenge consisting of four to seven students per group. Student who elect to participate in this challenge are required to work on a long-term challenge (six weeks) and a spontaneous challenge. The solution must be dramatized and then presented to a panel of judges and an audience on Opti-MINDS Challenge Day at JCU on Sunday 26 July. Through participation in this challenge, students develop enterprise, critical and creative thinking skills, cooperative problem solving, time management, communication skills and responsibility.

Opti-MINDS looks beyond academic achievements whilst encouraging the pursuit of individual excellence. Only available to Year 5 and 6 students.

TOURNAMENT CHESS

Thursday 11:00am – 11:25am

Room 20

Mr Robert Lade
